Chapter 4331

The Iga ninja, who were sitting on the plane to the United States, were still in a somewhat sad mood.

Their clan has survived in Japan for hundreds of years,

But this is the first time the entire clan has fled from their homeland.

Many of them were still longing for the time when they would be able to return to their homeland.

However, they never dreamed that their centuries-old home had been blown to pieces at the behest of Charlie.

The fire was still burning wildly and at this time,

The group of experts of the Fei family had been killed and injured,

But all those who were injured in the explosion almost did not escape,

And those who managed to escape the explosion and fire were in shock,

Then suddenly found that several helicopters flying around, from each helicopter on both sides,

Are hanging the anti-terrorist elite force personnel.

These anti-terrorist elite force, relying on the fixed rope hanging on both sides of the helicopter hatch,

The hands of a very strong assault rifle and the gun have long been locked on these experts like a lost dog body.

The funny thing is when these lucky Fei family experts saw the anti-terrorist forces,

The first thought in their minds is not to worry and fear, but rather a complete sigh of relief!

Now they felt that they were completely victims.

They flew over to Japan for more than ten hours, and just arrived at the place without doing anything,

And then they encountered such a horrible explosion, which is clearly that they were attacked.

Moreover, they do not know, this gang of Iga ninjas in addition to the bomb in the house,

Maybe have made other forms of ambush, in case these guys have a backhand,

Then they are afraid that none of them can escape.

So, when they saw the anti-terrorist forces, their first thought was that they were finally saved!

So, among these Fei family experts, someone actually stood up and waved toward the helicopter,

Shouting, "We are here! Come and save us!"

Others followed suit and shouted to the anti-terrorist forces for help.

Immediately afterward, nearly a hundred members of the counter-terrorism unit,

Quickly descended from the helicopter to the ground by the ropes.

Before the experts of the Fei family could react,

The members of the anti-terrorist unit pointed their guns at them.

“No one move, get on the ground immediately and raise your hands to a position where we can see them!”

“No one should resist, or they will be killed!”

The head of the Fei family masters shouted, “This is all a misunderstanding, we are also victims,”

“It was the ninja of the Iga family who really planned the explosion!”

These anti-terrorist elites did not listen to their explanations and immediately rushed forward,

And handcuffed all of them backhanded, while using very strong nylon ties to tie their wrists,

Back and forth several times in order to prevent them from breaking free.

Afterward, several special forces cars stopped outside the Iga castle gates,

And the commander gave an order to bring all these people to the cars.

These experts of the Fei family, there were one hundred and thirty of them when they came,

But now less than thirty of them were taken to the car.

The remaining hundred or so people, most of them were already dead,

Only a very small number were seriously injured, and the scene was tragic.

Immediately afterward, a spokesman for Japan's Homeland Security Department issued an emergency announcement to the outside world,

Which stated that the Homeland Security Department had uncovered a terrorist attack,

By an offshore terrorist organization in Iga City tonight.

The brave special forces troops rushed to trap all the terrorists...

..in a residential house in Iga City before they could cause massive trouble.
A great victory.

Chapter 4332

This news immediately exploded into the night in Japan.

After a few months of calm since the last Tokyo chaos, the people were surprised to hear about a new terrorist attack today.

However, the good thing is that their special forces are brave and good at fighting, avoiding tragedy.

This is really a great relief to many people,

And also makes everyone's impression on the homeland security department.

However, there are still many people who cannot understand why these terrorists,

Those who came from outside the country did not target big cities like Tokyo, Osaka, and Nagoya,

But instead found a small place between Osaka and Nagoya to carry out terrorist attacks.

This query, too, resonated with a lot of people on the Internet.

People really can't figure it out. The feeling is like a group of well-organized thieves...

Who traveled thousands of miles to your house,

But didn't steal anything before, but just took an egg from the chicken nest.

The Japanese security department was busy bringing the suspects caught at the scene to Osaka for interrogation,

And their chief, also immersed in the joy of this turnaround,

He was a bit overwhelmed when he saw the growing number of questions on the Internet.

But he did not dwell too much on this issue, after all, the story is told,

Anyway, they did capture a group of foreign forces, this even dead and more than a hundred people...

They are not the actors they found, this credit can not be erased.

Charlie has been paying attention to this side of public opinion,

Seeing the white gift to the Japanese security department,

Seeing that the network of doubt is getting louder and louder,

And this homeland department did not come out to further explain, Charlie could not help but for them to sweat.

So, he immediately called Nanako Ito, instructed her to help arrange some support,

And hurried to find a few reasons for the Japanese homeland security department.

A voice soon appeared on the Internet, and someone told netizens as someone,

Who was in the know, that the terrorists had in fact only deliberately chosen Iga City,

A small place, as their base, and that their real purpose was to launch terrorist attacks...

On the two major cities nearby, namely Osaka and Nagoya,

By splitting their forces in two directions immediately after they had finished their assembly...

After they would have completed all the preparations in Iga City.

It was because of the early detection of the Japanese homeland security department that these two major cities were spared.

So from this point of view, the Homeland department takes the most credit.

Once this statement was made, those doubts immediately dissipated.

After all, this argument is justified, Iga City, a small place,

Just sandwiched between these two big cities,

Hiding here to premeditate the attack against these two cities, really makes sense.

So, the internet is again full of praise for the Homeland Security Department.

The homeland security department itself is also very puzzled,

They did not expect such a statement, did not expect someone to help them find such a good solution,

This is like you are feeling sleepy and someone handed you the pillow!

So, they also simply immediately packaged this set of rhetoric and immediately released it.

This time, the situation was instantly and completely stabilized.

At the same time, the news from Japan also reached the ears of the Fei family.

Adam hurriedly ran to his father, Dawson, and said with a panting voice, "Dad! Something big has happened again!"

When Dawson saw Adam's panicked appearance, he couldn't help but frown and say:

"How many times do you want me to tell you?"

"Can't you have some composure! You're the son of the Fei family,"

"But you're in a mess when you encounter something."

"If outsiders know about it, where can you put your face?"

Chapter 4333

Adam did not care to explain, swallowed his saliva, and said in a panic:

“Dad! Something big has happened in Japan!”

Dawson looked at the time and said, “What’s the big deal?”

“They just reported to me the progress not long ago,”

“They should have just started to penetrate the Iga ninja’s compound,”

“So something big has happened so soon? What’s the big deal?”

“Could it be that they’ve alerted the snake?”

“Not,” Adam said offhandedly, “Japan’s homeland security department released a news,”

“That there was a terrorist attack in Iga Castle, where the Iga ninja are located,”

“And a group of terrorists from outside the country,”

“Intending to create a terrorist attack in Osaka and Nagoya Terrorist attacks,”

“Was discovered in advance by Japan’s homeland security department,”

“The terrorists used explosive bombs in a vain attempt with the anti-terrorist forces,”

“Resulting in their own death and wounded most, and the rest were caught!”

Dawson heard this paragraph, the first thought is, they sent all the elite,

They certainly can not go wrong, this so-called half of the dead and wounded, the dead must be Iga ninja.

So, he said with some anger, “What’s the situation? These guys blew up all the Iga ninja?”

“These sons of b!tches, I told them not to make too much noise in Japan!”

“Let them take the people out of there first, how the h3ll did they do that?”

Adam said tearfully, “Dad, you don’t understand, the Japanese homeland security department said,”

“It was foreign terrorists! The dead and wounded are also foreign terrorists!”

“It’s not the Iga ninja, it’s our people!”

“What?!” Dawson’s eyes went black and he asked,

“Are you saying that half of our people are killed or injured? How did they die?”

Adam said, “The news said that our people had prepared bombs in advance for a terrorist attack,”

“And when they were discovered, they detonated the bombs!”

“Bullshit!” Dawson roared in anger: “All the people I sent were martial arts masters,”

“How could they have used bombs to carry out the attack?”

“What’s more, they went to Japan by plane, even if they had bombs,”

“They couldn’t have brought them in by plane,”

“And they couldn’t have gotten bombs in such a short period of time!”

Adam said helplessly, “Dad, that’s what the news said, I’ve asked people to contact the people we sent there,”

“And now the situation is that none of them can still be contacted!”

“I’m worried that they are really in bad luck

Dawson grabbed his treasured alabaster pot and viciously slammed it to the ground, roaring in anger,

“Dmn! Iga ninja are determined to go to war with my Fei family?”

“This must be a trap laid by those bastards! Not only did they kill our men,”

“But they also made our men take the blame! What an outrageous piece of flth!”

After saying that, he looked at Adam and ordered through clenched teeth,

“Hurry up and have someone go and get information first,”

“I want to know how many of our men are killed,”

“How many are injured, and how many are captured!”

Adam hurriedly said, “Dad, I contacted the Japanese intelligence officers,”

“And told them to go and find out the information.”

Chapter 4334

Dawson added, “Make sure to erase their files and exit records,”

“And never let this matter implicate the Fei family!”

“If the Japanese land security department follows their line to the Fei family,”

“We will bite the bullet and we should not admit it!”

“In addition, since they have announced that our people are terrorists,”

“They are definitely ready to plant evidence to frame us.”

“So you find a way to give them a message, as long as they do not bite the Fei family,”

“The family will pay a fee of twenty million dollars per person!”

Adam said worriedly, “Dad, I’m afraid now that one of them can’t carry the interrogation and can put us down!”

“There is no need to worry too much about this,” Dawson said in a cold voice:

“They are all smart people, their families are outside if they go against us,”

“Let his family bear the cost in minutes, at this time they will definitely keep their mouths shut,”

“And then wait for our news, as long as our conditions satisfy them,”

“They will not give us up even if they die.”

Adam breathed a little easier and asked, “Dad, what about the Iga ninja?”

“They dare to fight us so hard, they seem to be prepared!”

Dawson sighed and said resentfully, “This matter can only be shelved for the time being,”

“And considered in the long run, otherwise once we push the other side, they will probably hurt Randal.

Adam said worriedly, “Dad, the other side only gave us 48 hours,”

“If we can’t get 200 billion dollars of cryptocurrency, Randal will be in danger

Dawson nodded, gritted his teeth, and said, “Don’t worry, if there is really no other way,”

“Two hundred billion dollars of cryptocurrency I can give him,”

“Although the money is a lot, but the Fei family can still afford it!”

“But this money, even if he has a life to earn, but also certainly not life to spend!”

.....

At this moment, more than two hundred kilometers away from New York, Providence.

Charlie sat alone on the hotel sofa and casually looked at the time on his phone.

There were less than 24 hours left before he gave the Fei family the 48-hour time limit.

Once the final time had passed, he was going to launch a final general attack on the Fei family.

So, he started the next phase of his deployment.

The first thing Charlie did was to once again have Nanako let the wind out to inform the public,

That this bombing in Iga Castle was inextricably linked to the Iga ninja,

That the truth of the matter was that the Iga ninja were in cahoots with this group of terrorists,

And that according to reliable information, the Iga ninja had already fled Japan first.

The reason for this is that Charlie intends to completely pull the entire Iga ninja down.

Once this news was released, the claim that the Iga ninja had left Japan ahead of time would soon be corroborated.

At that time, everyone would think that the Iga ninja were indeed in contact with this group of terrorists,

So that it was unlikely that the Iga ninja would ever return to Japan in their lifetime.

In addition, Charlie also called Melba.

On the phone, he asked her about the location of the cargo ship that was headed to Syria to deliver food.

Melba told him that the cargo ship was about to pass through Sri Lanka,

And enter the Arabian Sea, and would sail into the Gulf of Aden in a few days.

Charlie immediately instructed her, "Melba, after 24 hours, you should let the cargo ship anchor in place,"

"And I will ask the head of the armed escort of the Cataclysmic Front to contact you."

Melba didn't know the reason, but still agreed immediately,

And then made a phone call to have the cargo ship temporarily anchored in the sea near Sri Lanka.

After that, Charlie called Joseph and instructed him,

“Joseph, the cargo ship will stop in the sea near Sri Lanka 24 hours later,”

“Arrange a plane to wait in Colombo after the cargo ship stops,”

“You send a helicopter to take Douglas, Stella, and Ruoli to Colombo,”

“And make them fly to New York to see me after they arrive in Colombo. “

Joseph said without a second thought, “Mr. Wade, I will follow your orders.”
