## Chapter 4606

“Okay, the formation around the general’s mansion has been broken. This formation can’t provide any protection at all. If someone attacks the general’s mansion, the formation will be defeated instantly.”

David said casually!

“It’s broken just like that?” General Xing couldn’t believe it!

Then he muttered something in his mouth, and then a ray of light shot out from his palm, trying to activate the formation!

But after trying several times in a row, there was no reaction at all!

Needless to say, it is known that the formation was really broken by David!

“This...”

General Xing widened his eyes, his face full of disbelief. He didn’t understand how the formation set up by the formation master he had hired at a high price could be broken by David’s casual wave!

This time, they couldn’t help but not believe it!

“I didn’t expect that Fellow Daoist Chen is also a master of formations. I’m so sorry...”

“Although Fellow Daoist Chen’s realm is not high, I have seen the most powerful formation master.”

“Fellow Daoist Chen is really young and promising, and his future is limitless...”

All the guests flattered David!

They all knew that it was of great benefit for them to please a formation master!

“Fellow Daoist Chen, it’s amazing, it’s really amazing, but...”

General Xing looked embarrassed at this moment!

He just said it casually, but he didn't expect David to really break the formation of the general's mansion!

"General Xing, since I can break the formation, of course I can also set up the formation. I will set up a protective formation for the general, and I guarantee that even a ninth-grade cultivator in the Mahayana realm can't break it."

After David finished speaking, he pinched his fingers and drew a series of formation patterns in the void!

As the formation patterns flashed with light, the general's mansion was surrounded by a golden light, and soon the formation was formed!

David showed off his skills and shocked everyone again!

"Fellow Daoist Chen, I would like to invite you to be a guest official under my command. All financial resources will be provided at the highest level of treatment."

"As for your imprisonment, I can ask Baicheng to take the amnesty order tomorrow."

"Although the prison is not under my jurisdiction, I still have the final say in releasing someone!"

General Xing looked at David expectantly and said!

He really wanted David to be his guest official. Talents like David are hard to come by!

Especially David is also a master of formations. This is simply a blessing from heaven. General Xing doesn't want to give up!

"Since General Xing values you so much, I'd rather obey your orders..."

David said with a bow!

David knew that if he wanted to get the fairy stone vein, he had to rely on a force in the beast city!

After all, David was not familiar with the beast city, and he didn't know the overall strength of the cultivators in the entire beast city!

If the fairy stone vein was real, he couldn't defend it with his own strength!

What David has to do now is to cooperate. If he agrees to General Xing now, it is equivalent to cooperating with General Xing!

"Hahaha, that's great. It's my great honor that Fellow Daoist Chen is willing to join me!"

General Xing laughed loudly: "Fellow Daoist Chen doesn't have to go back to the prison tonight. I will arrange the best guest room for Fellow Daoist Chen."

"General Xing, don't bother. I won't go back to the prison, but I have friends in the inn, so I need to meet them!"

David followed General Xing and said!

"Okay, Fellow Daoist Chen can come to me anytime. It's late now. The Beast City is under curfew and monks are not allowed to walk on the street."

"But Fellow Daoist Chen is now a guest of my general's mansion, so he is no longer restricted by this rule."

"This is the token of my general's mansion. Fellow Daoist Chen can go unimpeded with the token!"

General Xing took out a token and handed it to David!

David took the token and saw a Xing character engraved on it. This should be the way to distinguish which general the token belongs to!

"Thank you, General Xing!" David bowed his hands to thank him!

After leaving the general's mansion, David went straight to the inn!

## Chapter 4607

The streets of Beast City were silent under the cover of night. The doors of the houses around had been closed, as if they were all afraid of the unknown in the silence.

From time to time, a few patrolling guards quietly passed by, and their footsteps were particularly clear in this quiet atmosphere.

At this moment, Beast City was terribly quiet, just like a sleeping beast, who would not know when to wake up and show its terrifying power.

However, on this quiet street, several figures suddenly appeared. These people were obviously drunk, staggering and talking loudly while walking, breaking the tranquility of the night.

“Mr. Qiu, the chick today is really great, and her strength is not low. Only Mr. Qiu is qualified to play with such a chick.” “

That’s right, don’t you look at who Brother Yu is? Let alone playing with one chick, playing with ten is no problem.”

“I remember that Brother Yu played with a chick in the Mahayana realm some time ago, and he was almost killed by Brother Yu!”

These people were all Qiu Yu’s friends, who had just drunk wine.

It is precisely because of Qiu Yu’s identity that several of his friends can walk around and make noises freely on this quiet street!

Qiu Yu was flattered by his friends at the moment. He licked his lips and said, “What’s the big deal about a chick in the Mahayana realm? When I have time, I’ll show you a chick in the Immortal Transformation realm!”

Qiu Yu’s words immediately frightened several of his friends. They shrank their necks and looked around!

What a joke?

Immortal Transformation?

Is this kind of bragging also bragging?

Fortunately, there are no female cultivators in the Immortal Transformation realm in this beast city. If they were heard, they would be dead if they blew!

“Who dares to make a loud noise on the street?”

At this time, three patrolling guards found Qiu Yu and others and immediately surrounded them!

But when they saw that it was Qiu Yu, the three guards were shocked!

“Damn it, you are so blind that you can’t see who I am?”

Qiu Yu suddenly got angry and cursed with his eyes wide open!

“Mr. Qiu, I’m sorry, I didn’t know it was you!”

The three guards apologized in a hurry!

Who let their father be one of the three beast generals of the beast city? This kind of identity doesn't need to abide by any rules at all!

The rules are customized by others, so why should they be followed!

"Go away, keep your eyes open in the future!" Qiu Yu saw that the three guards had a good attitude and made himself look good, so he waved his hand and let the three guards leave!

A smug smile appeared on his face, as if he was enjoying the pleasure brought by this power.

But just when the three guards were about to leave, Qiu Yu found that there was a figure coming from the opposite side of them! When

he got closer, Qiu Yu realized that the person who came was David, who beat him up in the hotel!

Seeing David suddenly appear on the street, Qiu Yu was a little confused!

Shouldn't this guy be in jail?

At this time, David also found Qiu Yu and others, and was also slightly stunned, but he was not afraid!

He had General Xing's token in his hand, so it was no problem to walk on the street!

"Good boy, you actually escaped from prison, and openly violated the curfew and walked on the street."

"What are you still standing there for? Arrest him!"

Qiu Yu yelled at the three guards!

Seeing this, the three guards rushed forward and surrounded David!

One of the guards said coldly: "You violated the curfew, so just follow us obediently and don't let us use force!"

Seeing this, Qiu Yu stood aside with his arms crossed and sneered!

David ignored the guard, but took out General Xing's token directly!

When the guard saw General Xing's token, he was also stunned, and then got out of the way: "Sorry..."

## Chapter 4608

Anyone who can get General Xing's token must be a senior guest of the general's mansion, and they are not ordinary guards who can afford to offend!

Seeing the three guards suddenly make way and apologize to David respectfully, Qiu Yu was a little confused!

"What are you doing? Why don't you arrest him for me?"

Qiu Yu yelled.

His voice echoed in the silent street, which was particularly harsh.

"Mr. Qiu, I'm really sorry. He has General Xing's token and is a guest of General Xing, so he has not violated the curfew. We have no right to arrest him."

A guard followed Qiu Yu and said!

Qiu Yu was stunned when he heard it, and looked at David in disbelief! And

David walked past Qiu Yu with the token, with a bit of provocation in his eyes.

"Damn it, no wonder this kid was able to get out of the prison. It must be Xing's doing. He is openly against our Qiu family."

"I'm going to tell my father about this. I can't just let it go!"

Qiu Yu left angrily!

.....

In the inn!

The youngest sister was arguing with her brother who had been released!

The youngest sister was so angry that her face turned red and she was about to cry!

"Brother, you have been released, why are you still waiting for David? We should have left this place a long time ago."

“It’s dark now and you can’t leave the city. If you are caught again, I will never care about you again!”

The youngest sister yelled with anger on her face!

Originally, after the youngest sister’s brother was released, he came to the inn to find the youngest sister. Seeing her brother, the youngest sister was very happy and wanted to take her brother away from the Beast City and go home!

But the youngest sister’s brother insisted on waiting for David and had no intention of leaving at all!

“Sister, this is a golden opportunity, don’t be stupid.”

“If we get in touch with David, we won’t have to worry about it for the rest of our lives.”

“I don’t care if you have feelings for him or not, you have to find a way to take him down.”

“Once you two sleep together, it’s done, and you won’t have to worry about it anymore!”

The youngest sister’s brother persuaded the youngest sister!

His eyes were full of expectation and excitement, and he was obviously full of confidence in David.

During this period, the youngest sister’s brother knew some things about David and the fairy stone vein, so he made up his mind to follow David!

If the vein is true, then if they follow David, they won’t have to worry about resources for the rest of their lives.

But he also knew that relying on the strength of the two brothers and sisters, those who are not qualified to follow David will not be looked down upon by others. After all, they are just a burden and can’t help much if they follow David!

So the youngest sister’s brother tried his best to let his sister sleep with David. As long as she slept with David, she would be David’s woman!

No matter how strong they are, David can’t get rid of them anyway!

Then David is confirmed as his brother-in-law!

“Brother, what are you talking about? Are you going to sell me out? What kind of medicine did David give you that makes you push me into his arms now?”

“I remember when you first met David, you told him not to hit on me and asked me to be on guard against him.”

The youngest sister didn't understand what her brother had experienced in the past few days and why he suddenly changed his attitude!

“Oh, don't worry about it, just listen to me.”

The youngest sister's brother couldn't explain it either!

After all, the fewer people who know about the fairy stone vein, the better. If it gets out, it might be life-threatening!

“I won't listen. Anyway, I'll leave at dawn tomorrow. You can leave or not. If you are caught, I won't care about you anymore!”

The youngest sister lay down on the bed angrily and ignored her brother!

Chapter 4609

The youngest sister's brother sighed and could only sit aside. This sister was too stubborn. He had to find a way to make her think it through!

At this moment, the door was suddenly pushed open!

The brother and sister were both startled. After all, who would suddenly come to this room late at night!

Just when the brother and sister were ready and alert, they found that it was David who walked in!

“You two brothers and sisters haven't left yet?”

David said with some surprise!

David was surprised that the youngest sister's brother was released, and the youngest sister would take her brother away!

After all, the youngest sister entered the Beast City to save her brother. Now that her brother is out, of course she can leave.

“Brother-in-law, you... why did you come out? And there is a curfew at night, and you can still walk on the street?”

The youngest sister’s brother asked in shock!

“Answer me first, why haven’t you left yet?” David asked!

“I didn’t leave because I was worried about you. I’m waiting for your news.”

“And my sister can’t sleep because she misses you so much. If she leaves, she will never see you again, and she will be lovesick!”

The youngest sister’s brother said hurriedly!

“Brother, what nonsense are you talking about? Shut up!”

The youngest sister was anxious and yelled at her brother!

The youngest sister knew that David had no interest in her at all, and David had the beautiful Zhongli by his side, who was prettier than herself and had a better figure!

The most important thing was that the two of them had been intimate in front of her, so how could the youngest sister still miss David!

David looked at the youngest sister’s brother and knew that this guy was talking nonsense. The reason why he didn’t leave was that he wanted to follow him and then take a look at the fairy stone mine to see if he could get a share of it!

However, David didn’t point it out, but smiled and said, “Since you miss me so much, then take a nap. I’m sleepy too!”

“Who wants to sleep with you!”

The youngest sister rolled her eyes at David and was about to walk out of the room, but was stopped by her brother!

“Sister, where are you going? You’re sleeping here late at night, and

you’re not allowed to go anywhere!” After the youngest sister’s brother stopped the youngest sister, he immediately looked at David with a smile on his face: “Brother-in-law, I’ll go outside the door to guard you, don’t worry, I can’t hear anything!”

After that, the youngest sister’s brother leaned close to David’s ear and said: “Brother-in-law, my sister is stubborn, you just use force, women are like this, they struggle desperately at first, and they will be honest when you get them!”

David looked at the youngest sister's brother in shock. He can now conclude that this guy is definitely a big pervert, and he is definitely not wronged for going to jail!

"Brother..."

Although the youngest sister's brother's voice was very low, the youngest sister really heard it!

At this moment, the youngest sister was so angry that she almost attacked her brother!

Seeing this, the youngest sister's brother hurried out and closed the door!

The youngest sister looked at David and said in a cold voice: "I am very grateful to you for helping me rescue my brother, but if you force me, I will rather die than surrender."

"Don't worry, I'm not that kind of person!"

David said, and lay directly on the bed!

The youngest sister looked at David lying on the bed, and she felt complicated for a while!

In fact, she was just saying that. If David really forced her, the youngest sister would not resist!

Deep in her heart, she hoped that David would do something to her!

But David didn't understand at all, and went straight to bed, which made the youngest sister very embarrassed!

Just when the youngest sister was struggling, David had already called Zhongli out, and then they became intimate!

The youngest sister could only stare blankly, with mixed feelings in her heart!

And the youngest sister's brother outside the door, listening to the movement in the room, was ecstatic!

"My sister is still capable. It seems that this rich man is hanging out with her. She won't have to worry about it anymore!"

The youngest sister's brother snuggled outside the door and had been fantasizing about it for a long time!

## Chapter 4610

The next morning!

When the youngest sister came out of the room, she saw her brother lying at the door and sleeping!

This guy really waited outside the door all night!

“Sister, you get up, last night...”

When the youngest sister’s brother saw the youngest sister coming out, he hurriedly got up to ask something!

But before he finished speaking, the youngest sister glared at him, then turned and left!

David also stretched and walked out of the room!

“Brother-in-law, you are really fierce. I heard it all last night. My sister seems cold on the surface, but she is passionate!” “You

screamed very loudly last night. You can’t deny it this time and say that you are not my brother-in-law!”

The youngest sister’s brother saw David and hurriedly said with a smile!

Being able to get in touch with David, he can rest assured now!

“Brother, what are you talking about? Shut up.”

“We’re leaving and we’ll never come to the Beast City again!”

The youngest sister was so shy after hearing what her brother said, and then she shouted!

“Leave? Where to? You are David’s man now, so you can only follow him!”

The youngest sister’s brother said!

“Whether you want to leave or not, just follow him!” After the youngest

sister finished speaking, she walked out of the inn angrily!

The youngest sister's brother was speechless. He didn't understand why his sister still had such an attitude when the matter was settled.

"Why don't you chase her?" David said to the youngest sister's brother!

"This..."

The youngest sister's brother looked at David, not knowing what to do!

After all, he had just embraced David's thigh, and if he gave up like this, he would be unwilling!

But he couldn't just watch his sister run out of the city and then lose her trace! For a moment, the brother of the youngest sister became embarrassed!

"What are you waiting for? Why don't you chase him..."

David was speechless when he saw the youngest sister's brother like that!

After that, David went to chase the youngest sister, and the youngest sister's brother saw this and chased after her!

He was going to follow David now!

The three of them went straight to the city gate, planning to leave the city!

The youngest sister was going to go home, and David was going to find Xiong Kuo's sister to ask about the fairy stone vein!

But just when David and the others were about to leave the city, a pair of eyes were staring at them!

"Mr. Qiu, the guy named David may be going out of the city, probably trying to escape."

In a quaint little building, a subordinate was reporting to Qiu Yu!

"This guy, really wants to escape from the city, I didn't expect him to sneak out of the prison."

"You go and inform Captain Zhou, that idiot, that the people in his prison ran away, and he doesn't know yet!"

Qiu Yu said with a gloomy face!

Last night, when he met David holding General Xing's token, Qiu Yu thought that David was released by General Xing!

But after his investigation, he found that no one had released David, which meant that David had escaped secretly.

No matter what method David used to sneak out, this kind of jailbreak is a capital crime!

Qiu Yu expected that David would definitely sneak out of the city, so he sent people to guard at the city gate! Sure enough,

when he saw David was about to leave the city, he immediately ordered people to tell Captain Zhou of the prison!

After all, Captain Zhou had to take responsibility for the jailbreak in the prison he was guarding!

The reason why Qiu Yu kept staring at David was because the fact that David beat him up had fermented throughout the Beast City in recent days and everyone knew about it!

Originally, as the young master of the Qiu family, he was in great glory and was admired by everyone wherever he went, but now he has become the talk and joke of everyone!

Especially being beaten by a little cultivator in the Tribulation Realm, it was really embarrassing!

It would have been fine if David had been tortured to death in prison, but within two days, David escaped from prison!
