### Chapter 4535

The headquarters of the Demon Sealing Alliance!

Zuo Tianzheng served Luo Ta respectfully. No matter what Luo Ta needed, Zuo Tianzheng would find a way to satisfy him!

Who let Luo Ta be a member of the temple, and a senior worshiper in the Ten Palaces!

Otherwise, the Lord of the Ten Palaces would not let Luo Ta deal with the Wuji Taoist! When

Luo Ta arrived at the headquarters of the Demon Sealing Alliance, he did not go to the Xiao Dynasty immediately, but enjoyed himself for a few days!

He asked Zuo Tianzheng to find a dozen female cultivators for him to practice dual cultivation day and night!

In the Ten Palaces, Luo Ta was just a senior worshiper, and there were the Lords of the Ten Palaces above him.

He did not dare to be presumptuous at all, let alone find female cultivators!

You must know that the female cultivators of the God Clan are also extremely arrogant. If they do not have real skills, the female cultivators will not agree to dual cultivation!

But it was different in the Demon Sealing Alliance. No matter whether those female cultivators agreed or not, they would be forced to serve Luo Ta under the power of the Demon Sealing Alliance!

“Alliance leader, it’s been several days. This person has consumed a lot of resources, and he also needs female cultivators to serve him.”

“Many people below have opinions, and many families are no longer willing to provide female cultivators.”

An elder of the Demon Sealing League reminded Zuo Tianzheng in a low voice!

Zuo Tianzheng was actually very embarrassed. After this Luo Ta arrived, he didn’t mention the matter of dealing with the Xiao Dynasty, and he didn’t dare to mention it!

What’s more, Zuo Tianzheng didn’t know how strong this Luo Ta was!

Can he defeat the Wuji Taoist?

If he can’t win, wouldn’t it put all of them in the Demon Sealing League in danger.

Last time, Wuji Taoist didn’t take action, and Xiao Dynasty was injured and didn’t pursue, so Zuo Tianzheng led his men to escape back!

If they go again this time, and this Luo Ta is killed by Wuji Taoist, can they still escape back?

Just when Zuo Tianzheng didn’t know what to do, Luo Ta walked into the hall contentedly!

His eyes were full of arrogance. Even though he served him like this, Luo Ta didn’t even look at Zuo Tianzheng and the others!

In Luo Ta's eyes, Zuo Tianzheng and the other people from the Demon Sealing Alliance were just humble servants!

How could these people compare with their noble Gods!

If the Gods had not suffered a catastrophe, I'm afraid that the Temple would not have cooperated with ordinary cultivators like Zuo Tianzheng!

"Master Luo, are you satisfied with these female cultivators?"

Zuo Tianzheng hurried forward and asked with a nod!

"Yes, I'm quite satisfied. Although you ordinary cultivators don't have much ability, this woman is really fun!"

Luo Ta licked his lips and said!

Zuo Tianzheng listened to Luo Ta's words and felt sick in his heart, but he still smiled on his face and said, "As long as Master Luo is happy, I wonder when we can go to the Xiao Dynasty?"

"Now, I can enjoy these few days, and I also want to stretch my muscles!"

Luo Ta said lightly!

"Master Luo, the Wuji Taoist is very powerful, and the Ten Princes were defeated by him, so..."

Zuo Tianzheng wanted to remind Luo Ta not to underestimate the enemy!

But before he finished speaking, Luo Ta looked at him, and Zuo Tianzheng trembled slightly and dared not speak anymore.

"Alliance leader..."

At this time, Sect Master Zhou came with his disciples Tianluo and Tiansha!

“Sect Master Zhou, what’s the matter?”

Zuo Tianzheng saw Sect Master Zhou with an ugly face!

This guy, every time he was sent out, others died, but this guy always came back!

This made Zuo Tianzheng very unhappy, thinking that Sect Master Zhou was afraid of death and didn’t work at all!

“Alliance leader, to deal with Xiao Dynasty, it may not be enough to just defeat the old Taoist Wuji!”

Sect Master Zhou said!

“Why not? There are still masters in Xiao Dynasty, and even Xiao Yuanshan is not his opponent.”

Zuo Tianzheng looked at Sect Master Zhou puzzledly and said dissatisfiedly!
