## Chapter 4506

“Since my real body can show up, the Xiao Dynasty has something!”

“But not much, just a little bit...”

The Tenth Prince said with a cold smile!

Seeing that the Tenth Prince’s real body had arrived, the old prime minister took a deep breath, clenched his hands tightly, and around his body, white light began to surge! The

earth slowly cracked, and from under the earth, a seven-foot-long sword appeared in front of the old prime minister. The old prime minister opened his hand and grasped the long sword!

“Shangfang Sword?”

Yu Wenqiang exclaimed when he saw this!

The Shangfang Sword of the Xiao Dynasty has been passed down from generation to generation since the establishment of the Xiao Dynasty!

It has always been in the hands of the prime minister, in order to use the Shangfang Sword to kill the tyrants and treacherous ministers, so that the Xiao Dynasty will last for thousands of years!

Because the kings of all dynasties were wise, the Shangfang Sword has never been used!

Yu Wenqiang knew about the existence of the Imperial Sword, but this was the first time he had seen it!

Unexpectedly, this Imperial Sword has become a magic weapon to save the Xiao Dynasty!

The old prime minister took the Imperial Sword, took a step forward, and then swung the sword out!

With this sword, the ten thousand feet of sword light was overwhelming!

The Imperial Sword is really powerful!

The mighty sword light, like a galloping wild horse, rushed towards the Tenth Prince!

The sky and the earth changed color, and the sun and the moon lost their light!

The Tenth Prince narrowed his eyes slightly, and also took a step forward, and the long sword in his hand swung down suddenly!

At this moment, the Tenth Prince's face no longer had that contempt!

Boom!

The ten thousand feet of sword light was instantly shattered, turning into countless streams of light that disappeared without a trace!

The old prime minister's body retreated again and again, retreating a hundred meters away with each step!

Before the old prime minister's body stabilized, the long sword in the Tenth Prince's hand slashed out again!

Boom!

The old prime minister swung the Imperial Sword in his hand vigorously, and a dazzling light flashed!

As the blades and sword energy collided, the entire imperial city turned into rubble!

The

body of the Tenth Prince was instantly repelled for dozens of miles, and the long sword in his hand turned into countless fragments in the process of retreating!

The sword broke!

Everyone was surprised. It seems that even if the body of the Tenth Prince came, he would not be the opponent of the old prime minister!

But at this time, a flash of despair flashed in the eyes of the old prime minister!

The statue shattered, and the old prime minister's body fell to the ground, his face was extremely ugly!

Looking at the Shangfang sword in his hand, cracks appeared one after another.

Soon, the Shangfang sword broke inch by inch!

The original surprised expressions of everyone were all frozen on their faces!

The old prime minister was defeated!

Everyone saw it now!

But the Tenth Prince was fine, and his body appeared in front of everyone again!

Everyone looked at each other in front of the Tenth Prince!

The old prime minister even used the Shangfang sword, but still couldn't hurt the child in front of him!

How can this battle be fought?

“Old Prime Minister, you...”

Yu Wenqiang looked at the old prime minister, wanting to ask if he could still do it, but seeing the old prime minister's expression, Yu Wenqiang couldn't say it.

Yu Wenqiang looked at Master Wuliang again, and Master Wuliang felt Yu Wenqiang's gaze and hurriedly shook his head!

“Master Wuliang, you...”

Xiao Jian just opened his mouth, and Master Wuliang hurriedly said: “Second Prince, I really can't do it anymore. It's not that I'm afraid of death, but if I die, no one can lead the second prince to understand Buddhism and find back the memory of the previous life.” Everyone stopped

talking. At this moment, everyone seemed to be pressed down by a mountain!

Dozens of masters of the Xiao Dynasty were all silent!

These are the trump cards of the Xiao Dynasty, but the trump cards are out, but it doesn't help!

At this moment, everyone's eyes are on Xiao Feng, Xiao Feng is the crown prince!

Now Xiao Yuanshan doesn't know where he has gone, so the entire Xiao Dynasty has the final say in Xiao Feng!

Xiao Feng just felt that he was under tremendous pressure, but he didn't have any solution at all!

## **Chapter 4507**

The Tenth Prince looked at the silent crowd with a sneer on his face.

“Is there anyone in the Xiao Dynasty who can fight? Show up a capable fighter...”

“Letting some cats and dogs deal with me, do you look down on me?”

“Where is your Emperor Xiao? Show up a manager...” The

words of the Tenth Prince were like poisonous needles, piercing every subject of the Xiao Dynasty!

The Xiao Dynasty, which has existed for thousands of years and has a population of millions, is now being trampled under the feet of a child, and no one dares to say a word!

“How can the Protoss, who are so arrogant and regard everything in the world as ants, come to the small world of heaven and man to show off? Does this mean that the Protoss has declined and can only find some low-level worlds to show off?”

A voice slowly rang out from the surrounding ruins, followed by a sound of rubble, and a man in rags, who looked like a beggar, stood up!

This person was wearing patched clothes, with messy and dry hair, covered with a lot of dust, covering most of his face!

Holding a slightly bent wooden stick in his hand, he supported his body and walked out of the rubble!

Everyone looked at the beggar who suddenly appeared!

No one knew him, but David stared at the beggar. From the beggar's words, he knew the existence of the gods. It seemed that they were not cultivators from the heavenly world!

Maybe they were also cultivators from the heavenly world who were left in the heavenly world during the war between gods and demons and were trapped by the great formation of heaven and earth!

“Old God?”

At this time, the old prime minister suddenly looked startled and hurriedly shouted!

Hearing the three words “Old God”, all the people in the Xiao Dynasty were stunned, and then they all knelt down in front of the beggar!

David was a little surprised and asked quickly: “Prince Xiao, why are you doing this now?” “

Mr. Chen, you don’t know that the old God is the savior of our Xiao Dynasty. Now our Xiao Dynasty has a God Temple, and the person enshrined in it is the old God.”

“When the gods and demons fought, the Xiao Dynasty also suffered a devastating blow. Fortunately, a Taoist took action to protect part of our Xiao Dynasty’s foundation, which allowed our Xiao Dynasty to develop to this day.”

“So our Xiao Dynasty built a Taoist temple and worshipped the God who saved our Xiao Dynasty every day. I didn’t expect that the person in front of me is that God.”

Xiao

Feng followed David to explain!

David could also be sure at this moment that the beggar in front of him was a person from the heaven!

However, the beggar did not look at those people of Prince Xiao who were kneeling on the ground, but stared at David with his eyes! This

time, David felt a little scared. He didn’t know why this guy was staring at him!

“Damn, this old bastard, he looks like a beggar, I can’t recognize him.”

At this time, the Red Cloud Demon Lord cursed!

“Senior, do you know this person?” David asked!

“Of course, this guy is called Wuwei, and he is called Wuwei Taoist. I have seen him twice.”

The Red Cloud Demon Lord said!

“Then the senior is friends with this Wuwei Taoist?” David was overjoyed!

If this is the case, then he can also rely on the relationship with Wuwei Taoist to fight against the Demon Sealing Alliance!

“Friend?” The Red Cloud Demon Lord snorted coldly: “Is he worthy of being friends with Laozi? Little garbage...”

David was stunned and speechless in an instant!

“Old Wuwei, I didn’t expect that you were also in the Xiao Dynasty.”

At this time, Master Wuliang also recognized the beggar in front of him and hurried forward to say!

Hearing Master Wuliang’s voice, Taoist Wuwei turned his eyes away!

“Wuliang bald donkey, you are still alive and have not been able to return to heaven. It’s great.”

Taoist Wuwei smiled slightly after seeing Master Wuliang!

“Don’t talk nonsense to me, you’d better kill this little brat in front of you, otherwise we will all die.”

Master Wuliang did not follow Taoist Wuwei’s nonsense, but pointed at the Tenth Prince and said!

## **Chapter 4508**

Taoist Wuwei looked at the Tenth Prince and nodded slightly: “It’s just a little kid, simple, simple...”

And everyone in the Xiao Dynasty knelt on the ground, excited in their hearts!

Even the old god who once saved the entire Xiao Dynasty has come, so the Xiao Dynasty will be fine!

Many people in the Xiao Dynasty saw this legendary figure for the first time!

“Old bas\*\*\*, you dare to say this about our God Clan, do you want to die?”

The Tenth Prince saw the identity of Taoist Wuwei at a glance!

“I’m just telling the truth. Even if you kill me, you can’t change the fact that your God Clan is in decline!”

Taoist Wuwei said!

The face of the Tenth Prince became ugly!

“Old bas\*\*\*, you’re looking for death...”

The breath of the Tenth Prince began to rise, and he punched Taoist Wuwei to kill him!

The sword of the Tenth Prince was gone, and he didn’t take any weapons, but simply punched out!

This punch made Wuwei Taoist’s face change slightly, and the eyes in his hand instantly burst into a golden light, and then stabbed at the Tenth Prince!

This seemingly ordinary wooden stick turned out to be a magic weapon!

Boom!

The road roared, the void shook, and the entire imperial city seemed to be annihilated under the chaotic and terrifying atmosphere!

Everyone watched nervously. A god who once saved the Xiao Dynasty, beating a child, isn’t it easy!

But when the punch and the stick hit together!

The surroundings instantly became silent, and everything that was terrifying just now seemed to be still at this moment!

Wuwei Taoist’s stick touched the fist of the Tenth Prince!

In the eyes of everyone, Wuwei Taoist’s stick began to break, and Wuwei Taoist’s whole body broke apart bit by bit like a stone statue!

Wuwei Taoist’s soul was helplessly suspended in the air at this moment, with no expression on his face!

Seeing this scene, the Xiao Dynasty, who were just excited, were stunned!

With one punch, the God in their hearts was defeated?

Isn’t this too outrageous?

And the Tenth Prince didn't use any weapons!

The Xiao Dynasty looked ashen at this moment!

## **Chapter 4509**

"That's right, I am the emperor of the Xiao Dynasty."

Xiao Yuanshan nodded!

"You finally came out. If I kill you now, will your Xiao Dynasty surrender?"

The Tenth Prince asked casually!

"If I die, there are still my subjects of the Xiao Dynasty. Can you kill all the subjects of our entire Xiao Dynasty?" "

The subjects of our Xiao Dynasty have never surrendered. Let alone a small Demon Sealing League, even during the war between gods and demons, our Xiao Dynasty has never stopped resisting!"

"Unless you can kill all the subjects of our Xiao Dynasty..." Xiao

Yuanshan said lightly!

Xiao Yuanshan's words made the many powerful men of the Xiao Dynasty, who had no fighting spirit and were dead silent, regain their fighting spirit one by one!

They can fail and be killed, but they will never surrender!

"Father, I will never surrender, I will not disgrace my ancestors..."

Xiao Feng said with a firm look in his eyes!

"Your Majesty, I will never compromise either. I will lead the millions of subjects of my Xiao Dynasty to resist, even if I am crushed to pieces."

Yu Wenqiang also said with full fighting spirit!

All the strong men of the Xiao Dynasty ignited their fighting spirit at this moment!

They were no longer afraid of the Tenth Prince, and their eyes were full of murderous intent!

“Since you are stubborn, what if I kill you all?”

The Tenth Prince snorted coldly!

However, this time, the pressure of the Tenth Prince did not scare the subjects of the Xiao Dynasty!

Perhaps it was because of the appearance of Xiao Yuanshan that the subjects of the Xiao Dynasty were all full of fighting spirit!

“Fight to the death...”

Many subjects of the Xiao Dynasty roared in unison!

The roar shook the sky and resounded throughout the Xiao Dynasty!

At the same time, dozens of cities in the Xiao Dynasty and hundreds of thousands of troops all came towards the imperial city in a mighty manner!

These generals of the Xiao Dynasty did not receive orders, but came to the imperial city spontaneously!

They also seemed to sense Xiao Huangchao's fear of difficulties! The

Tenth Prince looked at the people with high morale, and a hint of disdain appeared on his lips: “Since you want to die, I will fulfill your wish...”

“What's there to fear about slaughtering millions of people in the city...”

In the eyes of the Tenth Prince, even a million monks are like ants, not to be worried about!

After speaking, the Tenth Prince punched Xiao Yuanshan, and this punch was like a river rushing down from the mountains and rivers!

Xiao Yuanshan sneered and punched out directly!

With one punch, the world hummed!

It can be seen that Xiao Yuanshan, the Xiao Emperor, is not jealous!

Boom!

The two fists collided, and the terrifying energy spread around at lightning speed!

The two people retreated at the same time!

A gully appeared under the Tenth Prince, and he retreated dozens of miles!

As for Xiao Yuanshan, the buildings under him turned into ashes, and his figure retreated hundreds of miles!

Seeing this scene, everyone looked gloomy, but no one retreated!

In just a moment, the figures of the two people returned to the starting point again, as if they had never retreated!

“The emperor of the Xiao Dynasty is nothing but that...”

The Tenth Prince smiled coldly!

Xiao Yuanshan’s eyes narrowed slightly, and he said solemnly: “You are nothing but that...”

“Really?” The Tenth Prince said disdainfully: “I almost forgot to tell you that my fist is the worst.”

Xiao Yuanshan smiled: “I also forgot to tell you that my fist was not strong!”

“In that case, let’s continue!”

The Tenth Prince punched out!

Xiao Yuanshan suddenly opened his palms, and the imperial city under him began to tremble. From under the imperial city, countless auras were used like tides, converging towards Xiao Yuanshan!

The spirit beasts in the entire imperial city, at the moment those auras were used, also let out bursts of wailing, and then fell to the ground and died!

“Emperor Xiao actually used up the spirit beasts of the imperial city, what a huge price...”

Yu Wenqiang looked at this scene and couldn’t help but sigh!

## Chapter 4510

Xiao Yuanshan took a step forward and punched out!

Boom!

This punch directly knocked the Tenth Prince back a hundred miles!

Xiao Yuanshan did not stop, but flashed in front of the Tenth Prince and punched again!

Boom!

The Tenth Prince retreated a hundred miles again!

This time, everyone was excited and wanted to jump up!

Although all the spirit beasts in the imperial city lost their lives, they died for what they deserved!

The entire imperial city continued to have aura pouring into Xiao Yuanshan's body! At this moment, Xiao Yuanshan was not fighting alone!

Xiao Yuanshan launched a torrential attack on the Tenth Prince. He wanted to avenge the dead subjects of the Xiao Dynasty and to restore the reputation of the Xiao Dynasty!

The Xiao Dynasty is not made of mud!

Xiao Yuanshan's attack was very sharp. Although the Tenth Prince was retreating, he was not panicked at all. Instead, he calmly dodged Xiao Yuanshan's attack!

Seeing this scene, David frowned slightly, and there was some worry on his face!

Although it seemed that Xiao Yuanshan had the upper hand and the Tenth Prince was beaten back step by step, the Tenth Prince was not panicked!

Moreover, the Tenth Prince did not take out any weapons. David did not believe that the Tenth Prince only had that long sword in his hand!

Boom!

With a loud bang, countless fist winds forced the Tenth Prince back hundreds of miles!

Although every attack of Xiao Yuanshan was terrifying, the Tenth Prince did not suffer any damage!

“It seems that I should have a good time with you!”

After the Tenth Prince said this, he suddenly had a long sword in his hand!

This long sword was exactly the same as the broken long sword!

“Cut...”

The Tenth Prince chopped down with a knife!

The terrifying sword light went straight to Xiao Yuanshan!

Xiao Yuanshan didn't dare to be careless, he could only clench his hands, add countless auras to his body, and suddenly punched out to resist the blade!

This time, Xiao Yuanshan used all his strength!

The opponent actually used a weapon, which proved that he was also using all his strength!

Boom!

The moment the sword light and fist wind collided, Xiao Yuanshan's face changed drastically!

Xiao Yuanshan's fist wind was instantly chopped off, and the whole person was hit by the sword light!

Xiao Yuanshan's body flew backwards, and the breath in his body instantly dissipated!

The breath of those spirit beasts in the imperial city also disappeared!

The Tenth Prince did not stop, but waved the long sword in his hand again!

Boom!

Another blow, this knife chopped on Xiao Yuanshan's body again!

The breath of those spirit beasts gathered in Xiao Yuanshan's body completely disappeared!

Everyone was stunned when they saw this scene!

The contrast was too great!

Just now, Xiao Yuanshan used the breath of the spirit beasts in the imperial city to beat the Tenth Prince back step by step!

How could the opponent become so powerful in the blink of an eye?

The balance of victory and defeat tilted too quickly!

Xiao Yuanshan's body fell heavily in front of everyone, the wounds on his body began to bleed, and his face was extremely ugly!

Everyone looked at Xiao Yuanshan, not knowing how to speak or how to comfort him!

"Emperor Xiao, you are not an opponent either?"

David looked at Xiao Yuanshan and asked!

Xiao Yuanshan shook his head: "Not an opponent, the child in front of him is too powerful. He has such power at such an age. I'm afraid he is not a cultivator from the Heavenly World."

After all, there are thousands of worlds in the universe, and the Heavenly World is just one of the insignificant worlds of cultivating immortals!

"Your Majesty, if not, you can use the secret method of your ancestors to absorb the power of my Xiao Dynasty's luck, maybe there is still a chance!"

Yu Wenqiang said to Xiao Yuanshan!

"No, the luck of the Xiao Dynasty is not my own, how can I absorb it casually?"

"Without luck, the Xiao Dynasty may not be able to last long."

Xiao Yuanshan shook his head!

As soon as Xiao Yuanshan finished speaking, the sound of earth-shaking came from all directions of the imperial city!

Then hundreds of thousands of troops swarmed in, and every soldier of the Xiao Dynasty was wearing a silver helmet and golden armor, and countless auras filled the sky above the imperial city!
