### Chapter 4431

Lin Keting screamed and could only close her eyes helplessly, tears flowing out!

At this moment, there was a sudden buzzing sound, and Lin Keting's restraints suddenly disappeared.

Even the surrounding halls disappeared!

Looking at David who rushed over, Lin Keting turned and ran, saying as she ran: "If you dare to touch me, my master and my father will not let you go, they will torture you to death."

After that, Lin Keting was about to break the life-saving jade pendant in her hand!

"Don't run, don't run, I haven't been possessed..."

David saw that Lin Keting was scared and cried, and hurriedly said loudly!

Lin Keting was stunned, and then looked at David carefully, holding the jade pendant tightly in her hand, ready to use it at any time!

"You really haven't been possessed?"

Lin Keting questioned!

"Really, that little remnant soul still wants to take over my body, it's too beautiful, I have already destroyed him in the sea of consciousness."

"Didn't you find that the restraints on your body and the hall are gone?"

David said hurriedly!

Lin Keting looked carefully and found that it was indeed the case. Then he glared at David and said, "Okay, you dare to lie to me. If I didn't run just now, would you have killed me..."

Lin Keting was embarrassed to say the following words!

"No, it's just a joke. How could I really do that kind of thing? Am I still a human being?"

“But you said that your father and your master will not let me go, then who are your father and your master?”

“And what about that guy, the old Taoist? Is your father a Taoist priest?”

David wanted to take the opportunity to find out about Lin Keting’s background!

Taoist priests can also get married and have children. David knows that when he was in Leiming Temple, the Taoist priest Buxu of Leiming Temple had a daughter.

So it is entirely possible that Lin Keting’s father is an old Taoist priest!

“Your father is a Taoist priest, and your whole family is Taoist priests. Don’t try to find out my details, I won’t tell you.”

“You big bad guy, you almost took advantage of me just now...” Lin Keting said, and turned away angrily! It

seems that she is really angry, after all, she was scared to death just now! She is ready to be violated. “Ah...” David wanted to catch up, but as soon as he moved, he felt a sharp pain in his body, and then fell to the ground!

He was seriously injured just now, and this moment directly affected the wound! Lin Keting heard David’s scream, just looked back, and then said vigilantly: “Don’t pretend, get up quickly, don’t lie to me!” Puff... David spurted out a mouthful of blood and his face turned pale!

Seeing this, Lin Keting knew that David was not pretending, so she ran over and said in a panic: “How are you?” “I’m afraid I’m going to die.” David said weakly! He had just been injured, and even though his body was strong, he felt like it was falling apart at the moment! “Ah, so serious? Then you should heal yourself quickly. Do you have any elixirs?” Lin Keting asked at a loss! David nodded: “I have medicine, but it’s all in the storage ring.

I can’t take it out at all. Now my strength is sealed, and I can’t heal myself.” Puff! Just after he finished speaking, David spit out another mouthful of blood! Lin Keting was anxious this time, and kept wiping the blood from the corners of David’s mouth, and then asked: “If you can recover your strength now, can you heal yourself?”

“Of course you can, I’m a pharmacist, but there is a seal here, how can I recover my strength.” David sighed lightly, and then said helplessly: “You don’t have to worry about me, go find other people, and then leave here...” “Impossible, I said I won’t abandon you, don’t worry, I have a way to make you recover your strength!” Lin Keting said, as if she had made some important decision, so she walked aside and muttered something in her mouth!

## Chapter 4432

The runes on Lin Keting's palm seemed to be alive, and then floated into the air!

Buzz...

accompanied by a tremor in the void, all the restrictions disappeared instantly!

David also felt that all his strength could be used!

David looked at Lin Keting in disbelief. He really didn't expect that Lin Keting could break the restriction!

"Now you can heal your wounds!" Lin Keting looked at David and said!

"Did you set this restriction? How could this be? Who are you?"

David looked at Lin Keting with vigilant eyes!

"No, no, no, this is not a restriction I set. How can I have that ability?"

"This was set by my master. I just used my master's runes to break the restriction."

Lin Keting waved her hand and explained!

"Your master? Why did he set the restriction? Then what is your purpose in coming here?"

David kept asking!

Lin Keting frowned slightly, and seemed to be a little embarrassed, but she finally spoke up and followed David to talk!

When David finished listening, he was almost angry to death!

It turned out that this battlefield of gods and demons was no longer the original appearance. Lin Keting's master had set up restrictions in this battlefield of gods and demons, and the stone statues and treasures in front, and even the immortal methods, were all arranged in advance!

The purpose was to attract people and then use these things to earn spiritual stones. Lin Keting was not looking for any treasures, but to earn spiritual stones!

No wonder Lin Keting was not interested in anything, and could easily pass through the giant stone illusion array!

This time, Lin Keting really earned a lot of spiritual stones by charging entry fees and auctioning the magic weapons!

However, the thunder beast that suddenly appeared behind, and the residual soul of the demon cultivator, were all unexpected by Lin Keting!

So Lin Keting would think about leaving later, but no one spoke, so she could only bite the bullet and follow!

“You actually deceived people in order to earn spiritual stones, it’s too unethical...”  
Chen

Ping

said helplessly!

“Who is wicked? Those skills and magic weapons are real, they are not fake.”

Lin Keting retorted!

“Is your master a person from heaven?” David took the opportunity to ask!

“If I don’t tell you, don’t want to know. I’m good enough to tell you so much.”

“You should heal your wounds quickly. You are not allowed to tell other people about this matter, otherwise I will ignore you.”

Lin Keting warned David!

At this moment, David became more and more curious about Lin Keting’s identity, but since Lin Keting didn’t say it, David knew that he couldn’t ask any more questions, otherwise he would really annoy her!

“Okay, don’t worry, I won’t tell you, but remember to return the purple gold spirit coins you cheated me of when you go out!”

David said!

“Humph, stingy guy, I will return it to you when the time comes!” Lin Keting rolled his eyes at David!

David stopped talking, but sat cross-legged aside, began to heal his wounds, and took out some pills from the storage ring to take!

He also gave Lin Keting a few pills. Although Lin Keting was not hurt, she was also frightened and needed some elixirs to calm her nerves!

About an hour later, David's injury was almost healed. With his strength restored, this injury was nothing.

Lin Keting looked at David curiously. She was also very confused and curious about David!

A small cultivator of the seventh rank in the realm of tribulation, but he was able to display the sword intent, and his body was still so strong!

The most important thing is that he not only understands the formation, but is also a pharmacist!

He is simply an all-round talent!

Such a serious injury, it's almost healed in just one hour!

"Let's go, let's go find other people. Now that the ban has been lifted, I guess many people will have ideas!"

David stood up and said to Lin Keting!

## Chapter 4433

At the beginning, everyone's strength was suppressed, and they were all ordinary people, so they followed David and Lin Keting!

Now that they have recovered their strength, these people will probably not listen to them obediently!

If they find treasures, it is obviously not appropriate to use the auction method!

There will definitely be a fight for it!

It seems that Lin Keting's master has long seen through human nature, so he set up this ban! Just

when David followed Lin Keting to find other people, suddenly more than a dozen auras came towards this side.

In the blink of an eye, Ji Yun and the others came, and everyone's face was excited!

"Mr. Chen, we have recovered, we have all recovered..."

Ji Yun said to David!

"I already know, I have recovered too." David smiled slightly, and secretly glanced at Lin Keting!

Lin Keting turned her face to the side, not daring to look at everyone!

"Now, we can search this battlefield of gods and demons. With strength, we will not be afraid anymore."

The old man among the cultivators said!

"Yes, we have all recovered our strength, so we are not afraid of anything, but we have spent a lot of spirit stones along the way."

A bearded cultivator said, and glanced at Lin Keting!

The meaning is very clear. Now that they have recovered their strength, they want to get the spirit stones back.

Seeing this, the other cultivators also looked at Lin Keting, and hostility began to appear in their eyes!

When they were suppressed at the beginning, they were obedient one by one, but now that they have just recovered their strength, they are about to change their faces.

This is human nature!

In the world of heaven and man, strength is respected!

Lin Keting also noticed the eyes of the crowd, but she didn't care. Instead, she glanced at everyone coldly and said, "I take your spirit stones as the price of bringing you in."

"As for those magic weapons, everyone has been allocated spirit stones, and I didn't take them myself."

"If any of you dare to disobey, you can come to me to ask for the spirit stones back, but before you ask for the spirit stones back, ask my sword if it agrees." After

Lin Keting finished speaking, a trace of heat began to appear in the void in front of her, and then a sword appeared out of thin air, and there was a blue fire on the sword!

When the sword appeared, everyone felt their breath stagnate, and the terrifying pressure made everyone want to retreat!

Everyone looked at the sword in front of them with some horror. They knew that the power of this sword alone was probably too much for many people to bear!

“Daoyou, we are willing to hand over the spirit stones. No one will ask you to return the spirit stones. Why are you angry?”

“Although we have recovered our strength, this battlefield of gods and demons is full of dangers. We will have to help each other later.”

Among the monks, the old man hurriedly stood up and said good things to Lin Keting!

“Yes, yes, yes, that’s not what I meant just now, fellow Daoist, please don’t misunderstand.”

The bearded monk also hurriedly apologized.

Originally, they thought that Lin Keting was a woman, and there were no guards around her, so they could easily control her, but they didn’t expect that Lin Keting’s strength should not be underestimated.

Especially the sword that appeared, the power was even more amazing, who would dare to mention the matter of spiritual stones at this time.

“Miss Lin, put away the sword, I’m afraid someone will be scared to death later.”

David also persuaded Lin Keting!

But David also looked down on these monks who took advantage of the situation, so he said so!

When Lin Keting heard it, she couldn’t help laughing, and then put away the sword!

Seeing Lin Keting put away the sword, many monks all breathed a sigh of relief!

“Fellow Daoist, thank you for your help along the way, we will say goodbye here...”

The old man clasped his fists and led his men away!

Now that the strength has been restored, there is no need to follow David and the others. Isn’t it better to find treasures by yourself!

## Chapter 4434

Seeing this, the other cultivators also left.

If they could find the treasure, it would be theirs, and they wouldn't have to auction it with spirit stones!

In the blink of an eye, many cultivators dispersed, leaving only David, Lin Keting, Ji Yun and Zhu Qingxiu!

And the one-legged thunder beast!

The thunder beast would not leave, because he wanted to follow David!

"Shall we continue walking, or go back?" Chen

Ping asked Lin Keting!

After all, coming to this battlefield of gods and demons is a game. Now that there are no conditions for setting up a game, there is probably nothing to gain from turning around!

"Why turn around? There is nothing in this battlefield of gods and demons. It's a waste of time!"

Lin Keting said, and turned around and walked back!

Seeing this, David followed behind with Ji Yun and Zhu Qingxiu!

Everyone was a little frustrated. After all, they came here to find treasures, but now it's all in vain!

"Everyone, don't go. Who said there are no treasures in this battlefield of gods and demons? If you keep going forward, you will see the boundary of the battlefield of gods and demons. There is a pagoda there. I don't know what it suppresses."

The Thunder Beast hurriedly called David and the others!

David and Lin Keting stopped when they heard it!

"Are you telling the truth?" David asked excitedly!

"Of course it's true. How dare I lie to you? If I lie to you, your two beasts will eat me."

The Thunder Beast promised!

David looked at Lin Keting. He wanted to see what Lin Keting thought!

“Let’s go and take a look. No one told me there was a tower here.”

Lin Keting was very curious!

This time, she originally thought she could be familiar with the road. After all, her master had walked here once, and even the ban was set by her master.

But now she found that there are still many unknown areas in the battlefield of gods and demons!

Because everyone has recovered their strength, the speed of travel is many times faster!

Soon everyone arrived at the barrier of the battlefield of gods and demons. They could clearly see the barrier in the void. If they went forward, there would be no way to penetrate the barrier!

“Where is the tower you mentioned?”

Lin Keting looked around, but didn’t find the tower that the Thunder Beast said!

“It’s right in front...”

said the Thunder Beast!

“You’re talking nonsense, where is it? Why can’t I see it?”

Lin Keting frowned, she thought the Thunder Beast was deceiving herself!

“I can’t see it either!”

“I can’t see it either!”

Ji Yun and Zhu Qingxiu also shook their heads and said they didn’t see it!

“I saw it!” David said!

At this moment, everyone looked at David in confusion, especially the Thunder Beast, whose face was full of disbelief!

“Daoyou, you...you can see the pagoda?”

The Thunder Beast asked in surprise!

“What do you mean? Are you lying to us, there is no pagoda?” Lin Keting saw that the Thunder Beast’s tone was wrong, so she asked!

“No, no, no, I didn’t lie to you, it’s just that the pagoda is blocked by the barrier, and you can’t see it without opening the barrier.”

The Thunder Beast hurriedly explained!

There is still a barrier now, but David can see the pagoda, so he feels strange!

“The barrier can’t block my eyes!” David smiled slightly and continued to move forward!

David has the Heavenly Eye, how could a small barrier block his eyes!

When David opens the Heavenly Eye, everything that everyone can’t see will be seen by David.

This is the unique skill of the Red Cloud Demon Lord, it’s awesome!

After walking forward for a distance, the thunder beast jumped forward, then muttered something, and slowly pressed one hand on the ground!

In an instant, everyone felt a light in front of their eyes, and then a towering pagoda appeared!

The pagoda was so high that it was impossible to tell how many floors it had, but there were four stone lions placed in the four corners of the pagoda.

The four stone lions had ferocious expressions, and their bodies were covered with all kinds of runes!

## Chapter 4435

Seeing this scene, David frowned instantly!

The expressions of others also became solemn. It was obvious that this pagoda was not like a treasure, but more like an object to suppress evil spirits!

Especially when David saw the runes on the four stone lions, he couldn’t help but tremble. Even the Daluo Golden Classic in his sea of consciousness trembled slightly!

David was shocked. He didn't understand why the Daluo Golden Classic in his sea of consciousness suddenly trembled?

You must know that this Daluo Golden Classic has always been in the sea of consciousness and has never moved. Unless a residual soul invades the sea of consciousness and wants to take over the body, the Daluo Golden Classic will be activated!

David carefully observed the runes, but found that he didn't recognize them at all.

"This is the Tianzun rune. It seems that the object suppressed by this pagoda is not simple."

The Red Cloud Demon Lord said!

"What is the Tianzun Rune? Is Tianzun more powerful than you?" Chen

Ping asked curiously!

Unexpectedly, the Red Cloud Demon Lord rolled his eyes at him and said, "Don't ask such stupid questions in the future. Comparing me with Tianzun, people don't even look at me."

"I advise you not to think about this tower anymore. Leave as soon as possible!"

"You really aroused my interest." David was more interested in this tower after hearing it!

"David, there may be a strong existence in this tower."

Lin Keting's face was very solemn. She held the life-saving jade pendant in her hand, and at this time the jade pendant was slowly emitting light.

This is when encountering extremely dangerous things, the jade pendant will emit light on its own!

When Lin Keting was tied up and couldn't move, the jade pendant didn't emit light on its own, which shows that the current situation is more dangerous than it was then.

David's face was gloomy, and his brows were furrowed. Could there really be something terrifying in this tower?

This was just a small world of heaven and man. Could it be that there were powerful figures in this world of heaven and man who participated in the war between gods and demons?

David was a little entangled, but his curiosity was even stronger!

Curiosity kills the cat...

The other people at the scene also had solemn and alert faces!

“Thunder Beast, what do you think is in this tower? What is your intention in leading us here?”

Lin Keting suddenly looked at the Thunder Beast and asked!

Since this Thunder Beast knew that there was a pagoda here and that there was a barrier, it proved that he must have been here, and maybe he knew something!

“Daoyou, it’s unfair. I really don’t know what’s in this pagoda. I admit that I have been here, but I have never been close to it.”

“I haven’t been in either. With my current strength, I dare not go in...”

The Thunder Beast hurriedly explained!

“He hasn’t been in!” David said!

He knew that with the strength of the Thunder Beast, he would definitely not dare to go in. The four stone lions around him probably scared away many monks!

“What should we do? Should we leave or go in?”

Lin Keting asked!

David was also in a dilemma at this moment!

Go in, but I’m afraid of danger!

Don’t go in, and I’m very curious!

After hesitating for a long time, David looked at Ji Yun and Zhu Qingxiu and said, “I’ll go in by myself. You wait for me outside. If there is anything wrong, run away immediately!”

David didn’t want Ji Yun and the others to follow him in and take risks. After all, no one knew what was going on inside!

“Mr. Chen, I can’t let you take risks alone. I want to go with you!”

Ji Yun said with a firm look!

“I want to go too. The worst that can happen is death!” Zhu Qingxiu also wanted to follow!

“I’ll follow too. Don’t forget that I’m stronger than you here.”

Lin Keting also wanted to follow!

At this time, everyone looked at the thunder beast!

“Don’t look at me. I brought you here. Of course I have to go in. Otherwise, I would have come in vain!”

The thunder beast hurriedly expressed its position!
