Chapter 4491

This is also the family background of the Xiao Dynasty. It is impossible to stand in a place like the Heavenly Realm for so many years and control a large area of land in the entire Western Region without real strength!

Soon, the people of the Demon Sealing League and the guards of the Xiao Dynasty appeared in each other's sight!

At this moment, everyone stopped, and the sky and the earth seemed to solidify, with war clouds and fighting spirit!

Neither side took action, but the terrifying pressure has made it difficult for many cultivators of low realms to resist!

Just as the two sides were tit-for-tat, in the headquarters of the Demon Sealing League!

Zuo Tian was standing respectfully in a small room, with a huge black hole in front of him constantly rotating!

As the black hole rotated faster and faster, a force that was enough to shock the soul slowly emerged from the black hole!

Feeling this power, Zuo Tianzheng's face changed slightly, and then he knelt on his knees, crawled on the ground and said: "Zuo Tianzheng of the Demon Sealing Alliance, welcome the Tenth Prince!"

As Zuo Tianzheng's voice sounded, the black hole suddenly stopped rotating, and a figure slowly walked out of the black hole! After

the figure walked out, the black hole slowly disappeared, and Zuo Tianzheng still lay on the ground and dared not look up!

"Get up..."

The person said to Zuo Tianzheng.

This voice turned out to be the voice of a child, and it sounded like he was only in his teens.

Zuo Tianzheng's body trembled slightly, and then he slowly got up. When he saw that there was a teenager in front of him, with a childish face and a lollipop in his hand, his expression became a little overwhelmed!

He didn't know at all that the Tenth Prince would be a teenager, with a pure look in his eyes!

However, Zuo Tianzheng was confused, but he did not dare to show it, because he knew that even a child was not something he could despise!

"My father told me to come and help you. The Xiao Dynasty is not something you can deal with."

The Tenth Prince said in a muffled voice while holding a lollipop!

"Tenth Prince, I have sent people to the Xiao Dynasty and instigated the second prince of the Xiao Dynasty to rebel, so there will be no surprises in taking down the Xiao Dynasty this time."

Zuo Tianzheng said!

"Humph, ignorant..." The Tenth Prince snorted coldly, his eyes full of contempt!

Zuo Tianzheng, the leader of the Demon Sealing League, looked worse than shit in the eyes of this child!

Zuo Tianzheng was sweating coldly in an instant.

Because he felt the threat of death from that contemptuous look!

The Tenth Prince stepped out of the room, and Zuo Tianzheng followed tremblingly behind him!

He came to the hall of the Demon Sealing League headquarters, and the Tenth Prince sat on the main seat, and Zuo Tianzheng stood aside!

The entire hall was empty, and the Tenth Prince was still eating a lollipop, and waved it lightly!

In the middle of the hall, a white light flashed, and a picture appeared instantly!

In this picture, it turned out to be the imperial city of the Xiao Dynasty, where Xiao Feng led people to confront many monks of the Demon Sealing League.

Seeing this scene, Zuo Tianzheng's expression tightened, and his fear of the Tenth Prince deepened a little!

At the same time, deep in the Huofen Sect, Wen Haotian suddenly opened his eyes. Although his face was still very pale, there was a bit of surprise in his eyes.

"They finally appeared..." Wen Haotian said, and closed his eyes again!

And Mr. Shi in the deep mountain mansion was also staring at the land of the North Territory: "Here they are, they are finally here."

At the same time, all the people in the heavenly world who were trapped in the heavenly world seemed to sense something at the same time!

They stared in the same direction, and their expressions were different!

"Brother, I didn't expect they still exist." Zhenmo said!

"They have never disappeared, but we don't want to admit it!"

The ancestor of the divine pattern sighed lightly, as if he had indescribable feelings in his heart!

Chapter 4492

In the imperial city of Xiao Dynasty!

The two sides have been confronting each other for a long time, and no one has taken the initiative!

"Anyone who dares to provoke my Xiao Dynasty must be killed..."

Xiao Feng couldn't sit still anymore, and raised his arm and shouted!

"Kill..."

Along with the roar of killing, countless terrifying auras burst out from the Xiao Dynasty!

Boom!

These auras crushed the army, which was extremely terrifying!

The violent aura exploded and crushed with overwhelming force!

Seeing this, many cultivators of the Demon Sealing League also burst out with their auras, and barriers appeared one after another to block the attack of the guards of the Xiao Dynasty!

"Kill..."

Many cultivators of the Demon Sealing League also roared, the sound was like thunder, and everyone burst out with the strongest combat power!

The melee began!

Boom boom boom...

The powerful aura was raging. In this level of melee, every blow could cause the world to change color and take away the life of a cultivator!

All kinds of buildings in the imperial city turned into ashes, and the entire imperial city turned into ruins in an instant!

Among the hundreds of thousands of subjects, those monks who could withstand the pressure of the battlefield spontaneously joined the battle!

They knew the truth that the lips and teeth are cold. If the Xiao Dynasty fell, their peaceful and free life would no longer exist!

Ji Yun was protecting David at this moment, and his expression was very nervous, because he didn't know when this horrible scene would stop!

He could only fight with his own strength, hit a shield, and protect David's safety!

David is extremely weak now. If he is attacked, he will definitely be wiped out!

At this time, Xiao Yuanshan, who was sitting in a secret room, seemed to be deaf to the battle outside. He didn't seem to care about the dead subjects and guards!

At the same time, at the headquarters of the Demon Sealing League, Zuo Tianzheng, who was watching the melee on the scene, gradually had a smile on his face, because the Demon Sealing League was gaining the upper hand at the moment!

If

this situation develops first, the Xiao Dynasty will be destroyed. You must know that they still have a backup plan, that is the second prince of the Xiao Dynasty!

If Xiao Jian brings people to arrive at this time, the balance of victory will be more tilted to their side!

“Your Highness, after today, the Xiao Dynasty will also become the power of our Demon Sealing League.”

Zuo Tianzheng said with some pride to His Highness the Tenth Prince!

But who knows that His Highness the Tenth Prince smiled coldly: “Do you have lollipops? Go find me a few!”

Zuo Tianzheng was stunned, but he didn't dare to say anything, so he could only go to find lollipops.

At this time, the melee in the imperial city gradually came to an end. You must know that the duel between masters is just a matter of one move and one style!

When the battle stopped completely, both sides suffered casualties, but the thousands of guards on the Xiao Dynasty side were mostly killed and wounded, and even more than 30 Mahayana monks fell!

You must know that the masters of the Mahayana realm are the mainstay of the Xiao Dynasty, and each one is extremely precious!

At this moment, Xiao Feng looked at the scene in front of him, his face was extremely ugly!

Is this battle going to bury all the accumulation of the Xiao Dynasty for many years?

How can he explain it to his father?

At this moment, Zhou Zongzhu was smiling, and Tianluo and Tiansha beside him were also happy!

Although many people in the Demon Sealing League were also killed and injured, and nearly a hundred Mahayana cultivators also suffered dozens of casualties, but they didn't care at all!

He only cared about his own life, as long as he didn't die!

What's more, they still have a backup!

Because Elder Chu's realm was low, he ran far away when the melee started!

At this moment, returning to the battlefield, looking at the dead and injured people, Elder Chu also had no expression at all!

After all, these people are demon cultivators, they are just dogs raised by the Demon Sealing League!

If they die, they die!

Originally, these demon cultivators were secretly cultivated in the Demon Sealing League, and they were never put on the surface!

"It should be here soon..." Elder Chu looked at the sky, he knew that Xiao Jian would bring people here soon!

Chapter 4493

"Prime Minister Yu, what should we do?"

Xiao Feng was a little undecided at this moment. If the fight continued, the Mahayana masters of their Xiao Dynasty would probably be killed or injured!

However, the people of the Demon Sealing League were not afraid of death at all. Even if these demon cultivators died, they would not be able to shake the foundation of the Demon Sealing League!

No one expected that the Demon Sealing League secretly raised so many demon cultivators, and many of them were Mahayana masters! An

alliance organization that eliminates demons and defends the way has now become a gathering place for demon cultivators. It is somewhat ironic!

"Don't worry, Prince. We still have masters from Canglang City who haven't arrived yet. When they arrive, none of these people from the Demon Sealing League will be able to escape."

Prime Minister Yu said!

“Prime Minister Yu, that Canglang City is just a small border town. How many masters can there be? It’s probably good to have a few Mahayana masters.”

Xiao Feng sighed lightly. Even if these Mahayana masters came, they couldn’t change the situation at all!

Just as Xiao Feng finished speaking, there was a sudden rumbling sound!

The dark black fog in the sky was all dispersed in this loud noise!

The imperial city, which was just filled with black fog, became bright at this time, and at the same time, a strong breath came from afar!

Crackling...

Suddenly, thunder began to flash in the sky. These thunders were not thunder tribulations, nor were they ordinary lightning!

Instead, they were red lightning with a bit of pressure. Each lightning burst out with terrifying power, making everyone present feel suffocated!

Everyone couldn’t help but look up at the sky. The oppressive power was getting closer and closer!

Feeling this power, whether it was the people of the Demon Sealing League or the guards of the Xiao Dynasty, they all breathed quickly!

Everyone looked very unhappy, because they didn’t know which camp the owner of this power belonged to!

Yu Wenqiang felt this power with a bit of shock on his face!

He knew who was coming, but he didn’t expect that there would be such a powerful person among the other side.

Gradually, dozens of monks slowly appeared in everyone’s sight!

The leader was a very young monk, wearing a scarlet armor, full of heroic spirit!

Next to this monk was an old monk, with wide sleeves bulging, and red lightning shot out from the wide sleeves!

“Prince, it’s the people from Canglang City who are here!”

Yu Wenqiang said to Xiao Feng!

Xiao Feng was shocked and looked at these people in front of him in disbelief. Each of them was in the Mahayana realm, especially the old monk, whose strength was so terrifying that he couldn't see the realm at all!

“Prime Minister Yu, when did Canglang City have so many masters? Is it the emperor's backhand?”

Xiao Feng thought that these people were arranged by Xiao Yuanshan a long time ago!

Yu Wenqiang did not answer, because he didn't know how to answer Xiao Feng, because Xiao Jian was indeed arranged by Xiao Yuanshan in Canglang City!

It's just that Xiao Jian's development of power was beyond Yu Wenqiang's expectation!

And when Elder Chu saw Xiao Jian coming, he also smiled!

Xiao Jian brought dozens of Mahayana masters and looked down at everyone in the field!

Now, who will win between the Demon Sealing League and the Xiao Dynasty depends on Xiao Jian's thoughts!

“Prince Xiao, you came at the right time...”

Elder Chu smiled when he saw Xiao Jian!

Xiao Jian did not speak, but his eyes fell on Xiao Feng, the elder brother he had never met!

Xiao Feng also felt Xiao Jian's gaze, and followed Xiao Jian's eyes!

However, when he heard Elder Chu call Xiao Jian Prince Xiao, Xiao Feng was directly stunned!

“Prime Minister Yu, who is this person? What is his position in Canglang City?”

“Why don't you come to pay homage to me when you are in the imperial city?”

“What's the matter with the people from the Demon Sealing League calling him Prince Xiao?”

Xiao Feng asked Yu Wenqiang!

Chapter 4494

Because Xiao Feng actually felt a king's aura from Xiao Jian!

Yu Wenqiang didn't know how to answer Xiao Feng, but when he saw that Elder Chu directly called out Xiao Jian's identity, he was also very shocked!

After all, Xiao Jian was the prince of the Xiao Dynasty, not many people knew it, and now even the people of the Demon Sealing League knew it, which made Yu Wenqiang feel a little uneasy!

Yu Wenqiang jumped and came directly in front of Xiao Jian, and then said: "Welcome the second prince back to the court..."

"Prime Minister Yu, I haven't seen you for many years, and your strength has become much stronger!"

Xiao Jian saw Yu Wenqiang and smiled slightly!

"Second Prince, your power in Canglang City is not small. You have cultivated so many masters of the Mahayana realm, and you have the support of this enlightened monk."

"But the second prince knows that Emperor Xiao doesn't like people below to cultivate power."

Yu Wenqiang reminded Xiao Jian!

Now Xiao Jian's strength is too great, it is threatening the entire Xiao Dynasty!

Xiao Feng's current strength and power are no match for Xiao Jian!

"Prime Minister Yu, what if my father doesn't like me to cultivate power?"

Xiao Jian suddenly smiled coldly!

The old monk beside him suddenly attacked Yu Wenqiang, and with a wave of his sleeves, a red lightning blasted towards Yu Wenqiang!

Yu Wenqiang didn't expect Xiao Jian to suddenly attack, and he couldn't dodge in time. He was hit by lightning and his body fell down instantly!

"Prime Minister Yu..."

Seeing this, Xiao Feng hurried forward to catch Yu Wenqiang!

"Second Prince, you..."

Yu Wenqiang was shocked and looked at Xiao Jian!

“Prime Minister Yu, don’t blame me. I’ve been locked up in Canglang City, a place where no one lives. I’ve had enough.”

“I’m also a prince of the Xiao Dynasty. My current strength and power are not comparable to my brother. Why is he the crown prince?”

“This is unfair. Father is not fair at all. How much did father pay for this brother who once went crazy, but how much did he pay for me?”

“I came here today to seize the throne. From now on, I will be the Xiao Emperor of the Xiao Dynasty...”

“Hahaha...”

Xiao Jian became more and more excited as he spoke, and he laughed with his head raised!

Elder Chu and the people of the Demon Sealing League laughed wildly when they saw this scene!

“Elder Chu, you are really a man of strategy!”

Sect Master Zhou flattered Elder Chu!

Now that they suddenly have so many Mahayana masters to help, these people from the Xiao Dynasty can’t resist at all!

Yu Wenqiang’s face was very ugly. He didn’t expect this result!

“Prime Minister Yu, what is going on? Who is this person?”

Xiao Feng asked Yu Wenqiang.

Yu Wenqiang could only sigh helplessly and told Xiao Feng about Xiao Jian’s identity!

Xiao Feng’s face was full of shock. He never knew that he actually had a half-brother!

They had been imprisoned in Canglang City for so many years and had never met!

Looking at Xiao Jian in front of him, Xiao Feng suddenly felt a little ashamed!

Whether it was Xiao Jian’s realm or Xiao Jian’s power, he was indeed not comparable to him!

As a prince of the Xiao Dynasty, he became crazy for a woman!

Looking at this Xiao Jian, he obviously had the aura of a king!

“Brother, if you want the status of the crown prince, I can give it to you. As a prince of the Xiao Dynasty, are you going to watch the Xiao Dynasty being destroyed by the Demon Sealing League?”

Xiao Feng planned to give up his status as the crown prince in order to get Xiao Jian’s help!

If Xiao Jian stood with the people of the Demon Sealing League, it would be difficult for the Xiao Dynasty to survive the disaster this time!

“Crown Prince?” Xiao Jian snorted coldly: “I don’t want the title of crown prince now, I want the throne!”

After Xiao Jian finished speaking, he led his men to the side of the Demon Sealing Alliance!

Seeing this, Elder Chu was so happy that he smiled and promised: “Prince Xiao, don’t worry, we in the Demon Sealing Alliance will definitely support you to sit on the throne!”

Chapter 4495

“Thank you, Elder Chu. I hope that our Xiao Dynasty and the Demon Sealing League can continue to cooperate in the future and unify the entire Heavenly World!”

Xiao Jian said with a smile!

“Hahaha, that’s for sure...” Elder Chu laughed loudly!

At this time, in the lobby of the Demon Sealing League headquarters, Zuo Tianzheng’s mouth was already cracked with joy to his cheeks!

“Your Highness the Tenth Prince, I’ve said that the Xiao Dynasty is nothing more than this. It only takes a little trick to destroy the Xiao Dynasty!”

“Now you see, it won’t take a quarter of an hour for the Xiao Dynasty to change dynasties!”

Zuo Tianzheng said happily!

He wanted to get the praise of His Highness the Tenth Prince, and then let His Highness the Tenth Prince know that he had made this trip in vain!

Although the Xiao Dynasty was powerful, it was still taken down by himself!

But who knew that His Highness the Tenth Prince just smiled slightly, with a hint of intriguing smile on his face!

This smile appeared on the face of a teenager, which made people feel a little confused!

In the imperial city, Yu Wenqiang glared at Xiao Jian, saying, "Second Prince, are you really going to betray the Xiao Dynasty and Emperor Xiao?"

"He is your father, how could you kill each other?"

Yu Wenqiang wanted Xiao Jian to wake up and not be used by the Demon Sealing Alliance!

"Prime Minister Yu, shut up. If you stand on my side now, I can continue to be the prime minister of the Xiao Dynasty."

"But if you are still loyal, don't blame me for being rude."

Xiao Jian said to Yu Wenqiang!

Yu Wenqiang knew that Xiao Jian was determined to seize the throne, so he stopped persuading him, but his aura soared!

"As long as I am here, I will not let anyone destroy the Xiao Dynasty!"

Yu Wenqiang's aura permeated the entire imperial city.

Yu Wenqiang is really capable of becoming the prime minister of the Xiao Dynasty!

Feeling Yu Wenqiang's aura, Elder Chu said to Xiao Jian: "Prince Xiao, the next thing is up to you. If you need help, we can take action at any time!"

Elder Chu wants Xiao Jian to bring people to fight with Xiao Feng, so that the people of Xiao Dynasty will kill each other!

They, the Demon Sealing League, can reap the benefits. If Xiao Jian's forces also suffer heavy casualties at that time, then the Demon Sealing League can completely swallow up the Xiao Dynasty, and Xiao Jian doesn't have to do anything Xiao Huang!

"Elder Chu, just watch the show!"

Xiao Jia smiled slightly, and suddenly his face turned cold, and he grabbed Elder Chu's neck directly!

At the same time, the people brought by Xiao Jian also attacked the monks of the Demon Sealing League around him!

Because it was too sudden, many monks of the Demon Sealing League did not react and died directly!

Elder Chu was stunned, and even Yu Wenqiang and the others were stunned!

The sudden change of this word was so fast that they didn't react at all!

"Prince Xiao, you...what are you doing?"

Elder Chu asked in shock!

"What do you think?" Xiao Jian smiled coldly: "You, the Demon Sealing League, still want to alienate me and my father. It's ridiculous. It's my own choice to guard Canglang City, not forced by my father."

"My eldest brother was named the crown prince, and I'm not jealous at all. I'm happy for my eldest brother."

"Your little tricks should be used on others!"

Puff!

Xiao Jian exerted force suddenly, and Elder Chu's neck was instantly broken. After a mouthful of blood spurted out of his mouth, there was no sound!

After Elder Chu died, Sect Master Zhou turned around and ran away immediately, even Tianluo and Tiansha didn't care! As soon as Sect

Master Zhou ran, many cultivators of the Demon Sealing League suddenly made a mess and began to flee for their lives!

"Kill..."

Xiao Jian raised his arm and shouted, and the cultivators he brought began to chase and kill the people of the Demon Sealing League!

Xiao Feng also woke up from his shock at this moment, and waved his hand and said: "Kill them, don't let any of the people from the Demon Sealing League go!"

This time, the monks of the Demon Sealing League became prey and were chased by the guards of the Xiao Dynasty!
