Chapter 4537

Xiao Dynasty!

David followed Ji Yun on the airship back to Xiao Dynasty!

Along the way, because of Zhongli's company, David was no longer lonely, and he had fun every night!

It was just that Ji Yun suffered, acting as a light bulb every day!

After arriving at Xiao Dynasty, Xiao Yuanshan, Xiao Feng and others came to greet David in person, and brought more than a dozen strong men from Xiao Dynasty!

When David walked down from the airship, these people were all stunned! Chen

Ping has actually reached the ninth level of the Tribulation Realm!

Too outrageous!

You know, when David just left, he was only the seventh level of the Tribulation Realm. How could he be promoted to the ninth level of the Tribulation Realm after leaving for a few days? Is

n't this too abnormal?

Raising two realms at once?

Although there are legends of raising two realms at once, no one has ever seen it!

Now seeing that David has raised two realms at once, everyone is shocked!

"Mr. Chen, you must have had some adventure this time, right?"

Xiao Yuanshan asked curiously!

But David shook his head: "There is no adventure, I just repaired the sword in my hand."

In the Sword Washing Pond of the Refining Sect, David didn't feel that it was an adventure!

“Your Majesty, the people of the Demon Sealing League are here...”

Just when Xiao Yuanshan was welcoming David, someone suddenly came to report!

Everyone looked up and found that dozens of strong men of the Demon Sealing League were coming rapidly in the void of Cong Tianji!

The leader was still the Zhou Sect Master!

These people are all in the Mahayana realm, with a strong aura!

At this time, Zhou Sect Master also had a sad face. He originally wanted to be a bystander, and then run away when he saw that things were not going well!

But he didn't expect to be directly regarded as a vanguard by Zuo Tianzheng!

Zuo Tianzheng and Narota were behind everyone!

This time, it was not easy for Zhou Sect Master to escape!

When the people of the Demon Sealing League arrived in front of them, all the strong men of the Xiao Dynasty burst into hatred in their eyes!

Zhou Sect Master set his sights on David!

When he saw that David had actually reached the ninth level of the Tribulation Realm, his face changed slightly, and he was extremely shocked!

How could this guy improve so quickly?

It's too abnormal! Sect

Master Zhou's face was gloomy and his expression was solemn!

Xiao Yuanshan stared at the back of Sect Master Zhou and others, his eyes full of worry!

“The Demon Sealing Alliance has found another master...”

Xiao Yuanshan said worriedly!

David could also sense the breath in the distant sky, an absolute master!

It is possible that he is stronger than the Tenth Prince!

However, David's realm has been improved now. When the time comes, let the Red Cloud Demon Lord control his body, maybe he can resist it!

"I don't know if Taoist Wuji will come this time!"

Xiao Feng said!

David didn't say anything, after all, Taoist Wuji didn't come for him!

Buzz!

Suddenly, the sky trembled, and the next moment from the void, Zuo Tianzheng followed Luo Ta slowly!

Luo Ta was several meters tall and looked very fierce!

Zuo Tianzheng followed Luo Ta, looking submissive!

The appearance of Luo Ta made the entire void distorted!

With every step, the building under his feet will turn into ashes!

Seeing this, everyone in the Xiao Dynasty looked extremely ugly!

Especially Xiao Yuanshan, his brows were twisted into a river!

"Welcome to Lord Luo..."

Sect Master Zhou led dozens of Mahayana masters from the Demon Sealing League and saluted Luo Ta in unison!

This was also to give Luo Ta enough face so that Luo Ta could show off in front of everyone in the Xiao Dynasty!

Luo Ta was very pleased with it, with a faint smile on his face!

Xiao Yuanshan stared at Luo Ta, his expression more solemn than ever before.

"I'm afraid this person's strength is above that of the Tenth Prince..."

David said slowly!

Xiao Yuanshan said nothing, of course he also saw it, he didn't expect that there would be so many strong people behind the Demon Sealing League!

The Tenth Prince had put the Xiao Dynasty in a desperate situation, and now this person is stronger than the Tenth Prince!

The Xiao Dynasty is in danger...
