Full Read Online **Chapter 4461** of the novel **A Man Like None Other**

## Chapter 4461

Seeing that the blind left elder still didn't know he had made a mistake, the blind right elder could only sigh and leave!

This guy's temper is really something that can't be changed even by eight cows!

He has suffered so much for this mouth, but his memory has not improved at all.

Seeing the blind right elder leave, the blind left elder muttered: "Angry again, what's wrong with me? Can't I tell the truth?"

"Blind left elder, you are right, you should tell the truth."

At this time, the eldest prince Lin Kedong came over!

He also heard what the blind left elder said, and a big smile appeared on his face!

Dare to talk about love with a little cultivator of the seventh rank of the Tribulation Realm, and want to have any real husband and wife, just for this reason, Lin Keting will be punished! Lin

Keting is the only princess of Sun Moon City and the apple of the emperor's eye. If she is deceived by a small seventh-grade cultivator in the Tribulation Realm, the emperor's anger can be imagined!

"Humph!" Elder Zuo Xia glanced at the eldest prince and ignored him. Instead, he snorted and left!

Lin Kedong and Lin Keting are not getting along, so Elder Zuo Xia doesn't like Lin Kedong either!

Lin Kedong doesn't care about Elder Zuo Xia's attitude. After all, he is the person recommended by Taoist Wuji, and Lin Kedong has to give him some face!

However, he must report the matter of Lin Keting looking for a man!

At this time, Lin Keting didn't know that her affair with Chen Ping had been known by her eldest brother and fourth brother, and she was still walking towards the palace!

“Little sister...”

Lin Kefan chased after her and asked with a somewhat ugly face: “Tell me the truth, do you have a dual cultivation partner outside?”

“Is it the one named Chen Ping? Or a young cultivator in the Tribulation Realm?”

Lin Keting was stunned, then frowned and said: “Which bas\*\*\* said that? It must be that guy Zuo Xiazi, I will tear his mouth apart...”

Lin Keting immediately thought of Elder Zuo Xia. After all, not many people knew about this matter, and the only one who could tell it was Elder Zuo Xia.

Elder Zuo Xia’s mouth was like that of an old woman, without any control at all!

“Don’t care who said it, just say it is true or not?”

Lin Kefan asked.

Lin Keting nodded: “Fourth brother, it was not me, it was the master who said that Chen Ping and I should become a dual cultivation partner.”

“Impossible, how could Taoist Wuji be so stupid as to let a little cultivator in the Tribulation Realm become a dual cultivation partner with you?”

“Moreover, do you know what Chen Ping’s identity is? Does Taoist Wuji know?”

Lin Kefan said excitedly!

He only has this one sister. If she is deceived by a little cultivator in the Tribulation Realm, Lin Kefan will definitely kill him!

“Fourth brother, don’t get excited. It was really the master who said that. I don’t know Chen Ping either, but the master should know, right?”

Seeing that Lin Kefan was too excited, Lin Keting hurriedly persuaded him!

“Little sister, I never thought that there are so many talented people in our Sun Moon City, but you don’t like any of them, but you just like a little monk in the Heaven Realm.”

“Does that little monk have dyed yellow hair? If the emperor knew about this, what would his expression be?”

The eldest prince Lin Kedong came over and asked Lin Keting in a yin-yang tone!

“I like whoever I want to like, what does it have to do with you?”

Lin Keting rolled her eyes at Lin Kedong.

“Of course it’s none of my business, but whether it has anything to do with the emperor’s business or not, that’s hard to say. I’ll report to the emperor now.”

Lin Kedong hummed a little song and left!

Lin Kefan said with a serious face: “Little sister, you left Sun Moon City privately and went to the Heaven Realm. Now you have done this again. The emperor will definitely be furious.”

“You can take care of yourself. I will try my best to plead for you. You can also ask Taoist Wuji to persuade the emperor. In this way, maybe you don’t have to think about it.”

Lin Kefan looked helpless. He was afraid that he couldn’t do anything about such a big disaster!

“Fourth brother, don’t worry about it, so as to avoid the emperor’s anger. It’s just ten years of reflection, it will be over in the blink of an eye.”

Lin Keting said fearlessly!

She was spoiled since she was a child, and she was not afraid at all even if she was going to be punished!

“Let’s go, let’s see what happens!” Lin Kefan sighed and pulled Lin Keting into the palace!

## **Chapter 4462**

When they entered the palace, Lin Kedong was already standing next to their father, Lin Chong!

On the side of Lin Chong, sat an old man wearing a Taoist robe and holding a whisk. It was the Taoist Wuji!

“Master...”

Seeing Taoist Wuji, Lin Keting immediately wanted to ask Taoist Wuji to explain.

But just as she opened her mouth, she felt the pressure from her father and shut her mouth instantly.

“Ting’er, you went to the Heaven Realm without permission, and secretly communicated with the little cultivator in the Heaven Realm. Are you going to anger your father to death?” Lin

Chong questioned Lin Keting with anger on his face.

“Father, my little sister is playful by nature, so it is reasonable for her to go to the Heaven Realm to play. Moreover, she has people with her, so there will be no danger. Please don’t punish my little sister.”

Lin Kefan hurriedly pleaded for Lin Keting!

“Shut up.” Lin Chong frowned slightly, and scared Lin Kefan so much that he dared not speak!

“Fourth brother, don’t beg for mercy. I just went out to play. I was secretly communicating with the little cultivator of the Crossing Tribulation Realm in the Heaven Realm. We even slept together for several days.”

Lin Keting said fearlessly!

“You...” Lin Chong was almost angry to death when he heard it!

“Father, these are all things that Master asked me to do. It was Master who asked me to go to the battlefield of gods and demons in the Heaven Realm.”

“And it was Master who asked me to become a dual cultivation partner with that little cultivator of the Crossing Tribulation Realm.”

“If you want to punish, then punish my master!”

Lin Keting pointed at Taoist Wuji and said!

“Disciple, don’t talk nonsense. How could your master ask you to go to the Heaven Realm? How could your master find a cultivator of the Crossing Tribulation Realm as a dual cultivation partner for you?”

“You have to be honest and don’t put all the blame on your master...”

Taoist Wuji immediately denied it!

Lin Keting was dumbfounded for a moment, and looked at Taoist Wuji in disbelief!

It was clearly all done by Taoist Wuji, but now he refuses to admit it!

“Master, why don’t you admit it? You shouldn’t do this, aren’t you trying to trick me?”

Lin Keting never thought that her master would play a trick on her!

“Shut up, Taoist Wuji is highly respected, how could he do such a thing, don’t put all the responsibility on Taoist Wuji.”

“You have to take responsibility for what you did, and you had a conflict with the Demon Sealing Alliance in the Heaven Realm, which resulted in the death of several guards. This was not ordered by your master, was it?”

Li Chong questioned

Lin Keting!

Lin Keting shook her head: “No, but those people from the Demon Sealing League should be killed. Master said that there is no good person in the Demon Sealing League.”

“You are pushing it on your master again. It seems that you can’t recognize any mistakes. In this case, don’t blame your father for being strict.”

“You will go to the imperial mausoleum to reflect on your mistakes for ten years. You must not come out before the time is up...”

Lin Chong shouted at Lin Keting angrily.

Lin Keting was so angry that her face turned pale. She gritted her teeth and said, “Go if you want to. I’m not afraid of reflecting on my mistakes for a hundred years...”

After Lin Keting finished speaking, she turned around and left!

“Little sister...” Seeing this, Lin Kefan

hurriedly chased out!

Seeing this scene, Lin Kedong grinned!

“What are you laughing at? Get out...”

Lin Chong glared at Lin Kedong and said!

Lin Kedong immediately held back his laughter and left quickly!

After Lin Kedong left, Taoist Wuji and Lin Chong looked at each other and laughed!

“Master Wuji, I’m afraid Ting’er will hate you to death this time.”

Lin Chong laughed!

“Hate it if you want. The world of heaven and man will soon be in turmoil, and the Demon Sealing League has already found out about me. I’m afraid that the days of freedom for the two of us will not be many.”

Master Wuji smiled helplessly!

“Yes, Sun Moon City will be exposed to the public in the future, and I can no longer be this peaceful emperor.”

“But what about the boy named Chen Ping that you found for Ting’er?”

Lin Chong asked curiously!

“Emperor Lin, don’t worry, you will know when you see him. If he is not a dragon among men, how could I push him to Ting’er?”

“Ting’er is your precious daughter, but also my precious disciple.”

Master Wuji kept it a secret and didn’t say it!

“Okay, I believe in the master’s vision. I hope Ting’er can avoid this catastrophe after ten years of reflection!”

After Lin Chong sighed lightly, the two fell into silence!

## **Chapter 4463**

Gelu Mountain!

Zhu Qingxiu carefully searched for the Shenjicao, because only by finding the Shenjicao can Chen Ping heal her burned face!

Which girl doesn’t love beauty, Zhu Qingxiu is no exception!

But just when Zhu Qingxiu was carefully looking for the Shenjicao, suddenly several figures came towards her quickly!

Zhu Qingxiu's face suddenly tightened, and her expression became nervous!

With the sword in hand, Zhu Qingxiu was ready!

She didn't know what these people were doing, and Zhu Qingxiu didn't dare to be careless!

However, when several figures approached, Zhu Qingxiu's expression changed from nervousness to excitement!

"Big Brother?"

Zhu Qingxiu put away his sword and shouted to the middle-aged man who was the leader among the few people!

It turned out that these people were all from the Wanjian Sect, and the middle-aged man who was the leader was Zhu Qingxiu's big brother Fan Xianbo.

Seeing this, several people quickly landed in front of Zhu Qingxiu!

"Who are you?" The middle-aged man in the lead took a look at Zhu Qingxiu and asked with a puzzled look on his face!

"Big Brother, it's me? I'm Qingxiu..."

Zhu Qingxiu hurriedly took off the mask on his face!

Although he was burned, his appearance did not change much, except for a scar on his face!

"Junior Sister Qingxiu?"

Fan Xianbo was not excited after seeing Zhu Qingxiu. Instead, his face was full of surprise, and a trace of panic flashed in the depths of his eyes.

"Big Brother, I didn't expect you to be still alive. I thought there was no one left in our Wanjian Sect."

"How is the old master? Since you are still alive, is the master okay too?"

Zhu Qingxiu asked excitedly!

Fan Xianbo shook his head: "Master died in battle a long time ago, and there are only a few people left in the Wanjian Sect."

"Junior Sister Qingxiu, how did you escape? And what's wrong with your face?"

“Big Brother, Master gave me the jade slip secret book of the Wanjian Sect and escorted me out of the Wanjian Sect, but the people of the Sealed Demon League kept chasing me from behind. I had no choice but to run to the Dead Sea, but I didn’t want to burn myself and ended up like this.”

Zhu Qingxiu followed Fan Xianbo truthfully and said!

“What? The jade slip secret book is in your hands?” Fan Xianbo was surprised, and then whispered: “No wonder I didn’t find the jade slip secret book after searching for it in the sect for a long time...” “

Big Brother, what are you talking about?” Zhu Qingxiu didn’t hear clearly, so he asked!

“Oh, nothing!” Fan Xianbo hurriedly smiled and said, “Junior sister, is the jade slip secret book still on you? Take it out and let me see. As long as the jade slip secret book is there, our Wanjian Sect can be revived.”

Listening to Fan Xianbo’s words, Zhu Qingxiu frowned and said in disbelief, “Big Brother, the jade slip secret book is not allowed to be shown to others. This is the ancestral precept of our Wanjian Sect. You don’t know it, right?”

“I know, of course I know, I’m just worried about the jade slip secret book, so I just asked casually.”

“As long as the jade slip secret book is fine, we can revitalize the Wanjian Sect together.”

Seeing this, Fan Xianbo hurriedly changed his words!

However, at this time, Zhu Qingxiu had begun to doubt his big brother!

“Big Brother, how did you escape?”

Zhu Qingxiu asked!

“We also escaped in the chaos and found a place to hide, so we were not killed.”

Fan Xianbo said.

“Then what are you doing in Gelu Mountain?” Zhu Qingxiu continued to ask!

“When the strange phenomenon appeared in Gelu Mountain, we just came here to try our luck and see if we can find some resources and treasures.”

“The Wanjian Sect has become like this, and we brothers have to continue to survive.”

“But what are you doing here, junior sister? It seems that this place is quite far from Zhujia Town!”

Fan Xianbo asked!

## Chapter 4464

“I came here to find the Shenji grass, which can heal the burns on my face.” Zhu Qingxiu’s eyes no longer had the excitement at the beginning!

“Oh, then we’ll help you find it.” Fan Xianbo waved his hand: “Help Junior Sister find the Shenji grass quickly.”

Several people all helped to find it, and Fan Xianbo was beside Zhu Qingxiu, asking intentionally or unintentionally: “Junior Sister, the jade slip secret book is very important to our Wanjian Sect, you must keep it well.”

“Is the jade slip secret book with you? If it is with you, you must never let others know...”

The seemingly caring words were actually testing Zhu Qingxiu!

Fortunately, Zhu Qingxiu began to have doubts and hurriedly said: “Senior Brother, the jade slip secret book is not with me. I have put it in a safe place. You don’t have to worry.” When

Fan Xianbo heard this, he frowned, a hint of coldness flashed in his eyes and he said: “Junior Sister, I think we should go and see the jade slip secret book first. Since the master has given the jade slip secret book to you for safekeeping, if you make a mistake, you will be sorry for the master’s hard work.”

“Senior Brother, the place I put it is very safe. Nothing will go wrong.” Zhu Qingxiu said!

Seeing this, Fan Xianbo’s tone became a little gloomy: “Junior sister, now the Wanjian Sect has suffered a disaster, and the master is dead. As the eldest brother of the Wanjian Sect, I have reason to support the Wanjian Sect.”

“Take me to see the jade slip secret book right now, this is an order...”

Zhu Qingxiu saw that Fan Xianbo was not pretending, so his face became gloomy and said: “Big brother, the jade slip secret book of the Wanjian Sect can only be explored by the master. Although the master is gone, he has not passed the throne to you. You are not the master of the Wanjian Sect and have no right to give me orders.”

When Fan Xianbo heard this, he was directly angry: “Junior sister, I ask you to take me to find the jade slip secret book now, are you going or not?”

“No!” Zhu Qingxiu’s face was firm!

“Okay, in this case, don’t blame the eldest brother, I am also for the good of the Wanjian Sect!”

After Fan Xianbo finished speaking, he winked at several other brothers, and several people immediately surrounded Zhu Qingxiu!

Seeing this, Zhu Qingxiu also took up his stance, his eyes full of anger and said: “Big Brother, I don’t think you escaped from the Wanjian Sect? The Wanjian Sect was suddenly attacked by the Demon Sealing League, and many brothers were killed before they could react.”

“At that time, our Wanjian Sect didn’t even have time to activate the protective formation. When my master escorted me to escape, he said that there might be a traitor in the sect. I think this traitor is you, right?”

“You fart, I think you are the traitor who stole the sect’s jade slips and secrets.”

“Catch her for me...”

Fan Xianbo waved his hand, and several brothers rushed up in an instant!

Zhu Qingxiu instantly followed several brothers to fight together!

And Fan Xianbo was watching from the side, waiting for an opportunity to move!

Suddenly, Fan Xianbo’s expression turned cold, and then while Zhu Qingxiu was not paying attention, he instantly came behind Zhu Qingxiu and slapped Zhu Qingxiu’s back with his palm!

“Junior sister, why are you doing this?”

Fan Xianbo smiled coldly!

Fan Xianbo’s palm contains the power of sealing. As long as he hits Zhu Qingxiu, Zhu Qingxiu’s spiritual power will be sealed and he will have no way to resist!

At that time, he can control Zhu Qingxiu to take back the jade slip secret book. With the jade slip secret book, he can become the leader of the Wanjian Sect.

But when Fan Xianbo was about to hit Zhu Qingxiu’s back, a ray of light suddenly came and instantly cut through the void!

Swish!

The cold light fell, the sword energy was everywhere, and the whole void was stirred up!

Fan Xianbo was startled, and quickly withdrew his hand and retreated!

The other people were also forced to retreat by this sword light and avoided this attack!

Chen Ping fell beside Zhu Qingxiu with the Dragon Slaying Sword in his hand.

## **Chapter 4465**

“Miss Zhu, who are these people?”

Chen Ping looked at Zhu Qingxiu and asked!

“These are all people from the Wanjian Sect, all my fellow apprentices!”

Zhu Qingxiu said!

“Brothers? Didn’t you say that the Wanjian Sect was destroyed?” Chen Ping was a little surprised!

Why did the fellow apprentices fight?

It is said that the Wanjian Sect suffered such a catastrophe, and the remaining fellow apprentices should be more united!

“I also thought that our Wanjian Sect was destroyed, but I just met them. The middle-aged man is our senior brother Fan Xianbo.”

Zhu Qingxiu kept talking about Fan Xianbo, and then continued: “He wanted me to take out the jade slip secret book, but I didn’t take it, so they started it.”

Chen Ping heard it and immediately understood that these Wanjian Sect people wanted to get the jade slip secret book from Zhu Qingxiu.

Chen Ping also saw the jade slip secret book at that time, and it was indeed a good thing.

“How do they know that you have the jade slip secret book on you?” Chen Ping asked!

“I just met them, and I let it slip when I was happy. Now it seems that they are very likely to be traitors of our Wanjian Sect!”

Zhu Qingxiu said angrily!

“Junior sister, you can eat whatever you want, but you can’t talk nonsense. You are the traitor.”

“And who is this guy? A small seventh-grade cultivator in the Tribulation Realm, is he in charge of the affairs of our Wanjian Sect?”

Fan Xianbo said with a gloomy face!

“What realm am I in? It’s none of your business? I will manage the affairs of the Wanjian Sect if I want to, and I won’t if I don’t want to.”

“What are you shouting here? You look like a traitor.”

“If your name is Fan Xian, it will seem a bit righteous, but if your name is Fan Xianbo, then it

is definitely a traitor’s name!” Chen Ping scolded Fan Xianbo!

Since these guys have taken action against Zhu Qingxiu, even if they are from the Wanjian Sect, Chen Ping will no longer be polite!

Fan Xianbo was also stunned by Chen Ping’s scolding. He didn’t expect that Chen Ping, a seventh-grade cultivator in the Tribulation Realm, would dare to insult him like this?

“Boy, are you fu\*\*ing crazy? You are a seventh-grade cultivator in the Tribulation Realm, how dare you scold me like this?”

“Do you know that I am a cultivator in the Mahayana Realm, and we are not in the same class.”

Fan Xianbo looked at Chen Ping with a face full of ridicule.

“Big Brother, this is just a casual cultivator who wants to curry favor with our Junior Sister.”

“Junior Sister is really likable. Her face is ruined, and there are men standing up for her.”

“When Junior Sister was not injured, she was indeed a great beauty!”

Several fellow disciples behind Fan Xianbo also laughed loudly! A

seventh-grade cultivator in the Tribulation Realm was not worth their attention at all!

And looking at Chen Ping's appearance, he didn't look like a young man with status. He was obviously just a casual cultivator!

Since he was a casual cultivator of a low realm, they didn't have to be afraid!

But they seemed to have forgotten how the sword beam just now forced them to retreat!

Can a seventh-grade cultivator in the Tribulation Realm burst out with such a powerful sword beam?

"You are too much. As a senior brother, the Wanjian Sect is already in this state, and you are still trying to spy on the jade slip secret book."

"And you attacked me, your junior sister. If the master was here, he would definitely put you all in the water prison."

Zhu Qingxiu glared at Fan Xianbo and others.

"Junior sister, the master is dead and can't be deader. I saw him die with my own eyes, and even his soul disappeared. It's impossible for him to come back alive."

"You'd better take out the jade slip secret book for me obediently, so that I can revitalize the Wanjian Sect. I can also make you an elder in the Wanjian Sect."

Fan Xianbo said to Zhu Qingxiu with a sneer on his face!

"I can't give it to you!" Zhu Qingxiu's face was firm!

"Junior sister, you have to think it over. This guy should be your man, right? You are disfigured, and he is still willing to stand up for you, proving that you two have been sleeping together for a long time."

"If you don't want your man to die, then be obedient, and then I can let you live together!"

Fan Xianbo threatened Zhu Qingxiu with Chen Ping's life
