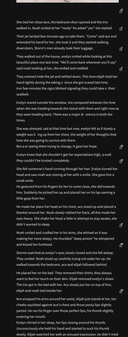
59. Arrival

It was late morning. Evelyn came out of the washroom a re-taking a long shower. As a shock, she put her clothes on the bed.

She was really sore when she woke up so elijah gave her an aleb. Today they were going back.

She wore her clothes and looked her dying hair.



She bad her. Elow slow bro, the bedroom door opened and the trio walked in. Noah shouted a bar "ready" "ready what" she replied.

Then jet looked her minutes ago to take them. "Come" said ace and extended his hand for her. Evelyn and Noah looked at each other in domination. Storm's arm already took their luggage.

They walked out of the house, evelyn noticed while looking at this beautiful place one last time. "We'll come back whenever you'll say" said noah looking at her. She smiled and nodded.

Elijah and noah put the pots and skillet down. This time elijah held her hand firmly during the taking. (since she got scared last time. Elijah knew this was the right time) elijah signing they could take a short walkoff.

Evelyn and noah hold the pots, she stepped between the trio since when she was heading towards the island with them and right once as they were heading back. There was a ringe of emerald in both the times.

She was stressed, said at that time but now, evelyn felt as if already a weight was 1 ag up from her chest, the weight of her thoughts that have the ring giving to survive with them.

But a ar seeing them trying to change, it gave her hope.

Evelyn knew that she shouldn't get her expectations high, a trail they couldn't be treated completely.

She felt someone's hand running through her hair. Evelyn turned her head and jace noah was staring at her with a smile. She gave him a smile back, he kissed her.

Evelyn looked at the figure for her to enter, there, she did towards the trio. Suddenly he picked her up and placed her on his lap warning a little grace from her.

His made her place her head on his chest, ace stood up and placed a blanket around her. Noah slowly cooked her back, all this made her eyes heavy. She shake her head a little in attempt to stay awake, she didn't wanted to sleep.

Noah smiled and cradled her in his arms, she whined as it was. Looking her eyes sleepy, his shoulder "sleep around" he whispered and kissed her forehead.

Storms watched as evelyn's eyes closed and she fell asleep. They smiled. Aleah stood up carefully trying not wake her up, he walked towards the bedroom, elijah followed behind.

He placed her on the bed. They removed their shirts, they always had to bathe much in their aki. Elijah removed evelyn's shoes, he kissed her forehead and kissed her lips. Aleah slowly put her on top of him, elijah and noah laid beside her.

Evelyn opened her eyes to face its were sleep, she did towards. Jace
