## Chapter 4541

Zuo Tianzheng looked at Mr. Shi who appeared, and couldn't help but snorted coldly, with obvious disdain in his eyes!

Because in his eyes, Mr. Shi didn't look like a master at all, and even his aura was so weak that it was almost non-existent!

I'm afraid that any cultivator can step on this kind of person!

You must know that the appearance of a real strong man can cause the void to tremble, and even the entire void to collapse!

But Mr. Shi appeared so lightly, as if he appeared suddenly, and there was not even a trace of aura fluctuation around him!

Rota looked at Mr. Shi, raised the corner of his mouth and said: "Are you the strong man behind David?"

Mr. Shi ignored him, and didn't even look at Rota!

"The realm has been improved again?"

Mr. Shi looked at David and smiled slightly! Chen

Ping nodded: "This time, two small realms were improved at the same time..."

"Too slow, still too slow..." Mr. Shi shook his head!

David was slightly stunned, and then said awkwardly: "The resources I need to improve my realm are ten times or even a hundred times that of others, so..."

David needs too many resources to improve his realm, so it is understandable that his realm is improved slowly!

"If you can't find the resources, then go and rob them. Do you still want to be a saint?"

Mr. Shi asked!

David was stunned and didn't know what to say. During his time in the Tianren Realm, he really didn't think about robbing other people's resources!

Many times he was passive, like this Sealed Demon League used a hundred years of offerings to hunt him down!

He could completely do the opposite and rob the resources of the Sealed Demon League everywhere!

After all, the power of the Sealed Demon League spread throughout the Tianren Realm, and David could find those places where the Sealed Demon League was weak!

Xiao Yuanshan and others listened to Mr. Shi's words and didn't know what to say for a while!

Educating David to rob resources, although in the Tianren Realm, where the strong prey on the weak and strength is respected, there is nothing wrong!

But it always feels a little bad!

"If you want to rob resources, you also have to see if you have the strength."

Rota snorted coldly, and actually punched Mr. Shi!

Mr. Shi's disregard for him had already angered this guy!

Boom!

As soon as this punch was thrown, the sky and the earth suddenly darkened, and a terrifying fist wind enveloped everyone!

Everyone felt a sense of suffocation!

Not only that, under the fist wind, even the masters of the Mahayana realm bent down one after another, and many of them knelt directly on the ground, unable to stand up!

This was just a punch, and this punch made many strong men of the Xiao Dynasty bow their heads and even kneel on the ground!

This kind of crushing power made everyone in the Xiao Dynasty instantly die!

David's face also changed drastically, and his body burst out with endless breath to resist Luo Ta's fist wind!

But even if he tried his best, David still felt that he was a little breathless under the pressure!

At this time, Mr. Shi looked at David and waved his palm gently!

Like driving away mosquitoes!

Boom!

Before everyone could react, the terrifying fist wind disappeared instantly!

Looking at Luo Ta, at this moment, he was motionless like a statue, and his body still maintained the posture of punching!

“Luo Gongfeng, Luo Gongfeng...”

Seeing this, Zuo Tianzheng hurriedly shouted twice, but Luo Ta still didn't move!

Zuo Tianzheng stepped forward and gently pushed Rota!

With just this gentle push, Rota's huge body turned into powder in an instant, and then was blown away by the wind!

Rota was reduced to ashes...

So everyone was watching this scene in shock, their minds were blank!

Especially the people of the Demon Sealing League, they were all stunned, their eyes were about to pop out!

What's going on?

The person is gone?

Reduced to ashes?

Just a gentle wave, the person is gone?

Zuo Tianzheng's body was shaking, and the other people in the Demon Sealing League were also shaking, and some even got their pants wet!

This is too outrageous!

This Rota, a high and mighty existence in their eyes!

Was he killed like a fly?

Xiao Yuanshan also widened his eyes and said in disbelief: “Fu\*\*, awesome...”

## Chapter 4542

As the emperor of the Xiao Dynasty, he is the supreme ruler!

At this moment, Xiao Yuanshan had to swear to express his feelings at this moment!

“Unparalleled in the world, unparalleled in the world...”

Master Wuliang could not hide his excitement, and his voice was trembling!

Others of the Xiao Dynasty knelt on the ground one after another. This time, they knelt not because of the pressure, but because they were completely convinced by Mr. Shi!

No one expected that this middle-aged man who looked weak and had no breath at all would have such a terrifying strength!

With a light wave!

Such a light stroke, a top master of the Mahayana realm was wiped out!

This Mahayana cultivator, in the eyes of others, is not even an ant! You

must know that in the world of heaven and man, these Mahayana masters are already considered the strongest among the strong!

The peak Mahayana cultivators are at the top of the tower!

Almost no one has ever seen the existence of the immortal cultivators!

But the existence at the top of the tower in their eyes was destroyed like an ant.

This shock and impact made the strong men of the Xiao Dynasty kneel down unconsciously.

Even the princes like Xiao Feng and Xiao Jian did not feel that they were noble at all, but knelt on the ground with sincere conviction.

They practiced for a lifetime and felt very awesome to reach the Mahayana realm.

But in the eyes of others, they are all just ants. Even Master Wuliang, who was once a person in the heaven, knelt on the ground respectfully at this moment.

To say that the other people in the Xiao Dynasty are frogs at the bottom of the well, they have never seen a real master, and have never seen the world! But

Master Wuliang, as an immortal in the fourth heaven of the heaven, has also seen people with high realms! But this is the world of heaven and man

, suppressed by the great formation of heaven and earth, and all the people in the heaven are trapped here!

Although he knew that there were many people trapped in the Heaven Realm, their strength had declined!

Master Wuliang's own strength had declined by nearly half.

But looking at Mr. Shi, even if Mr. Shi was also a celestial being, how could he still have such amazing strength under the suppression of the Heaven and Earth Formation in the Heaven Realm?

It seemed that Mr. Shi was many times stronger than the Taoist Wuji!

This was what deeply shocked Master Wuliang!

Zuo Tianzheng was trembling. He never expected that there was really a strong man behind David!

And it's so strong!

What was that Luota bragging about at the beginning?

Can't he kill the other party with one punch?

With one punch, the other party was fine, but he was wiped out!

"Mercy, mercy..."

Zuo Tianzheng led many masters of the Demon Sealing League, and they all knelt down!

This is a kneeling prayer. It's not easy to live until now, and they don't want to die after practicing to this Mahayana realm!

"Mr. Shi, we can't forgive them. These guys are too bad. They are chasing me with a hundred years of offerings."

"I was almost killed by them."

David said to Mr. Shi!

It was not easy for Mr. Shi to take action. He must destroy the Demon Sealing League, so that David will be relieved!

Zuo Tianzheng heard it and immediately broke out in a cold sweat: “Don’t kill me, I am willing to offer a hundred years of offerings...”

After that, Zuo Tianzheng took out the storage bag and threw it in front of David!

The other powerful men of the Demon Sealing League also took out all the resources on their bodies and threw them at David’s feet!

As long as they can survive, they are willing to contribute all the resources!

David looked at the resources under his feet and was immediately delighted!

With these resources, he can completely improve his realm!

But after getting the resources, people still have to be killed!

“Mr. Shi, even if you give the resources, you still have to kill people...”

David persuaded Mr. Shi!

“Fu\*\* ...”

Zuo Tianzheng and others looked at David and cursed in their hearts!

Giving away all the resources, can’t you leave a way out?

Mr. Shi didn’t speak, but slowly stretched out his palm and gently squeezed it in the direction of Zuo Tianzheng and others!

Seeing this, Zuo Tianzheng and others suddenly looked ashen and motionless!

They knew that Mr. Shi’s light squeeze could take their lives!

## **Chapter 4543**

But when Mr. Shi clenched his fist, the void began to tremble!

Soon countless subtle auras began to gather together!

Everyone looked at Mr. Shi in confusion!

Especially Zuo Tianzheng and the others, who originally thought they were doomed, but who knew that Mr. Shi didn't seem to be targeting them!

David also looked at Mr. Shi in confusion, wondering what Mr. Shi was doing!

Soon, those auras gathered into a human form, and gradually became the appearance of that Luo Ta!

“This.....”

Seeing the slowly taking shape of Luo Ta, everyone was stunned!

No one understood what Mr. Shi was doing!

Even that Luo Ta was confused and looked up and down at his body!

Wasn't he already dead and turned to ashes?

“Lord Luo?” Zuo Tianzheng looked at the resurrected Luo Ta and shouted in disbelief.

“What's going on?”

Luo Ta asked Zuo Tianzheng!

“He...he...”

Zuo Tianzheng stuttered for a long time, but couldn't tell what was going on!

Xiao Yuanshan and others all looked at Mr. Shi in disbelief, not understanding why he wanted to revive Rota since he had killed him?

People were reduced to ashes, could they still be resurrected?

“Mr. Shi, what are you doing?”

David was puzzled!

“You need to kill your enemies yourself, I'm just teaching you a lesson.”

Mr. Shi smiled faintly!

David was confused. With his current strength, how could he kill Rota?

Xiao Yuanshan and others were also confused. They didn't understand who Mr. Shi behind David was?

How could he have such a quirk?

When Zuo Tianzheng and others heard what Mr. Shi said, they breathed a sigh of relief.

This time, they won't die, but it's a pity for those resources!

David looked at Mr. Shi blankly, but soon he seemed to understand Mr. Shi!

Mr. Shi's ability can completely allow him to walk sideways in the world of heaven and man!

But Mr. Shi has never done this before, just to let himself experience step by step.

"Mr. Shi, I understand!" David nodded!

"It's good to understand!" Mr. Shi touched the top of David's head!

"That big fool, hand over your storage bag, otherwise I will not be polite."

David turned his head to look at Rota who was alive, and pointed at him with the Dragon Slaying Sword in his hand!

Rota was pointed at by David, a cultivator in the realm of tribulation, but he dared not say a word!

Looking at Mr. Shi beside David, Rota could only helplessly throw the storage bag at David's feet!

The taste of dying once is really uncomfortable, and Rota doesn't want to try it again!

But just when Rota threw the storage bag to David!

Suddenly, an extremely terrifying and powerful breath in the sky rushed towards everyone!

This breath made the whole world become a little illusory!

The powerful pressure made many people fall to the ground, and some even vomited blood on the spot!

Even Narota was pale and clenched his teeth tightly!

This terrifying aura was much stronger than when Narota came!

Everyone looked at the aura coming from afar in horror!

No one knew why another strong man suddenly came!

All the people in the Xiao Dynasty had ugly faces. They were very afraid that this strong man was the master behind the Demon Sealing League!

If that was the case, I don't know what the ending would be today!

As the pressure became stronger and stronger, an old man slowly appeared in the void. The man had a gray beard, a green robe, and his eyes were piercing!

“Who is being presumptuous in the Western Region?” The

old man slowly spoke!

“Domain Lord, Western Region Lord...”

“Master...”

Xiao Yuanshan recognized the old man in front of him and then knelt on the ground!

Seeing this, the other people in the Xiao Dynasty also shouted loudly!

Zuo Tianzheng and his companions were from the Northern Territory and did not know the Lord of the Western Territory. However, when they heard that the other party was the Lord of the Western Territory, they all bowed their heads!

No matter which of the five Lords appeared, they were all dragons among the people in the Heavenly Realm.

## **Chapter 4544**

David wanted to see who this Western Territory Lord was, but found that he couldn't look directly at the Western Territory Lord!

The feeling of oppression forced David to lower his head!

This was the second Territory Lord that David had met. Of the five great Territory Lords in the Heavenly Realm, David had already met two!

At this moment, Mr. Shi raised his head slightly and glanced at the Western Territory Lord coldly!

With just this one glance, the Western Territory Lord's body shook!

"Sorry to bother you, I'm really sorry, you guys are busy..."

After the Western Territory Lord finished speaking, his body instantly turned into a stream of light and disappeared!

So everyone was confused!

The Western Territory Lord came quickly, but disappeared quickly, as if he had never appeared!

Whether it was the people of the Demon Sealing League or the people of the Xiao Dynasty, they were all in a confused state!

"Mr. Shi, this..."

David raised his head and found that the Western Territory Lord was gone!

"Don't worry about him. You should practice well in the future and improve your strength as soon as possible!"

Mr. Shi patted David on the shoulder!

"Yes!" David nodded heavily!

Mr. Shi looked at Xiao Feng, and then said: "I said that David is a great opportunity for your Xiao Dynasty, and now this opportunity has come!"

After speaking, Mr. Shi waved his hand, and suddenly a ray of golden light sank into the void!

But soon, this golden light exploded in the void, and then a little golden light filled the entire territory of the Xiao Dynasty!

"This light of luck has increased the luck of your Xiao Dynasty for three thousand years. In these three thousand years, no one can shake your Xiao Dynasty!"

Mr. Shi said lightly!

Mr. Shi said this to Xiao Feng, and also to Zuo Tianzheng and others!

This is to let the Demon Sealing Alliance stop thinking about the Xiao Dynasty!

When Xiao Yuanshan heard it, he was overjoyed, and led everyone in the Xiao Dynasty to kneel down at the feet of Mr. Shi!

“Senior, the souls of hundreds of thousands of soldiers in my Xiao Dynasty were all resurrected by you, right?”

At this time, Xiao Feng looked at Mr. Shi and asked!Because

Mr. Shi’s voice just now was exactly the same as the voice of the man who resurrected the hundreds of thousands of soldiers!

It seems that the souls of the hundreds of thousands of soldiers were not resurrected by the Wuji Taoist!

Mr. Shi just smiled slightly, but did not answer Xiao Feng, and his body disappeared in an instant!

David was stunned!

Everyone in the Xiao Dynasty was also stunned!

Just left like that?

What should the people of the Sealing Demon League do?

Seeing Mr. Shi leave, the Chiyun Demon Lord hiding in David’s sea of consciousness let out a long sigh: “But his mother is gone, the old man is scared to pee.”

“Senior, why are you so afraid of Mr. Shi, do you know Mr. Shi’s identity?”

David asked the Chiyun Demon Lord!

“Little kid, don’t ask too much, I told you to practice well, you just practice well.”

“Lend me your body, I want to kill a few people to vent, but I’m scared...”

The Chiyun Demon Lord didn’t say much, he knew that Mr. Shi didn’t tell David, so there was a reason for not telling David!

If he said too much, he might be killed! He

was scared just now, and now the Red Cloud Demon Lord wanted to vent.

“Senior, you have to take it easy, don’t destroy your body!”

After David finished speaking, he planned to lend his body to the Red Cloud Demon Lord, and then kill all these guys from the Demon Sealing Alliance!

But before David gave his body to the Red Cloud Demon Lord, he saw Zuo Tianzheng, Narota and others turned around and ran away!

They ran faster than rabbits!

Although Mr. Shi left, they were already shocked by what Mr. Shi said just now!

Give the Xiao Dynasty three thousand years of luck, and protect the Xiao Dynasty for three thousand years!

What is this concept?

With just this sentence, they dared not have any unreasonable thoughts about the Xiao Dynasty!

The people of the Demon Sealing Alliance ran away, and David could only give up giving his body to the Red Cloud Demon Lord!

## **Chapter 4545**

Everyone in the Xiao Dynasty breathed a sigh of relief, and at the same time they were very excited!

Chance, this is the real great opportunity!

Making friends with David is the best thing their Xiao Dynasty has done!

“Mr. Chen, in the future, my Xiao Dynasty will build a statue for Mr. Chen, and his descendants will remember Mr. Chen for generations!”

Yuanshan knelt down towards David!

“Emperor Xiao, you must not, don’t be so polite!”

David hurriedly helped Xiao Yuanshan up!

“Mr. Chen, you have so many storage bags, why don’t you see what treasures are there!”

Ji Yun reminded David!

David nodded when he heard it, and then opened the storage bag!

The resources in the storage bags of these people in the Demon Sealing League are very rich, especially Zuo Tianzheng's storage bag, which contains the hundred-year offerings of the Demon Sealing League!

These resources are enough for David to practice well. David doesn't have to worry about resources anymore!

"It's still easier to rob resources!"

David said happily!

"Mr. Chen, take a look at that gilded storage bag. This should be the big fool's."

Ji Yun pointed to the storage bags of different colors in David's hand and said!

David opened the storage, and then his consciousness entered the storage bag!

Soon, he was shocked, because in this storage bag, there were countless crystals. These crystals were lavender, and the breath inside the crystals was also different from the spiritual energy!

David took out a crystal and asked Xiao Yuanshan: "Emperor Xiao, do you know what crystal this is?"

Xiao Yuanshan took the crystals, checked them carefully, and then shook his head and said: "I have never seen it before. I don't know if this is the crystal owned by the Tianren Realm!"

"This is the fairy stone, the most trash crystal stone in the heavens. Only the cultivators who

have just ascended to the heavens will use it. This crystal stone contains a mixture of fairy energy and spiritual energy, and the breath is not pure." "Many cultivators who are about to ascend also like to use this crystal stone to practice, in order to make their own transformation smoother."

"You should know that many cultivators practice from spiritual energy, and then ascend to absorb the fairy energy. This transformation from spiritual energy to fairy energy requires a process."

The Red Cloud Demon Lord followed David to explain!

“Fairy stone, the trash crystal stone in the heavens, but these things should be top-level crystal stones in the heavenly world.”

After David finished speaking, the Condensation Heart Technique was activated, and the fairy stone in the palm of his hand was instantly absorbed by David!

“This fairy stone is useless for ordinary cultivators. After all, ordinary cultivators can’t refine fairy energy, they can only refine spiritual energy, so it’s not as good as a spiritual stone.”

“And the immortals can only absorb fairy energy with this fairy stone, so it’s better to use fairy stones to practice!”

“The gods are so poor that they use this crystal stone to practice, and they still have the nerve to brag arrogantly!”

“But for a pervert like you who can refine fairy energy and spiritual energy, this crystal stone is indeed a good thing!”

said the Red Cloud Demon Lord!

After all, David’s Condensation Heart Art is too perverted, and it can almost refine everything, so this fairy stone is the best thing in David’s hands, and it’s not wasted at all!

David was overjoyed at this moment, and then he turned out a palm of a yellowed map from Narota’s storage bag!

Looking at the map, David recognized it at a glance. This is a map of the entire Tianren Realm, and the five major regions are very clearly divided!

However, in a corner of the southern region, it was circled by a red circle!

David looked for a long time, but didn’t find anything special about the red circle!

“Emperor Xiao, how much do you know about the entire area of the Heavenly World? “

David asked Xiao Yuanshan!

“I know a little bit, but after the war between gods and demons, the territory of the Heavenly World has also changed. I wonder what Mr. Chen wants to say?”

Xiao Yuanshan asked!
