

A Man Like None Other Novel

Chapter 4518

Especially Zuo Tianzheng, in order to swallow up the Xiao Dynasty, he almost destroyed all the demon masters accumulated over the years!

Now if the Xiao Dynasty fails to take it down, and these masters are killed, the strength of the Demon Sealing League will be greatly reduced!

He was a little scared. If the strength of the Demon Sealing League was greatly reduced, he might not even be qualified to be a dog!

Zuo Tianzheng set his sights on the Tenth Prince!

He hoped that the Tenth Prince was just testing and did not burst out with all his strength!

The Tenth Prince was full of anger at the moment. Looking at his injured arm, he gritted his teeth in anger!

He never thought that he would be injured in the Heavenly Realm!

You know, he is now the ninth level of the Mahayana Realm!

This kind of strength can reach the top in the Heavenly Realm. How many peak Mahayana masters are there in the entire Heavenly Realm?

As for those masters in the Immortal Realm, they are even harder to see!
When

they reach the Immortal Realm, many cultivators will not care about worldly affairs, just waiting to practice until they ascend to become immortals!

Therefore, the five domain masters of the Heavenly Human Realm have not shown up for hundreds of years!

They are all masters of the Immortal Realm!

“Little hairy kid, you have no respect for your elders, and you call me an old bastard. If I don’t teach you a lesson, you really think you are invincible in the world.”

Taoist Wuji said coldly to the Tenth Prince!

“Master Wuji, don’t show mercy, kill this little guy.”

“You can’t treat him as a child, he doesn’t deserve it...”

Master Wuliang hurriedly shouted loudly to Taoist Wuji!

In order to stop the Tenth Prince, Master Wuliang used all means, and finally burned his own blood and essence directly!

You must know that in the Heavenly Human Realm, he has no way to get replenishment!

With the burning of blood and essence, the strength must have dropped a lot!

Master Wuliang was not sure if he could beat a fourth or fifth rank Mahayana cultivator!

He was a celestial being, but now he was like this.

A tiger in the open is bullied by a dog, a dragon in shallow water is bullied by shrimps; a cat in power is stronger than a tiger, a phoenix without feathers is no better than a chicken.

"Master Wuliang, didn't you always teach me to be kind?"

Xiao Jian looked at Master Wuliang and asked!

"Second Prince, it depends on when. A little pretentious kid like this must be killed to vent his anger!"

Master Wuliang finished speaking, and then put his hands together:
"Amitabha..."

David looked at Master Wuliang and couldn't help but smile!

At this time, the Tenth Prince's face was extremely ugly, and the arrogance in his heart had long disappeared!

He knew that he had met a real master!

He originally thought that he just came to the kindergarten to beat a bunch of children!

Unexpectedly, there were adults in the kindergarten in addition to children. Now the appearance of Wuji Taoist is like an adult!

Let the Tenth Prince have to pay attention!

The Tenth Prince stared at Wuji Taoist and did not launch an attack!

Wuji Taoist smiled coldly and took a step towards the Tenth Prince!

This step was taken, and the whisk in his hand was waved at the same time!

Seeing this, the Tenth Prince could only smash the long sword in his hand forward!

At this moment, he has reached the time of passive defense!

There is no capital to take the initiative to attack!

Wuji Taoist can waste time with him, or he can attack at any time!

The Tenth Prince can only be fully alert for defense!

Boom!

Two rays of light suddenly burst out, and a wave of light quickly spread out in the void!

Seeing this, everyone could only retreat and dodge again!

This attack made the sun and the moon in the sky instantly dull!

After the light wave passed, even the ruins were gone, all turned into powder!

You can't see the buildings, you can't see the corpses, and you can't even tell that this was once a prosperous imperial city!

Whether it is Xiao Yuanshan or Zuo Tianzheng, a master in the Mahayana realm, they dare not underestimate the power of this attack!
