

A Man Like None Other Novel Chapter 4591

Full Read Online **Chapter 4591** of the novel **A Man Like None Other**

Chapter 4591

When the smoke and dust slowly dissipated, everyone was surprised to find that Bai Cheng was actually kneeling in front of David!

And David still had a smile on his face!

There was horror and respect in Bai Cheng's eyes. He had lost his fighting spirit long ago, and he knelt respectfully to David!

This scene stunned all the cultivators, all of whom looked confused, not knowing what had happened!

"You...are you a real dragon clan, or a golden dragon clan..."

Bai Cheng asked David in a voice that almost only he could hear!

At this moment, Bai Cheng's heart was filled with countless doubts and shocks! The reason why he knelt down to David was not his original intention, but he was directly shocked by the dragon power that David had just emitted!

The pressure made him kneel down unconsciously in an instant!

Just now, he transformed into his original body, intending to use a trace of dragon energy condensed from his body to shock David!

But who knew that a dragon crystal suddenly flashed in front of David's chest, and a dragon energy thousands of times stronger than the dragon energy he condensed burst out!

At that moment, Bai Cheng even saw a golden dragon circling behind David, instantly scaring away the trace of dragon energy that he had finally condensed in his body!

Bai Cheng also knelt directly in front of David, his eyes full of shock!

"It's not easy to practice. Since you have condensed dragon energy, you must be not far from turning into a dragon. You must cherish it!"

David said to Bai Cheng in the tone of an elder at this moment!

Bai Cheng prostrated himself on the ground and said with conviction: "Disciple will follow the teachings."

Bai Cheng's heart changed from shock to excitement, because David's words meant that he would not be killed.

And if he pleases David and gets the help of a real dragon, it will be of great help to his own transformation into a dragon!

Captain Zhou frowned slightly as he looked at the scene in front of him.

He was not very clear about what had just happened, and he didn't know why Bai Cheng suddenly became respectful and knelt in front of David!

"Time is up, go back to the cell!"

At this time, a guard shouted loudly!

After hearing this, David turned and walked towards the cell. He was not in a hurry to explore the secret of the ancient tree!

The other monks also followed David. Many monks ran over and followed David to get close!

Seeing this, the youngest sister's brother followed David closely, looking arrogant!

After all, in the entire prison, he was the only one who could be close to David, and other monks would envy him!

Bai Cheng was crawling on the ground, waiting for David's figure to completely disappear, and then Bai Cheng dared to slowly get up from the ground!

"Brother-in-law, what happened just now? Why did Bai Cheng suddenly kneel down for you?"

Back in the cell, the youngest sister's brother curiously followed David to inquire!

Moreover, he called David his brother-in-law right away. Wasn't it from the beginning that this guy suspected David of playing with his sister?

"You can't shout nonsense, who is your brother-in-law?"

David reminded him hurriedly!

"I'm not shouting nonsense, you are my brother-in-law, don't worry, after I get out, if my sister doesn't follow you, I won't recognize her."

“I tell you, actually my sister is very good, she is beautiful, dignified and generous, and most importantly, my sister is still a virgin!”

“If you want my sister, it won’t affect you to find other women. Which grown man doesn’t have a few dual cultivation partners!”

The youngest sister’s brother only wants to establish a relationship with David at this moment!

After all, David’s performance is enough to prove that David is not an ordinary cultivator, and there must be a force behind him to support him!

David listened to the words of the youngest sister’s brother and couldn’t help but smile bitterly. It seems that the youngest sister’s brother was not wronged in jail. This guy might have raped the female cultivator!

Chapter 4592

“If you want to get out, shut up.”

David said helplessly to the youngest brother!

When the youngest brother heard this, he immediately shut up and didn’t dare to say anything. He was really afraid that David would not save him out at that time!

David stayed quietly in the cell. At this moment, there was a trace of suction in the cell, which was absorbing spiritual power from David’s body unknowingly!

David pretended not to know and sat quietly. Anyway, there was no spiritual energy here, and there was no way to practice at all!

Although he had supplies on him, David didn’t want his supplies to be absorbed by others in the end!

He planned to figure out the ancient tree first!

The next day, it was time to go out!

When David and the youngest brother walked out, they found that hundreds of cultivators had been waiting at the door of their cell to greet them! Chen

Ping walked out of the cell and went straight to the ancient tree!

All the other cultivators followed behind. They all wanted to practice under the ancient tree, because the spiritual energy under the ancient tree was much richer than other places!

Bai Cheng also brought people to guard under the ancient tree to welcome David!

After yesterday's battle, Bai Cheng was completely convinced!

He was a dragon snake that had not yet turned into a dragon, but he encountered a real dragon clan, and it was the most noble golden dragon clan. Bai Cheng felt that this was his good fortune!

"Disciple welcomes the Holy Ancestor..." Bai Cheng said respectfully when he saw David coming!

He was just a snake, and he was taking advantage of calling David the Holy Ancestor!

In the eyes of the dragon clan, they looked down on the dragon clan that turned from dragons.

Some people were born into the noble dragon clan, while some people had to go through their own continuous efforts to turn from snakes into dragons!

"My name is David, you can just call me by my name!"

David looked at Bai Cheng and said!

"This..." Bai Cheng was stunned. He didn't expect David to be so low-key!

You know, in his eyes, the dragon clan is high and mighty, and it is a very proud existence!

But David didn't have any arrogance at all!

"I don't want people to know my identity!"

David walked to Bai Cheng and whispered!

David didn't want people to know his identity as a dragon, so he had been exposing the breath of the beast clan, and did not burst out the power of the dragon!

When he was fighting with Bai Cheng at that time, David also slightly revealed a trace of the power of the dragon!

Even if he revealed a little bit of the power of the dragon, Bai Cheng was shocked beyond words!

“I understand, Mr. Chen!”

Bai Cheng nodded!

“Stop the others, no one is allowed to approach the ancient tree!”

David ordered Bai Cheng!

“Yes!” After Bai Cheng finished speaking, he directly called his men and stopped the hundreds of monks!

“Stand still, no one is allowed to approach the ancient tree, otherwise it will never be forgiven!”

Bai Cheng said majestically!

Although he knew everything about not being a dragon, Bai Cheng’s strength was still one of the few in this prison!

What’s more, Baicheng has many younger brothers, and the other prisoners, although numerous and powerful, are not of the same mind. They were all captured and didn’t know each other at all!

Seeing Baicheng blocking, many monks looked at each other, and no one dared to step forward, and then returned to their original place!

“I can go over, if you dare to stop me, my brother-in-law will not forgive you.”

The youngest sister’s brother looked at Baicheng and said!

“Brother-in-law?” Baicheng was stunned!

“Then David is my brother-in-law, we are together, get out of my way!”

The youngest sister’s brother said!

Baicheng looked at David in confusion, and David said: “You are not allowed to get close to here, find a place to stay by yourself!”

“What?”

The youngest sister’s brother was confused. He didn’t understand what was going on with David. Why couldn’t he even get close to the ancient tree?

Chapter 4593

“Stay away, didn’t you hear what Mr. Chen said?”

Bai Cheng said coldly to the youngest sister’s brother!

The youngest sister’s brother was very speechless, but he could only find a place to stay by himself!

David walked under the ancient tree, looking at the towering ancient tree, and was very shocked!

Because David was too small under this ancient tree!

David gently stroked the trunk, and was not in a hurry to explore, because David was not sure whether there was a formation in this ancient tree!

If he rashly used his spiritual sense to explore, and really alarmed the people in the City Lord’s Mansion, then he would be in trouble!

It is estimated that not many people know the secret of this ancient tree!

If David knew it now, those people would definitely not let him leave the prison!After taking a close look at the ancient tree, David waved to Bai Cheng!

Seeing this, Bai Cheng hurried over!

“Why were you arrested?”

David asked.

“I... I was not arrested!”

Bai Cheng said!

“You were not arrested?” David was stunned: “Then why did you come in?”

“I am here to guard this ancient tree to prevent anyone from approaching the ancient tree at will!”

Bai Cheng said truthfully!

“Aren’t there guards in this prison? Can’t those guards guard the ancient tree? Do they have to send you to guard it?”

David was very puzzled. He didn’t understand why Bai Cheng had to bring people to guard the ancient tree when there were guards in the prison!

Hearing David’s question, Bai Cheng looked around, and then whispered to David: “Mr. Chen, you don’t know that the guards of this prison are under the jurisdiction of General Yan. The ancient tree in this prison is the focus of the entire City Lord’s Mansion, so General Xing specially sent me to bring people to guard the ancient tree.”

“In this case, we will follow the prison guards to supervise each other, and no one can do anything bad to the ancient tree!”

“General Yan? General Xing? What is this? Are these generals not harmonious?”

David didn’t quite understand what Bai Cheng said!

Bai Cheng looked at David’s expression and knew that David really didn’t understand, so he asked, “Is this your first time in Beast City, Mr. Chen?”

“Yes, I used to practice hard in the mountains and forests around Beast City. This is my first time entering Beast City!”

David nodded and said!

“That’s no wonder. Mr. Chen doesn’t know that the current Beast City is governed by the three Beast Generals, and the city lord hasn’t shown up for a long time.”

“The three Beast Generals are General Yan, General Xing and General Qiu. Although they have their own division of labor, they also restrict each other and no one trusts anyone!”

“I am General Xing’s guest, and it is General Xing’s order to guard the ancient tree in this prison.” “

The guards of this prison are not of the same mind as us. On the contrary, Captain Zhou has always disliked me and wants to fight with me.”

Bai Cheng followed David to tell him in detail about the current situation in the Beast City!

After listening, David instantly understood that the reason why the prison changed the rules yesterday was to add ten minutes of wind time!

And when he followed Bai Cheng to fight, no guard showed up. It seems that Captain Zhou was not afraid of him, but he did it on purpose so that he could fight with Bai Cheng!

“Where did the city lord of this Beast City go?” David asked!

“I don’t know either. I only know that the city lord of the Beast City has not been seen for a long time.”

Bai Cheng shook his head and said!

After all, Bai Cheng was just a guest of one of the beast generals, and he probably didn’t know many secrets in the city lord’s mansion!

“Then what secrets does this ancient tree have? Why does it have to be guarded alone? Do you know?”

David continued to ask Bai Cheng!

Since Bai Cheng is guarding the ancient tree, he should know some secrets!

Bai Cheng was slightly stunned, and then his expression became a little strange, as if he was struggling!

Chapter 4594

After thinking for a moment, Bai Cheng slowly said: “Mr. Chen, this ancient tree is very strange. It can absorb the spiritual power of the monks. I guess the city lord’s mansion will collect all the spiritual power absorbed by the ancient tree and use it as a resource for their own enjoyment.”

“I have been secretly observing for a long time. Almost every day, there will be monks dying in the cells, and they are the kind of being sucked into mummies.”

“This is just my own analysis, I don’t know if it’s right...”

Bai Cheng also slowly saw it after a period of observation. It’s not that he knows something!

“Your analysis is right. This should be the case. That’s why these people regard the ancient tree as so important.”

David nodded and said!

“Mr. Chen, why were you arrested? I can use my relationship to let General Xing give you a pardon and let you go.”

Bai Cheng asked David!

“I beat a guy named Qiu Yu, who seems to be the son of General Qiu.”

David said calmly!

“You beat Qiu Yu?” Bai Cheng was shocked: “That guy is a playboy, and he is a vengeful master. I guess he will not let it go.”

“But don’t worry, Mr. Chen, I will ask General Xing for help to see if I can let you out!”

“If you stay here, even if you are not drained of spiritual power by the ancient tree, I am afraid that Qiu Yu will find someone to trip you up in the prison.”

“It’s okay, this prison can’t trap me!” David said indifferently!

Formations surround the prison to imprison these prisoners, but David is not afraid of the formations in the prison at all!

These formations are too simple in David’s eyes. He can leave whenever he wants!

“Mr. Chen also knows the art of formations?” Bai Cheng said in surprise!

“I know a little bit, just the formations here in the prison, and I can break them with a wave of my hand...”

David said casually!

However, Bai Cheng heard these words, but they seemed very arrogant. If it weren’t for knowing David’s identity as a dragon, Bai Cheng would definitely think that David was bragging!

But now David is a dragon, and he is also a noble golden dragon, so David’s words are very credible!

“You help me watch, don’t let anyone disturb me, I want to see what’s so special about this ancient tree!”

David said to Bai Cheng!

“Mr. Chen, you can explore it, but don’t move the ancient tree rashly. If there is any damage to the ancient tree, I really can’t afford it.”

Bai Cheng followed David and said!

“Don’t worry, I won’t damage the ancient tree.”

David smiled faintly!

Bai Cheng walked to the side to help David watch and keep people away from the ancient tree!

David gently pressed his palm on the trunk of the ancient tree, and then a divine power entered the ancient tree!

Because only in this way can David know what secrets this ancient tree has!

Just after David’s consciousness entered the ancient tree, David felt his body lighten, and his soul instantly entered a world of nothingness!

It was all white all around, and nothing could be seen!

David could be sure that this time it was definitely not an illusion, he really felt that his soul had entered another space!

And in this space, the spiritual power like a vast ocean bathed David’s soul, making David very comfortable!

“Is this the space of the ancient tree? Such a rich spiritual power here should be absorbed from the monks in the cell.”

David felt the spiritual power around him, and his heart was very excited.

David really wanted to practice here well, and then his strength would definitely grow much faster!

But he knew that the time for the wind was only half an hour, and no matter how David practiced in this half hour, he could not absorb much spiritual power!

Chapter 4595

David must find a way to stay under the ancient tree for a long time!

In order not to arouse other people's suspicion, David took back the power of his consciousness, and at the same time, his soul returned to its place, and the whole person looked at the ancient tree in front of him in surprise

! There is no formation in the ancient tree, so the suction force that absorbs the spiritual power of many cultivators is not the work of the formation, but the ability of this ancient tree itself!

Ancient trees that absorb the spiritual power of others are really rare in this world of heaven and man. David has only seen this tree!

But just when David's soul had just returned to the body, in the space of the ancient tree, a white light slowly condensed into the appearance of an old man, and the old man slowly opened his eyes from cultivation!

The space in this ancient tree seems to have a sense of nothingness, but the old man sat cross-legged in it, but he had an unparalleled harmony with the surrounding environment.

It was as if he was the master of this ancient tree space, and the entire space was created by him!

"It's interesting that a small cultivator in the Tribulation Realm can actually enter my space?"

The old man raised his white eyebrows, his eyes full of surprise! The

old man's eyes seemed to be able to see through everything in the entire Beast City, and the entire Beast City appeared in his eyes!

"This kid actually has the breath of a human demon on him, and the breath of all three tribes. He is really a genius!"

The old man's eyes condensed slightly, and he became a little curious!

The old man pinched his fingers, and the spiritual light above his head kept flashing, and he began to outline a picture!

And this picture actually started from when David entered the land of the Beast City!

From David entering the land of the Beast City, and separating from Liu Zhongnan and the others, it was all shown in the picture!

However, what David did outside the land of the Beast City was not in the picture!

Then he met the youngest sister, found Liu Zhongnan, and conspired to acquire the fairy stone. It was all in the picture!

Even when David and Liu Zhongnan were discussing the acquisition in the room, the room was surrounded by shielding formations, but it still appeared clearly in front of the old man!

Later, the incident of going to the restaurant and even beating Qiu Yu did not escape the old man's eyes!

If David saw this scene, he would definitely be shocked, because everything he did in the Beast City was completely exposed to the old man!

Even the scene of David being intimate with the sword spirit Zhongli in the inn could not escape!

Later, David entered the prison and then fought with Baicheng!

When the golden dragon behind David appeared and the power of the dragon burst out, the old man's eyes obviously changed!

"It turned out to be the son of the dragon, no wonder..."

The old man waved his hand gently, and the picture suddenly dissipated!

The old man closed his eyes again, and the whole person fell into cultivation, as if he had never woken up!

And David frowned under the ancient tree, and his body felt very uncomfortable!

"It's so strange, why do I feel like I'm peeping at me?"

David said very puzzled!

But this is in the prison, surrounded by those prisoners and monks, they are not allowed to emit divine consciousness to explore at will!

I believe that no one would dare to send out spiritual consciousness to investigate me. Even if there is, with the power of David's spiritual consciousness, I believe that those people will be attacked by David's spiritual consciousness before they can investigate anything about David!

What's more, there is a demon from the eighth heaven, Chiyun Demon Lord, in David's sea of consciousness. Whose spiritual consciousness can investigate David's sea of consciousness without being detected?

“Boy, you are being spied on...”

At this time, Chiyun Demon Lord said to David!

“Who is it? How come I didn’t notice anything in my sea of consciousness? And you didn’t help me block it!”

David said in surprise!

“Damn, they are not using spiritual consciousness to investigate in your sea of consciousness, how can I help you block it?”

Chiyun Demon Lord said speechlessly!
