Chapter 4473

At the same time, at the Demon Sealing Alliance headquarters!

Zuo Tianzheng, as the leader, sat on the main seat of the hall, and below him, sat more than a dozen Mahayana masters in a neat row!

And these Mahayana masters were all demon cultivators without exception. The Demon Sealing Alliance, which took the slogan of eliminating demons and defending the way, turned out to be the lair of demon cultivators!

“Elder Chu, please tell everyone about the investigation!”

Zuo Tianzheng said to Elder Chu beside him!

Although Elder Chu was not strong, he could be an elder, and he was still serving Zuo Tianzheng, which meant he had certain skills!

The distribution of power and recruitment of personnel of the Demon Sealing Alliance in the entire Tianren Realm were almost all operated by Elder Chu!

Although these Mahayana demon cultivators were much stronger than Elder Chu, no one dared to look down on Elder Chu!

“Everyone, I believe you have noticed recently that, except for the demon cultivators in the area of Tianmo Mountain, many demon cultivators in other places have disappeared inexplicably.”

“Some demon cultivators that our Demon Sealing League has been eyeing also suddenly disappeared, which makes it difficult for our Demon Sealing League to have demon cultivators join in recent years.”

“After my investigation, I found that this matter is related to the Taoist Wuji. Those missing demon cultivators should have been taken to a secret space by him.”

Elder Chu said to many demon cultivators!

“Master Zhou, you can also say something!” Zuo Tianzheng looked at a hunchbacked old man and said!

This hunchbacked old man was the guy who took Tiansha and Tianluo to the East Region, followed David to fight, and was scared away by Taoist Wuji!

The Zhou clan leader stood up and then slowly said, "I was sent to the East Region this time to help Qijia Town, but I didn't expect to encounter David."

"Because David had helpers around him, my two disciples were injured, and I had to escape back."

Zhou clan leader was embarrassed. After all, in front of so many people, it was somewhat embarrassing to say that he escaped back!

"Old Zhou, you are a fourth-grade Mahayana cultivator. Who can scare you in that broken place in the East Region?"

"That's right. There are few Mahayana cultivators in the East Region, let alone the fourth-grade Mahayana cultivators."

"I think you don't want to be an enemy of David, so you ran back on purpose, right? Everyone knows that you are the most slippery."

Many demon cultivators began to question Zhou clan leader!

After all, the fourth-grade Mahayana cultivators dare not say that they are invincible in the East Region, and it is not easy to encounter opponents!

Now they say that they have escaped back, which is obviously problematic.

Sect Master Zhou ignored these people. Many of the demon cultivators here are loyal lackeys of the Demon Sealing League, but he is not. He just wants to save his life and has no choice but to submit to the Demon Sealing League!

"I met David this time. The helper beside him is the Wuji Taoist priest. Although he is just a phantom, he is not someone I can deal with."

"In addition to the Wuji Taoist priest, there is another girl who is very good. She is also related to the Wuji Taoist priest and is very powerful. The two followers beside this girl are also demon cultivators. Their strength is actually the second level of the Mahayana realm."

"I suspect that this girl is related to the city that suddenly disappeared thousands of years ago, and the Wuji Taoist priest may have sent the missing demon cultivators to that city."

Sect Master Zhou said to himself!

After hearing this, the faces of the few people who had just mocked Sect Master Zhou all changed slightly!

“The city that disappeared thousands of years ago? Could it be the Sun and Moon City? There has been no news from the Sun and Moon City for thousands of years. How could someone from the Sun and Moon City suddenly appear?”

Someone asked puzzled!

“The Sun and Moon City has never really disappeared, but it has used the spirit veins to open up a new secret space. The Sun and Moon City has always been in the Heavenly World, but we can’t see it.”

Zuo Tianzheng said!

Obviously, he has received the report from Master Zhou, knew about the Sun and Moon City, and conducted a detailed investigation!

Chapter 4474

After hearing what Zuo Tianzheng said, everyone was silent, because they didn’t know how to deal with it!

Taoist Wuji and the disappeared Sun and Moon City were all unknown forces to them. Although these demon cultivators were all in the Mahayana realm, they knew nothing about the other party’s strength!

However, the shadow of Taoist Wuji made the fourth-grade Mahayana master Zhou retreat. It can be imagined how terrifying the power of Taoist Wuji would be!

Seeing that everyone was silent, Zuo Tianzheng continued: “Now David has contact with Taoist Wuji and Sun and Moon City. We must not let him develop.”

“So I decided to destroy this David first, eliminate the big trouble in my heart, and then deal with Taoist Wuji.”

“Leader, where is David now? We don’t know where to find him?” asked Zhou Zongzhu!

“He went to the Xiao Dynasty in the Western Regions...”

Zuo Tianzheng said!

Hearing the three words “Xiao Dynasty”, Sect Master Zhou stopped talking, and the others were also silent!

If David was somewhere else, these people would definitely take on this task actively. As long as they caught David, it would be a great achievement!

But if David was in the Xiao Dynasty, no one dared to go!

After all, in the Heavenly Realm, the only force that can compete with the Demon Sealing League is

probably the Xiao Dynasty! Moreover, the Xiao Dynasty has been able to exist for so many years, and its power is growing, so it must have a foundation!

Maybe their Demon Sealing League may not be able to defeat the Xiao Dynasty!

So at this time, no one dared to go to the Xiao Dynasty to find David.

Maybe they would be implicated.

Seeing that no one spoke, Zuo Tianzheng smiled slightly and continued: “Everyone, do you think that our Demon Sealing Alliance is not as good as the Xiao Dynasty?”

No one spoke, but the expression said it all!

The Demon Sealing Alliance is just an alliance of some forces in the final analysis!

The Xiao Dynasty is a dynasty controlled by the Xiao family, and it controls many cities and armies!

How can these forces be countered by the forces they put together?

Zuo Tianzheng glanced at Elder Chu, and then Elder Chu spoke: “The Xiao Dynasty is indeed powerful, but the Xiao Dynasty has a most fatal flaw, that is, the struggle for the throne.”

“Xiao Feng, the eldest son of Emperor Xiao, has been crazy for a woman. In order to heal his son, Emperor Xiao searched for pharmacists all over the place. Although he was cured, the eldest son Xiao Feng no longer has any power and prestige in the Xiao Dynasty.” “

And Emperor Xiao also has a second son, Xiao Jian, who is a man of both wisdom and courage. His strength has reached the third level of the Mahayana realm. Whether it is strength or strategy, he is far superior to the eldest son Xiao Feng.”

“It’s just that Xiao Jian is a concubine’s son. He was born to Emperor Xiao and a maid after he was drunk, so few people know about the existence of this second son Xiao Jian.”

“This Xiao Jian was arranged by Emperor Xiao to guard the small town of Canglang on the border of the Western Regions. He has long been dissatisfied. We can take this opportunity to disintegrate the Xiao Dynasty from within, so that the Xiao Dynasty will no longer have the energy to protect David.”

“I have sent people to contact Xiao Jian in advance, and I will go there in person this time. As long as we can get Xiao Jian, our Demon Sealing League will help him seize the Xiao Dynasty, and then the Xiao Dynasty and our Demon Sealing League will be allies in the future.”

“Who in the entire Heavenly Human Realm can still be an enemy of our Demon Sealing League?”

Elder Chu said excitedly, as if the Demon Sealing League was about to unify the Heavenly Human Realm.

After hearing what Elder Chu said, many demon cultivators looked at each other in bewilderment, because they had never heard of Emperor Xiao having a second son.

However, this is also the extraordinary point of Elder Chu. Many news cannot escape his eyes. When he was protecting Zuo Tianzheng’s son Zuo Xuan in Tianmo Mountain, Elder Chu used the formation to deduce!

It’s just that there are many unknown causes and effects on this guy David, so that Elder Chu’s formation deduction was seen through by David!

Chapter 4475

“Master Zhou, Elder Chu will go to Canglang City in person, and you will take people to Xiao Dynasty in person. If Xiao Yuanshan knows the situation and hands over David, we will tolerate him for a while.”

“If he doesn’t know the situation, then just declare war and let him roll down from the position of Emperor Xiao...”

Zuo Tianzheng said to Master Zhou!

Master Zhou was slightly stunned, his face was a little ugly, and his expression was very reluctant! But

the leader had spoken, he couldn't refuse, so he could only bite the bullet and accept it!

Zuo Tianzheng waved his hand and asked everyone to leave. Elder Chu said to Zuo Tianzheng, "Alliance leader, that Sect Master Zhou is not really devoted to our Demon Sealing Alliance. You let him go to the Xiao Dynasty. Can this be accomplished?"

Zuo Tianzheng smiled faintly and said, "This time, no matter whether Xiao Yuanshan knows the current situation or not, I will make him step down. I will never allow such a big threat to the Demon Sealing Alliance."

"I understand!" Elder Chu nodded!

Zuo Tianzheng's meaning was very clear. Sect Master Zhou went to the Xiao Dynasty to act as a pawn. As for the life and death of Sect Master Zhou, Zuo Tianzheng did not consider it.

After everyone left, Zuo Tianzheng turned and came to the back of the hall. A dark door was slowly pushed open by him!

There was a huge black hole inside. When Zuo Tianzheng walked into the room, his body was instantly swallowed by the black hole!

.....

Xiao Dynasty!

The huge airship slowly landed in the palace of the Xiao Dynasty!

Seeing the airship coming, hundreds of guards were on high alert, and nearly a hundred monks above the eighth level of the Tribulation Realm flew into the air and stared at David's airship!

Because they didn't know who was in the airship, all these guards were as if they were facing a great enemy!

Xiao Yuanshan and Xiao Feng also hurried over!

For so many years, no one had dared to attack his Xiao Dynasty!

However, when the airship landed and David walked down from the airship with Zhu Qingyue, Xiao Yuanshan and Xiao Feng were all delighted!

Yuanshan waved his hand and asked all the guards to withdraw!

Xiao Feng rushed over and hugged Zhu Qingyue tightly, tears could not help but flow out!

“Azhu, where have you been? Do you know how much I miss you?”

Xiao Feng hugged Zhu Qingyue, regardless of the presence of others, and expressed his longing!

Zhu Qingyue also burst into tears and said, “Xiao Feng, I miss you too, but I had something at home, so I went back and was arrested.”

“Fortunately, Mr. Chen rescued me, otherwise I would not be able to see you...”

After hearing this, Xiao Feng let go of Zhu Qingyue and bowed heavily to David.

“Mr. Chen, you not only saved me, but also saved Azhu. I, Xiao Feng, will never forget this kindness. If Mr. Chen has difficulties in the future, I will go through fire and water without hesitation.”

Xiao Feng was very grateful to David.

“Prince Xiao is serious, it’s just a piece of cake.”

David smiled slightly!

“Mr. Chen, you have helped us so much. This time you must stay in our Xiao Dynasty for a while longer, so that I can do my best to be a good host.”

Xiao Yuanshan took David’s hand and walked into the palace!

Xiao Feng and Zhu Qingyue walked into the palace hand in hand!

Xiao Yuanshan held a big banquet to thank David and to announce the marriage of Xiao Feng and Azhu in public!

Of course, there is another very important thing, which is to announce the matter of Xiao Feng as the crown prince. After all, Xiao Feng is now well and no longer crazy, so the matter of the crown prince should be decided!

Facing the many princes and ministers of the Xiao Dynasty, Xiao Yuanshan said calmly: “Now I declare that from this moment on, Xiao Feng becomes the crown prince of our Xiao Dynasty. Everyone in the Xiao Dynasty must obey him, and he can mobilize all the troops of the Xiao Dynasty.”

After that, Xiao Yuanshan took out a tiger talisman and handed it directly to Xiao Feng!
