

Chapter 592

When Qin Ming saw Nie Haitang, he bumbled over to her, but Nie Haitang hugged her arms and nudged her mouth nervously, saying, "Qin Ming, you bastard, huh, I don't want to care about you."

Qin Ming hurriedly asked, "Haitang, what have I done wrong again?"

Nie Haitang was jealous and grunted, "I woke up early and wanted to find you, forget it if you weren't next to me. It turned out that Huang Shutong walked out in your room and she looked quite happy, hum"

Qin Ming's heart was warm, so it was this, this little girl was jealous.

Qin Ming said, "We didn't do anything ah. There was a lot that happened last night. You were posed with a set by Lin Yurou you know?"

Nie Haitang was stunned, looking completely unaware, and said, "Me? But I just knew I was sleepy and went to bed early."

Qin Ming gave an account of last night's events, hiding, of course, his affair with Huang Shutong, and just saying that the two of them had even slept separately in order to protect Huang Shutong and Nie Haitang.

Qin Ming said with conviction, "Go and see, there are two beds in the room, I didn't even touch her, you were next door, how dare I do anything. But you also know the identity I'm pretending to be."

Nie Haitang bit her lip beautifully and said shyly, "It's not that I don't trust you, I'm just not happy about it. I don't like it when you get involved with other women."

Qin Ming laughed and said, "It's alright, I'm not pretending to be Zhao Zhengyin. When my business is over, everything will be fine. Alright, let's go shopping around."

Nie Haitang nodded contentedly again, took Qin Ming's hand and said, "I just bought two masks, let's both put them on, so no one will recognise us."

Qin Ming was naturally nonchalant, wearing the masks and dressing thickly as they walked arm-in-arm through the streets of Ancient Water Town.

The two of them wandered around for a while, and at noon the same class called for the two of them; after all, people had been missing for too long, and they were worried that something had happened.

Qin Ming said, "Let's leave it at that for today. I'll just keep pretending to be Zhao Zhengyin, so that I don't get caught out. I have very important things to do on my side too."

Nie Haitang nodded and said, "Well, your business is important, don't worry about me, I'll protect myself."

Qin Ming smiled as he turned around and walked away.

In fact, Tang Qiao and those people had only contacted Nie Haitang, Ma Minmin did not want Qin Ming to go back at all, and even threatened Qin Ming, not allowing him to come in the class bonding event.

Qin Ming did not want to get involved either. He felt that someone had been following him after he left the hotel.

He deliberately walked to a less crowded alleyway, the long lane giving the stalker nowhere to hide.

"Come out." Qin Ming said icily, "I know who you are even if you don't come out."

"Mr. Qin"

With the sound of Mr. Qin, around the alleyway, six men brushed out, two in front, two behind, and two more on the side.

Qin Ming recognized these people, according to the plain, a little Tang style, in fact, is the Xiangxi Lin family people, and all are fighters, before Ah Long is casually put down them, but Qin Ming

"Mr. Qin" At this time, a pale old granny slowly walked out behind the people, is not it that Bai Ying sister-in-law?

Bai Ying sister-in-law is the elder who is responsible for taking care of Lin Yurou, her status is not low in the Lin stronghold, and Ah

Long has a high opinion of her, a presence that looks old but is quite strong when it comes to fighting.

Qin Ming's face was grim, this was not going to be easy to deal with.

He thought it was just Lin Yurou stalking him, but he didn't expect that chick to be so ruthless, calling on her friends to come and make his identity public.

"Ugh, teacher, I'm sorry now." Qin Ming secretly shook his head.

However, Qin Ming was not afraid of these people hurting him and said with his head held high, "It's me. Sister-in-law Bai Ying, what do you want? Justice for Lin Yurou? Tsk, she sneaked up on me last night, and I still haven't settled the score with her yet. Is this your attitude?"

Sister-in-law Bai Ying smiled and said, "Mr. Qin, does our Yurou's body make you comfortable?"

The corners of Qin Ming's mouth twitched as he came up to say the most important thing.

He responded with a stern face, "It was you who used dirty tricks against me, and that worm nearly killed me, so I'm not comfortable at all."

Sister-in-law Bai Ying smiled and said, "So, Mr. Qin has eaten his heart out?"

Qin Ming said, "Nowadays, men and women are equal, you guys set up the game first, I'm at a disadvantage too, okay? Besides, my money didn't let you live comfortably? It didn't get you out of the crisis? Didn't save Lin Yuanwang's life?"

"Indeed, if Mr. Qin hadn't shown great kindness to our Lin family, we would have done it last night." Sister-in-law Bai Ying said, "However, how about taking those tens of billions as a bride-price for our Yurou? Mr. Qin your future status will definitely not be low, if you don't like our Yurou, then after five years divorce and second wife, your choice."

Qin Ming was instantly enraged, you dead old woman as intended "Shit! Is Lin Yurou's wife diamond-encrusted? The contract is written in black and white, with interest, and your Lin family's right of first refusal to buy the parasite, don't even think about renegeing on it."

She is the most powerful insect player in the Lin family over the years. If she were not a woman, she would have inherited the Lin family in the future. If she were not a woman, she would have inherited the Lin family. Originally, only a worldly magnate like the old Qin family in Hai City would have been worthy of her."

"But she lost her virginity to you, and half of the mother parasite king's vital energy is also in you, providing a constant tonic to your body."

"You are the disciple of Zhang Zhen Zhen and also backed by a large consortium, so of course your status is up to par. Our Yurou's reputation is now in tatters in the circle, everyone is being ridiculed for her being a broken shoe, and it is only by finding you, the man she was united with in the first place, that you can resolve this matter and restore her reputation. And you marrying her would be the best outcome."

"But then, we can see that you seem to have someone you like."

"We Yurou commiserate, be the proper wife for five years, restore her honour, and let you go after five years of divorce. It's either that or be the younger one, but not in a lower position."

Qin Ming gritted his teeth and said, "Sister-in-law Bai Ying, you're thinking big."

Sister-in-law Bai Ying smiled and said, "Of course, I love this child, Yurou, very much. She's a good girl, she's obedient, she's good at what she does, and most of all she's the target of everyone's scorn. I've been thinking day and night about how to help her regain her reputation. And you are the best way to do that."

Qin Ming looked around at the six thugs and asked, "Are you planning to force you?"

Sister Bai Ying said, "Mr. Qin, don't be so harsh, if you really wanted to use force, you wouldn't have waited until now. We have also given enough respect to Zhang Zhen Zhen and given you enough face. It is best for us to negotiate this marriage in a peaceful manner."

"Also, you impersonating the Zhao family and Zhao Zhengyan's matter, there is no need to worry that we will leak it."

The relatives were annoyed, "Aren't you just threatening?"

Sister-in-law Bai Ying smiled and said, "Then what is the best way for Mr. Qin to resolve this? Our Yu Rou lost her virginity to you, you have been hiding and not showing up, and you even used a trick to get the Compulsion King killed, we don't even care anymore."

Qin Ming narrowed his eyes and suddenly said, "It's not impossible to talk, but I have conditions."
