

An Understated Dominance

Chapter 2458

At this moment, outside the restaurant, on the bustling street, Father Adam strolled leisurely, admiring the beautiful night view by himself, like a traveler on vacation.

George Bross followed behind him like a bodyguard, always silent.

As for Bill Wolf, he looked unwilling.

Not only did he not pick up the beautiful girl, but he was also beaten up.

It was really a great shame.

If Father Adam hadn't stopped him just now, he would have revealed his true identity and fought with Fenley.

"Father, I don't understand. He is just a Dragonmarsh warrior. Should we be so scared?" Bill Wolf, who was full of anger, finally couldn't help but speak.

"The young master of the Celestial Alliance, the fifth master of the Dragonmarsh Legendary list, is not so easy to deal with. Our mission has not been completed yet, and it is not appropriate to make trouble now," Father Adam said lightly.

"What does the fifth place in the Legendary list mean? If I had transformed just now, I would have eaten him!" Bill Wolf said hatefully.

Powerful vampires usually have three forms.

Bill Wolf had just used the second form, so he suffered a loss.

Once he used the third form, his strength would double, and he would definitely be able to kill Fenley and relieve his hatred.

Father Adam said calmly, "If you transform, you will be weak for several days, and then you won't be able to compete. Besides, even if you really transform, you may not be able to achieve anything. You didn't use your full strength, and Fenley might also have a killer move. If you really want to fight to the death, you may not be able to defeat him."

Bill Wolf said indignantly, "Even if we can't kill him alone, don't we still have Mr. Bross? As long as Mr. Bross is willing to take action, the two of us can definitely tear him apart!"

"I don't need you; I can do it alone," George Bross suddenly said.

Bill Wolf's eyes twitched, looking at George Bross beside him, he resisted the urge to curse.

If he couldn't beat him, he would have to take it out on this guy.

"You two don't really think that Fenley was the only one just now, right?" Father Adam stopped suddenly. Bill Wolf, who was walking with his head down, accidentally bumped into Father Adam's back and was bounced back two steps.

"What, was there another expert just now?" Bill Wolf was startled.

"Didn't you notice the young man sitting at the same table with Fenley?" Father Adam asked.

Bill Wolf thought for a moment and said, "The man sitting at the same table? That man looked very ordinary, as if there was nothing unusual about him. He didn't dare to say anything when we provoked him just now. He is obviously a softie."

"Heh..." Father Adam turned his head and smiled coldly, "Mr. Wolf, I don't think he is a vampire, but more like a werewolf."

"Huh? What do you mean?" Bill Wolf was puzzled.

"Simple-minded and strong limbs," Father Adam spoke mercilessly.

Bill Wolf's eyes twitched, and he was choked and speechless.

In the Western world, the strong are respected, and if you can't beat them, you can only endure it.

"To tell you the truth, that man is no less powerful than Fenley, and he has always given me a very threatening feeling," Father Adam's smile faded, and he said meaningfully, "If you had faced that man just now, you might have been a corpse by now."
