

Let Me Go, Mr. Hill! by Shallow South Chapter 2163

Chapter 2163

No, what is it? It's too late because she doesn't seem to have invited him at all.

Is this man wicked?

"Miss Lin is from this one." Qin Peiming asked in doubt.

Song Qingrui was indifferent, and glanced at him as "Song Qingrui."

Qin Peiming was shocked because he had been in the entertainment circle all year round and was in contact with each other. Du's identity is extraordinary. Although people have never seen Song Qingrui, no one knows the name.

The current president is the only son.

There is also a promising future for dignitaries.

"Song Shao is hello." Qin Peiming quickly became excited, and reached out "My Qin Peiming."

Song Qingrui is very educated, and he shook it with him but was not in a hurry to let go. She smiled and said, "I know that it was Mr. Qin who was filming. The scene was very hot, handsome, and charming. I like it very much. "

Qin Peiming was stunned and then remembered that Song Qingrui liked men in the news a few days ago. The thing is that although it was clarified at the time, many people said that they did not believe Song Qingrui's words now, meaning that he should not be attracted to him. Got it.

Realizing this redness is Qin Pei Mingjun's face fierce and red.

Of course he knows that he is handsome because after he entered the circle, many rich women and even wealthy businessmen have thought about supporting him.

But he has no interest in that aspect at all.

However, Song Qingrui's outstanding status is because he has been in contact with him in the past, and those people at different levels have to refuse him, it is a matter of banning himself every minute.

what to do?

He wanted to be tough, but he reluctantly reluctantly refused to accept it.

"You, your hands are slippery."

Just when Qin Peiming was fighting between heaven and man, Song Qingrui was already smiling and touching the back of his hand.

Qin Peiming's body trembled.

On the side, Lin Fanyue was already stunned that all three views were destroyed.

Oh my God is what she heard is what she saw.

She heard Song Qingrui suggesting that Qin Pei Ming saw Song Qingrui touching Qin Pei Ming's hand.

Qin Pei Mingke has liked her for three or four years. His idol is how he, as a man, can not refuse or push away. He is even shy and blushing.

Song Qingrui was even more unbearable, how she could seduce a man in front of her.

Does he like men so much that he wants to marry Xia Wan if he doesn't.

She was almost furious.

"Song Qingrui." She gritted her teeth and called out his name. After her name, she picked up Song Qingrui and walked to the back lounge.

Not far away, Ruan Yan and Jiang Qingxin saw this scene.

Ruan Yan raised her eyebrows and said, "So you deliberately want to piss Song Qingrui,?"

Jiang Qingxin smiled helplessly, "It's like this, but it's not the same as I think."

She thought that Song Qingrui was so angry that he took Lin Fanyue away from Qin Peiming and was jealous. The confession was

to declare sovereignty so that Lin Fanyue could become the leader.

Okay, no, all men are like Huo Xu. She completely underestimated Song Qingrui, shamelessly.

Hook up Qin Peiming in public?

It's incredible.

She hooked her finger at Zeng Han, "Take care of the scene just now, so no photos can be posted."

Chapter 2164

I was joking. It was filmed that the president had a son and touched a male star with a hand because the president was afraid that he would stare at her personally.

In the lounge, Lin Fanyue pulled Song Qingrui in and slammed the door shut.

"Song Qingrui is your disease, right."

Lin Fanyue was trembling and staring at the man in front of him, saying, "So many people at the banquet tonight, so many eyes, it's you who hooked up Qin Peiming in public. You are too shameless. Don't forget that you are dating Xia Wan. Is it in your heart that you still have a man who likes to have a man? I really don't understand how you became like this. It's the matter of today. It's a godfather and godmother that it's hard to go down. Scandals will come up again. It's in your heart. Didn't you count?"

"Don't worry, it's Jiang Qingxin, a wise man won't let something happen tonight."

Song Qingrui has a clear face and a calm face, but there is no panic.

The more he is like this, the more angry Lin Fanyue is, and even unscrupulously said, "Since you like men so much, don't associate with girls, it's you, what is it, deception is, scum."

"Who said I like men?" Song Qingrui raised an eyebrow.

"Everyone knows that just now I saw with my own eyes that you are so wretched." After a pause, Lin Fanyue was very disappointed and irritated and said the last two words.

No, the first time she saw this kind of thing was that she had seen too many men who came out abroad before. She supported true love and would not despise them. But Song Qingrui was unable to accept it at all.

In her heart, he shouldn't have someone like this.

"That's it."

Song Qingrui didn't have the slightest anger, but instead curled her thin lips. "What I didn't mean to Qin Peiming is that I just did that just now. I want you to see clearly what kind of people you like to have idols."

"Who are you deceiving?" Lin Fanyue didn't believe it at all because he thought he was quibbling anyway.

"I said yes, really."

Song Qingrui suddenly approached her, her usual gentle voice, and her voice suddenly became lower and lower, and the air around her seemed to become thinner and thinner.

"Don't you tonight, have you been very happy to sit and chat with him all the time?"

It's a pity that he likes men because you didn't see his face flushed after I hinted."

Lin Fanyue was mad at death, raised her head and was angry, and wanted to stare at him, but she found that the two of them were about to be together. She subconsciously took a step back and said, "He, can you be forced to have it? It's Qin Peiming, homosexual. ."

"Oh, even if it doesn't, is it true that I suggest that sometimes it's his pushing away? It's not a bit of courage and masculinity."

When she backed away, Song Qingrui approached her step by step and forced her to the side of the cabinet at once.

Lin Fanyue was also speechless by him.

I have to say that he said yes, and for the man she thought Qin Peiming had a strong masculine aura, it was true that the screen brought illusions.

This time, Qin Peiming's image in her mind has completely collapsed, and she may not be able to like the idol at all.

But she still said, struggling to quibble, "Do you know how difficult it is for Qin Peiming to climb to this position today? Bullying others."

Song Qingrui sneered, "It's because of identity, power, and status that even a man with a spine can be thrown away? It turns out that you like this kind of shameless spine."

"I like how it's up to you."

Lin Fanyue blurted out in a panic.

"Of course it's up to me because I like you."

Song Qingrui was dumb and dumb. After speaking, he suddenly stretched out his hands against the cabinet left and right, and surrounded her on both sides, then bowed his head and kissed hard.

"boom"

Lin Fanyue's mind seemed to have exploded thousands of fireworks.

It's like two people go to the amusement park and ride the Ferris wheel that night.

When the Ferris wheel rises to the highest point, it is dark and the lights are shining brightly at night.

She was almost dizzy.

What did he just say.

Say you like her?

How could there be her like this, no, I heard it wrong.

But, if, the illusion is why he kissed so hot and deep as if to melt her.

Lin Fanyue was in a panic and her hands were shaking, she pushed him hard, "Song Qingrui has you, don't be kidding, there is no today, April Fool's Day."

"I'm not kidding."

Song Qingrui's thin lips are pressed against her, her lips are short of breath, she is cut apart, she is sincere, "Lin Fanyue has it. I once told you that there is a person in my heart that I can't like. It's a human. I've never, a man, hello. Is there anything I have

no interest in men at all? I love you from beginning to end."

"Otherwise, why do you think I was so good to you? I was more angry than anyone when I saw you betrayed by Song Rong. I was more angry than anyone when I saw you cry. I wanted to make you happy than anyone else. I can't wait to kill him if he gets along with you. I can't wait to give you the best of the whole world during this period of time."

"No, no, no, no, really."

Lin Fanyue heard that the more there are, the more panic there is. "Just like a man, the reporter who paid you back before took a picture of you."

"That's all, I deliberately want to make my parents think that I like men. Some want you to think that I like men. So you can be less

wary of me. With me, I can be more at ease with you. I am at home. People will also be more receptive to you and me. After all, it's better to be with you than with a man."

Song Qingrui held her with a small face, there is no way to dodge her eyes, there is only to stare at her, "Fanyue has looked at me, I have me, and I love you again."

"Don't say anything."

Lin Fanyue is crazy like a little beast. She pushes him, and even anxiously, tears are falling. "We can't be together because there is Song Qingrui and me. Your parents are goddaughters, and you are a goddess. My cousin is an ex-wife, and anyone across the country who knows whether there is anything will accept it. If you have your parents, you will go crazy, or if you have the Song family, they will not accept it."

Song Qingrui let her slap her hands on her shoulders, and he smiled bitterly. "You said there are, and I know it. So I've been silently paving the way behind my back. Now except for my dad, where there is the Song family's old house, everything is basically everything. , Sister Junyue said yes, as long as she doesn't object to having my grandfather, it's useless how they object to it. As for my parents, there is me, and I arrange it. Will it make you embarrassed. There is no need for it. You believe me. I really want to be with you."

"You think it's too simple." Lin Fanyue shook his head and couldn't wait to interrupt him.

"Fan Yue, do you think that complexity is something that has always been simple in my eyes, right?"

Song Qingrui wiped her face clean with her fingertips and there were tears, "Your divorce is a matter of your helping Ruan Yan. The crime is a matter of fact. In my eyes, you think it is a big and small matter."

Lin Fanyue's eyes widened, "So you knew I had committed Ruan Yan's crime."

"I knew it a long time ago because I know you, what kind of person you are, even if you hate Ning Lexia, you can't do kidnapping and disfigurement. Of course, you can protect you personally, except you are family members. Only those of you who play are good friends."

Song Qingrui whispered, "If Fanyue has me, I love you. If I have a whim, I have long been tempted by you. At that time, the children you married to Rongshi had used to treat you badly. I tried it. Stimulate him to have a

sense of crisis so that he can be kind to you. I have sincerely blessed you. He didn' t do it. I met you on the street that day, I watched you cry and looked like I was there. I have thought that you will be happy in the future. I will give it to you and I don' t want to give you to any man."

"But you said only then, deliberately trying to stimulate him to have you say yes, false yes."

"If I let you know from the beginning that I like you, will you be so scared that you will immediately avoid me and reject me, okay?"

Chapter 2166

Song Qingrui asked rhetorically.

Lin Fanyue stared at him fiercely, "Song Qingrui's you are too scheming."

"I have played the most in my life, and I have given you all my scheming." Song Qingrui smiled bitterly. "You can think about it for you. The whole world thinks that I like men. I don't have any image at all."

"you liar."

Lin Fanyue murmured, she was completely unexpected when she was cursing, and she was completely at a loss as she confessed that she didn't even know what to do.

"Why is it impossible that you are divorced and we are not related" Song Qingrui was stubborn and convinced her.

"Then I don't like you." Lin Fanyue only felt that it was too ridiculous and couldn't agree at all.

"You don't like me?" Song Qingrui not only smiled without being sad, "You ask yourself, you really don't like me in your heart."

"I'm really, really, no."

"Okay, then I'll ask you." Song Qingrui put a finger against her lips, not letting her go on.

"The day I held the baby to make Xia Wan happy, you were only innocent, not wanting Xia Wan to be angry. Are you angry because you saw me using Yueyue to make her happy? Later that night when I went to see you, your whole face was full of being jealous, okay."

As if a layer of fig leaf was torn apart, Lin Fanyue became annoyed, "How can I be jealous if you are jealous and I don't like you."

"Then I have recently been to Xia Wanhao who often dated her out for dinner, do you feel unhappy in your heart?"

"No no."

Lin Fanyue couldn't listen to him anymore, she would go crazy.

Song Qingrui looked at her with excitement, a pair of clear looks, and her eyes overflowed with pampering and tolerant.

"You have a lot of fancy. In fact, I have nothing to do with Xia Wan and we have no relationship. I walk with her these days. It's to deal with my parents. Second, I want you to realize that Xia Wan, who has feelings for me, doesn't like me. We've known each other for many years in private. In fact, she's been in contact abroad for many years. It's just that her parents are not very supportive."

Lin Fanyue was surprised.

It turns out that he and Xia Wan are nothing.

For some reason, she has been pressing in her heart recently, making her very upset, and the stone seems to have been removed and her mood is not so irritable.

"Song Qingrui, you liar."

She was glowing, her eyes staring at him, "But godfather and godmother are decorating the new house with you."

"Xia Wan and I, it is impossible to have a new house. After the Chinese New Year, we will make it clear to both parents. As for the renovation of the presidential palace, I hope you can live in the new house."

After Song Qingrui spoke domineering, he kissed her lips.

Lin Fanyue flushed his face and quickly pushed away his "It won't be me, I'm divorced and Song Qingrui who had children, you, please stop this kind of thinking, you will meet better in the future," As a girl, she can take your career to the next level."
