Chapter 4335

At this time, the eastern sea of Sri Lanka.

Due to the time difference, although it is already late at night in Japan,

The sunset here is just kissing the sea level in the west.

The gorgeous sunset stained the entire sea level with fiery red color, and the scenery is wonderful.

A great variety of seabirds soar in the sky,

And on both sides of the bow, there were many dolphins chasing the cargo ship,

And leaping out of the water from time to time.

This rare beauty, for the crew who often drifted at sea, has long been usual,

But for Stella, this is really a beauty that has never been seen before.

She is standing at the bow of the ship,

Looking at the beautiful scenery, the mood is suddenly much more relaxed.

These days, aimlessly drifting in the sea, and with no news from the outside world,

So her entire mental state has been very decadent.

Not only her, but the elderly Douglas is also even more devastated this time.

And, because there has been a heart of resignation,

Douglas this time has not been able to let go of the slightest,

The whole day sighing and lamenting, secretly sad.

And what Stella can not let go of is the thought of Charlie, which is inexplicable.

Unconsciously in her mind, it is the image of Charlie,

And then all of a sudden lost interest in everything,

Involuntarily fast-forward through the whole process of her acquaintance,

With Charlie roaming in the brain again and again.

At this moment, she looked at the beautiful sunset over the sea,

And unconsciously thought of Charlie, and even sighed in her heart:

“If only Charlie was here too In that case,”

“No matter where this ship is going, I would not worry and there would be no nervousness

At this time, Ruoli stepped to her side and spoke,

“Miss Fei, it’s time to go back to the cabin,”

“The sea men will come up for a routine inspection later.”

These days out at sea, she and Ruoli have become familiar with each other, and the two have become friends.

Stella nodded gently and asked her, “Ruoli, have you ever been to sea before?”

“Sort of went out

“After my accident in Japan, it was Mr. Wade who saved me from the sea.”

Stella sighed: “It seems we both owe him a huge favor.”

“Yes.” Ruoli said seriously, “I have decided that I will follow him,”

“For the rest of my life, as a dog and horse, and I hope to do more for him.”

Stella nodded and said, “I also have the same idea as you,”

“I just don’t know if there is still this chance.”

Ruoli said, “Of course there is! You are so smart and have seen a lot of the world,”

“You are a high-end talent that Mr. Wade is desperately in need of.”

Stella sighed and said helplessly, “But my status is too special now,”

“My uncle must be looking for my whereabouts everywhere,”

“If he knows that Mr. Wade saved me and grandpa,”

“I’m afraid it will only bring trouble to Mr. Wade.”

Ruoli comforted, “You don’t need to think so much now when you get to Syria,”

“Just settle down for a while, take care of your grandfather,”

“There might be a chance to turn things around in the future.”

“Mmm!” Stella nodded heavily and said with a longing face,

“I hope there is still a chance in the future!”

At this time, Stella did not know that there were less than 48 hours left before she would return to New York.

.....

A few hours later in New York, USA.

Three Boeing 777 planes finally landed at New York’s JFK Airport.

The Iga ninja and their families had just left customs,

And were taken away separately by the soldiers of the Front.

All the adult males were brought to Long Beach,

While those who were old and sick were all placed in a suburban estate.

Chapter 4336

Hattori Hanzo was taken with his clan to the villa,

Rented by Joseph in Long Beach, and met his son, Hattori Kazuo, here.

When father and son met, they naturally sighed with emotion and tears.

Hattori Hanzo said with regret, “Kazuo

“If I had known that the trip to America would turn out to be so bad, your father would not have sent you here

Speaking of this, Hattori Hanzo lamented,

“Now hundreds of people have been reduced to the point of leaving their homes,”

“And there is no telling when they will be able to go back

“Going back?” Hattori Kazuo gave a bitter laugh and said,

“Dad, we can’t go back to Japan in this lifetime.”

Hanzo asked in surprise, “Why?”

Kazuo asked him, “You haven’t received the news yet, have you?”

Surprised, Hanzo asked, “Has something happened?”

Kazuo nodded and said with difficulty to hide his pain,

“Our Iga Castle has become a ruin

“What?” Hattori Hanzo’s jaw dropped as he listened and blurted out,

“We just left the county not long ago,”

“Everything in the county was still fine when we left, how could it become a ruin?”

Kazuo saw that his father knew nothing about what was happening in Japan,

So he hurriedly told him all the news he had received.

After hearing this, Hattori Hanzo’s eyes went black and he almost fell over.

A few moments later, he came back to his senses and said with a face full of pain:

“The county castle was built brick by brick by my Iga ninja ancestors

“After so many years of hardship, it

“After I die, how can I face the ancestors of the Iga ninja

Hattori Kazuo said helplessly, “Dad, now this situation, we can escape from Japan is already very good,”

“Now the homeland security department identified us and the Fei family experts are in cahoots,”

“Also identified us as suspicious accomplices of creating a terrorist attack,”

“Now we back home have become street rats everyone is shouting at.....”

Hattori Hanzo hurriedly said, “Quickly release a statement to the public!”

“We have nothing to do with the death of these people!”

Hattori Kazuo said, “How can I do that If we issue a statement now,”

“Not to mention whether the government will believe us,”

“Mr. Wade’s side, we can not explain ah!”

“The consequences of disobeying Mr. Wade are much worse than becoming a street rat

After Hattori Hanzo heard these words, his heart was instantly grieved.

Although the destruction of the centuries-old county castle caused him immense heartache,

But the buildings were destroyed at least they could be rebuilt.

However, now the entire Iga ninja had taken on a heavy black pot,

Which, once taken on, was likely to be a lifetime

He immediately covered his face in pain and wailed under his breath,

“I am sorry to the Iga ninja and to the ancestors

Hattori Kazuo hurriedly consoled, “Dad, now is not the time to think about this,”

“Our immediate priority now is to hurry to fully cooperate with Mr. Wade’s next arrangements,”

“If we really become the credit of Master Fei to regain power,”

“Even if we can never return to Japan in the future, it does not matter,”

“We can still make the Iga ninja bigger and stronger overseas!”

Hattori Hanzo nodded approvingly and asked,

“By the way, Mr. Wade asked us to come over, what exactly are the orders?”

Hattori Kazuo shook his head and said,

“I’m not sure exactly, anyway, Mr. Wade told us to do what we do,”

“So, we will do what we do, listening to his orders will never be wrong!”

Hattori Hanzo nodded and said, “You’re right, that’s all we can do now.”

As soon as the words left his mouth, Joseph came over and said to the two of them,

“Mr. Wade has ordered you to make a video immediately,”

“Claiming that those experts of the Fei family are the close partners of the Iga ninja,”

“And that the Iga ninja are responsible for the explosion in Iga City,”

“And also for the premeditated attack planning on Osaka and Nagoya!”

Chapter 4337

Kazuo just finished listening to Charlie’s orders he couldn’t believe it,

But he did not expect that Charlie turned his face and let Joseph give his family such a dumb mission.

Hanzo’s expression was also very embarrassed, at this time,

If he publicly announced that he had cooperation with those experts of the Fei family,

And was responsible for the terrorist attack that did not happen,

It would not be tantamount to cutting himself off from the Japanese people?

The people over there, who do not know the truth will definitely swear at the Iga ninja,

And the reputation of the Iga ninja will not be able to turn over in this life.

Kazuo also could not help but open his mouth and plead,

“Master Wan If we really make this statement

“Our ancestors’ hundreds of years of accumulation will be destroyed in a moment.....”

“Can you please plead with Grandmaster Wade and ask him to leave a way out for us.....”

Joseph said coldly: “Kazuo, you came to the United States from Japan and attempted to kidnap Miss Gu,”

“Which is a capital crime in itself, now Mr. Wade spared your life and gave your clan a chance to develop at sea.”

“What do you want to leave behind? Are you Iga ninja still planning to return to Japan in the future?”

“If you still plan to go back to Japan, then why would Mr. Wade give you this opportunity?”

“You should know that if Mr. Wade had not brought your clan to America,”

“In time, you would have all died last night!”

Kazuo was dumbfounded, and Hanzo, who was on the side, choked up and said,

“Master Wan We Iga ninja have had a reputation for many years,”

“If we really let our reputation go down, we will be faceless in front of the ancestors of the Iga ninja!”

“The Iga ninja will follow Mr. Wade’s orders wholeheartedly from today onwards,”

“And you will never go back to Japan in your lifetime.”

“What the Fei family will do to you next is your own problem.”

After saying that, he pointed at Kazuo and said coldly,

“But Kazuo, your father, and the others can leave, but you and your seven men cannot leave,”

“Since you cannot accept Mr. Wade’s conditions, then be prepared to be punished.”

Kazuo was flustered and said without thinking, “I am willing to follow Master Wade’s lead!”

After saying that, he hurriedly looked at his father again and said,

“Father! You have to say something! If you don’t agree, even if the Iga ninja returns to Japan,”

“They won’t be relied upon by the Ito family, and the future will still be in danger!”

“But if we stay in America, when Mr. Wade takes care of the Fei family, our future will be bright!”

Hanzo pondered for a moment and said through clenched teeth,

“Okay! Iga ninja, I wish to do everything as Master Wade arranges!”

Joseph nodded in satisfaction and said, “In that case, then don’t delay,”

“I’ve already had the room set up, you two go shoot the video now.”

.....

Ten minutes later, a video recorded by Hanzo and Kazuo personally, appeared on the internet.

In the video, father and son are sitting in an empty room,

Which is completely plastered with white background paper from the studio”

“In order to avoid being identified, the father and son face the camera and are telling a shocking truth.

It turns out that the terrorist attack that occurred in Iga City last night was planned by them,

In conjunction with forces from outside the country,

And the explosives in the attack were all provided by the Iga ninja,

And they also gave up their Iga Castle to these terrorists.

But to their surprise, the matter was known in advance by the Homeland Security Department,

Which subsequently rounded up the members of the foreign forces.

After the father and son explained what happened, they also officially announced,

That the Iga ninja would be responsible for the incident.

As for the reason why the Iga ninja did so, Hanzo explained that,

It was because they were very upset about the unfair treatment,

The Iga ninja had suffered during this recent period and decided to create some noise to express their protest.

Chapter 4338

In addition, Hanzo did not reveal the true identity of those forces outside the country in the video,

This was also because Charlie had given his authorization.

Although he intended to make Randal a street rat,

He was not prepared to bring the entire Fei family into disrepute.

After all, in his planning, the Fei family is still to be handed over to Douglas Fei to continue to operate,

If the entire Fei family are tossed half-dead, in the future,

Even if Master Fei re-take over, the entire Fei family has become a mess.

In the future, Master Fei will probably still have to spend \$200 billion to buy the Rejuvenation Pill,

And for this kind of potential big customer, he still has to try to keep more energy.

As long as this time the line of Randal and his father and grandfather is abolished,

And then the matter of how they forced Douglas out of the Fei family is exposed,

Douglas can take back the control of the Fei family in name only.

Soon, the video sparked a huge reaction on the Internet.

The world knows that a horrific terrorist attack took place in a small town in Japan yesterday,

And everyone is concerned about the inside story and the follow-up of this matter,

But they did not expect someone to come out and admit it so soon,

And it is also the famous Iga ninja in Japan.

Most of the foreign netizens were just watching the fun,

But the Japanese public could not be calm and in an instant,

Countless people on the Internet raged against the Iga ninja, calling them the shame of Japan.

Some people even proposed to search for the Iga ninja all over Japan and arrest them all,

And put them in jail. Some right-wingers even called on the largest Yamaguchi group in Japan,

To hunt down and kill the Iga ninja in order to cleanse Japan of traitors.

Hanzo and Kazuo, father and son, saw the overwhelming insults on the Internet and nearly fainted from the pain.

Japan's homeland security department was also dumbfounded.

The original is to receive a tip to catch a group of people,

Intended to take advantage of the opportunity to give them a bigger crime,

So as to restore the face of the previous loss,

But who would have thought that the lie was made up, but became true?

Now, the most furious is the Fei family.

When he saw the news, Dawson wanted to tear down his home and cursed angrily:

“Iga ninjas have some big fcuking disease!”

“Why did they suddenly jump out and release a video saying they are terrorists for no good reason?”

“Just to fcuk with us? Isn’t that like killing a hundred enemies and losing a thousand?”

Adam was also confused, and after watching the video several times,

He gritted his teeth and said, “I don’t understand it either, isn’t this like eating sh!t and spitting it on others?”

“I really can’t understand their brain circuit, they are so screwed, they are not finished?”

Dawson sighed and said with a resentful face, “They are still only killing a hundred enemies,”

“If they expose us, or if the Japanese homeland security department finds us out,”

“Then we will really be in big trouble! And Randal is still in their hands, we are really too passive

Speaking of this, Dawson clenched his fist and slammed the table, angrily:

“Really not good to see, the kid is difficult to deal with!”

“I really did not expect that a mere ninja family could force my Fei family to this point!”

Adam said with a worried face, “Dad, the time given by the kidnappers, not much left of it.....”

Adam’s statement that time was running out made Dawson even more worried.

He couldn't help but question Adam:

“We sent so many people and offered so much money, and still haven't found any clues?”

“No” Adam spoke: “Our people, as well as these local gangs, are almost digging up the whole New York,”

“But there are just no clues”

Dawson angrily rebuked: “All a bunch of rice buckets! Especially those intelligence officers,”

“Usually so much money to feed them, just to let them play a role in critical moments,”

“But the more this time, the more they are useless!”
