Chapter 2108

Song Qingrui turned her back, anyway, no matter what she did quickly, she swallowed the ice cream, and after eating it, he was in pain, hissing and air-conditioning, "Don't hit me, my teeth hurt."

"Someone deserves to let you grab me and eat." Lin Fanyue looked at him embarrassed, looking funny and angry.

"I'm afraid your stomach hurts." Song Qingrui looked helplessly. She gave her the same, but Lin Fanyue's heart was moved severely this time.

She squeezed her delicate lips. After her thin lips, she took out a brown scarf from the paper bag and threw it to him.

After Song Qingrui opened it quickly, he quickly hung it around his neck twice, smiled and revealed a row of white teeth, saying, "Isn't it handsome."

Lin Fanyue smiled with "vulgarity."

"It's vulgar." Song Qingrui's face suddenly became black.

"I said you, the way of dressing is vulgar." Lin Fanyue stood on tiptoe and untied his scarf. "If you lower your head, I will wear it again for you."

Song Qingrui cooperated. She lowered her head and helped him buckle in a circle. It was different. Dai Fa made the whole person and her temperament changed.

He was originally tall and long with legs and legs. Today, after wearing a coat and a

brown scarf, he is a bit more British gentleman style.

The more Lin Fanyue looked at it, the more satisfied she "tuts" and said, "My eyes are okay."

"Well, it's okay before, but now it's better." Song Qingrui said with a smile.

Lin Fanyue stared at him, but after thinking about it carefully, it seemed that there was some truth in it, "Forget it, do you want to go forward, let's do something about it."

"Don't you say you are afraid?"

"I just studied the map. It doesn't seem to be scary to go through the tunnel. Many children like to play." Lin Fanyue pointed to a place and said.

"Well, children with you are really suitable." Song Qingrui nodded.

"I'm a beautiful and cute boy." Lin Fanyue hummed and walked straight forward.

"Wrong way, some way." Song Qingrui reminded her with a smile while holding her.

Song Qingrui bought it. The most expensive one. There was no need to line up for the tickets. There were two people unblocked. Not long after they entered, Lin Fanyue desperately grabbed Song Qingrui and screamed.

After the whole journey, Lin Fanyue drew back into Song Qingrui's arms.

Behind him, a ten-year-old child was very disgusted and said to Song Qingrui, "Uncle has your girlfriend so courage, and it is not irritating at all. She has been screaming and making my ears deaf."

" "

Lin Fanyue was gorgeous and embarrassed.

Song Qingrui smiled and rubbed her hair.

She said to the little boy, "Because auntie' s girls, it' s timid to have girls."

The little boy curled his lips and said, "I will definitely not find such a cowardly girlfriend in the future."

Lin Fanyue said anxiously, "I think you will definitely not find a girlfriend."

She felt so shameless and stunned, and dragged Song Qingrui out. "It's all because you have to take me to take a tunnel car. There is the whole little train. It's too embarrassing for me to be alone."

"Yes, I blame it for some that I shouldn't let you come." Song Qingrui held back a smile and honestly, admitting that "I didn't figure

out that there was you, and I was less courageous than a kid."

Lin Fanyue blushed and she knew that she was making troubles unreasonably, but she wanted to find someone to complain.

"Let's go, can we go ride the Ferris wheel?"
Song Qingrui raised an eyebrow and said,
"You will never be afraid of the Ferris wheel, right."

"Of course I won't have sat before."

Lin Fanyue made a promise.

But when I sit on the Ferris wheel and slowly rise, there will be Lin Fanyue, and my legs will become weak.

Song Qingrui ""

"Let's go down in a circle." Lin Fanyue said, crying without tears.

"Don't be afraid of me sitting here." Song Qingrui walked toward her.

As a result, the Ferris wheel shook slightly, and Lin Fanyue screamed. She hugged him and her arms were tense, and she didn't dare to look out.

Song Qingrui stretched out his hand to hold her shoulders with gentleness, and said in her ear, "Look at the night, the scenery."

Lin Fanyue was bewildered by his voice, there was a sudden "bang" when he looked down, and suddenly there was a splendid display of fireworks over the castle. There were two fireworks, and the fireworks just reached the top of the Ferris wheel. It seems that there are fireworks very close to the two Close at hand.

Any woman will like beautiful things.

At least Lin Fanyue has never been like this in her life. She has seen it so beautiful from a high place. The fireworks are dotted with galaxies. There are two people in the night. ,
Like a daisy, like a comet flying away

Like stretches, brocade.

"Does it look good?" Song Qingrui asked in her ear.

"It looks good." Lin Fanyue was dazed, nodding her head and said, "How come the fireworks are suddenly set off tonight."

"It will be released every night at 8 o'clock," Song Qingrui said.

Lin Fanyue looked down at the time. There was exactly eight o'clock. There was a moment when she seemed to understand. She looked away from the fireworks and she

looked very dazzlingly around her. The man said, "You deliberately,?"

Song Qingrui's lips curled up, "Are you happy?"

Lin Fanyue nodded.

Not only is there happiness, but also happiness and touch.

She may never forget this. There are fireworks like this at night.

After all, it seems like no one has tried so hard to do this.

It' s not only a lot of thought, but it' s also very romantic.

Think about the month when Song Rongshi used to give her a gift every morning. She felt very happy and moved. But now in

retrospect, there were those Song Rongshi who went to buy and pick them in person.

not necessarily.

Like those luxury goods, in fact, as long as he speaks a word, it is natural that people will help him buy and make it.

She didn't know why she would compare tonight with Song Rongshi tonight if possible. The fireworks are so dazzling.

She even forgot to be afraid of heights.

Originally planned to take a lap, but later she took two laps.

When it comes down, there are fireworks and it's over.

She heard from the side, the female tourist said, "Tonight, the fireworks are so good to watch. It looks like I saw it on the Internet

before. The video is different and more beautiful."

Next to her, the male partner said, "It's even more beautiful than the last time I saw it at Disney."

Just when I was going down the stairs, Lin Fanyue met the female tourist again. Some female tourists looked at her and smiled and said, "How did you make an appointment? You can actually sit on the No. 14 Ferris wheel at this point. It's so amazing. There is me and me. My boyfriend made an appointment online for a few days and never met."

"Huh?" Lin Fanyue didn't understand that there was "Let's sit, what's special about the 14th, right?"

"Every night, at 8 o'clock, the No. 14 Ferris wheel will reach the top. At the same time,

you can see the first cluster of fireworks. This music venue is the most classic and romantic. There are legends in the project to sit on it. Lovers will live their lives and many people will think about it. There are tens of thousands of people who make reservations online." The female tourist explained with a smile.

Lin Fanyue was stunned.

She turned around and wanted to ask her, Song Qingrui.

"Watch the road carefully." Song Qingrui hugged her.

She just noticed that she almost stepped on the ground just now.

It wasn't until the crowds dispersed that Lin Fanyue was curious to ask, "Is the number 14 Ferris wheel so hot when we just sat on it."

"Well, I'm a little bit off."

Song Qingrui explained with a smile, "Since you are here, of course you have to sit with the most distinctive feature."

"But then, couples are sitting there." Lin Fanyue felt weird and unspeakable.

"You're too much, don't I have the right to sit if I don't have a target?" Song Qingrui suddenly gave her a glance.

"I don't mean that." Lin Fanyue stammered in denial.

"I haven't been there and no one came with me, but after I saw it on the Internet, I was quite curious." Song Qingrui smiled and

looked at her. "Thank you for the fireworks that came with me tonight."

"I feel so too."

Lin Fanyue brushed her hair on her temples and smiled.

Why do you think so much, as long as you are happy.

"Also take you to play a project."

Song Qingrui took her to a clearing beside the river where someone was selling Kongming lanterns.

He asked for a lamp and a pen and then wrote on the Kongming Lantern that he hoped that Lin Fanyue would be happy and healthy all the time.

Lin Fanyue stupefied and hurriedly said, "You don't want to write that I am, you can write that you are."

Song Qingrui smiled, "I don't use it because I'm very satisfied with life now."

"You don't really want to realize it, such as feelings and career." Lin Fanyue was a reminder euphemistically.

"Miss Lin's wish is not too much. God will think that we are too greedy to come one by one. Now it is urgent to make you happy." Song Qingrui interrupted her and lit her with wax oil.

When the Kong Ming Lantern slowly rises to the sky, Lin Fanyue, who stands below, looks up and looks at her, her heart is full of swelling, but she can't help but asks what she's said many times, "Qingrui Why are you so good to me."

Song Qingrui's lips curled and the moonlight fell on his face softly as water, "No, I'm good, you receive too little to feel that I'm good to you."

..

Lin Fanyue didn't quite understand the possibility, yes, maybe not.

But she probably will never forget it.

At the lowest point in her life, it was the time when there was such a good-looking and clean man who made a sincere wish for her to send it to the sky.

After returning to the Presidential Palace, Song Qingrui took out a gashapon from her pocket and put it in her hand. "It's time for you to go to the bathroom.

"OK."

She turned and got out of the car with a bright smile at him.

After returning to the room, she opened the gashapon, and a princess castle was a music box.

Yue Yue, who turned on the music, immediately waved her hands and feet.

Lin Fanyue kissed the little guy, and whispered on her forehead, "Yueyue's mother is not sad at all now, really, we will definitely get better and better in the future."

Just like the present, she suddenly felt that there was nothing wrong with it.

Originally, she thought she was tired and would fall asleep soon.

Chapter 2111

But I didn't expect to have insomnia later.

As long as I close my eyes, I feel excited about the grand fireworks tonight, and I can't sleep.

Fortunately, the young one woke up the next day and looked good.

Song Qingrui also came over during breakfast. He wore a black down jacket with a white shirt and a brown scarf on his neck today.

Lin Fanyue recognized at a glance that she gave the scarf yesterday, but he didn't expect that he would wear it today.

She was very happy when she gave it herself and was valued by others.

So much so that I ate a few more small wontons for breakfast.

After taking a sip of porridge, Lin Wei smiled and asked casually, "You two came back together last night, where did you go to play?"

Before Lin Fanyue could answer, Song Qingrui was already lazy, and said, "If she is in a bad mood, I am afraid she can't think of it, so I accompany her out for a couple of drinks."

Lin Wei was concerned and looked at Lin Fanyue.

Lin Fanyue was still ignorant and didn't understand why Song Qingrui lied to "me."

"Brother Rongshi is getting married, she knows what happened." Song Qingrui added.

Lin Wei frowned at Lin Fanyue, with a little pity in her eyes, "He sent the invitation yesterday, but we didn't plan to go."

"The godmother doesn't matter, I want to open it now." Lin Fanyue said open-mindedly.

Lin Wei nodded and still appreciates that Lin Fanyue can afford to put it down. After all, she is also a very strong personality.

Naturally, women don't like those who are too weak. "If you want to be good, you are young and beautiful. If it's not good, it just happens that I have a few family backgrounds and good personalities in my hands. You can add their WeChat account to know more about the candidates. I will post WeChat to you later."

Lin Fanyue ""

Song Qingrui was not angry, and said,
"Damn, I remember Mrs. President, there are many things, but you are addicted to being a matchmaker all day."

Lin Wei gave him a white look and said, "I have a lot of socializing and it is because of this that I can meet many family backgrounds. I think Fanyue usually stays in the laboratory all day. Pay attention to her."

After a pause, he said to Lin Fanyue, "I am also good for you. Rongshi is going to get married and spread it out. Your face is always bad. At this time, find someone better than him, and the one who beat Ning Lexia and Song Rongshi, you have to let Song Rongshi understand that he doesn't cherish you, he is better than him, and cherish you."

Song Qingrui yelled, "She goes home from get off work every day to see if Yueyue has time to go on a date."

"Can't we chat with WeChat first?" Lin Wei said faintly, "chat, cast a contract, you can meet each other slowly, and you can get to know someone in a day or two, and there is no requirement for her to talk. A woman who has to get married in love should enjoy the moment."

Song Qingrui was depressed but didn't dare to say too much. He was too clever to say too much and it was easy to show off.

Lin Fanyue also had nothing to say.

Lin Wei said that it is not unreasonable and Lin Wei's idea is very open, and it is for her good. If she refuses, she will betray her.

Anyway, I'll be friends if I'm talking about it first.

"Okay godmother, I will listen to you."

She nodded for a while.

Song Qingrui almost vomited blood.

It wasn't until after leaving the restaurant that he said with a sullen face, "Do you want to fall in love?"

"Nor." Lin Fanyue saw him sinking, with a handsome face inexplicably "Godmother, she cares about me too, and my circle is really narrow, why are you upset?"

There was a sudden movement in her heart, but Song Qingrui immediately said, "I'm afraid you will ignore Yueyue's little guy when you talk about love. It's very pitiful."

"Don't worry, daughters are the most important at this stage." Lin Fanyue had to rush to work, and when she was about to leave, she suddenly remembered something, "By the way, why did you lie to your mother just now."
