### **Chapter 4486**

After this attack, no matter what the result is, the Red Cloud Demon Lord will take over!

“Boy, you are about to die. If you let me take over, I dare not. When the time comes, I will explode a little, and your whole body will be completely finished.”

The Red Cloud Demon Lord knew what David was thinking, so he said it in advance!

But at this time, David had no way out, and the two people were about to arrive!

“Ten thousand swords return to the sect...”

David slashed with a sword!

He used the Ten Thousand Swords Sect’s unique

skill, the Ten Thousand Swords Return to the Sect! I saw that this sword slashed down, and the void was instantly torn into a gap. The powerful force made the world tremble! Even

the monks who were hundreds of miles apart looked here with horror at this time!

Between heaven and earth, countless sword beams fell from the sky, heading towards Lao Sun and Lao Cao from all directions!

David’s body kept retreating in this sword light, and Lao Sun and Lao Cao were also forced to retreat again and again by the sword light, and they kept bursting out shields to resist the sword light!

But even so, they all had more than a dozen wounds of varying sizes on their bodies. Although none of them were fatal, it was outrageous enough that a seventh-grade cultivator in the Crossing Tribulation Realm injured two fourth-grade cultivators in the Mahayana Realm!

At this time, David’s body was already extremely weak. The sword just now almost exhausted all the strength in his body!

He was seen using his sword to support the ground, and blood was constantly flowing out of his body!

If it weren't for David's strong body, the sword just now would have backfired on David himself!

David didn't even dare to think about injuring two fourth-grade cultivators in the Mahayana Realm with one sword!

He only relied on the belief of dying together in the end and bursting out the last strength in his body to achieve this step!

Although he injured two people, it was not fatal at all!

But the recoil that David suffered made him almost fall into a coma!

Given the condition of his body, even if the Scarlet Cloud Demon Lord controlled it, it would be useless!

The Scarlet Cloud Demon Lord only needed to exert a little force, and this body would be destroyed!

"This kid is finished. Now we just need to blow a little, and he will probably die."

Lao Cao saw David's situation and smiled coldly!

"Yes, this kid is already at the end of his strength, but he can block our two attacks and hurt us, which is enough for him to brag about outside." After

Lao Sun finished speaking, he slowly walked towards David!

In their eyes, David has become a lamb to be slaughtered!

"Boy, run..."

Seeing this, the Red Cloud Demon Lord said to David!

But David suddenly smiled: "Run? You can't run away..."

David knew that he couldn't run away today!

David threw away the Dragon Slaying Sword in his hand, and actually slowly sat down cross-legged!

As David sat down, the three terrifying auras in David's body continued to flow!

The power of the three tribes slowly wrapped around David's body, and then condensed into a long sword!

At the same time, David's body burned with flames, and the colorful fireworks looked particularly beautiful!

The sky became dark, and stars appeared above David's head. Some stars were dim, and some were bright!

Among those stars, there were all kinds of auras, constantly condensing in the long sword!

David's face was extremely ugly, as ferocious as a ghost!

The soul in his body was melting at a terrifying speed!

David burned all his strength, and even revealed the origin space!

He could die, but he had to let the two people in front of him die with him!

In the sky, the stars flickered, and the ground under his feet flickered with white light, forming a huge Bagua figure!

The sky and the earth echoed each other, and terrible power spread between the sky and the earth!

## **Chapter 4487**

Seeing this, Lao Sun and Lao Cao were dumbfounded!

They had never seen such a scene before, it was like the end of the world!

“What are the stars in the sky and the patterns on the ground?”

“What is contained in this guy's body? The condensed sword seems to have the power of the human race, the demon race and the beast race. Is it the power of the three races?”

“And the flame, there is actually the breath of the demon race's fire. There are probably many kinds of flames. Could this be cultivated by this guy?”

Lao Cao opened his eyes wide and looked at it in disbelief!

After the voice fell, the body retreated rapidly like a cannonball, without the slightest hesitation!

Seeing this, Lao Sun also hurriedly retreated!

No one of them is looking down on David, a seventh-grade cultivator in the Tribulation Realm!

Especially Lao Cao, who cursed in his heart that he might as well have run away with Sect Master Zhou just now!

Who knows that David, who is only at the seventh level of the Tribulation Realm, can burst out with such unimaginable power!

Buzz!

Suddenly, the world seemed to be reset and instantly restored to its original state!

The stars disappeared, and the Bagua figure on the ground also disappeared!

David spit out a mouthful of blood, and his body slowly fell down!

He could feel his life slipping away rapidly!

David's eyes began to blur, and all kinds of past events kept flashing through his mind!

But just as David's eyes slowly closed and the soul in his body began to leave his body, a white light appeared!

The white light seemed to flash suddenly, and after the white light flashed, a middle-aged man appeared in front of David!

A hand gently lifted David!

With the soft light wrapping around David's whole body, the soul that had left the body returned to David's body!

Lao Cao and Lao Sun stared at the middle-aged man in front of them, all dumbfounded!

Because they didn't find out how this person appeared, as if he suddenly appeared in front of them out of thin air!

You know, they are fourth-grade cultivators in the Mahayana realm. Even at the fastest speed, they can see the clues.

But the middle-aged man in front of him couldn't tell how he appeared at all!

“Who are you?” Lao Sun asked the middle-aged man!

The middle-aged man stroked David’s messy hair, and then looked at Lao Sun and Lao Cao and said, “You don’t deserve to know who I am!”

“Damn, you’re quite pretentious...”

Lao Sun frowned when he heard it, and then a terrifying breath swept towards the middle-aged man like a mountain torrent!

The middle-aged man didn’t move, but the terrifying breath disappeared without a trace before it got close!

Lao Sun was stunned and looked at the middle-aged man in front of him in disbelief!

Lao Cao had seen the strength of the middle-aged man at this moment, and said with an ugly face: “Lao Sun, let’s go...”

After saying that, Lao Cao jumped up and was ready to leave!

But when Lao Cao just jumped up, he suddenly seemed to be blocked by something and fell down instantly!

Seeing this, Lao Sun also tried to retreat, but he found that he could only retreat three steps. After three steps, no matter how hard they tried, they couldn’t move at all!

This time, both of them were scared. You know, the middle-aged man in front of them didn’t move from beginning to end, but the two of them couldn’t leave!

“Mr. Shi...”

At this moment, David slowly opened his eyes and looked at the middle-aged man in front of him. David laughed!

But just after shouting the three words Mr. Shi, he closed his eyes again!

Lao Cao and Lao Sun frowned, thinking hard about who Mr. Shi was?

Mr. Shi put David on the ground, and then he formally looked at Lao Sun and Lao Cao.

Mr. Shi’s face was expressionless, and his eyes did not show any emotion!

## Chapter 4488

But at this glance, Lao Cao and Lao Sun only felt their hearts tighten, and the two people's souls instantly left their bodies!

The flesh fell heavily to the ground, and they were directly scared to death!

The two people with only souls left were panicked and ran around, but even if only the souls were left, they still couldn't escape this area!

Mr. Shi opened his palm slightly, and the souls of the two people were instantly sucked over, and then caught in his palm.

"Take your two souls to restore his strength!"

After Mr. Shi finished speaking, he rubbed his palms twice, and the souls of Lao Cao and Lao Sun turned directly into a white light and were thrown into David's body!

The two fourth-grade cultivators of the Mahayana realm were not even ants in Mr. Shi's eyes!

At this time, even the Red Cloud Demon Lord in David's sea of consciousness was hiding in the corner and trembling, fearing that Mr. Shi would find him!

Such a powerful person, but repeatedly helped David, the Red Cloud Demon Lord didn't understand what David's identity was!

More than a dozen figures were approaching quickly in the distance, and soon Xiao Feng arrived with the masters of the Xiao Dynasty! After

seeing Mr. Shi, Xiao Feng and the masters of the Xiao Dynasty were all slightly stunned, and then their faces changed drastically, as if they were facing a great enemy!

Although Mr. Shi did not show any murderous intent, and there was no breath leaking, at the moment of seeing Mr. Shi, everyone felt that their hearts were like being tugged by something!

The masters of the Xiao Dynasty blocked Xiao Feng behind them and looked at Mr. Shi warily!

"Are you here to pick him up?"

Mr. Shi asked Xiao Feng!

"Yes!" Xiao Feng pushed away the people in front of him and walked towards Mr. Shi!

“He is a great opportunity for your Xiao Dynasty, grasp it...”

After Mr. Shi finished speaking, he smiled slightly, and his figure disappeared!

It was as if there was no one here just now!

Xiao Feng and the masters of the Xiao Dynasty were shocked!

Xiao Feng did not understand what Mr. Shi said. He did not understand what great opportunity David had!

“Come here, take Mr. Chen back...”

Xiao

Feng ordered someone to take David back!

David was quickly brought back to the Xiao Dynasty. After Ji Yun knew that David was seriously injured, he immediately blamed himself!

He had been following David, and now David secretly left, and he didn't even know!

Ji Yun could imagine that the Demon Sealing League must have been chasing him closely recently, and David didn't want him to be implicated, so he left without saying goodbye!

Xiao Feng sent a large amount of resources, and then asked Ji Yun to take care of David!

He dispatched troops and began to defend the imperial city!

Xiao Feng knew that the people of the Demon Sealing League would be here soon!

The headquarters of the Demon Sealing League.

The news of the death of Lao Sun and Lao Cao had already spread!

Two fourth-grade cultivators in the Mahayana realm fell just like that. This was indeed a bit shocking for everyone in the Demon Sealing League!

“Alliance leader, the people from the Xiao Dynasty were about to arrive, and there was no chance to kill David.”

“I had already shouted at them to leave, but they didn't listen at all. They wanted to get the God King Bow in David's hand.”

“In the end, they were surrounded and killed by the people from the Xiao Dynasty. Fortunately, I reacted quickly and escaped back with two disciples.”

Sect Master Zhou followed Zuo Tianzheng to talk about the situation that day!

In fact, Sect Master Zhou didn't know about the death of Lao Sun and Lao Cao at all. He only heard about it after returning to the headquarters of the Demon Sealing Alliance!

After hearing that Lao Sun and Lao Cao were dead, Sect Master Zhou was still relieved for a long time!

However, he also knew that he had to report this matter half-truthfully!

Otherwise, if he escaped back privately, he would definitely be punished!

“Old Zhou, it must be because you are greedy for life and afraid of death, and you asked for it privately, so Lao Sun and Lao Cao died tragically.”

“You guy, you are not loyal to the Demon Sealing Alliance at all!”

Someone angrily accused Sect Master Zhou!

## **Chapter 4489**

“You're talking nonsense. I'm loyal to the Demon Sealing Alliance, otherwise I wouldn't have gone to the Xiao Dynasty to declare war.”

“Why don't you go if you have the guts? If you had gone, you might have died in the Xiao Dynasty.” Sect

Master Zhou yelled in exasperation!

He would never admit that he was afraid of death and was disloyal to the Demon Sealing Alliance!

“Okay...” Zuo Tianzheng waved his hand, and everyone shut up instantly!

Although the death of two fourth-grade Mahayana cultivators was indeed a loss for the Demon Sealing Alliance, it didn't make Zuo Tianzheng angry!

“Elder Chu, how is your business going?”

Zuo Tianzheng asked!

“Alliance leader, everything has been arranged. Xiao Jian and his men have already gone to the imperial city of the Xiao Dynasty.”

“All the Mahayana masters of the Xiao Dynasty have been summoned to the imperial city, intending to confront our Demon Sealing Alliance.”

Elder Chu said!

Zuo Tianzheng smiled slightly: “That’s good. If we catch all the masters of the Xiao Dynasty, the entire Xiao Dynasty will no longer be able to resist.”

After that, Zuo Tianzheng looked at Master Zhou and said, “Master Zhou, you have made great contributions to the Xiao Dynasty this time, and you also know something about the Xiao Dynasty, so I want you to lead people to attack the Xiao Dynasty.”

“Everyone will obey your orders, but you must take down the Xiao Dynasty for me.”

Master Zhou was stunned when he heard it. He never thought that Zuo Tianzheng would give him such a big task!

“Leader, I...”

Master Zhou didn’t want to stop such a big thing. He knew in his heart that the more things he took care of, the faster he would die!

“I will let Elder Chu accompany him. He has already made arrangements. The Xiao Dynasty can be easily taken down.”

Zuo Tianzheng didn’t wait for Master Zhou to refuse, and spoke directly!

Master Zhou heard it, and finally nodded helplessly and agreed!

The other members of the Demon Sealing Alliance were all confused, not understanding why Zuo Tianzheng chose Zhou Zongzhu, a coward who was afraid of death, to lead them!

However, since Zuo Tianzheng had spoken, no one dared to refute him. This was the rule of the Demon Sealing Alliance!

After everyone dispersed, Zhou Zongzhu sighed!

He knew that he could not bear such a heavy responsibility!

It seems that Zuo Tianzheng is determined to let him die!

“Sect Master, you are awesome now, and you can lead these guys from the Demon Sealing League.”

“Many of these guys look down on us, and you can take this opportunity to deal with them!”

Tianluo excitedly walked to the side of Sect Master Zhou and said!

Sect Master Zhou glared at Tianluo fiercely, wishing to slap him to death!

This guy, there is really something wrong with his brain!

Seeing the expression of Sect Master Zhou, Tianluo was frightened and retreated instantly!

Sect Master Zhou walked to Elder Chu and said, “Elder Chu, please give me more advice on the attack on the Xiao Dynasty.”

“Sect Master Zhou, don’t be nervous. The second prince of the Xiao Dynasty has been bribed by me. He is a member of our Demon Sealing League. There is no need to be afraid!”

Elder Chu encouraged Sect Master Zhou!

“That’s good, then we will set off now!”

Sect Master Zhou breathed a sigh of relief, and then ordered everyone from the Demon Sealing League to set off!

The Demon Sealing League dispatched hundreds of people, and there were nearly a hundred people in the Mahayana realm alone!

However, these Mahayana realms were almost all demon cultivators. Almost all the demon cultivators cultivated by the Demon Sealing League over the years were dispatched!

Hundreds of people marched towards the Xiao Dynasty in a mighty manner!

At this time, Xiao Feng also dispatched troops and generals. The entire imperial city had thousands of guards, and there were dozens of Mahayana masters summoned from all over the country!

“Prince, the Mahayana masters summoned from all over the country have arrived. Now only the people from Canglang City have not arrived.”

Yu Wenqiang whispered to Xiao Feng!

“Canglang City is just a small border town. I guess there are no masters. Come if you want!”

Xiao Feng heard it, so he waved his hand and said!

He didn't know at all that the person guarding Canglang City was his half-brother, and there were dozens of Mahayana masters in Canglang City!

These are the forces that Xiao Jian has developed after guarding Canglang City for so many years!

At this moment, Xiao Jian was also rushing to the imperial city with the masters of Canglang City!

## **Chapter 4490**

“Report...”

“Prince, hundreds of monks from the Demon Sealing League have arrived at the city gate, and our guards guarding the city gate have been killed.”

At this time, a guard hurried to report!

“So fast?” Xiao Feng frowned, then looked at Yu Wenqiang and said, “Prime Minister Yu, what should we do?”

After all, it was the first time that Xiao Feng encountered such a major event, so he was a little undecided!

“Prince, order the city defense formation to be activated, and then let the entire imperial city activate the formation to prevent these people from the Demon Sealing League from attacking too quickly!”

Yu Wenqiang said!

“Yes, do it immediately according to Prime Minister Yu's order and activate the city defense formation!”

Xiao Feng ordered loudly!

Soon, the formation of the entire imperial city was slowly opened!

And Sect Master Zhou and Elder Chu led the people of the Demon Sealing League, killed the guards guarding the city gate, and walked into the imperial city!

The moment they walked into the imperial city, the people of the Demon Sealing League were all shocked!

The imperial city of the Xiao Dynasty is worthy of being the largest city in the entire Tianren Realm. It is hundreds of miles in radius, and countless buildings soar into the sky, luxurious and simple!

Especially the buildings in the city, each building has a formation rune shining brightly, exuding a terrifying pressure. If so many buildings are opened at the same time, the solidity is naturally needless to say!

“If we defeat the Xiao Dynasty this time, such a beautiful imperial city will be ours. It’s exciting to think about it.”

“I heard that the palace maids in the Xiao Dynasty are all beautiful like fairies. It would be wonderful to catch one of them for dual cultivation.”

“I can’t wait any longer. Where are the people from the Xiao Dynasty? Why don’t they come out?”

Those people from the Demon Sealing League can’t wait, and they can’t wait to defeat the Xiao Dynasty and occupy the imperial city!

At this moment, the formation in the imperial city was suddenly activated, and the entire imperial city was shrouded, and the buildings in the imperial city also began to form a formation, so that the people of the Demon Sealing League couldn’t even step into a house.

Looking

at the formation that suddenly opened, it was obvious that many people from the Sealing Demon League were panicking, and even Sect Master Zhou frowned slightly!

But Elder Chu seemed to have expected it, and said lightly: “Break the formation...”

Elder Chu said a word, and more than a dozen white lights shot out from the many cultivators of the Sealing Demon League!

These lights rushed straight into the sky, and after touching the formation on the imperial city, they immediately scattered like fireworks.

In just a few short breaths, the formation on the imperial city disappeared, and even the formations around the surrounding buildings disappeared inexplicably!

Seeing this scene, many cultivators of the Sealing Demon League were all excited!

However, those subjects of the Xiao Dynasty who were hiding began to feel a little uneasy!

Hundreds of cultivators of the Sealing Demon League emitted bursts of black mist. In just a moment, the entire imperial city was shrouded in black mist!

Xiao Feng and others looked at the sky that suddenly turned dark, and everyone looked solemn!

Behind Xiao Feng, there are thousands of imperial city guards, and there are dozens of Mahayana realm guards!

Xiao Feng is riding on a tall and ferocious lion-tiger beast, showing the king's domineering aura!

Xiao Feng, who has become the crown prince, is leading so many people to fight for the first time!

Although he is a little nervous, he is more excited. After all, this is the imperial city of the Xiao Dynasty, and they are fighting at home!

In addition to the thousands of imperial city guards behind him, there are hundreds of thousands of subjects in the entire imperial city. These are also cultivators, not ordinary people!

It is impossible for a demon-sealing alliance to annex the Xiao Dynasty!

This is where Xiao Feng's confidence lies!

Yu Wenqiang's body is suspended on the side of Xiao Feng, protecting Xiao Feng at all times!

In front of the many guards, three fourth-grade generals of the Mahayana realm, wearing platinum armor, are shining with precious light. Behind those guards, there are all kinds of magic weapons, including more than a dozen spirit beasts that are also roaring!

This momentum is extremely powerful. At a glance, if it is that casual cultivator, it is estimated that there is no need to fight, and he will be scared to death!
