Let me go mr hill chapter 2611 - 2612

Chapter 2611

"Ruan Yan, it's me who should say thank you, and it's me who apologizes."

Her words expanded Du Xuan's guilt to the extreme, "This time it was the company that was unethical and sacrificed you. It stands to reason that I should discuss this matter with you, but..."

"It's just what Mr. Ji meant, right?"

Ruan Yan calmly took Du Xuan's unfinished words.

Du Xuan's face flashed embarrassment, but he actually sympathized with Ruan Yan.

There are many women who have been with Ji Ziyuan, but Ruan Yan can bring the most benefits to the company, but she is also the most ruthless squeezed by the company, and in the end she has become a victim of the company.

He also felt that Ji Ziyuan was too cruel.

However, he was powerless.

"Ruan Yan, I can only say I'm sorry," Du Xuan got up and poured her a cup of tea, "I have spent more time with you than Ziyuan, although Pei Mochen introduced you to come in before, But I know very well that the relationship between you and Pei Mochen is not the kind of support that others say, you are not that kind of person, I have met many people in this circle, even if you are with Ziyuan later It's clear, you've always kept yourself clean."

Ruan Yan was stunned, and she hooked her lips half mockingly, "Mr. Du deserves to be in this position."

"I'm speaking from the bottom of my heart, and I admit that I'm despicable, but I'm sitting in this position, and I can become a celebrity by Mr. Ji's side. There are many things I can't do."

Du Xuan told the truth.

Ruan Yan pursed her moist pink lips.

She has never hated Du Xuan. In the past few years in the company, Du Xuan was a good person, and sometimes the company's annual meeting was not too pretentious.

"This is the termination contract." Du Xuan took out a document from the drawer, "From now on, you are free. As for some liquidated damages and disputes between you and other companies, the company will help you handle them, and follow-up compensation. The company is also responsible. We have gone too far in this matter. Here is a check of 50 million that I will compensate you personally. Ruan Yan, please leave this circle in the future. To be honest, this circle is very dirty and messy. "

Ruan Yan was a little surprised, but she didn't expect Du Xuan to compensate her privately.

"This is what I deserve."

She took the check and wouldn't be stupid enough to refuse. Over the years, she has earned far more for the company than that.

After carefully browsing the document, Ruan Yan signed her name and pressed her fingerprints.

"If you need help in the future, you can contact me at any time." Du Xuan shook hands with her, "If I can help, I will definitely help."

"Thank you, I don't want to have anything to do with you anymore." Ruan Yan lightly He stood up and said, "The house I rented, I will move out as soon as I find a new house."

"It's okay, you can stay for two more months." Du Xuan said, "It's just that Zhao Hong may not be able to... "..."

"It doesn't matter, I'm like this anyway, it doesn't matter if I want an agent or not." Ruan Yan closed her eyes and turned away.

Leave this company that I've been with since graduation.

In the future, she is free.

In fact, it's not that she has no money to terminate the contract, it's just that her money can't be exposed. Once exposed, Ji Ziyuan will be suspicious and more interested in her.

What she wanted was Ji Ziyuan's willingness to let go.

Looking at the back of her leaving, Du Xuan sighed deeply.

Ruan Yan is gone, and he is going to support the newcomer again.

Chapter 2612

But how can a newcomer be so easy to become popular? Take Tang Qin as an example, he spent so much money to support him, but Tang Qin's contract is 30% of the company and 70% of Tang Qin.

What's more, he felt that Tang Qin couldn't hold up like Ruan Yan.

Ji Ziyuan was willing to destroy Ruan Yan for Tang Qin, but he didn't think that Ji Ziyuan's move was good. With Ruan Yan's potential, he would definitely earn more than one billion for the company before the contract expires.

...

Ruan Yan held a small meeting in her office after going downstairs.

Zhao Xin and Zhao Hong were the only ones who came. As for the other assistants, makeup artists, and bodyguards who had worked together for so long, they didn't even come when they heard that something happened to Ruan Yan.

"These ungrateful things." Zhao Xin scolded, "It's a loss that you are so good to them. In addition to the company's basic salary, you usually give them bonuses."

"It doesn't matter, they were originally given to me by the company. It was arranged, now that I'm leaving, it's normal to find another way out." Ruan Yan looked at Zhao Hong, "Sister Hong, thank you for taking care of you over the past two years."

"Ruan Ruan." Zhao Hong's eyes were red, "This company it's so chilling, I didn't hear any news before, if I did, I would definitely not..."

"You are also working for others, and the decisions above are not yours to control." Ruan Yan did not resent her.

The more Ruan Yan was like this, the more guilt Zhao Hong felt, "If I hadn't had a mortgage and car loan, I would have left with you if I was younger."

"It's good, my future is uncertain." Ruan Yan hugged her gently, "Goodbye, Xinxin, you also take care."

She took the elevator to the parking lot, and when she was about to get into the car, Zhao Xin came up from behind, "Ruan Ruan, I'll go with you."

Ruan Yan looked at the energetic girl in front of her. Wei Wei was stunned, "You can't do this, stay in Fanyu, follow the path arranged by your sister, and you will be able to walk more smoothly in the future."

"So what? This place is so ruthless and cold-blooded. I don't like it at all. Maybe one day it will be sold for money." Zhao Xin had just left the society and was very disgusted with Fanyu's behavior, "Ruan Ruan, I'll follow you."

Ruan Yan looked complicated, "But my reputation is so bad right now that it's impossible to come back."

"It's not hopeless." Zhao Xin suddenly opened his eyes and said, "You can go to Pei Mochen, you Pei Mochen always knows whether he is being fostered or not. He is a party. Besides, he is engaged now, and his fiancée should have a face. If they come out and say that it is Pei Mochen who you seduced, then it is a big deal for you to go public with Pei Mochen. Mo Chen got a fish and a net, anyway, your reputation is already bad, Pei Mochen is more afraid than you."

Ruan Yan was a little surprised, "What if this offends the Pei family?"

"You still have Jiang Qingxin and Lin Fanyue. Two friends, let them support you."

" ... "

Ruan Yan's eyes flashed with deep admiration. Before, she only thought that Zhao Xin was a little clever, but she didn't expect that the public relations were not bad, as expected of Zhao Xin The person who Hongshou has taught.

"Zhao Xin, don't you regret it?"

"Don't regret it," Zhao Xin walked up to her, with a look of unwillingness on her young face, "Ruan Ruan, I am twenty-two years old this year, I am willing to fight and lose, It doesn't matter, at least I have no regrets, and I am worthy of my conscience."

"Thank you."

Ruan Yan was very moved.

Twenty-two-year-old girls have just come out of society and have ambitions, but they also have conscience and their own bottom lines.

This is good.

She will not let Zhao Xin regret today's choice.

In time, what Du Xuan has, she will also give it to Zhao Xin, she believes that she can give it.
