## Chapter 1922

Shen Xue's clothes on the bed were almost stripped off. Her teeth were knocked out and she fell on the bed. Her arms were twisted and pinched by cows and were bruised everywhere.

Shen Xue's horror was beyond words.

She didn't even respond when she heard her brother call her name.

Because she thought it was a dream.

Seeing such Shen Xue in Ying Ming's eyes, Ying Ming's heart ached to the extreme.

He stepped forward and hugged his sister in his arms, took off his coat and hugged her, letting her stand outside the bedroom.

"Xuexue, brother tell you, don't be afraid of anything you see, understand?" Ying Ming said.

Shen Xue shook her head: "Brother, no, if I don't promise them today, they will expose me, I... bro, I'm sorry, I stole... I stole something from Shen Zishan's house, yes I was wrong bro..."

Shen Xue stopped crying.

She just shook her head nervously, and then wanted to go into the bedroom again.

At that moment, the angry Ying Ming raised his knife and looked at the door frame.

The frightened old man in the room shivered all over, and the fat and quivering flesh on his body trembled.

Shen Xue also gave her brother a startled look.

Ying Ming said, "Don't worry! With your brother here, your reputation will not be damaged! No one knows that you did it! Brother has a way to help you!"

He said, he abruptly shut Shen Xue out of the door.

Shen Xue didn't know what her brother was doing indoors.

All I know is that my brother came out in a few minutes.

When he came out, the long knife in his hand was dripping blood.

"Go, go home with brother." Ying Ming said.

"Brother, will you hit me?" Shen Xue asked.

Ying Ming asked: "You are so good, why did brother beat you?"

"Brother, I'm a thief." Shen Xue said again.

"Then you should fight! Brother told you that no matter how poor you are, you can't steal!"

Shen Xue: "Brother, I stole valuable things, those things were not given to me by Shen Zishan, I stole them, Feng Yue said, the first time I stole, the second time I looted, and I also took their daughters Scared sick, and now their daughter is in the hospital."

"Feng Yue also said that if my three crimes were combined, I would be sentenced to death." Ten-year-old Shen Xue said to eighteen-year-old Ying Ming.

“Fuck!” Ying Ming only said one word.

After saying this, the eighteen-year-old boy burst into tears.

He bent down and picked up his sister. Quickly out of the villa.

He killed.

It has already started.

There is no turning back to open the bow.

His life is not worth it, after all, his father died when he was a child.

But how innocent is my sister?

Obviously has a father.

Mingming’s younger sister’s father is also considered a rich man.

But what kind of life does my sister lead?

Growing up, I hadn’t eaten at McDonald’s once, and since I was a kid, the shoes he wore were the ones he wore when he was a big brother, and sometimes his toes were exposed.

But the family has no money to buy her a new one.

Because my mother takes medicine every month, sometimes my mother is able to work and sometimes not.

My sister wanted to eat candy when she was a child, but she had no money to buy it. Can only watch others eat, drooling while eating.

But what about Shen Zishan and his current wife?

Wear gold and silver.

Not to mention their daughter.

Living like a little princess, the cost of food and clothing, everything is enviable.

The same father was born, why is there such a difference.

Frightened by the night, two lonely figures walked on the street, one long and one short, shadowy.

Ying Ming didn't care at all, and a siren sounded behind him.

## **Chapter 1923**

Although he was only eighteen years old, he was not a fool.

During this time, he worked in a western restaurant again. He knew what surveillance was and even where the lines were.

As soon as he entered the door, he cut the monitoring line with a knife.

He was wearing gloves on all parts of the window, and he had no counter-reconnaissance power. He just thought that he could just give him a few more days to settle his mother and sister.

He would surrender himself.

Of course, before surrendering himself, he wanted to find a way to get the mansion in Shen Zishan's name into his sister's name.

Anyway, Shen Zishan's property should have belonged to his younger sister!

The younger sister was still muttering in a low voice, like a mentally ill person.

"Brother, it's my fault, Shen Zishan and Feng Yue have repeatedly told me not to let me tell Shen Yuexi, I am also Shen Zishan's daughter, but I told Shen Yuexi, Shen Yuexi fell down the stairs, this is the first sin I committed ..."

"You didn't commit a crime," Ying Ming said.

Shen Xue couldn't believe it: "What did you say?"

"You were originally Shen Zishan's daughter, you didn't lie, you just told the truth, Shen Zishan has a parenting obligation to you, he lives

in a big villa and drives a famous car every day, but he gives you 1,000 yuan a month for child support , which is simply not enough.

With his income, he gives you 10,000 a month, which is not much.

Not only does he want to give you money, but he can't refuse you to call him father, and he won't let you disclose his father-daughter relationship with you. It's not your fault, it's Shen Zishan's fault, Shen Zishan should be punished, and he should go to jail. “

In the early winter, the shirtless Ying Ming led Shen Xue, who was wearing his brother's clothes.

“But... I'm a thief.” Shen Xue had to confess to her brother. Even if she was beaten, she had to confess.

Because Shen Xue knew that in this world, only my elder brother can help me, and only my elder brother loves me.

“You are not a thief.” Ying Ming said again.

“I literally stole twice...”

“That's your father's house. They let you in. You don't steal your father's things,” Ying Ming said.

“Can.....”

“You're not a thief, you didn't lie, and you didn't intimidate your sister. It's their fault, their whole family should be damned! They have no humanity, Xue Xue.” Ying Ming turned around, crouched down, and comforted his sister very gently.

“Really, brother?” Shen Xue asked.

“real!”

“Brother, I don't want my surname Shen anymore.” Shen Xue said.

“Huh?” Ying Ming asked.

“I want to be surnamed Ying, okay?” Shen Xue asked Ying Ming, “I heard that my name was given to me by Shen Zishan, and I don't

want to be called Xue Xue anymore, brother, please give me another name.”

“Well...” Ying Ming looked at his sister.

The younger sister has pink makeup and jade carving today, and there is a small red dot on her forehead, which is very beautiful.

“Sister, you are very beautiful today, just called... Yingzi, how is it?”

“Yingzi?” Shen Xue’s eyes suddenly lit up, her eyes were distracted for a while, and now, she finally focused.

She said happily: “Yingzi, I like Yingzi! I will be called Yingzi in the future!”

On the road, the police car was very harsh.

But Yingming was not afraid at all.

He didn’t intend to live!

Now he has to send his sister home first, and then go to the Shen residence.

The brothers and sisters walked for two hours on the road before they got home. The elder brother comforted the younger sister and let the younger sister take care of the mother at home, and then the elder brother disappeared into the night.

No one knew where Ying Ming was going this night.

Ying Ming arrived outside the Shen family’s villa in half an hour.

He has already made a vote just now. He doesn’t even have the fear and unfamiliarity at the beginning. He is even familiar with the road now, and he is a familiar one.

In the Shen family’s house, a family of three sat in the living room.

Shen Yuexi was still wearing gauze on her head. In fact, her injuries were very minor. She fell from the second floor to the first floor. It was really not too serious.

“Xixi, the nightmare is over. From now on, our family of three and our fashion company will still be there.” Feng Yue said with her arms around Shen Yuexi.

“What about that little villain?” Shen Yuexi asked.

“That little rascal, she will become coquettish and stinky in the future, you can never play with her again, she grows up to be a bad woman...”

At this time, a cold voice suddenly came from the entrance: “Today, I will let you be a bad woman first...”

### **Chapter 1924**

No one expected that a young man with a long-handled murderous sword would walk in like this.

The eighteen-year-old boy is more than 1.8 meters tall. Since he has been living with his family since junior high school, he often uses weekends to carry bags for others to do manual work, so that the eighteen-year-old Ying Ming is more heroic and sturdy than other people his age.

He looked murderously at the extremely happy family of three in the living room.

The family of three looked at this uninvited guest with fear on their faces.

“You... Who are you? How did you get in? Hurry up, call the police...”  
Feng Yue’s voice could only be stuck in her throat, and she couldn’t make a sound at all.

Shen Zishan also subconsciously

The daughter and wife stood behind and stammered: “You... don’t mess around, you are breaking the law like this, yes... you’re going to jail, don’t mess around. ...”

“Breaking the law?” Ying Ming sneered: “I’m sorry, I have already committed the death penalty, and I have cut off the head of that old man surnamed Dong. Did you hear the alarm just now? That is Running to Dong’s house!”

Hearing Ying Ming’s words so relaxed and calm, Shen Zishan immediately collapsed to the ground.

Behind him, Shen Yuexi, who was still wrapping his head, was frightened and cried ‘hey hey’, extremely helpless.

Beside him, Feng Yue was completely dumbfounded.

The couple didn’t even see how Ying Ming came to Shen Yuexi until Ying Ming held Shen Yuexi on his shoulders.

“Don’t cry! Otherwise your head will fall to the ground!” Ying Ming

Speaking of.

Shen Yuexi scared

Not even a single cry.

“You...what are you going to do? She...she is still a child, she is innocent. I can do what you want to do, will you let my child go?” Feng Yue hugged Ying Ming’s leg.

Ying Ming kicked Feng Yue away and sneered: “You still know she’s a child? Then why don’t you know, my sister! Your husband’s other daughter is also a child?”

Feng Yue: “...”

Speaking of which

, Ying Ming suddenly put Shen Yuexi down.

Shen Yuexi couldn’t stand still at all, and the little child was scared to pee.

Ying Ming didn’t care, he just said to Shen Yuexi in a steady voice: “Shen Yuexi, listen to me! Your father has always had two daughters! Your sister came into this world earlier than you! It’s because of your Come and rob all of your sister’s fatherly love!”

Shen Yuexi widened her fearful eyes and looked at Ying Ming, she didn’t dare to say a word.

“It’s you! It’s your arrival that robs your sister of all the fatherly love! You shouldn’t have come into this world! You’re not only a robber!

“Your mother is a mistress! Do you know mistress?”

“Your father originally had a wife and a daughter! It was your mother who stole someone else’s husband! Your father abandoned your sister and his original wife!”

“You! You’re not an only child at all!”

“You are nothing

Shit little princess! Everything you have is to rob another little girl of happiness! “

“As a result, your mother, who is not as good as a pig and a dog, also coerced your father, who is not as good as a pig and a dog, to force the little sister who was taken away from your father’s love by you, to be ruined by an old man of six or seven years old instead of you!”

“Shen Yuexi, do you think you should die?”

Shen Yuexi sat on the ground at once, sitting on her own urine.

That little sister, the little sister who was led by her like a dog, actually had the same father as her.

That young lady didn't lie.

"You live in a mansion, you can wear the most beautiful clothes, and there are too many toys in a room, but your sister! She doesn't even have a pair of clean shoes, she can only wear shoes with bare toes!"

"Why! I ask you why!"

"Is there any justice in this world?"

Shen Yuexi: "..."

She didn't know how to answer. She wanted to climb into her parents' arms and let them protect her, but she didn't dare, she didn't dare to move.

## **Chapter 1925**

Before she could react, Ying Ming picked her up again.

A knife lay across her neck.

"Don't talk!" Yingming looked at the three of them.

"Don't call the police! We will never call the police. Please let the child go. The child is innocent, okay?" Feng Yue's voice was as small as a gnat.

"Don't worry!" Ying Ming said sadly.

"I have my own sister, of course I know that the child is innocent, I just don't want her to see the tragic scene, you two listen to me, if you dare to move, you will never see your child again! Give me your phone now!" Ying Ming was doing this calmly.

Shen Zishan and Feng Yue obediently threw their mobile phones to Ying Ming.

Ying Ming carried the child upstairs.

He put Shen Yuexi in her own room and brought her earplugs.

“Be obedient, don’t take off the earplugs, otherwise, brother will kill you!” Ying Ming said.

Shen Yuexi nodded shiveringly.

After Ying Ming settled down on Shen Yuexi, as soon as he turned around and walked out, he saw that the husband and wife were both outside the door.

One person took a kitchen knife.

“What?” Ying Ming sneered and asked, “Do you want to fight with me? In front of your daughter? Okay, come! You and I are a couple! Come!”

The knife in Feng Yue’s hand suddenly fell to the ground.

Fortunately, the door was closed, and fortunately Shen Yuexi had earplugs on her ears.

“You...what are you doing? Do you want money? You...all yours, all the cash in my house, my gold and silver jewelry, and those watches we have in our collection, It’s all yours, it’s all for you... Anything can be worth thousands of dollars. You take your sister and mother and fly away, okay?” At this time, Feng Yue had come to her senses.

she saw yingming

It doesn’t mean to hurt the child.

Ying Ming does not want to

Have the child present.

She felt that Ying Ming was still a boy with a conscience and a bottom line. If she gave Ying Ming enough money at this time, she might still have a glimmer of hope.

Ying Ming shook his head: “No, these are too few.”

“You... how much do you want?” Shen Zishan suddenly became interested when he heard Ying Ming said that it was too little.

He felt that there must be a breakthrough, definitely.

The boy was terrified.

Just give him enough money

Attract him, he will definitely let their family of three go.

“What do you want? I... In addition to the gold and silver jewelry at home, in the bank, I also put a regular deposit for my daughter, 1 million a year, almost 10 million, Give it all to you, how about it all to you?”

Ying Ming was even more angry when he heard Shen Zishan say that he saved one million for Shen Yuexi every year.

As soon as he grabbed Shen Zishan, the knife was placed on Shen Zishan's neck: “You black-hearted thing! You save 1 million for your youngest daughter every year, and you know 12,000 for your eldest daughter! People like you, too Live!”

“Don't... don't kill me, don't kill me.” Shen Zishan knelt on the ground.

Ying Ming said, “I want all your bank money, your wife's jewelry, some of your cars, your house, and your two houses in the city! Because, that It all belongs to my sister!”

“No one should take any of the property belonging to my sister!” Ying Ming said fiercely.

“Yes...Yes, yes...” Shen Zishan nodded like a chicken pecking at rice.

“Come down!” Ying Ming forced Shen Zishan with a knife, and then said to Feng Yue, “Come down too!”

The couple went downstairs under Ying Ming's coercion. Ying Ming tied Shen Zishan Wuhua with a prepared rope, sewed his mouth, and then came to Feng Yue with a long knife.

“You... don't kill me.” Feng Yue's snot came out from crying.

“I don’t want to kill you, I just want you to be a dissolute woman in front of your husband.” Ying Ming smiled.

### Chapter 1926

Feng Yue was startled: “You, what did you say, what are you going to do?”

Ying Ming smiled wickedly: “You are a woman, I am a man, what do you say I want to do?”

When an eighteen-year-old boy had the most fantasy in his life, he actually had a girlfriend at school, and the girl was also a rich girl. At that time, he said that he was in love with her, but the two met in the hotel Rio. Several times, just when Ying Ming had just tasted the sweetness, the girl broke up with him.

Later he went to the girl and asked her why she broke up.

The girl smiled nonchalantly: “I said Ying Ming! You are so old, you can’t let go of this, do you know what it means?”

Ying Ming’s face flushed red.

“It’s just for fun, don’t take it seriously. In the future, if you want to, you can always find the old lady, but, with the old lady’s family background,

it is impossible for the old lady to fall in love with a poor person like you.

So we can only play with you, little boy, you are so cute. Before the female voice left, she patted Ying Ming on the face.

It was wise first love, and it was given to such a girl.

During that time, Ying Ming was sad.

long time.

Later, another girl went on a date with him alone.

Ying Ming, who was getting hurt, pretended to be rebellious and asked the female voice, "Don't tell me, you want to date me too?"

The girl smiled maliciously: "I heard who said that you are... sturdy and deep?"

Ying Ming immediately hugged the girl in his arms, and said incomparably sturdy, "Call me!"

The girl suddenly softened.

Very obedient, very cooperative, and very often called out: "Master!"

Ying Ming sneered contemptuously: "It's cheap enough! Every one of them has a masochist!"

Yu Bi, he didn't talk to the girl about anything, but went straight to the point and went straight to the topic, and that time, Ying Ming also changed his shyness and cherishing for the first time. Begging for mercy softly.

Later, the girl really fell in love with him, but Yingming didn't love that girl at all.

He was disgusted to see it.

It's just that since then, Ying Ming has become a real man, a man who is filthy, even wretched, and doesn't care about matters between men and women.

Eighteen-year-old Ying Ming is not a novice.

He also didn't look down on Feng Yue at all.

However, today he is going to punish Feng Yue and make Feng Yue suffer humiliation.

Moreover, Shen Zishan had to see it.

With the knife in his hand, Ying Ming had no idea that he had gone crazy and had turned into a completely evil devil.

Yes!

He will never be a good man again 1

He just wants to be the devil.

He listened to his mother's words since he was a child. His mother and Shen Zishan remarried. He was very happy. He called his father all the time, but this father didn't hurt him at all. After several times, he was still his mother's little helper.

He longs for a warm and happy family.

It doesn't matter if the family is poor.

But what did he get?

The small clothing factory that my mother worked so hard to run closed down because of the divorce and separation of the family property. My mother took him and his sister into debt and owed a lot of debt. The moment my mother paid off the money, people became crazy.

All of this was caused by Shen Zishan.

Shen Zishan has never felt any guilt towards his mother, it's fine, he doesn't even want to support his biological daughter.

good!

very good!

He Yingming is also a person who has killed people now, so what is he afraid of!

Before he died, he would fight over all of Shen Zishan's property, a penny of property, for his sister.

As for this woman named Feng Yue, he must be disgusting to her!

And, nausea sinks deep into the mountains.

Ying Ming looked at Feng Yue with a sinister smile: "What do I want to do? You are a married woman who has given birth to children, don't you know what I want to do? Huh?"

## Chapter 1927

Feng Yue immediately understood.

her face

Suddenly red: "I, I promise you, but...don't be here, here I am...too humiliating."

He looked at Ying Ming begging.

Ying Ming sneered: "humiliation?"

Feng Yue cried and said: "You want me, want to satisfy your desires, can't I promise you? You...here, in front of my husband, you...you let me How can I bear it?"

"You still know the humiliation, but you still can't stand it?" Ying Ming grabbed Feng Yue's hair and slammed her head against the ground.

Feng Yue, who was in pain, was stunned.

"You vicious woman who is more vicious than a wolf brand, a poisonous snake, and a black crow! It's obviously your own company that lost money, and it's obviously that the old man surnamed Dong wants your daughter, but you are there, and again and again. You are persecuting my sister, she is only ten years old! That old man is seventy! Are you fucking with me?"

“You’re telling me you’re humiliating in front of me now?”

“You can’t stand it?”

“When you threatened my sister, did you think about your humiliation?”

“What did you tell her, tell her, she will go to jail and be sentenced to death? Feng Yue, I want to ask you, ten-year-old child! How is the death sentence! Come and tell me how a ten-year-old child is sentenced to death!”

Every time Ying Ming said something, he had to hit Feng Yue’s head on the ground.

Feng Yue suffered a concussion.

Foaming in the mouth.

Ying Ming was not relieved after the collision, and he looked back at Shen Zishan: “The surname is Shen! Xue Xue is your own flesh and blood! When this wolf woman was threatening Xue Xue, what were you doing, tell me? ,What are you doing!”

Shen Zishan: “...”

His mouth was sealed.

He can’t say anything now.

But, he already knew he was wrong.

They are all his children, why should one be spoiled as a little princess and the other should suffer such a big sin?

Xuexue has not enjoyed half of the benefits and benefits from Shanghai Xiyue Fashion Company. She has not even experienced father’s love, let alone father’s love, she is not even qualified to call him father in public.

What qualifications does he have to let her suffer all kinds of humiliation to restore the prosperity and wealth of their family?

is sin.

Sin is great.

Shen Zishan burst into tears.

Seeing Shen Zishan's tears, Ying Ming said, "Shen Zishan, do you know why my sister came back for the second time and ransacked your house for more than one million yuan? That's because you let me Xuexue be a disaster for you, but I Mom wants to take custody of Xue Xue, it was you who angered my mother's condition, my mother ran out in a panic and accidentally bumped into someone!"

"We need to pay people 20,000 to 30,000 medical expenses!"

"Shen Zishan, you scum! You villain! Devil! It's fine if you don't support my sister. When you need her to fill your blood hole, you think of her. Does she owe you anything!"

do not owe.

Shen Zishan knew that Shen Xue didn't owe him anything.

It was he who owed Shen Xue.

One of Shen Zishan's hearts was broken. The original wishful thinking was lost all at once. Now, she wants her family to be destroyed.

He wanted to ask, is Shen Xue okay?

He couldn't open his mouth.

He didn't dare to ask.

If he died, the ancestors of the Shen family would ask him: "Our Shen family originally had two granddaughters, what about the older one? How are you taking care of the older one?"

Let him say Shen Zishan?

He is desperate, guilty

, closed his eyes facelessly.

And Ying Ming looked at Feng Yue with a pair of ferocious eyes, and his knife suddenly tossed Feng Yue's clothes away from the front.

"Ah..." Feng Yue whispered miserably.

### **Chapter 1928**

Feng Yue stepped back, how she hoped that Shen Zishan could save her.

But Shen Zishan didn't even talk about saving her, he didn't even have an expression of worrying about her distressed, let alone distressed and worried, he didn't even look at her anymore.

Shen Zishan only closed his eyes and shed tears.

Feng Yue was extremely desperate.

She was in despair, and all the ugliness of being bullied by Ying Ming was exposed.

There was no half of her clothes on her body on the cold floor.

What she did was the most base and most humiliating thing.

She is a hundred times lower than the woman who sold her for a living in ancient times.

She thought that this had come to the end, and it couldn't be worse than this.

However, Feng didn't expect that until she died, the next moment, her death was coming.

After Ying Ming ate her clean, he sent her on the road without hesitation.

Feng Yue's death did not make Shen Zishan much sad.

He has calmed down.

Before dying, he thought, what is happiness?

The original small garment factory, although not very large, but every year

One or two million is easy to make, and the original wife is very reasonable and never forced him to go out for entertainment or anything.

It turned out that he had a pair of small children.

Although the boy is not his own, the boy is very lovable, and the boy will call his father affectionately.

When he came home from get off work, the boy would bring him slippers, and when he was resting on the sofa, the boy would give him a backbeat.

The boy is really nice.

He really doesn't need to worry too much.

Moreover, seven or eight-year-old boys are very good at taking care of their sisters.

No need to worry about busy parents.

Think about how happy, stable, and fulfilling life was at that time?

If he hadn't gotten divorced at that time, the boy should have been a college student now, and maybe he would be a very good talent.

But, the little boy who used to call his father is now a murderer.

It's all about divorce.

Think Feng Yue.

At that time, the means of seduction, Zhenzhener was to retreat into advance.

She cried and told him that she would not ask him for a divorce.

She would knock the child off herself and fly away.

Such a method, in the end, hooked him.

Who is to blame?

The reason is that he Shen Zishan himself, thinking that if he is worth a few million, he is rich, and he is floating.

Now, everything is empty.

It's all empty!

Whoosh!

Shen Zishan only felt a chill on his neck, and then he saw that his head was different.

Ying Ming is not a fool.

In this scene of what Feng Yue did, all the places where he would be able to leave evidence were cleaned up.

After he cleaned the play area, he took away all the property that he could have.

As for the little girl.

Let yourself die.

Whether she will live or die in the future, no matter how far she can go, she will blame her parents for not taking the right path!

The reason why Ying Ming cleaned up the scene was not because he wanted to hide for a long time, he just wanted to buy time, send his mother and sister out and settle down, he just wanted to delay time.

However, what Yingming never expected was that more than ten or twenty years ago, at that time, the technical means were not very developed.

And, there's one more thing that happened to be a coincidence.

That is, in Shen Zishan's mailbox, mobile text messages, and Feng Yue's mobile phone, Dong Gui's efforts to threaten them are everywhere.

Policemen

I checked the business dealings between Shen Zishan and Dong Gui, and found that the reason why Shen Zishan's Shanhaixiyue Clothing Company was facing a crisis was actually Dong Guicong's interference.

It is often even more exasperating to find that Dong Gui has a pedophile.

All he did was because of Shen Zishan's little angel-like girl.

As a result, the police's direction of solving the case has always revolved around the grievances between Dong Gui and Shen Zishan.

## **Chapter 1929**

In this way, Ying Ming can buy more time.

He didn't think about escaping, he just wanted to send his sister and mother to a far away city safely, find a good school for his sister, save the money for her so that she can finish college and start a family, so he it's also worth dying.

If you want to take out the small amount of money that the Shen family has in the bank, you must find someone.

Ying Ming

of a female classmate.

It's also the girl who had that relationship with Ying Ming, and later bowed her head to Ying Ming, but Ying Ming thought she was too rude, so he didn't contact her.

But in order for her sister to get more money, Ying Ming had to go to the girl.

Unexpectedly, the girl actually saw through Ying Ming.

"The surnamed Dong, you also killed the Shen family?" The girl asked straight to the point.

Ying Ming was not afraid at all, he smiled calmly: "I never wanted to hide, and I admit that I just want to settle my sister and my mother right now."

The girl immediately admired her immensely: "It's okay to be Ying Ye!"

Ying Ming: "..."

"Want to live?" the girl asked Ying Ming.

"I don't want to." Ying Ming said the truth.

If he wants to live, he probably won't be able to.

So, just don't want to live.

It doesn't matter, he only has one wish, to settle his sister and mother

.

“

You have to think like this, you did such a ruthless hand to protect your mother and sister, but if you die, your mother and your sister will never be protected from now on. “

Ying Ming: "..."

This is where his heart hurts the most.

He burst into tears instantly.

“Follow Sister Xuan,” the girl said.

Ying Ming: “What?”

“Sister Xuan has a clubhouse for those rich women, you know.” The girl smiled.

“I have a murder case!”

“Sister Xuan will help you with everything.” The girl said again.

Ying Ming: “...”

“Don’t worry, with your looks and your courage, Sister Xuan must be reluctant to let you go into the water, she just wants to keep you by her side.” The girl said again.

“Why

help me? Who are you, Sister Xuan?” Ying Ming asked.

“Help you, because I like you, no other reason.”

“The reason why I introduced you to Sister Xuan is because Sister Xuan is my family’s secret business.” The girl confessed.

She was really interested in Ying Ming.

He also doesn’t mind how many women Ying Ming has, because she understands that she can’t marry Ying Ming, and it will never happen. Maybe one day, Ying Ming will die.

Even if Huang Quan didn’t die, she couldn’t marry Ying Ming with her status.

So, just have fun.

As long as it’s not true, she can still sit for a while.

The most important thing is that the two murders happened by coincidence. The Shen family and the Dong family had a feud, and no one could think of an eighteen-year-old child.

Ying Ming hesitated.

Who doesn't want to live?

He agreed.

Since then, Ying Ming has followed Sister Xuan. Sister Xuan changed his identity and sent him abroad for plastic surgery. After three more years, he learned a hard kung fu. When he came back, the 21-year-old Ying Ming was already He's an out-and-out hitman.

Moreover, the shot is both fatal.

Three years later, Ying Ming really understood that he was used by Sister Xuan.

Because Sister Xuan has too many dirty accounts, she needs a lifeless thug to clean up for her.

And Ying Ming is the deadly thug.

Ying Ming doesn't care anymore, that's what he is anyway. He never thought about getting married or having a girlfriend. He just wanted money. When he didn't have any money, he dared to grab it on the street.

When you see who is not pleasing to the eye, you will kill him with one move.

## Chapter 1930

That year Kraig was also young.

Jun's family was suppressed by the second uncle Jun Chengyin, and Kraig was the only brave and resourceful person in Jun's family, but Kraig was too young at that time, he was four years younger than Yingming.

But in terms of resourcefulness, he is far superior to Ying Ming.

In addition, the Jun family has served in the army for generations, so that Kraig also has a hard work.

Just when Ying Ming was killing and looting again, he and Kraig met on a narrow road.

Kraig took a carload of subordinates and blocked Ying Ming in one person's home.

The family started out by slaughtering pigs and wholesale pork. Perhaps because of the reason of pig slaughtering all the year round, the male owner has a fierce face but short stature.

But because he had tens of millions worth of stinky money, he married a female college student as his wife.

The female college student who came from the mountain village committed herself to marrying a pig butcher in order to buy a flat in the city for her younger brother.

She originally thought that her future life would be like this, but the female college student met Ying Ming, the robber and murderer.

Ying Ming and the pig slaughterer stood together, and in terms of appearance, it was really a sky and an underground.

Zai Yingming slaughtered the pig slaughterer and took all the property of his family

After the looting, Ying Ming's leg was hugged by the female college student.

Ying Ming said coldly, "I don't kill women! So don't force me!"

The female college student cried extremely miserably: "It hurts me, okay?"

Ying Ming thought he heard it wrong: "What?"

"The pig butcher looks vicious, but he doesn't actually have the ability in that respect. For the past few years I have been married to him, he has always been in a hurry, and he has never succeeded once. When he is in a hurry, he will pinch me and beat me. , torture me, I..."

Speaking of this, the woman's face turned red: "Don't let me come into this world, be a woman for nothing, you hurt me, I'm worth dying."

Looking at the female college student with pear flowers and rain, Ying Ming bent down and hugged the female college student in his arms.

A man at the age of Twenty Lang, when the main room was full of vitality.

What's more, Ying Ming has long been a veteran of all kinds.

In terms of serving women, he was quite familiar with it. The young female university cried, laughed, and cried. Throughout the night, her delicate jade arm never came down, and was hung around Ying Ming's neck.

His legs were also tightly wrapped around Ying Ming's waist.

Ying Ming really couldn't bear this poor man, so he didn't rush to leave.

Ying Ming was caught by Kraig just because he was delayed for several hours in Wenrou Township.

"Mr. Ying! I'm honored to be able to catch you with my own hands!" The young Kraig looked at the shirtless Ying Ming on the bed very calmly.

Ying Ming looked at Kraig and sneered: "I'm sleeping with a woman, you arrest me?"

"Of course you can't catch you when you sleep with a woman, but if you harm the entire Kyoto, then you must be caught!" Kraig stopped talking nonsense and went straight to the bed to catch Yingming.

"Let him go!" At this time, the undressed woman did not know where the courage came from, and she even took a handful under the bed.

The pig-killing knife was placed around his neck.

Kraig immediately stopped: "You...don't mess around, you...you don't know how many names this man sleeping beside you killed!"

The woman sneered: "I don't care! I know he is my man, and he gave me the taste of being a woman! If you dare to take another step, I will kill myself!"

Needless to say, the woman's knife had already cut her neck with all her might.

"Don't move! Don't move!" Kraig said.

The woman looked at Ying Ming with tears in her eyes: "Go away! Go away! I didn't kill anyone, they won't do anything to me!"

At that moment, Ying Ming's heart was full of mixed feelings.

He hated this woman.

## Chapter 1931

But he also knew that if he didn't leave, this woman would definitely commit suicide, which was a waste of a woman's heart.

"I'll come again." Ying Ming said to the woman, then jumped out of the window shirtless and ran away.

"Chase!" Kraig said angrily.

He turned around and ordered his subordinates to run out quickly.

That night, the sound of the police and bandits chasing me rang out over the entire capital.

Ying Ming is also really a desperado.

Moreover, he was very familiar with the geography of Kyoto, and he drilled all over the small alleys until he came to the residence of his mother and sister.

The mother and sister were actually awakened by the sound of the sirens outside, and when they saw Ying Ming hurried in with his shirtless, fifteen-year-old heroic, that is, Shen Xue back then, they immediately panicked.

"Brother, are they going to arrest you?" Yingzi asked.

"Let's go! Let's go with brother!" Ying Ming said to Ying Zi as soon as he bent over and leaned on his back.

Yingzi immediately nodded firmly: "Yeah!"

She knew that if my brother escaped, he would definitely be on the run again.

However, as long as the three of them are together, they are not afraid even if they eat chaff.

Ying Ming carried his old mother on his back, took his mother and younger sister, and drove to escape.

After escaping to the checkpoint out of the city, I found that the whole process was already on alert.

Helpless, he could only abandon the car and get into the forest.

Carrying the old mother on their backs, they walked for two days and two nights in the deep mountains and jungles, which were not roads at all.

The brothers and sisters buried their mother in the deep mountains and forests with great grief and continued the long journey.

Except for the mountain, they couldn't tell which small county it was.

But did not dare to ask.

The brothers and sisters did not have ID cards and dared not appear in public.

Especially Ying Ming, he didn't even dare to come out during the day. With such a life, he could make money by doing odd jobs for 15-year-old Yingzi.

They stopped and went all the way like this, Yingzi earned a few hundred yuan from odd jobs, and they continued to move forward with the money.

Go as far away as possible.

Sometimes, Ying Ming would tell his sister: "Yingzi, brother is not going to be angry, brother is going to surrender."

"Brother!" Yingzi suddenly cried: "Brother, I am your only relative, if you die, I live in this world alone, what should I do? Even if my brother is for me, if you live, I can support you, we walk slowly, we can always reach the border of the country, and we will just go abroad." The fifteen-year-old Yingzi already understands everything.

She also knew that if it wasn't for her own affairs, her brother would not have become like this.

With her here, she would never let her brother die.

If his brother really died, Yingzi would definitely not be alive again.

Seeing that her younger sister was so determined, Ying Ming did not insist on surrendering herself, but huddled in an unknown corner during the day, leaning on her 15-year-old

The heroic figure is the cheapest temporary worker to make a living.

During that period, Kraig kept looking for Ying Ming.

During that period, Yingzi did the dirtiest and most tiring job in order to take care of her brother. During that time, Yingzi worked as a temporary worker for a long time in an unlicensed cannery.

Her feet were soaked in acid water every day, and later, Yingzi's feet were rotten.

Later, Yingzi's feet healed, but there were sequelae. It's the kind of fungus worse than athlete's foot that can rot your toes into your bones.

Every spring and autumn, there will be two attacks. Each time, Yingzi's feet will be broken, sore and itchy, and he will become lame when walking.

However, a year later, the brothers and sisters really waited for the opportunity to go abroad.
