Chapter 4481

Although David's strength was not as good as these people, not to mention that there were several people on the other side!

But David knew that he still had a killer move!

The Sky Devouring Beast, the Little Fire Kirin, the God King Bow, the Dragon Pattern Bell...

and the Red Cloud Demon Lord in his own sea of consciousness, these are David's killer moves!

Boom boom boom...

All the power in David's body began to sweep from the inside out.

At this moment, David's aura began to surge wildly!

Facing a cultivator of the fourth rank of the Mahayana Realm, David dared not despise him at all, not to mention that there was more than one person on the other side!

When the aura in David's body surged to a terrifying degree, even the surrounding void began to twist!

The old Sun looked at David and frowned slightly: "This can't be the aura that can burst out from the seventh rank of the Tribulation Realm. This kid really has something."

After speaking, the old Sun took a step forward, and then raised his hand and pressed it!

The gap is almost a great realm. Even if David is showing terror, Lao Sun will not be afraid!

Boom!

Suddenly, the void above David's head cracked, and a huge palm slapped down at him!

This palm almost collapsed the twisted void!

Facing the terrifying palm, David's eyes flashed fiercely, and the Dragon Slashing Sword in his hand swung out, and countless sword intentions crossed and sword rays soared into the sky!

The sword rays collided with the terrifying palm and instantly tore the palm apart!

David was slightly stunned. He didn't expect that a blow from the fourth level of the Mahayana realm would be broken so easily. This shouldn't be the case?

But just when David was stunned, a sense of danger suddenly came over him, and then David's pupils shrank, and a figure instantly appeared in front of him!

Then a punch came towards David's face. This punch did not have any moves, but only the plain and unpretentious power of the Great Dao!

David's eyes condensed, and he did not retreat, because he knew that even if he retreated at this time, he could not dodge at all, and could only fight hard!

When two brave men meet on a narrow road, the bravest will win...

David thrust out the Dragon Slashing Sword in his hand!

Bang!

David only felt his body lighten, and was directly knocked out by a huge force.

However, while his body was flying backwards, the Dragon Slashing Sword in David's hand swung out countless sword flowers, blocking all the roads!

Old Sun ignored the sword flowers swung by David and rushed towards David again!

Bang bang bang...

The sword flowers hit Old Sun, but they did not cause any damage to him, nor could they stop Old Sun's figure at all!

Seeing Old Sun in front of him, the sword intent in David's body surged, and the Dragon Slashing Sword made a dragon roar, and stabbed straight into Old Sun's chest!

But Old Sun did not dodge or evade, and let the Dragon Slashing Sword pierce his body!

Ding!

Old Sun's body trembled slightly, and then a terrifying breath shook, and the Dragon Slashing Sword was a few inches away from Old Sun's chest, but there was no way to move forward!

David frowned, and the power in his body burst out again. The Dragon Slashing Sword in his hand continued to exert force, so that it could not penetrate into Old Sun's body, which made David's face look very ugly!

"You can't hurt me..."

Old Sun sneered, and then punched the Dragon Slashing Sword in David's hand!

Seeing this, David hurriedly put away the sword and retreated. The Dragon Slashing Sword still had flaws, and the sword spirit Zhongli had not recovered. If the Dragon Slashing Sword was destroyed by this Old Sun, the sword spirit Zhongli would disappear forever!

David couldn't let the Dragon Slashing Sword be damaged, so he could only raise the sword and retreat, and follow Old Sun to pull away!

David looked at the Old Sun in front of him, and couldn't help frowning deeply. This guy was constantly strong, and his body was also very strong. It seemed that this guy's body had been tempered many times!

"I want to see, your body is stronger or mine is stronger..."

David actually put away the Dragon Slaying Sword, and the Indestructible Golden Body started up!

Golden scales began to cover David's body, like a golden armor!

Chapter 4482

When Lao Sun saw that David actually put away the Dragon Slaying Sword and wanted to compete with him in physical strength, he couldn't help but sneered and said, "Boy, I resisted the tribulation with my physical body. You are just showing off your sword in front of Guan Gong..."

Lao Sun's face was full of disdain, and then he took a step forward, and the whole earth was shaking!

"Meteor Fist..."

Lao Sun then punched out again, but this punch was accompanied by countless fist shadows, and each fist shadow was like a meteor going straight to David!

Seeing this, David gritted his teeth and his feet were deeply embedded in the ground!

Boom!

A series of meteor-like fists hit David's body, and David's body retreated rapidly, leaving two deep grooves on the ground!

At this moment, Lao Sun suddenly disappeared from the spot, and the skills appeared in front of David in the blink of an eye!

threw another punch, this punch was like thunder, and a black hole was smashed out of the void!

There was no fear in David's eyes, only a strong fighting spirit!

“Holy Light Fist...”

David clenched his right fist, burst out a golden light, and then swung it out!

Bang!

This punch was thrown out, and the two fists collided, instantly setting off a storm. The turbulence that appeared in the void, although it only flashed by, the entire void continued to tremble!

Lao Sun's body retreated rapidly, and stopped after retreating hundreds of meters, while David flew backwards and hit the ground heavily, smashing out a deep pit of tens of meters!

Lao Sun frowned slightly, and his contempt for David in his eyes was also reduced a little!

Sect Master Zhou, Lao Cao and others had been blocking David's escape route. When they saw this scene, they were all shocked!

Especially Tianluo and Tiansha. Although they were both in the second rank of the Mahayana Realm, judging from the battle just now, if they faced David's punch just now, they would definitely be knocked out!

David took a deep breath and flew out of the dozens of meters deep pit. Although he had an indestructible golden body and the Holy Light Fist, the gap in realm was too big. Even though David was the real body of a golden dragon and had extraordinary talent, he still felt the gap at this moment!

David moved his painful body, and every joint seemed to be smashed!

If it weren't for this indestructible golden body, coupled with the tempering of his own body, David might have been turned into meat paste by that punch just now! Mahayana

realm fourth grade!

It's really amazing!

Although he can fight beyond his level, there is a limit after all!

David stared at the old Sun, his eyes became more and more solemn!

He didn't know whether he should reveal some cards!

At this moment, the old Sun's face also became solemn. From the initial joke to the current solemnity, David used his own strength to let the enemy face himself little by little!

"This child must not be left, otherwise it will definitely be a big trouble for the Demon Sealing League."

The old Sun narrowed his eyes, then took a step forward, and his body disappeared in an instant!

Seeing this, David suddenly burst out with a strange power in his body!

And the old Sun in the distance, his body was like lightning, rushing straight to David, that speed was so fast that it almost broke the shackles of time and space!

This speed, I'm afraid it's difficult to dodge and block it even if it's also the fourth grade of the Mahayana realm!

David's eyes were wide open, staring at Old Sun, muttering something in his mouth. Suddenly, a flash of light flashed across the entire void!

A strange force enveloped the void within a radius of dozens of miles!

Old Sun's lightning-fast body suddenly felt imprisoned, and his movements became slow!

The speed that was originally invisible to the naked eye could be seen clearly at this moment!

Old Sun frowned and looked at David with an incredible face!

But David had already hidden aside at this time, and Old Sun's body passed by David!

This attack was actually dodged by David!

"Boy, what did you just do?"

Old Sun asked David in confusion!

David grinned and said disdainfully: "I didn't do anything, but your speed is too slow, so slow that I almost fell asleep."

"You..."

Old Sun was furious and rushed towards David again!

This time, Old Sun's body actually broke through the void directly, as if he was in front of David in a flash!

But just when Old Sun was about to punch David, suddenly a strange force swept again, wrapped his body, and slowed down his movements!

He watched David with his eyes wide open, and dodged in front of him with a sneer on his face!

"fu**, I don't believe it..." Old

Sun was going to be pissed off!

Without any pause, he turned around and rushed forward with another punch. Figures appeared one after another. This Old Sun turned into countless figures and surrounded David!

No matter where David hid, he seemed to be covered by the fist of this old Sun!

Seeing this, David wiped the blood from the corner of his mouth, and the strange power in his body burst out again. Then he did not retreat but advanced, and actually brushed past the old Sun again!

Among the countless figures, David actually found a flaw and easily dodged it!

Although he dodged the attack of the old Sun, David's face turned pale!

What David just used was the origin of time, which can control time within a certain range, but the loss of using the origin of time was too great, so David could not use it continuously!

"Old Sun, this kid has controlled the origin of time, you have to be careful..."

At this time, Lao Cao shouted and reminded Lao Sun!

"Origin of time?"

Lao Sun was surprised and looked at David in disbelief: "You...you are a seventh-grade cultivator in the realm of tribulation, how can you control the origin of time? It's incredible!"

Lao Sun couldn't believe that a small cultivator in the realm of tribulation could actually control the origin of time!

You have to know that even cultivators in the Mahayana realm may not be able to control the origin of time, and David is only in the Tribulation Realm!

Just now, David had used the power of the origin of time three times in a row, which was incredible!

"There are so many incredible things, and I still have many means to use, otherwise you would have been a corpse long ago."

David pretended to be relaxed!

In fact, David was just trying to scare the old Sun. Now he couldn't use the power of the origin of time. It would be best if he could scare this guy away!

Even if he couldn't scare him away, it would make the old Sun feel terrified, so that David could have a psychological advantage during the battle!

"Humph, who are you scaring? Even if you have the origin of time, it would be easy for me to kill you!"

The old Sun was not fooled at all, and turned into a stream of light and disappeared on the spot again!

Seeing this, David didn't dare to have any illusions. The Dragon Slaying Sword was sacrificed again. With the flashing of the dragon crystal on his chest, a golden light burst out behind David, and then a golden dragon slowly appeared!

David slashed out with a sword, and the golden dragon surrounded the sword light, making waves of dragon roars!

Even the green dragon crystal on David's body actually emitted a bloody light, and a shadow of a green dragon hovered over David's head!

Seeing this scene, the Zhou clan leader and others were stunned!

"What's the situation? How could this kid burst out two kinds of dragon aura?"

"Damn, even if this kid has dragon blood, it's impossible for him to burst out two kinds of dragon aura?"

Zhou clan leader and Lao Cao were all shocked!

"Could it be that David is the product of the mating of a golden dragon and a green dragon?"

Tian Luo explained in surprise!

As soon as Tian Luo finished speaking, three stupid eyes looked at him!

Zhou clan leader, Lao Cao and Tian Sha!

The three people looked at Tian Luo as if they were looking at a stupid pen.

Tian Luo felt the eyes of the three people, and suddenly became embarrassed, so he could only lower his head!

"If you don't need your brain, donate it. How can you say such ignorant words?"

Zhou clan leader scolded Tian Luo!

Chapter 4484

Boom boom...

David slashed down with a sword, and Old Sun was instantly shaken away a thousand meters away, and David was also shaken and flew backwards!

Seeing this scene, the face of Zhou Zongzhu became extremely ugly. He didn't expect David's strength to be so terrifying. You know, although Old Sun is also a fourth-grade Mahayana realm, he is the strongest among them!

And David is only in the Crossing Tribulation Realm, but he can fight with Old Sun for so long, and he hasn't suffered a big loss!

It's simply too outrageous!

Zhou Zongzhu was also somewhat fortunate at this moment, fortunately that he didn't blindly attack David!

If he was dealt with by David, how would he survive in the future!

After Old Sun was repelled by David's sword, he slowly lowered his head and took a look. He actually found that there was a scar on his left chest. Although the scar was not very deep, a small cultivator of the seventh-grade Crossing Tribulation Realm could hurt him with a sword. This is outrageous enough! At

this time, Old Sun was very angry. After all, there were people watching around. He was a fourth-grade cultivator in the Mahayana Realm. If he couldn't even deal with David, a seventh-grade cultivator in the Tribulation Realm, what face would he have?

What's more, he just made fun of the Zhou Sect Master, saying that the Zhou Sect Master didn't dare to do anything to David and was as timid as a mouse!

Now he himself has become like this. Isn't this a complete slap in the face?

"Boy, I don't care who you are, I must kill you today!"

Old Sun clenched his fists, and a terrible breath burst out of his body. The breath swept towards David like a hurricane!

At the same time, Old Sun's body was like an arrow feather, shooting towards David.

But as soon as Old Sun moved, he suddenly stopped, and then frowned, looking into the void in the distance!

Even Zhou Sect Master and the others seemed to sense something and looked into the distance!

"The people from the Xiao Dynasty are coming, don't waste time!"

Sect Master Zhou hurriedly reminded!

Old Sun nodded, and then said: "Let's do it together, kill this kid, and divide the Hundred Years of Offerings of the Demon Sealing League!"

After that, three fourth-grade Mahayana cultivators and two second-grade Mahayana cultivators attacked David together!

Five Mahayana cultivators, fighting against David, a seventh-grade cultivator in the Tribulation Realm, if this spread out, it would be the biggest joke in the Heavenly Human Realm!

A terrifying aura continued to spread around, the entire void was distorted, the avenue roared, and the universe shook, as if this piece of heaven and earth was about to collapse!

Seeing that five people actually attacked him together, David frowned!

"You are fu**ing shameless..."

David could only curse at a few people!

But he knew that even if he scolded them, it would be useless. These guys were all demon cultivators and had no martial ethics at all!

David knew that he must be high, but he couldn't just sit there and wait for death! David swung the Dragon Slashing Sword in his hand, and instantly swung out a sword light, blocking the attack direction of the five people!

While swinging the Dragon Slashing Sword, David instantly sacrificed the God King Bow! When

the God King Bow was fully drawn, countless Dao pattern evil spirits around began to condense into arrow feathers!

The five guys were all stunned when they saw this!

Before they could react, David's family drew their bows and shot arrows!

Rumble...

Accompanied by a series of earth-shaking sounds, David was instantly blown away. Even if David took out the God King Bow, it would be a bit far-fetched to want to block the attacks of five Mahayana cultivators!

David's indestructible golden body was broken into pieces, and then turned into golden light and disappeared. Even his flesh was splashing with blood!

However, David was determined to die. Even if he died, he would take someone with him!

So the bow and arrow just now almost exhausted the Dao pattern evil spirit in David's body.

David wanted to die together!

The horror of the God King Bow also scared the five people of Zhou Zongzhu.

They would never have thought that David would have such a peerless magic weapon as the God King Bow!

Lao Sun looked at his arm. From the wrist, one hand was cut off.

The other people were also injured by the arrows shot from the God King Bow!

The five people joined forces, but they failed to kill David, and were even injured by David.

Chapter 4485

“God King Bow, how come this guy has the God King Bow?”

Old Sun looked at his broken arm and asked in disbelief!

Others also stared at the God King Bow in David's hand and frowned. After all, the God King Bow is famous in the Heavenly Realm!

They couldn't figure out how the God King Bow appeared in the hands of David, a little cultivator in the Tribulation Realm!

“I really underestimated this kid. It seems that there must be some power behind this kid!”

Old Cao said in a low voice! Sect

Master Zhou didn't say anything, but kept pinching his fingers, as if calculating something!

After a moment, Sect Master Zhou's face became extremely ugly, and then he looked at Tianluo and Tiansha calmly and said, “Don't rush in like that, just follow me...”

“Sect Master, even if David has the God King Bow, he is only in the Tribulation Realm. If we work together, we can definitely kill him.”

“Why are you still thinking about running? How embarrassing...”

Tianluo said in confusion!

With so many of them, how could they be afraid of David, a little cultivator in the Tribulation Realm!

“Pa...” Sect Master Zhou slapped Tianluo directly!

“You know shit, I figured it out, this kid has someone behind him, he can’t afford to offend.”

“You can run or not in a while, if you die, don’t blame me!”

Sect Master Zhou slapped Tianluo and said!

Seeing this, Tianluo didn’t dare to speak anymore!

“Old Zhou, you have no other skills, but you are really good at beating disciples.”

Lao Cao said to Master Zhou!

Master Zhou ignored him, but looked around, thinking about how to run away!

“Okay, let’s go together, we must kill this guy, he must have a lot of good things on him.”

Lao Sun said with a grim face!

He was a fourth-grade Mahayana cultivator, but he had his palm cut off by a little cultivator in the Tribulation Realm. This was too embarrassing!

“Okay, let’s go together...”

Lao Cao nodded!

“Kill...”

Lao Sun roared and rushed towards David!

Lao Cao followed closely behind.

“Run...” Sect Master Zhou shouted, and ran with Tianluo and Tiansha!

Lao Sun and Lao Cao were stunned, stopped and stared at the three of them!

The three ran faster than rabbits, and disappeared in the blink of an eye!

“fu**...”

Lao Sun cursed: “What are they doing?”

“Being scared away by a little cultivator in the Tribulation Realm, this Lao Zhou is too cowardly, right?”

Lao Cao was also puzzled!

“This cowardly guy, when I go back, I will definitely report to the leader and punish this guy.”

Lao Sun was full of anger, and then continued: “Lao Cao, the two of us can also destroy David, just in time to divide the things on him, and we can also get a hundred years of offerings.”

“Can the two of us do it?”

Lao Cao saw that Sect Master Zhou ran away with his disciples, and his heart began to beat!

Old Sun frowned and said, “Why not? Can’t we two fourth-grade Mahayana realm masters deal with David? Don’t hesitate. If the people from the Xiao Dynasty come, we will be passive.”

Old Cao looked at the God King Bow in David’s hand, and finally gritted his teeth and said, “It’s agreed that if you kill David, I want the God King Bow...”

Old Sun could only nod helplessly and said, “Okay, as long as you kill David, you can choose whatever you want!”

“Let’s do it...”

Old Cao was instantly energized when he heard it!

The two people turned into a stream of light and went straight to David!

Even if Old Sun broke one of his palms, it didn’t affect his strength at all!

Seeing this, David took a deep breath and put away the God King Bow. The previous attack had almost consumed his Dao Pattern Evil Qi!

Holding the Dragon Slaying Sword tightly with both hands, David planned to burst out the final blow!
