Chapter 4501

“Second Prince, why would this Wuliang Master fight so hard for you?”

David asked Xiao Jian puzzledly!

After all, these people in the heavenly realm are very arrogant and look down on these cultivators in the heavenly realm!

“I don’t know either. I also met Master Wuliang by chance. He said that I have wisdom and am the reincarnation of Buddha, so he has been with me.”

Xiao Jian said truthfully!

David was speechless when he heard it. Could this reincarnation of Buddha really exist?

Isn’t this a trick to deceive people?

“Boy, you don’t understand. The ancestors of these Buddhist lands do need to reincarnate and practice. It takes a thousand years for one reincarnation, and the reincarnation practice is not divided by the world.”

“In the myriad worlds of this universe and galaxy, they will randomly reincarnate in any world, so these Buddhist disciples will look for the reincarnation of the Buddha in the universe.”

“Every time they find it, they will fight to protect it until the reincarnated body has the memory of the previous life...” The

Red Cloud Demon Lord followed David’s story!

After listening to it, David couldn’t help but feel his scalp numb. This Buddhist practice is too tiring!

No wonder Master Wuliang was almost beaten to death, but he didn’t run away. Now he is still burning his blood and fighting hard!

The Tenth Prince looked at Master Wuliang’s appearance, grinned, and then slapped Master Wuliang’s head hard!

Master Wuliang was motionless, with his hands clasped together, as still as a mountain!

Pah!

A slap hit Master Wuliang's head hard, and Master Wuliang's body trembled violently, and countless Buddha lights vibrated from his body!

Master Wuliang was slapped hard by the Tenth Prince!

Although Master Wuliang survived, this picture was a bit awkward!

It was like a teenager slapping an elderly man with a slap, which was awkward no matter how you looked at it!

Master Wuliang's face flushed and he didn't move!

The Tenth Prince smiled faintly: "It's really fun..."

Pah!

Another

slap came down, this time it was on the bald head of Master Wuliang!

This time, Master Wuliang was directly slapped and flew out, and countless Buddha lights in his body vibrated, and in an instant, they spread like ripples to a hundred miles away!

At this time, Master Wuliang put his hands together, and except for a somewhat angry expression on his face, the rest of his body was motionless!

Even after being slapped and flew out, he still maintained a pious worship after landing!

"Hahaha, the old bald donkey is so funny..."

The Tenth Prince laughed, and then his body disappeared in an instant, and then appeared in front of Master Wuliang again!

Everyone can see that this Tenth Prince is playing with Master Wuliang!

He is fully capable of taking Master Wuliang's life with a slap, but he just doesn't kill Master Wuliang!

Perhaps in the entire Xiao Dynasty, only Master Wuliang can play with him for a while at this moment!

Seeing the Tenth Prince appear in front of him, Master Wuliang wanted to open his mouth

and curse! If you can't beat him, you can scold him to vent your anger!

But he couldn't. Now he couldn't break the breath in his body, so he could only endure it!

Pa Pa Pa!

The Tenth Prince slapped Master Wuliang's bald head

one after another! Every time Master Wuliang was slapped, he couldn't help but take a step back. Every time he took a step back, Buddha's light would vibrate out of his body!

When he was slapped more than ten times, Master Wuliang's head began to bleed, and the Buddha's light dimmed!

"You bald donkey, you only took a dozen hits, and you can't bear it so soon?"

The Tenth Prince taunted Master Wuliang!

The golden light on Master Wuliang's body dissipated, and blood gushed from his head. He looked at the Tenth Prince in front of him viciously!

"Little brat, if I hadn't been trapped for thousands of years and my strength had not been mostly lost, I would have to peel off your skin and pull out your tendons."

Master Wuliang cursed at the Tenth Prince.

If you can't beat him, it's also good to curse a few words...

Chapter 4502

Everyone was speechless for a while when they heard the angry curse of Master Wuliang!

It seems that everyone has the problem of bragging!

"Old bald donkey, you are not strong, but you are very tough!"

The Tenth Prince smiled slightly, and then slapped him!

This slap directly slapped Master Wuliang out, and then fell heavily in front of everyone!

Master Wuliang spat out a mouthful of blood, looked at Yu Wenqiang and said: "Prime Minister Yu, does your Xiao Dynasty have any masters to come out and resist? I'll take a breath and rest."

"This....."

Yu Wenqiang was embarrassed for a while. The Xiao Dynasty did have masters, but those masters were not something he could dispatch!

"Prime Minister Yu, I heard from my father that under the imperial city of my Xiao Dynasty, but..."

Xiao Feng looked at Yu Wenqiang and was about to say something!

Yu Wenqiang hurriedly stopped him and said, "Prince, don't say too much. Those are the foundations of my Xiao Dynasty!"

"Prime Minister Yu, the Xiao Dynasty is about to end. Do you still have reservations?"

"If so, I will take the second prince away and leave you alone. I am protecting the second prince, not your Xiao Dynasty."

Master Wuliang was a little angry!

He began to burn his blood and was about to be beaten to death. He didn't expect Prime Minister Yu to still have reservations about them!

"Master Wuliang, don't be angry. There are some things we can't decide at all. Only Emperor Xiao can make the decision."

Yu Wenqiang hurriedly explained!

If Master Wuliang left, it would be even more impossible for them to stop the Tenth Prince!

"Where is your Emperor Xiao? Why hasn't he appeared at this time?"

Master Wuliang asked!

Everyone looked at each other, because they didn't know where Xiao Yuanshan had gone at this time!

"Prince Xiao, I'll handle my own affairs myself. After all, this Demon Sealing League is coming for me."

David slowly stood up and said!

David was very weak at the moment, but he could barely support his body.

“Mr. Chen, now it is not about you following the Demon Sealing League, but about our Xiao Dynasty following the Demon Sealing League.”

“Even if you are pushed out, the people in front of us will not let our Xiao Dynasty go.”

“Don’t worry, Mr. Chen, my Xiao Dynasty is not so easy to be destroyed.”

Xiao Feng finished speaking, his eyes flashing with determination.

He took out a palm-sized square seal from his arms, with a word “Xiao” engraved on it, and on both sides of the word, there were several obscure characters engraved, which David didn’t recognize at all!

Seeing Xiao Feng take out the square seal in his hand, Yu Wenqiang said in a panic: “Prince, what are you going to do?”

“Prime Minister Yu, today the Xiao Dynasty is in trouble, I must get through it, this should be a test given by my father!”

After Xiao Feng finished speaking, a red light began to flash in the palm of his hand, followed by blood threads, and the blood threads began to spread on the square seal!

“Prime Minister Yu, what is my brother doing?” Xiao

Jian asked curiously when he saw this!

Prime Minister Yu sighed and said, “Hey, the eldest prince will use the power of blood to summon the ancestors of my Xiao Dynasty...”

Hearing Yu Wenqiang’s words, Master Wuliang suddenly brightened up and said, “I almost forgot that the second prince is the reincarnation of Buddha, and he also has the blood of Buddha in his body, so he can use it!”

After that, Master Wuliang also took out a Buddhist seal from his arms, and then looked at Xiao Jian and said, “Second prince, I’ll lend you my blood!”

“Master Wuliang, am I really the reincarnation of Buddha?” Xiao Jian asked half-doubtfully!

He didn’t believe it at all, how could he be the reincarnation of Buddha?

“Second prince, don’t ask too much, I’ll lend you my blood!”

Master Wuliang urged!

Seeing this, Xiao Jian could only point his fingertips, and a drop of blood fell on the Buddhist seal!

Buzz!

As Xiao Jian's blood dripped, Fang Yin trembled violently, and soon a golden shadow flew out from the Buddha Seal. The shadow had his hands clasped together, had snow-white beard and eyebrows, and was wearing a loose monk's robe, looking like an immortal!

Chapter 4503

Seeing that a monk was actually summoned, everyone was shocked!

Only the Tenth Prince looked at it indifferently, calm as water, with a bit of mockery in his eyes!

“Namo Amitabha...”

After the shadow monk groaned, countless mysterious Buddha lights appeared, and one after another went straight to the Tenth Prince!

The Tenth Prince just waved his hand!

Boom!

A terrifying aura swept like a wave, blocking all the Buddha lights!

The shadow monk took a step forward, and a beam of Buddha light suddenly appeared under his feet! The

Buddha light was like a giant pillar, breaking out of the ground directly under the feet of the Tenth Prince!

The Tenth Prince snorted coldly and stomped his feet suddenly!

Bang!

With just this kick, the Buddha light like a giant pillar shattered and disappeared directly!

The phantom monk continued to step forward. With each step, a white lotus would appear under his feet. After nine steps, nine white lotuses appeared behind the phantom monk!

The nine white lotuses gathered together to form a huge lotus cage, heading towards His Highness the Tenth Prince!

The lotus cage fell from the sky, and endless Buddha light shot out from the lotus cage! His Highness

the Tenth Prince slowly raised his head, narrowed his eyes slightly, and finally had a trace of solemnity on his face!

However, he did not move, but turned his palms, and two white auras burst out from his palms, heading directly towards the lotus cage!

Boom...

A violent explosion, like thunder, made everyone's ears buzz!

Then the lotus cage collapsed, and countless white lotus fragments shot out around the entire imperial city!

Large areas of buildings collapsed, and countless subjects of the Xiao Dynasty died tragically under these lotus fragments!

At this moment, human life is like an ant!

Those cultivators in the Mahayana realm could barely resist the aftermath, but those cultivators in the Tribulation realm didn't even have the ability to resist!

Master

Wuliang looked at the Tenth Prince with an extremely solemn expression. He did not expect that using the Buddha seal to summon a wisp of the soul of the Lei Yin Temple Bodhidharma Patriarch could not do anything to the Tenth Prince!

He has no other means now. This Buddha seal is the last resort!

Without Xiao Jian's bloodline, even if Master Wuliang has the Buddha seal, he can't summon the soul of Bodhidharma Patriarch!

You must know that the entire Buddhism has countless Buddha seals, but their Lei Yin Temple has only ten Buddha seals, and all of these Buddha seals have a wisp of the soul of Bodhidharma Patriarch.

However, in order to prevent future generations from summoning the soul of Bodhidharma Patriarch at will, only those with the blood of the Buddha can open the Buddha seal!

Now that the Buddha seal is opened, it can't do anything to the Tenth Prince, then there is no way!

“This stupid bald donkey of Bodhidharma, who divided his soul into tens of millions and sealed it in the Buddha seal, really thought he was invincible in the world, and a wisp of residual soul could help future generations to be invincible?” “

Now I can't even beat a child, it's so shameful...”

Seeing this scene, the Red Cloud Demon Lord couldn't help but sneered!

“Senior, this old monk with a white beard, is he the founder of Bodhidharma?”

David asked with some surprise!

“Now he is not the founder, he has been beaten into a grandson!”

said the Red Cloud Demon Lord!

David was also speechless. It seemed that no one could deal with the child in front of him!

He would never have thought that there would be such a powerful and terrifying person in the Demon Sealing Alliance!

“You old bald donkey, a wisp of soul can make me pay attention, it's really not simple, but you want to rely on a wisp of soul to beat me, it's just a dream.”

After the Tenth Prince finished speaking, he spit out the lollipop in his mouth, and a long sword appeared in his hand instantly!

This long sword is almost taller than the Tenth Prince, and it is extremely wide and thick, and there are several knife rings on it that make sounds!

Hualala...

The Tenth Prince slashed the long sword in his hand, and a hualala sound was heard instantly!

At the same time, a visible blade light directly tore through the void!

Seeing this, the phantom put his hands together, his body emitting golden light, and he stood still to welcome the blade light!

The blade light fell, accompanied by a loud noise, and the phantom trembled!

Chapter 4504

Before there was any other action, the Tenth Prince slashed down with another knife!

Ten thousand Buddha lights in the shadow spread out and slowly dissipated!

Two knives, the battle is over!

Seeing this scene, everyone's face darkened.

Master Wuliang collapsed to the ground. He no longer had any ability. Even if he played all his cards, he couldn't do anything to the other party!

"Hey, the second prince's Buddha bloodline has not yet fully awakened, and the summoned Bodhidharma's soul is too weak."

Master Wuliang sighed and said!

"Master Wuliang, you have done your best, leave it to me next..."

After Xiao Feng finished speaking, the entire imperial city radiated golden light, and the originally collapsed buildings were miraculously restored at this moment!

The scene around the crowd also changed. I don't know when, there were dozens of people behind them!

These people have extraordinary auras, and they are all cultivators above the fourth level of the Mahayana realm!

David took a look around and realized that the restored buildings in front of him were not truly restored, but Xiao Feng used the square seal to allow everyone to enter another time and space!

The location is still in the imperial city, but the people around have changed!

It seems that these people behind him are the trump cards of the Xiao Dynasty, and they will not be used unless it is absolutely necessary!

The Tenth Prince looked at the dozens of cultivators who suddenly appeared calmly, and there was not a trace of fear in his eyes!

These are all the strong men of the Xiao Dynasty, and the Tenth Prince is not afraid!

“How many years have it been? The Xiao Dynasty has never used us. Is the Xiao Dynasty facing a life-and-death crisis now?”

An old man spoke slowly!

“Seniors of the Xiao Dynasty, my Xiao Dynasty is now facing a life-and-death crisis. The junior Xiao Feng has to use the square seal and disturb the cultivation of all the seniors.”

Xiao Feng knelt in front of these people and said!

The old man gently raised his palm and said, “As the crown prince, you don’t have to kneel down to us old guys.”

“After all, we are just subjects of the Xiao Dynasty...”

“Where is the powerful enemy? I want to see who dares to touch our Xiao Dynasty.”

“It’s him...” Xiao Feng pointed at the Tenth Prince!

The old man looked in the direction of his finger and was stunned!

The Tenth Prince had a lollipop in his mouth without knowing when, and his body was leaning on the long sword, with an innocent face!

“Prince, you said that this child forced you to use the square seal. Is my Xiao Dynasty now so destitute that it can’t even stop a child?”

The old man asked in shock!

“Senior, don’t be fooled by his appearance. This guy is very powerful.”

Xiao Feng said hurriedly!

“Humph, how terrifying can a child be?”

After saying that, the old man walked directly towards the Tenth Prince!

His steps were steady, and he looked confident!

“Senior, no, retreat quickly...”

Seeing this, Xiao Feng knew that the old man underestimated the enemy, and hurriedly shouted loudly!

But the old man ignored Xiao Feng at all, and walked forward with big strides!

But just after taking a few steps, the Tenth Prince suddenly took action!

Puff!

The long sword swung down, and the sword light shot out like lightning!

The old man stopped his steps and then stood still!

In a moment, the old man's body fell heavily to the ground, and a blood mark gradually appeared from his forehead!

One knife cut...

Instant kill!

This time, everyone was horrified!

"Ah..."

Xiao Feng sighed with regret!

If the old man didn't underestimate the enemy, he might not die so quickly!

"What a strong kid, it's really worth recruiting us!"

At this time, an old man in a white robe slowly stepped forward from behind dozens of people!

Seeing this person, Yu Wenqiang was slightly stunned, and hurriedly stepped forward to kneel and said: "Yu Wenqiang, the 47th Prime Minister of the Xiao Dynasty, greets the old prime minister!"

"Already 47th? So fast, so fast..."

The old man in white robe said slowly!

Xiao Feng and Xiao Jian looked at the old man in white robe, and the two did not know each other!

"The eldest prince, the second prince, this is the eleventh prime minister of our Xiao Dynasty, and the oldest prime minister of our Xiao Dynasty today."

Yu Wenqiang hurriedly introduced!

Chapter 4505

Upon hearing this, Xiao Feng and Xiao Jian hurriedly saluted the old man in white robe!

This eleventh prime minister is much older than their father!

These people are all old ministers and meritorious officials of the Xiao Dynasty...

“No need to be polite, two princes. Who is the child with a knife? Why is he an enemy of my Xiao Dynasty?”

The old prime minister asked!

“He is from the Demon Sealing League. Now the Demon Sealing League has declared war on our Xiao Dynasty.”

Xiao Feng replied!

“Demon Sealing League?” The old prime minister frowned slightly, then shook his head: “I haven’t heard of it...”

“Old Prime Minister, the Demon Sealing League was established not long ago. It is an alliance organization. It is normal that the old prime minister has not heard of it.” Yu

Wenqiang explained!

“So that’s how it is. Such an organization that was established not long ago dares to declare war on my Xiao Dynasty. It seems that the prestige of my Xiao Dynasty is gone!”

After the old prime minister finished speaking, he walked towards the ten princes and slowly said, “My Xiao Dynasty has existed for thousands of years. Even during the war between gods and demons, my Xiao Dynasty did not perish and survived. You, the Demon Sealing Alliance, still want to be the enemy of my Xiao Dynasty.”

“Don’t overestimate your own abilities, don’t overestimate your own abilities...”

After the old prime minister said two sentences of overestimate your own abilities in succession, he suddenly remembered to take a step!

Behind the old prime minister, a hundred-foot statue appeared. With the appearance of the statue, a wave of righteous energy surged over the entire imperial city!

Heaven and earth are respected, and I am the minister!

When the statue opened, it shocked the army!

At this moment, the old prime minister was like a fairy king in heaven, with a stern look and vast righteousness!

The Tenth Prince held a lollipop in his mouth and said with a cracked mouth: "Finally, I see someone from the Xiao Dynasty who has some strength. Those just now were all rubbish..."

Although the Tenth Prince admitted the strength of the old prime minister, he was not panicked at all!

Seeing the Tenth Prince's calm expression, the old prime minister bowed and said: "Please give me some advice..."

After that, the old prime minister's body instantly faded and directly merged into the hundred-foot statue!

Then, the fist like a mountain smashed down at the Tenth Prince!

The Tenth Prince swung the long sword in his hand, and a hundred-foot sword light appeared, directly in front of the fist!

Boom!

This punch instantly smashed the sword light, and the Tenth Prince's figure also retreated rapidly!

"It's a bit interesting..."

The Tenth Prince smiled slightly!

"You're not bad either..." After the old prime minister finished speaking, he punched the Tenth Prince again!

And this time, the Tenth Prince actually took the initiative to dodge and did not fight back!

Boom!

This punch hit the ground hard, and a deep pit of a hundred meters appeared in an instant!

Seeing that the Tenth Prince took the initiative to dodge, Xiao Feng and others finally saw hope in their eyes!

Because this was the first time that the Tenth Prince did not dare to fight back!

The body of the Tenth Prince was suspended in the air, and he looked at the old prime minister's hundred-foot statue across the air!

"It's over, this old guy is going to suffer..."

At this time, the Red Cloud Demon Lord suddenly spoke!

David asked in confusion: "Senior, it's obvious that the old prime minister has the upper hand, how could he suffer?"

The Tenth Prince was beaten so hard that he dared not fight back, and could only dodge. How could the old prime minister suffer?

"Have you forgotten that this little brat is not his true form? If his true form comes, won't this old guy suffer?"

said the Red Cloud Demon Lord!

David was stunned for a moment, as if he had forgotten this! He

was already so awesome without his true form. If his true form came, this old prime minister might not be his opponent!

Just as the Red Cloud Demon Lord's words fell, the entire void began to twist and deform!

Boom!

Along with bursts of sound, in the void, auras of destruction flowed continuously!

Feeling these auras, everyone's face changed drastically!

Because in the twisted void, a figure slowly appeared!

As the figure became clearer and clearer, the Tenth Prince in front of them smiled faintly and slowly disappeared!

The true form has arrived...

Everyone's face was filled with horror!
