### Chapter 4586

Soon, David's attention was attracted by one of the beastmen!

This man was dressed in white, with two horns on his head, and handsome. The other beastmen surrounded this man, but did not dare to get too close!

"Who is the one with the horns on his head?"

David pointed to the man in the middle and said!

The youngest brother took a look, and then whispered: "That guy is called Bai Cheng. He thinks he is a descendant of the dragon clan. In fact, he is just a big python, but this guy is very strong, so no one provokes him."

"Descendant of the dragon clan?" David was stunned and looked at Bai Cheng carefully. The two horns on his head really looked like those of the dragon clan!

You know, if a Jiao snake grows horns, it will naturally turn into a dragon. This guy has horns on his head, so he may really be a dragon clan!

"How was he caught?" David asked!

"Then I don't know. Maybe these people were not arrested. Anyway, every time they were out for a walk, they were all under the ancient tree."

"We can't go over there. We will definitely be beaten if we go over there."

The youngest sister's brother whispered!

"The ancient tree is not his, and this is a prison, not their kang. Why doesn't he let us go over there?"

David smiled coldly and walked towards the ancient tree after hearing this!

Seeing this, the youngest sister's brother hurriedly stopped him and said, "Don't go over there. They are numerous and powerful, and I don't know what level Bai Cheng's strength has reached!"

"If the strength is very strong, we will suffer a great loss if we go over there!"

The youngest sister's brother stopped David, but how could he stop him!

Just as David and the youngest sister's brother were pulling, Bai Cheng looked up as if he had sensed something!

Just as David looked into each other's eyes, they instantly sensed each other's strength!

Seeing this, the beast monks under the ancient tree also stood up and prepared to take action!

Just when David and his younger brother were about to approach the ancient tree, Bai Cheng winked, and instantly more than a dozen monks gathered around!

When his younger brother saw this, his face changed drastically with fear. He let go of David and ran back a distance!

At this time, self-protection is the most important thing. He can't stand with David anymore. If he gets beaten, his younger brother won't be able to bear it!

More than a dozen monks, all of whom are in the first or second rank of the Mahayana realm, surrounded David in the middle!

David glanced at these monks, with a hint of disdain at the corner of his mouth!

"Boy, this is not the place for you to come, get out of here!"

A man with eyes like a venomous snake said coldly to David!

"Is this place your kang? I can go wherever I want, what's your business?"

"You've been locked up in jail, what's so awesome about it?" David snorted!

In an instant, more than a dozen monks were stunned. They never expected that David, a monk in the Tribulation Realm, would be so rampant!

Facing more than a dozen Mahayana monks, he was not afraid at all!

Not only was he not afraid, he even spoke rudely!

"Boy, you are quite arrogant. Do you think that you can't kill people in the prison, so you are not afraid at all?"

"I tell you, I have a lot of means to make you live a life worse than death."

The man said angrily!

Death is not the most terrible thing. In the hands of these monks, there are many ways to make people live a life worse than death!

“If I’m not mistaken, you are a snake demon, right? It’s not easy to practice. Roll aside and stay well. If you really annoy me, I will pinch your seven inches and chop you into several pieces.”

David looked at the man and smiled coldly!

“Boy, don’t be rampant...”

When the man heard it, he was immediately furious. He waved his hand directly, and more than a dozen Mahayana monks approached David!

Chapter 4587

The youngest sister’s brother was watching with worry on his face!

There were other cultivators who were also watching from afar, and no one dared to step forward to help!

Bai Cheng, who was dressed in white under the ancient tree, looked at the scene in front of him with interest!

He had a sense of pride on his body, and he really had the temperament of the dragon clan!

However, when more than a dozen cultivators rushed towards David, Bai Cheng was stunned!

David’s figure instantly shuttled among the dozen cultivators like a phantom!

Then all the cultivators were knocked out fiercely and fell heavily under the ancient tree!

More than a dozen cultivators of the first and second grades of the Mahayana realm did not have the slightest ability to fight back in front of David, who was in the ninth grade of the Tribulation Realm!

Is this a bit too outrageous?

“You...you...”

The man got up and looked at David in shock!

He could feel that David did not use his full strength. If he had, they would have died long ago!

You have to know that David is only a ninth-grade cultivator in the Crossing Tribulation Realm, but they are more than ten Mahayana Realm cultivators. Although they are only first- and second-grade Mahayana Realm cultivators, they are at least equivalent to fourth-grade Mahayana cultivators, right?

How did David defeat them so easily?

“Aren’t you trying to make me live a life worse than death?”

David asked with a smile!

The man did not speak, but looked back at Bai Cheng, and at this moment Bai Cheng’s eyes narrowed slightly, with an extremely solemn look on his face!

“Continue...”

Bai Cheng slowly uttered two words!

After hearing this, the man frowned slightly, but there was still a fierce look in his eyes, and then he waved his hand and said, “Come together, I don’t believe he can really beat more than a dozen of us.”

After that, the man took more than a dozen cultivators and attacked David again.

“Shameless thing!”

David snorted coldly and swung his fists suddenly!

Bang Bang Bang!

In the shocked eyes of the crowd, more than a dozen Mahayana cultivators were knocked out by David again. This time, David did not hold back!

All these cultivators fell heavily to the ground and could not get up again!

The man vomited blood, with horror in his eyes!

David just used the power of the beastman because he could not expose his human breath!

If all the power is released, none of these people will survive!

More than a dozen cultivators fell to the ground with serious injuries, and none of them could stand up!

And the thousands of cultivators at the scene looked at them blankly, and the atmosphere was extremely quiet. The youngest

sister's brother rubbed his eyes and looked at David with an incredible face!

From the eyes of the youngest sister's brother, you can see excitement, excitement and hope!

He knows that there is hope for him to leave this broken place!

David is definitely not an ordinary cultivator. There must be a terrifying identity behind David!

Thousands of monks were horrified. There were so many of them, and some of them had challenged the ancient tree before, but they were all beaten back!

Over time, these monks no longer dared to get too close to the ancient tree!

Now, David, a small monk in the Tribulation Realm, took care of the other party with just a little move!

They may have never seen such an outrageous thing in their lives!

More than a dozen Mahayana cultivators of the first and second ranks were actually defeated by David, a ninth rank in the Tribulation Realm!

"This kid is not simple!"

At this moment, outside the prison, Captain Zhou stood outside the light curtain of the formation, staring at everything at the scene!

Although these prisoners were taking a walk, Captain Zhou, as the captain of the guard guarding the prison, had to ensure the safety of the prison!

So he would watch it in person to prevent these prisoners from making trouble!

But fighting is normal, and he will not stop it, but if someone is killed, Captain Zhou will come forward!

## Chapter 4588

After all, every prisoner here is a resource of the City Lord's Mansion!

If they die, the resources will be wasted, and Captain Zhou will be held responsible!

Just now, David easily defeated more than a dozen Mahayana cultivators by himself, and Captain Zhou saw it all!

"Damn, I remember, this kid came to the prison to visit the prisoners."

Captain Zhou finally remembered David, so he asked the people around him: "Why did this kid come in?"

"He beat Qiu Yu, the son of the Qiu family, and was directly arrested."

A guard next to said!

"Beat Qiu Yu? It seems that this kid is deliberately provoking?"

Captain Zhou frowned slightly!

"I don't know, but after this kid was locked up, the boss Liu who bought the fairy stone sent 500 purple gold spirit coins."

"It seems that this kid's identity is not simple, otherwise why would boss Liu be willing to spend money, you know that boss Liu is very stingy!"

The guard next to him said to Captain Zhou!

"What you said is indeed interesting. Even Liu Zhongnan paid money. I don't know who this kid is? Is he a relative of his family?"

Captain Zhou looked at David carefully, as if he wanted to see through David!

"Captain, should we stop this kid? If he has a conflict with Baicheng, I'm afraid..."

The guard came forward and whispered!

But before he finished speaking, Captain Zhou waved his hand and said, "Don't worry, Baicheng's kid pretends to be powerful every day, and I've long been fed up with it. If I can really teach him a lesson, it doesn't matter."

"As long as no one dies, we will pretend not to see it. I haven't watched the excitement for a long time."

“Captain, if Baicheng’s kid is injured, it will be difficult to explain to the City Lord’s Mansion.” The guard said!

“What explanation? I didn’t beat him, so what should I explain? Besides, the city lord hasn’t shown up for a long time. Who knows what the situation is in the city lord’s mansion?”

Captain Zhou snorted coldly!

The guards were so scared when they saw this that they dared not speak anymore!

No one has seen the city lord show up in the Beast City for a long time. It has always been managed by the three beast generals under the city lord!

However, the three beast generals often disagree with each other, which has caused many monks under the city lord’s mansion to suffer!

This is why Captain Zhou, as the captain of the prison guards, can charge money to release prisoners privately, and can also charge money to allow visits!

And Liu Zhongnan, as an official purchasing point, can line his pockets and secretly sell the fairy stones!

It is precisely because the city lord does not show up now that the management of the entire Beast City is very chaotic!

Many people took the opportunity to make a lot of money!

If the city lord was in charge, Qiu Yu would not be so arrogant, and it would not matter if he beat people!

Now his father, as one of the beast generals, is the executor of the rules. How could he lock up his son!

At this moment, David did not know that he was being spied on, but slowly walked towards the white city!

Bai Cheng looked at David approaching, his eyes full of strong fighting spirit!

It has been a long time since anyone has provoked him!

The other monks around were also staring blankly. They eagerly hoped that David could fight with Bai Cheng!

No matter who wins or loses, at least they can watch the excitement!

If Bai Cheng loses, then maybe they can stay under the ancient tree!

However, these people are in the mood to watch the excitement and don't care who wins or loses!

Only the youngest sister clenched his fists and kept praying that David could defeat Bai Cheng!

Just when David arrived in front of Bai Cheng, the two were on the verge of a fight!

Suddenly a shrill bell rang!

This is the bell for the time of exercise. All prisoners must return to their cells after the bell rings!

"The time is up, you have to go back to the cell."

"I will wait for you here at this time tomorrow..."

Bai Cheng looked at David and said in a cold voice!

"But I don't want to go back..."

David said, and looked at the bronze bell hundreds of meters away!

waved his hand, and a ray of light came in an instant. The bronze bell was directly shattered into pieces, and there was no sound in an instant!

Seeing that David actually damaged the items in the prison, Bai Cheng was slightly stunned.

The others were also shocked!

Although the prisoners here can fight each other, they must not damage the items in the prison, and the rules in the prison must be followed!

When the time for the wind is up, you must return to the cell!

For so many years, no one has ever dared to break the rules in the prison!

But now, David not only does not listen to the rules in the prison, but even destroys the bronze bell in the prison!

This is simply lawless!

The youngest sister's brother looked at David with a worried look on his face. Even if David was powerful, he couldn't fight against the entire prison guards!

Even if he could fight against the prison guards, he couldn't fight against the entire City Lord's Mansion and the entire Beast City!

The other monks also looked at him in shock, not knowing what to do for a while!

Some monks began to return to the cell, while others waited slowly, wanting to see what consequences David would have!

"Damn, you kid is too arrogant. You dare not listen to the rules of the prison, and you also damaged the bronze bell!"

A guard ran from a distance!

This guard was three or four meters tall and weighed more than a thousand pounds. When he ran quickly, he was like a small mountain!

Every time he stepped on the ground, the ground trembled. At this time, many monks looked around with bated breath, their hearts pounding. The prison guards were dispatched, and they all became honest!

The guard grabbed David, but David stretched out his hand and grabbed the guard's wrist directly!

The guard stopped instantly, and no matter how hard he tried, he couldn't move an inch!

"I don't want to hurt you, so don't meddle in other people's business. Get out of the way!"

David threw the guard out and he fell heavily to the ground, stirring up dust!

The scene was silent, and everyone was stunned!

No one expected that David would dare to attack the guard. This was simply a reversal of the heavens!

Even Bai Cheng was surprised!

"Boy, you dare to hit the guards, you really have some courage!"

Bai Cheng said to David!

David just smiled slightly, then slowly turned his head and looked into the white mist not far behind him!

In this direction, Captain Zhou was spying on everything!

When he saw David looking in this direction, Captain Zhou was slightly stunned, and the two looked at each other, as if they could see each other!

But David just took a look and turned his head back again!

“Captain, this kid broke the rules and beat our guards. We must not let him off.”

A guard next to Captain Zhou said angrily!

“Notify them, the exercise time will be extended by ten minutes. After ten minutes, everyone must return to the cell, otherwise they will be killed!”

Captain Zhou said!

The guard opened his mouth when he heard it, but said nothing in the end and went to convey it!

“All prisoners listen, the exercise time will be extended by ten minutes. After ten minutes, everyone must return to the cell, otherwise they will be killed!”

The guard shouted loudly!

“Damn, what’s

going on? The exercise time was extended by ten minutes? Is it because of this kid?”  
“Who is this kid? He changed the rules of the prison.”

“Too awesome, maybe there is a big man behind this kid!”

Many monks talked about it, and they were all talking about David’s identity! ! !

Chapter 4590

Even the younger sister’s brother opened his eyes wide, looking at David in disbelief!

David actually asked the prison to change the rules. What kind of identity is this?

Even Bai Cheng was a little surprised. He didn't expect that David's move not only did not attract more guards, but the exercise time was extended!

"Boy, it seems that you have some power behind you, but you have offended the wrong person. In ten minutes, I can kill you a hundred times!" Bai

Cheng threatened David!

David smiled: "Are you a dragon?"

"Yes, I am a dragon, who are you?"

Bai Cheng said with a proud attitude!

"Why do I think you don't look like a dragon at all? You look more like a burrowing snake."

David still had a smile on his face!

"What did you say?" Bai Cheng was instantly furious: "Are you blind? Can't you see the dragon horn on my head? You dare to say that I am not a dragon, then I will let you see the power of our dragon clan."

After speaking, Bai Cheng jumped up and attacked David!

Instantly, the void shook, and the wind wrinkled!

David looked at Bai Cheng who was taking action, and sensed the breath in Bai Cheng's body, and the smile on his face became even brighter!

"Just you, dare to say that you are a dragon clan, you are so shameless!" After

David finished speaking, his body also jumped up!

Bang!

At the moment when the two bodies intertwined, a deafening sound broke out!

Then the two bodies separated and stood back to back!

Everyone watched carefully, but no one noticed who had the upper hand between the two!

Neither of them was injured.

David and Bai Cheng turned around and stood facing each other again!

David still had a smile on his face, while Bai Cheng had a solemn face!

“Damn, the horn... the horn is gone...”

At

this time, a monk suddenly found that the dragon horn on Baicheng’s head was gone!

At this moment, all the monks looked at Baicheng, and they were all shocked!

Baicheng was also confused by the discussions of the monks, and hurriedly reached out to touch his head, and found that the dragon horn was gone!

“Your fake dragon horn is not glued firmly!”

David stretched out his hand, and what he held was Baicheng’s dragon horn!

Looking at the dragon horn in David’s hand, Baicheng’s face was extremely ugly!

“Hahaha, it’s so funny, it turned out to be a fake dragon!”

“Damn, I was bullied for so long, and I really thought he was a dragon.”

“Get a fake dragon horn and stick it on your head. This is crazy to want to become a dragon.”

Many monks who were bullied by Baicheng and others before all laughed and sneered at Baicheng!

Even Captain Zhou, who had been behind the scenes, was slightly stunned: “Damn, this guy Bai Cheng is actually a fake dragon?”

Captain Zhou was deceived and mistakenly thought that Bai Cheng was really a dragon!

After all, the dragon race is the most noble existence in the entire beast race!

Feeling the ridicule of the people around him, Bai Cheng’s face flushed, and he shouted: “Boy, I’ll let you die...”

Bai Cheng’s roar was accompanied by waves of dragon roars!

In his body, the blood began to surge and boil, and the terrifying breath was everywhere!

In the breath of Bai Cheng, there was a trace of dragon power, and the waves of dragon roars were also real!

“It seems that you have reached the stage of Jiaoshe, and you really have to transform into a dragon and become a noble dragon. However, you are not a dragon now, so you can’t be a dragon and bully others!”

David looked at Bai Cheng and said!

Bai Cheng couldn’t listen at all, and punched out directly, smoke and dust rose, and the spiritual energy was agitated!

Boom!

A large amount of flying sand and rocks covered everything. At the same time, Bai Cheng transformed into a real body, a 100-meter-long white dragon snake, opened its bloody mouth and went towards David!

Seeing this scene, all the cultivators were worried for David!

Bai Cheng’s figure flew in the flying sand and rocks, but in a moment, Bai Cheng’s figure disappeared!
