

A Man Like None Other Novel

Full Read Online **Chapter 4456** of the novel **A Man Like None Other**

Chapter 4456

David also bowed deeply. No matter what the old Taoist was like, he was the only one who could save David and the others!

At this moment, the hunchbacked old man stared at the Wuji Taoist: "Wuji Taoist, I am from the Demon Sealing League..."

The Wuji Taoist interrupted directly and said: "I don't care what Demon Sealing League you are. Those who dare to bully my disciples will be killed without mercy, especially those from the Demon Sealing League..."

After that, the Wuji Taoist punched out!

With this punch, the overwhelming aura went towards the hunchbacked old man!

In just a moment, the hunchbacked old man was directly knocked out, and Tianluo and Tiansha fell to the ground with serious injuries, and they couldn't stand up!

The fourth level of the Mahayana realm was crushed by a phantom like this!

David was stunned. He couldn't imagine how powerful this Wuji Taoist was! Who

is this Wuji Taoist? How could he have such terrifying strength?

Does he belong to the North Region or the East Region?

Just when David was imagining the identity of the Wuji Taoist, the hunchbacked old man stopped and his face became extremely ugly!

He was even more shocked. He didn't expect that the strength of this Wuji Taoist was so terrifying!

Although he had heard of the reputation of Wuji Taoist in the past, he had never fought against him. After today's battle, he knew the strength of the other party!

A phantom came over and beat him to the ground! With

this kind of strength gap, as long as you are not a fool, you will know what to do next!

The hunchbacked old man grabbed Tianluo and Tiansha with both hands, turned around and ran!

If you don't run at this time, are you going to stay and wait for death?

"Damn, you still want to run..." Seeing this, Lin Keting was about to chase him!

But he was stopped by Taoist Wuji: "Don't chase a desperate enemy. I was just trying to scare them. I'm just a shadow and I can't last long."

As soon as Taoist Wuji finished speaking, his figure disappeared!

Just as the figure of Wuji Taoist disappeared, dozens of terrifying auras came out of the void!

This time, David was shocked. How come three just ran away, and dozens more came? If they are still from the Demon Sealing League, then it will be troublesome!

"Don't be nervous, they are looking for me..."

Lin Keting said to David!

Soon, dozens of people appeared, all wearing white robes and holding long swords. They looked more powerful than the sword-wielding monks that Lin Keting brought at the beginning!

These people are also monks in the Tribulation Realm. The middle-aged man in the lead is in the Mahayana Realm. The man has a strong aura. David can see at a glance that this man is definitely practicing a superior technique!

"Your Highness, His Majesty asked us to escort you back to the Imperial City. His Majesty is very angry that you went out privately this time."

The middle-aged man walked in front of Lin Keting, knelt on one knee and said!

"My master let me out. I didn't come out secretly. My master definitely didn't tell my father. I will settle accounts with him when I go back."

When Lin Keting heard this, she pouted and said angrily!

"Princess, you should go back and explain to His Majesty!" The middle-aged man said, and was about to take Lin Keting away!

"Wait a minute, I'll say a few words!" Lin Keting waved her hand and said!

David was already confused at the moment. He didn't expect that Lin Keting was actually a princess!

No wonder she looks so awesome, there is an imperial city behind her feelings!

However, David didn't know which imperial city Lin Keting belonged to!

It seems that there is no imperial city in the entire East Region?

"Princess, I hope you can hurry up!" The middle-aged man said, and stepped aside!

Lin Keting looked at David, smiled slightly and said, "David, I'll leave soon. Don't you have anything to say to me?"

"What?" David asked confusedly!

Chapter 4457

"I saved your life. Don't you have anything to say to me?"

"Besides, you are my man now. Your woman is leaving you. You have nothing to say."

Lin Keting stared at David and asked!

"Which imperial city are you from?" David asked!

"That's all you tell me?" Lin Keting pouted and said, "I won't tell you my identity. My father won't let me tell anyone."

"I'm your man. Can't you tell me?"

David said speechlessly!

"No, we are not husband and wife yet. How can you be my man?"

"If you really want to be my man, then go and propose to my father. It will only count if my father nods."

After Lin Keting finished speaking, she turned around and was about to leave!

"Where can I find you? I don't even know where you are."

David asked anxiously!

“I’ll tell you later!” Lin Keting said, and left with the guards!

The left blind elder and the right blind elder looked at David with some doubts in their eyes!

“Boy, you only have this ability, and you still want to be our eldest lady’s man, don’t dream.”

“I’m afraid you won’t have the chance to see our eldest lady in the future, so just treat today’s things as a dream!” After

the left blind elder finished speaking, he turned and disappeared into the void!

The right blind elder also smiled coldly, with disdain in his laughter, and disappeared!

Until Lin Keting and the others disappeared, David didn’t know which imperial city Lin Keting was the princess of!

Who are these people?

It’s too mysterious!

“Let’s go, they’re all gone...”

Zhu Qingxiu saw David still looking at him stupidly, so he said with some dissatisfaction!

“Let’s go...” David was a little embarrassed!

He had accompanied Zhu Qingxiu to find the divine muscle grass, but was delayed by the sudden appearance of the battlefield of gods and demons!

David and his companions returned to Gelu Mountain and began to look for the Shenji Grass!

Zhu Qingxiu searched very seriously, because only the Shenji Grass could restore her appearance!

“Let’s search separately. This Gelu Mountain is so huge that it’s not a good idea to search like this.”

“I’ll give you a sound transmission jade slip. If anyone finds it, please contact me immediately.”

David knew that if they searched like this, they would never find the Shenji Grass!

Only by searching separately can the chance be greater!

Fortunately, the strength of the cultivators in the East Region is generally not very strong, so there is no need to worry too much!

“Okay!” Ji Yun and Zhu Qingxiu all nodded!

After giving the two people the sound transmission jade slip, the three of them searched for the Shenji Grass separately!

“David, David...”

Just when David was concentrating on finding the Shenji Grass, Lin Keting’s voice suddenly rang in his ears!

David was startled and hurriedly looked back, but he didn’t find Lin Keting at all!

But he clearly heard Lin Keting’s voice?

“Miss Lin, where are you?” David asked in surprise!

“I’m on my way home...” Lin Keting said!

David was even more confused. He didn’t understand how he heard Lin Keting’s voice.

There was no sound transmission jade slip between them?

“How can you send me a sound transmission on your way home?”

David asked!

“I won’t tell you!” Lin Keting said with a smile!

At this moment, behind David’s neck, a faint word “Lin” was flashing!

This was the mark that Lin Keting left on David during the battlefield of gods and demons!

There was no harm to David’s body, it was just used for contact!

Lin Keting knew that she and David would separate sooner or later, so she could contact them at any time using this method, and Lin Keting could also know where David was at any time!

However, David himself did not notice it!

Chapter 4458

“Forget it if you don’t tell me. I don’t have time to chat with you now!”

David didn’t plan to continue chatting with Lin Ke Ting. This guy was too mysterious!

“No, I...”

“Miss, the imperial city will be here soon...”The

voice of the right blind elder rang in David’s ears, and then the voice was disconnected!

“Miss Lin, Miss Lin...”

David shouted twice, but Lin Ke Ting did not respond!

“It’s really strange...” David frowned slightly. He really didn’t understand how Lin Ke Ting contacted him!

“Boy, the background of that little girl is not simple. She has left a contract mark on you a long time ago. You are already hers.”

“She can know your movements anytime and anywhere, and can also contact you!”

The Red Cloud Demon Lord spoke at this time!

“Contract mark? When did it happen? How come I don’t know about it?”

David was confused. Why didn’t he remember that Lin Keting left a mark on him?

“When you were carrying her on your back, she secretly left it on your body.”

said the Red Cloud Demon Lord!

When David heard this, he recalled that when he was carrying Lin Keting on his back in the battlefield of gods and demons, it was indeed a bit suspicious!

He had only carried her for a while, and Lin Keting said that she was fine, and then she didn’t need to carry her anymore!

It seemed that this little girl had planned it all along.

“Where is the mark? I want to erase it.” David was looking for the mark. He didn’t want to be monitored by Lin Keting wherever he went.

“Don’t look for it. You can’t erase it even if you find it. Accept your fate. You will never be able to escape from the palm of that little girl’s hand in the future.”

The Red Cloud Demon Lord said gloatingly.

David was speechless and could only sigh, but soon he remembered that he had just called out to the Red Cloud Demon Lord but there was no response, so he immediately questioned: “Senior, we were in danger just now. No matter how I called you, you ignored me? Are you scared too?”

“I’m afraid of nothing. In this world of heaven and man, there is no one I’m afraid of.”

“I just don’t want to give you the chance to be a hero and save the beauty.”

“You are a born romantic. So many women have paid for you. I have practiced for tens of thousands of years and have never had a dual cultivation partner.”

“How long have I been in your sea of consciousness? How many have you played with? It’s really fu**ing unfair!”

said the Red Cloud Demon Lord!

When David heard this, he immediately didn’t know whether to laugh or cry. This Red Cloud Demon Lord was envious and jealous of the many women around him...

David didn’t say anything, but seriously looked for the Shenji Grass!

.....

Sun and Moon City!

This is the imperial city of the Lin family. This city is magnificent and has an extremely vast area. The surrounding walls are towering into the clouds, looming like a fairy city!

Moreover, above this imperial city, the sun and the moon are shining in the sky at the same time, and countless purple spiritual energy is floating around!

Such a wide city, and it covers a large area. If it is in the world of heaven and man, it is impossible not to be known!

But this Sun and Moon City, among the many cultivators in the world of heaven and man, few people know about it!

Because although this Sun and Moon City is in the world of heaven and man, it is not in the same void. The entire Sun and Moon City is in another dimension!

So even if you travel all over the world of heaven and man, you will not find the existence of Sun and Moon City.

Sun and Moon City was originally a city in the world of heaven and man, but before the war between gods and demons, the ancestor of the Lin family spent a thousand years of spiritual veins to make Sun and Moon City enter another dimension of time and space, which avoided the catastrophe of Sun and Moon City.

Now thousands of years have passed. After the war between gods and demons, the world of heaven and man has begun to prosper again, and Sun and Moon City has begun to reconnect with the world of heaven and man!

The Left Blind Elder and the Right Blind Elder beside Lin Keting were both demon cultivators from the Heavenly World before!

However, because of the hunting of the Demon Sealing League, the two fled everywhere and were saved by Taoist Wuji, and then they appeared in Sun Moon City.

Chapter 4459

Later, the two became the close followers of Lin Keting!

In Sun Moon City, there are many demon cultivators who were saved by Taoist Wuji.

“Miss, we have arrived at the imperial city. You must remember not to contradict your father.”

The right blind elder reminded Lin Keting in a low voice!

They did not get the consent of Lin Keting's father when they went to the battlefield of gods and demons this time.

Although Taoist Wuji knew it, Lin Keting was a princess after all. If she went to the heaven and human world privately, who could take the responsibility if something happened?

“I know!” Lin Keting nodded!

A group of people, accompanied by dozens of guards, walked towards the city gate in a mighty manner!

Lin Keting had a faint smile on her face. Although

she knew she had made a mistake, she was not afraid at all! She knew that her father loved her the most, so it was impossible for him to punish her.

But the left blind elder and the right blind elder had a solemn look on their faces. Although they were recommended by Taoist Wuji, His Majesty the Emperor would definitely give them some face, but they were afraid that they would be scolded.

Just when Lin Keting and the others had just walked to the city gate, they were stopped by someone!

“Little sister, my father has ordered that when you come back, you don’t have to enter the imperial city. Go directly to Lingyun Peak to reflect on your mistakes for ten years.”

A young man wearing a yellow robe, a golden crown, and a noble appearance said!

This person is Lin Keting’s elder brother Lin Kedong, who is also the prince of Sun Moon City!

“Brother, don’t fake my father’s will. I don’t believe that my father will let me reflect on my mistakes for ten years.”

“I want to go to my father to ask clearly...”

Lin Keting rushed into the city regardless of Lin Kedong’s obstruction!

“Little sister, I didn’t fake my father’s will. This is what he said.”

Lin Kedong stopped Lin Keting.

The two blind elders on the left and right saw this, although they wanted to help Lin Keting, they did not dare to do it. After all, this was a matter between brothers and sisters!

Lin Keting glared at Lin Kedong and said angrily: “Brother, I know you have always hated me. You dislike that my father favors me, but I am a girl. It is impossible for me to compete with you for the crown prince. What’s wrong with my father favoring me?”

“Why do you always want to make things difficult for me? If you don’t let me in today, I will go to my master and ask him to take me to judge. Why do you want me to reflect on my mistakes for ten years?”

Lin Keting has always disliked her elder brother. She always feels that her elder brother is narrow-minded and especially jealous!

Lin Keting is the only girl among the nine princes, so she is especially favored by her father!

This made Lin Kedong jealous and targeted Lin Keting everywhere!

“Little sister, what are you talking about? I’m just following the order of my father. How can I be so hard on you?”

“Let me tell you, Taoist Wuji is also in the palace, and he can’t save you!”

Lin Kedong said!

When Lin Keting heard this, she was dumbfounded. She went to the battlefield of gods and demons, but her master allowed her. How could it become like this now?

But Lin Keting didn’t give up at all, and planned to break in and ask in person!

Seeing this, Lin Kedong’s face turned cold and said, “Little sister, you are so unreasonable, don’t blame your brother for being rude.”

After Lin Kedong finished speaking, he waved his hand at the guards at the city gate and said, “Catch the princess...”

But just when the guards were about to take action, suddenly a figure came quickly!

“Wait...”

A man who was also wearing a yellow robe and carrying a long sword ran over: “Brother, my father has ordered me to enter the city.”

This person is the fourth prince Lin Kefan.

Seeing Lin Kefan coming, Lin Keting immediately laughed, stepped forward and hugged Lin Kefan’s arm: “Fourth brother, let’s go.”

“Wait a minute!” Lin Kedong frowned slightly: “Fourth brother, you are not falsely conveying the emperor’s will, are you? The emperor told me that I should reflect on my mistakes for ten years.”

Chapter 4460

“Brother, if you don’t believe me, you can go ask the father to see if I am falsely conveying the order.”

Lin Kefan said!

Lin Kedong glanced at Lin Kefan, and then made way: “I don’t think you dare, go in...”

“Fourth brother, is the father very angry?”

After Lin Keting entered the city gate, he whispered to Lin Kefan!

“Of course, the father is very angry. I talked to the father for a long time, and the father agreed to let you enter the city. Taoist Wuji is also here. It seems that you can’t escape this punishment today, but don’t worry, the fourth brother will always protect you.”

Lin Kefan patted Lin Keting’s head and said!

“Fourth brother, you are still the best to me...”Lin

Keting leaned her head on Lin Kefan’s shoulder and acted coquettishly!

“You girl, you are so old, but you are still like a child. If you are like this, when you have a dual cultivation partner, he will be jealous.”

Lin Kefan said with a smile!

“He won’t...” Lin Keting blurted out without thinking!

In her opinion, Chen Ping will never be jealous because she follows her brother to act like a spoiled child.

Lin Kefan was stunned, then stared at Lin Keting blankly and said: “Little sister, you... do you have a dual cultivation partner?”

“I... I don’t?”

Lin Keting realized that she had said the wrong thing and hurriedly denied it!

“Don’t lie to me, when have you ever lied to me since you were a child, did you meet someone you like when you left Sun Moon City and went to the Heaven Realm this time?”

Lin Kefan asked Lin Keting!

“No, don’t talk nonsense, I didn’t!”

Lin Keting ran away with a red face!

Looking at Lin Keting’s appearance, Lin Kefan could conclude that she had someone she liked.

“You two come here...”

Lin Kefan waved his hands at the two elders on the left and right.

In fact, the left blind elder and the right blind elder did not have to obey Lin Kefan’s words at all. After all, they were selected by Taoist Wuji to protect Lin Keting closely!

Speaking of the two of them, they were not considered people from the imperial city, so the princes of the imperial city had no right to order them!

However, Lin Kefan and Lin Keting have a good relationship, and the two are brothers from the same mother, so the left blind elder and the right blind elder walked over obediently!

“You two tell me, does my little sister have someone she likes outside? Who is it? What is his identity?”

Lin Kefan asked curiously!

“Fourth Prince, how can we, as servants, know about the eldest lady’s affairs? You have to ask her in person.”

The right blind elder said!

“Right blind man, isn’t that Chen Ping the eldest lady’s man? They seem to have admitted it.” The

left blind elder didn’t understand. The right blind elder knew it, so why did he say he didn’t know?

Seeing this, the right blind elder could only stare at the left blind elder speechlessly and stopped talking!

“Left blind elder, tell me, who is that Chen Ping? What is his identity?”

Lin Kefan became interested and asked the left blind elder!

“Fourth Prince, I don’t know what Chen Ping’s identity is, but that guy only has the strength of the seventh level of the Tribulation Realm, and he doesn’t look very powerful.”

“He followed the eldest lady into the battlefield of gods and demons, and something was wrong after he came out. Later, the eldest lady said in person that Chen Ping is her man.” “

But it seems that the two are not yet husband and wife, they should have secretly decided to spend their lives together...”

The left blind elder said truthfully!

“Seventh level of the Tribulation Realm?” Lin Kefan frowned slightly: “No, I’m going to ask my little sister, you can find a man, but you can’t find a rubbish man. A man of the seventh level of the Tribulation Realm is too rubbish...”

After Lin Kefan finished speaking, he quickly chased after Lin Keting!

The right blind elder looked at the left blind elder and said, “Blind Left, just wait for your scolding. Your mouth should be sewn up.”

“What’s wrong with me? I was just telling the truth!”

The left blind elder didn’t know that he had caused trouble!
