Chapter 4611

And he was holding General Xing's token in his hand. This was a great shame and humiliation for Qiu Yu!

After Qiu Yu ordered someone to notify Captain Zhou, he personally led people to the city gate!

"Sir, it's not good for you to make a big fuss like this. After all, David has General Xing's token in his hand and is General Xing's guest."

"If you want to deal with him, I think you should notify the master..." At

this time, someone reminded Qiu Yu!

"Humph, as long as David dares to leave the city, we will intercept him outside the city and throw his body in the wilderness. What can General Xing do to me?"

"If he dares to deal with me, my father will not let him go, don't worry..."

Qiu Yu finished speaking, and led his people away!

The violent aura on Qiu Yu's body continued to emanate. Although other cultivators did not dare to burst out their auras in the Beast City at will, Qiu Yu dared!

What is his identity?

He is the son of the Qiu family, and his father is one of the three beast generals!

When there was no city lord, his father was the biggest leader of the entire beast city!

Even if Qiu Yu exploded, who would dare to control him?

On the other side, David chased the youngest sister out of the city!

The guards at the city gate did not stop them. They would check when entering the city, but no one would control them when leaving the city!

The youngest sister's brother was also chasing after her, and he kept nagging in his mouth: "You girl, you are not obedient at all. As the saying goes, marry a chicken, follow

the chicken; marry a dog, follow the dog. You have slept with David, and you are his, why are you still stubborn?"

"It would be great if you follow me obediently. I won't treat you badly, and I can get out of the prison thanks to David." "

Why don't you serve me well, and then give me a big fat boy to take care of my husband and children, and you still want to run, I wonder where you can run!" The youngest

sister's brother just kept nagging, which made the youngest sister run faster!

David looked at the youngest sister's brother helplessly and said, "Shut up, I didn't touch your sister at all, stop talking nonsense."

"Brother-in-law, don't lie to me, I heard it all last night, and my sister was screaming so happily, how could it be fake!"

"Brother-in-law, don't worry, I will definitely convince this stubborn girl..."

The youngest sister's brother thought that David was lying to him, and after he finished speaking, he sped up and chased after the youngest sister!

David watched the brother and sister walk away, and he didn't plan to chase them, so he went to the south of the city. Xiong Kuo said that there was a big tree a hundred miles south of the city, and his sister Xiong Ying was there! Chen

Ping had to find Xiong Ying first before he could confirm whether the fairy stone vein was real!

But as soon as David turned around, he immediately noticed that several breaths were coming towards him!

David frowned slightly. He knew that the person who was tracking him must be that Qiu Yu. After all, he only had a grudge against this guy in the Beast City!

Regardless of whether it was Qiu Yu or not, David decided to wait for the other party. If they were allowed to follow him all the time, the matter of the fairy stone vein might be exposed!

Only when the people who were following him were dealt with first, could David go to find the fairy stone vein with peace of mind!

"Why don't you run away, kid?"

At this time, Qiu Yu's voice sounded, and then several figures appeared in front of David!

The leader was Qiu Yu, who was looking at David with a sinister smile on his face!

While Qiu Yu was speaking, the several monks he brought with him all stood in their positions without making a sound, surrounded David, and prevented David from escaping!

These monks were all of the third rank in the Tribulation Realm, and they were not kind at first glance!

"What do you want?" David looked at Qiu Yu and asked!

"What do you say I want? Of course I want revenge. Do you think that beating me will let it go?"

"And you escaped from prison privately, which is a capital crime. It won't be long before Captain Zhou will bring people to arrest you back to the prison, and then you will be worse than death!"

Qiu Yu said with a sneer!

Chapter 4612

"I have General Xing's token in my hand. I am already General Xing's guest. You still dare to touch me. Aren't you afraid of General Xing's blame?"

David asked coldly!

"Hahaha, I'm afraid of nothing. That Xing guy is nothing. Even if I kill you, what can he do to me?"

"If he dares to touch me, my father will kill him directly..."

Qiu Yu laughed loudly, not afraid of General Xing at all!

David saw that General Xing could not threaten Qiu Yu at all. It seemed that General Xing's strength and status among the three beast generals were not the highest!

"Do you think you can seek revenge on me with just a few of you?"

David glanced at the people Qiu Yu brought with him and said with a disdainful smile.

David didn't take several third-grade cultivators of the Mahayana realm seriously at all.

“Stop talking nonsense, if I wasn't careless, I wouldn't have been beaten by you. Today I'm going to make you obedient and then throw you into jail!”

Qiu Yu said angrily!

As soon as Qiu Yu finished speaking, he took the lead. A flash of light appeared in his hand, and a sword emitting a biting cold air appeared in his hand. The runes on the sword flashed, containing powerful power.

His figure was like lightning, and he rushed towards David in an instant. The sword in his hand drew out a bunch of sword flowers and stabbed towards David's vitals.

David was not in a hurry. He took a slight step, and his figure flashed strangely, and he easily avoided Qiu Yu's attack.

Qiu Yu's attack missed, and he was furious. He swung the sword in his hand again, and sword energy shot out from the sword, like a sharp blade, sweeping towards David.

David sneered, quickly formed seals with his hands, and muttered something. A transparent shield appeared in front of him. The sword energy hit the shield and instantly turned into dots of light and dissipated.

“With just this little ability, you dare to come to me for revenge?” David taunted.

Seeing this, several monks behind Qiu Yu looked at each other and displayed their unique skills.

One of the monks waved his hands, and the sky was suddenly covered with dark clouds. Lightning struck from the dark clouds and blasted towards David. Another monk

sputtered out a flame from his mouth, and the flame instantly turned into a huge fire snake, opening its bloody mouth and rushing towards David. Another

monk had a huge axe in his hand, and the light on the axe was shining. He swung it hard, and a huge axe blade chopped towards David.

David remained calm in the face of everyone's attacks.

He formed seals with his hands again and shouted: “Break!” The shield in front of him shone brightly, and the lightning, fire snakes and axe blades hit the shield, and suddenly there was a roar, but they could not break through David's shield.

“Is this all you can do?” David said disdainfully.

Seeing this, Qiu Yu became even more angry. He raised the sword in his hand again and shouted, “Ice Soul Sword Rain!” He waved the sword in his hand towards the sky, and the dark clouds in the sky suddenly turned into countless ice swords, pouring down towards David.

Each of these ice swords contained powerful power, and the dense ice swords fell towards David like raindrops.

David looked at the ice swords falling from the sky, and a trace of disdain flashed in his eyes.

Suddenly, a powerful flame power erupted from his body, and the flame instantly turned into a huge flame dragon, circling around David.

Those ice swords fell on the flame dragon and instantly melted into water.

“You...you are using the demon fire, you are not a beastman, you are a demon cultivator?”

Seeing the flames erupting around David’s body, Qiu Yu was shocked!

You must know that only the beastman can enter the beast city, and there are guards checking at the door!

Unexpectedly, David, a demon cultivator, escaped the inspection and sneaked into the beast city!
