## Chapter 4539

This gap in strength made many people dumbfounded!

After all, many people have never really seen David's strength!

"Tiansha..." Seeing this, Sect Master Zhou and Tianluo's eyes suddenly turned red!

Zuo Tianzheng frowned slightly, and he also seemed to be interested!

But Narota smiled coldly: "This kid is a bit interesting..."

"Boy, give me back my disciple's life..."

Sect Master Zhou's eyes were scarlet, and a sword suddenly appeared in his hand, rushing towards David!

Seeing this, Tianluo also raised his sword, and the two attacked David together!

Sect Master Zhou's sword exuded a cold light, and the sword was like a storm, and each move contained a powerful spiritual power fluctuation.

Tianluo was agile, shuttling around like a ghost, looking for the opportunity to attack.

David looked grim, holding the Dragon Slaying Sword, standing still.

His eyes revealed great determination and confidence, as if the enemy in front of him could not pose a threat to him at all.

Sect Master Zhou rushed to David first, and slashed down with the sword in his hand with violent force.

Before the sword arrived, the powerful sword energy had already caused cracks to appear on the ground.

David was not in a hurry, slightly sideways, and easily dodged the attack.

Sect Master Zhou missed the attack, and immediately changed his move, sweeping out the sword, trying to cut David in half.

David's eyes condensed, and the Dragon Slaying Sword in his hand was quickly swung out, colliding with Sect Master Zhou's sword.

"Dang!"

A crisp collision sound resounded through the sky, and the powerful impact made Sect Master Zhou retreat a few steps, but David remained motionless.

Sect Master Zhou was shocked. He didn't expect that David, a cultivator of the ninth level of the Tribulation Realm, could actually compete head-on with him, a master of the fourth level of the Mahayana Realm, and it seemed so easy!

But at this time, Sect Leader Zhou was so angry that he didn't care about anything else and swung his sword at David again.

Tianluo also took the opportunity to attack from the side. His sword was as cunning as a venomous snake, piercing David's vital parts.

David snorted coldly, turned his body slightly, and the Dragon Slashing Sword pierced out like lightning, accurately blocking Tianluo's attack.

Tianluo only felt a huge force coming from the sword, which made his arm numb.

The three of them fought in a group in an instant, with sword shadows intertwined and spiritual power overflowing.

Everyone around was watching this fierce battle nervously, and they didn't dare to breathe.

They were shocked by David's strength. A cultivator of the ninth level of the Tribulation Realm could actually fight with the fourth level of the Mahayana Realm, the Zhou Zongzhu, and the second level of the Mahayana Realm. David

became more and more courageous, and the Dragon Slashing Sword seemed to have life in his hands, and the sword became more and more fierce.

The sword shadow of the Dragon Slashing Sword in David's hand flickered like stars, dazzling people.

Although the Zhou Zongzhu and Tianluo were at a high level, they gradually felt exhausted under David's attack.

"Damn, how can this kid be so strong?" Sect Master Zhou cursed in his heart.

He began to regret that he had followed, but now there was no way out, so he could only bite the bullet and continue to fight.

Tianluo also realized how powerful David was, and a trace of fear flashed in his eyes.

But he knew that if he retreated at this time, there would be only one way to die waiting for them.

So he gritted his teeth, raised the sword again, and launched a more fierce attack on David with Sect Master Zhou.

“It’s boring, I won’t play with you!”

After David finished speaking, he swung a sword at Tianluo without hesitation, and the Dragon Slaying Sword pierced out like lightning.

Tianluo had no time to react at all, and only felt a chill in his chest, and the Dragon Slaying Sword had pierced his chest.

He widened his eyes, his face full of disbelief, spurted out a mouthful of blood, and slowly fell down.

“Tianluo!” Sect Master Zhou shouted in grief.

He looked at his dead apprentice, his heart was full of anger and despair, but he knew that now was not the time to be sad, and he must deal with David as soon as possible, otherwise he would also die here.

Sect Leader Zhou brandished his sword again and rushed towards David. His sword power was even more frantic, as if he wanted to cut David into pieces.
