## Chapter 4426

At this moment, everyone's faces looked even uglier!

Lin Keting's body was also trembling slightly, and she unconsciously leaned towards David's body!

David stretched out his hand to hold Lin Keting's waist, and Lin Keting did not struggle!

At this time, someone needs comfort the most.

Ji Yun, who was standing next to him, saw this scene and couldn't help but laugh secretly.

And Zhu Qingxiu just rolled his eyes and turned his head to the side.

"There is danger..."

At this time, the Red Cloud Demon Lord in David's sea of consciousness suddenly reminded David.

Before David could react, he saw that the huge ball of light suddenly trembled, and everyone felt dizzy.

At this time, the Thunder Beast's face also changed drastically, and he hurriedly reminded: "Hold steady, I'm going to speed up..."

The Thunder Beast controlled the ball of light and fell down quickly.

There was a burst of fire around the ball of light, accompanied by a crackling sound, and there were cracks on the ball of light.

Everyone's face changed drastically.

If they hadn't been protected by this light ball, they would have been crushed to pieces if they fell down.

At this time, many people regretted it and might as well not come down.

Not only could they save the spirit stones, but they could also save their lives.

But at this time, it was too late to say anything!

Suddenly, everyone saw a huge palm in the darkness, gently slapping the light ball!

Boom!

The light ball shattered instantly!

The thunder beast spurted out a mouthful of blood, and its body fell straight down.

Others also fell one after another, and their bodies fell down uncontrollably!

Lin Keting was still being held by David, holding the jade pendant tightly in her hand, with a flash of determination in her eyes!

But just when Lin Keting was about to activate the life-saving jade pendant, a terrifying force swept over, and everyone was swept away by this force like leaves. Everyone felt their heads sink, and then fell into darkness...

I don't know how long it took, David slowly opened his eyes and woke up from his coma!

The first thing David saw when he opened his eyes was Lin Keting's delicate face!

The two of them were still hugging each other, very close to each other, and they would probably kiss if they moved a little.

David looked at Lin Keting like that, licked his lips gently, and a nameless anger kept rising in his heart!

But at this time, Lin Keting suddenly opened her eyes, and the two looked at each other closely!

Lin Keting blushed, and David was also embarrassed!

"You...you get up quickly, you hit me..."

Lin Keting whispered!

"Oh, sorry..."

David hurriedly got up, and then pulled Lin Keting up!

They looked around and found that there were no other people, and under their feet, countless dry bones, some of which had turned into powder.

“Where are the others? Why are there no other people’s shadows?”

Lin Keting asked.

“I don’t know either, I guess it fell somewhere else, let’s look for it...”

David said!

“Ah...”

But as soon as she took a step, Lin Keting suddenly screamed!

“Miss Lin, what’s wrong with you?”

David hurried over and asked!

“My leg seems to be injured...” Lin Keting frowned!

“What should I do? I hold you and walk?”

David looked at Lin Keting’s legs and said helplessly!

If his cultivation had not been sealed, David could help Lin Keting heal. This little injury would not be a big deal!

But now they are all ordinary people, so David can’t do anything!

Lin Keting shook her head: “Don’t hug me, I’m afraid you will hit me with the stick...”

Lin Keting’s words made David blush immediately!

“Miss Lin, I’m sorry, I... I didn’t mean it.”

“In that case, I can carry you on my back, so I won’t hit you!”

David said, squatting in front of Lin Keting!

“That’s okay!” Lin Keting lay on David’s back and let David carry her on his back!

Although his strength was sealed, David still had no trouble carrying a woman.

## Chapter 4427

David carried Lin Keting on his back, and the fragrance of her body kept coming into David's nose. At the same time, the soft feeling from her back made David a little distracted.

Lin Keting lay on David's back, with a slight smile on her lips, and gently pressed her palm on David's neck.

In an instant, a dark red Ting character appeared on David's neck.

"Miss Lin, what are you doing?"

David asked in surprise.

"Oh, nothing. I'm fine now, put me down!"

Lin Keting smiled secretly.

"You..." Chen

Ping was speechless for a while, but still put Lin Keting down.

Lin Keting smiled at David, and then walked forward happily.

David was confused, not understanding why Lin Keting was laughing, and that smile was a little weird.

Thinking of Lin Keting suddenly pressing his neck just now, David hurriedly touched it with his hand, but found nothing.

"What on earth is this guy doing?"

David was speechless for a while, but he still followed!

The bones were all over the ground, and they made a creaking sound when stepped on, but Lin Keting didn't seem to be afraid!

Just after the two walked for a distance, they found that there were still no other people, and they didn't know where the others had landed!

However, right in front of them, a house appeared. This house was not made of bricks and stones, but more like it was built in the void.

Because the house was looming, and with the twisting of the void, the house also twisted and deformed back and forth.

“Are we under an illusion?”

Seeing the house that suddenly appeared, Lin Keting frowned.

“Impossible, if I was under an illusion, I would be able to detect it at the first time.”

David shook his head.

Although his strength was suppressed, David’s sea of consciousness was invincible!

To be trapped in an illusion, one must control the other party’s sea of consciousness silently.

However, David’s sea of consciousness was guarded by a great demon like the Red Cloud Demon Lord, not to mention the Daluo Golden Classic. What kind of illusion could control David’s sea of consciousness?

“What’s the matter with that house? It looks so illusory?”

Lin Keting asked in confusion.

“Do you remember that the thunder beast said that the demon cultivator left a trace of residual soul. It is estimated that this house is where the residual soul of the demon cultivator lives.”

“Since the demon cultivator is only a trace of residual soul, it is not impossible to build a house in the void.”

“Let’s go and take a look...”

David said, and walked towards the house curiously.

Lin Keting followed behind David, and her body unconsciously approached David, almost hugging David directly.

I don’t know why, she leaned against David and felt a sense of security.

Although I have known David for a short time, the sense of security that this man gives me cannot be replaced by others.

When the two came to the illusory house, the door of the house slowly opened.

At this moment, both David and Lin Keting felt a little strange! However,

since they were already here, David still went in with his head held high, followed by Lin Keting!

Both of them were suppressed in strength, but they dared to go in, which was indeed a bit courageous.

But just after they walked in, the door behind them suddenly closed, and then the scene in front of the two changed! What

appeared in front of the two was a hall, which was extremely majestic and obviously different from the small house they had just seen!

On both sides of the hall, more than a dozen stone beasts with strange shapes were neatly arranged, and flames burned in the mouth of each stone beast, illuminating the hall.

In the middle of the hall, a man with disheveled hair sat upright with his back to David and the others.

## Chapter 4428

David looked over and couldn't tell whether the man was a remnant soul or a physical body. Now David couldn't send out his spiritual sense to investigate.

"Senior, we have no intention of offending you. Please forgive us."

David said to the man with a fist.

No matter who the other party is, you should always be polite first. As the saying goes, don't hit a smiling person.

David knew that he had no strength now, so he could only lower his posture. Now was not the time to pretend.

The man slowly turned around and looked at David with his deep eyes.

David looked directly into the other person's eyes without fear. He was sure that the other person was a remnant soul.

"No offense?" The man slowly stood up: "You obviously came here, and you said you had no intention of offending me."

Only then could David see the man's full appearance. He was wearing a black robe covering his whole body. As the man stood up, a cold and murderous aura came to his face. Looking

at the man's residual soul, David wanted to curse, what are you pretending to be?

If David's strength had not been suppressed, he would have started to curse at this moment.

But now, people have to bow their heads under the eaves, so they can only pretend to be cowardly.

"Senior, we are just curious, so we came here, and there is absolutely no other meaning."

David tried his best to explain.

If this guy makes a move, David doesn't know if he can deal with it, so it's better not to provoke him.

"Yes, we are just curious. If you don't like it, we will leave now!"

Seeing this, Lin Keting hurriedly pulled David and planned to leave!

"Want to leave?"

The man said: "You can't leave here without my permission."

"To be honest, I manipulated you two to come here, otherwise how could other people not see this hall."

"I don't know why the senior deliberately led us here?" David had a bad premonition in his heart at this moment.

He felt that the residual soul of the demon cultivator was about to take over another body. Although his strength would drop significantly after taking over another body, it was better than being a residual soul trapped here all the time.

If that was the case, this guy must want to take over his body.

"It's nothing. I've been here for thousands of years, but I'm trapped here with my cultivation. I'm a little unwilling."

"So I need to borrow your body to leave this broken place and enjoy the outside world."

The man said without hesitation!

When Lin Keting heard this, her face suddenly became very ugly!

David also frowned: “Senior, I didn’t understand what you said. Do you want us to take you away?”

David was still pretending to be stupid.

“It’s okay if you don’t understand. You’ll know in a while.” The man laughed, and his laugh was very sinister.

Lin Keting’s face was full of fear. She looked at David and said, “Are you stupid? He wants to take over your body. He wants to occupy your body. Then you will be completely finished.”

David glanced at Lin Keting, his face full of helplessness. How could he not know? He just pretended not to know.

If this guy just took over the body, David would be eager for him to take over the body!

As long as he dared to enter his sea of consciousness, he would no longer have to worry about everything. The Red Cloud Demon Lord would beat the shit out of this guy.

Even if the Red Cloud Demon Lord was not an opponent, the Daluo Jindian in his sea of consciousness was not a vegetarian.

“This little girl is not bad, and her brain is quite smart.”

The man looked at Lin Keting and nodded with satisfaction!

“You took over his body, and why did you bring me here?” Lin Keting looked at the man in confusion.

“I have been here for thousands of years. I haven’t tasted the taste of a woman for a long time. After I take over the body, there must be a woman to satisfy me.”

The man looked at Lin Keting with a lustful look!

When Lin Keting heard this, her face suddenly turned red, and then anger burst out of her eyes!

## Chapter 4429

“Damn it, you are just a little remnant soul, and you dare to have improper thoughts about me. Today I will beat you to death.”

Lin Keting was angry!

“Hahaha, your strength is suppressed, but you still dare to speak so arrogantly.”

The man laughed. He was not afraid at all. Although he was a remnant soul, his strength was reduced by only one tenth!

But it was still easy to deal with David and other ordinary people whose strength was suppressed!

“Go to hell...”

Lin Keting suddenly opened her mouth and her palm, and the runes in her palm flashed with light.

Then a golden light shot out towards the man! The

man was startled and retreated rapidly. The stone beasts on both sides of the hall suddenly began to rotate!

The golden light hit the stone beast and reflected among many stone beasts, and the power gradually disappeared!

Seeing that the attack missed, Lin Keting’s face became extremely ugly!

Because she knew that she only had this one chance.

The man’s figure returned to David and the others, and then stared at Lin Keting, his eyes full of anger.

“You little girl, who are you to that old Taoist? How did he draw the rune for you?”

“No matter who you are to him, I am in this situation today because of that stinky old Taoist, and I just want to vent my anger on you.”

After the man finished speaking, he waved his hand lightly!

A force directly lifted Lin Keting up. Lin Keting felt that she had difficulty breathing and was afraid that she was going to die.

Lin Keting desperately grabbed the jade pendant. When she wanted to break the life-saving jade pendant into pieces, a sword light suddenly attacked!

“Let her go...”

David held the Dragon Slashing Sword and slashed at the man with a sword!

The terrifying sword intent surprised the man and he let go of Lin Keting directly!

David himself didn't know how he slashed the sword intent with this sword!

"Boy, your strength is suppressed, but you still have such power. It seems that your body is really strong. It seems that my choice is right."

"If the body is not strong enough, it can't withstand my possession. You can be possessed by me. It is your blessing for a hundred years of cultivation."

After the man finished speaking, he went straight to David!

This time, David did not use the Dragon Slaying Sword, but punched the man!

"Holy Light Fist..."

David shouted, even the strength of the body made David shoot out thousands of golden lights!

The man frowned slightly, and his figure suddenly disappeared.

The light dissipated, and there was no man in the hall.

But just when David was a little confused, a sudden force came, and David's body flew backwards in an instant!

Bang bang bang...

David's body smashed several stone beasts and fell heavily on the ground!

As soon as he stopped, David began to spit blood, obviously seriously injured!

"David..." Seeing this, Lin Keting hurried over and looked at David nervously!

David looked at Lin Keting and was speechless. If it weren't for this woman, David might have pretended to be stupid and let the man enter his sea of consciousness without any precautions and take over his body!

"You kid, you actually know the boxing of the heaven. If I'm not mistaken, your punch should be the Fengmo's unique skills."

"I really didn't expect that after thousands of years, the Fengmo's unique skills can still appear in a little cultivator like you."

"When I take over your body, I will greatly improve your strength."

The man's figure slowly appeared in the air in the hall, looking down at David and Lin Keting!

"I won't let you take over his body..."

Lin Keting stood in front of David, holding a life-saving jade pendant in her hand!

Seeing this, David was speechless for a while, and hurriedly said: "Miss Lin, leave quickly, don't worry about me."

"No, I can't abandon you."

Lin Keting shook her head!

## Chapter 4430

David was getting anxious. If he didn't let this guy take over his body and enter his sea of consciousness, he wouldn't be able to hold on!

Two more hits and he'd be dead!

"Little girl, don't worry. When I take over his body, I'll naturally find you. I want to see what your relationship with that old Taoist is." After

the man finished speaking, he gently grabbed with his palm. Lin Keting felt that her body was bound and couldn't move at all!

Even if there was a life-saving jade pendant, there was no way to use it!

"If you take over my body, I won't give you this chance. I'd rather die than let you take over my body."

David said, and he actually stood up and suddenly crashed into the stone beast beside him.

He was going to crash himself to death!

The man was suddenly a little panicked, and his body turned into a wisp of black mist and rushed towards David!

David did this on purpose. He didn't really want to commit suicide, but to force the man to enter his sea of consciousness quickly!

If a pervert like the Red Cloud Demon Lord was discovered in his sea of consciousness, then the man would definitely not seize the body again!

What David wanted was not to give the man time to think!

Whoosh!

The black mist instantly entered David's body and rushed straight into David's sea of consciousness!

David stopped and showed a smug smile on his face!

Seeing David's smile, Lin Keting felt her scalp tingling!

"Hahaha, I'm about to be free, free..."

The man who entered David's sea of consciousness laughed crazily!

He had been here for thousands of years and was going crazy. Now that he had seized the body, he could leave freely.

"I am not free, so how can you be free..."

The voice of the Red Cloud Demon Lord rang out!

"Who? Who are you?" The man was shocked. He didn't expect that there was still a residual soul in David's sea of consciousness!

The figure of the Red Cloud Demon Lord slowly appeared, and then looked at the man with disdain!

"You..."

The

man looked at the Demon Lord Chiyun, his pupils kept dilating: "Are you the Demon Lord? Have you already taken over this body?"

"Please forgive me, senior. I really didn't know that the Demon Lord had already taken over this body. Otherwise, I wouldn't dare to do it even if I had a hundred courages."

"I'm leaving now. I dare not compete with you..."

The man knelt on the ground in fear, trembling all over and said to the Demon Lord Chiyun!

“Leave? Since you’ve come in, can you still leave?”

The Demon Lord Chiyun smiled coldly: “I don’t have the ability to take over this body. I’m just staying here temporarily. To put it bluntly, I’m just a tenant, and he’s the landlord.”

“If one day, he doesn’t let me stay here, I’m afraid I’ll be dead.”

“You’re just a small scattered demon, and you’re still thinking about taking over this body. It’s ridiculous.”

After the Demon Lord Chiyun finished speaking, his figure suddenly disappeared, and then a golden light surged in David’s sea of consciousness!

The Daluo Golden Classic was emitting golden light, and the golden light made the man wail in pain!

He never thought that there would be a residual soul of the Demon Lord in the sea of consciousness of a seventh-grade little cultivator in the Tribulation Realm! He never thought

that there would be such a supreme treasure as the Daluo Golden Classic in David’s sea of consciousness!

The man disappeared in the end, and he still couldn’t figure out why!

David still had a smile on his lips at this time, until the man’s residual soul completely disappeared, David smiled even more brilliantly!

Just a small residual soul, and he still wanted to fight with himself!

When David saw Lin Keting, who was bound and looked scared, he planned to tease her!

“Little beauty, brother hasn’t tasted the taste of a woman for thousands of years. Let me have a good time today...”

David walked towards Lin Keting with a lecherous look!

Lin Keting looked at David like that, and she knew that David must have been possessed!

“Don’t come over, you bad guy...”

Lin Keting was bound and couldn’t move at all, so she could only shout desperately!

“You can yell, but it’s useless even if you yell your throat out. I’m going to let you taste my power!” David said, and rushed towards Lin Keting!
