Chapter 4622

“Do you know him?” David looked at the youngest sister’s brother and asked!

“Of course, this Mr. Qiu is very famous in the Beast City. He walks sideways on the street.”

The youngest sister’s brother said!

“Now he can’t walk sideways. His legs have been crippled by me...”

David said!

“Brother-in-law, you are too reckless. The father of this Mr. Qiu is one of the three beast generals. You have crippled his legs now, which is a big disaster!”

The youngest sister’s brother said in shock!

“Cause trouble?” David smiled slightly: “Not only will I cripple his legs, I will also kill him...”

After David finished speaking, he stabbed the Dragon Slaying Sword in his hand with force, and

then picked out Qiu Yu’s beast pill directly! Qiu Yu died before he could even beg for mercy!

This time, the brother and sister were scared enough!

They didn’t expect that David would dare to kill even the sons of the three beast generals! He

was so bold!

“I can tell you now that I went to jail because I beat Qiu Yu.”

“If I kill him now, I will definitely make a blood feud with the Qiu family. The Qiu family will definitely send people to hunt me down.”

“So you two don’t follow me, it will be very dangerous!”

David said to the youngest sister and her brother!

In fact, David did this to scare the youngest sister and her brother, so that the two would leave and not follow him anymore!

After all, David himself didn't know when he would leave the Beast City, and the youngest sister and her brother still had to live in the Beast City!

If they made enemies with the Qiu family, David could just walk away, but they, the brother and sister, would surely die!

"Brother, let's go..."

The youngest sister pulled her brother!

After all, they were just casual acquaintances with David, and they didn't have any deep friendship!

The youngest sister had never slept with David, and there was no relationship at all, so it was no big deal to follow David like this!

"Sister, since my brother-in-law has caused a big disaster, we brothers and sisters can't just sit back and watch."

"In this case, the two of us are too inhuman. How can you say that you two have slept together? You have been his for a long time." "

If the Qiu family makes trouble for my brother-in-law, I will never stand idly by. If the Qiu family walks out of the Beast City and reaches the suburbs, there will be nothing to fear. At that time, as long as we don't enter the city, they will never find us!"

The youngest sister's brother said righteously!

Seeing her brother like this, the youngest sister seemed surprised and looked at her brother in disbelief!

She suddenly felt that her brother seemed to have changed a little!

How could the youngest sister know that her brother was willing to follow David at this moment, entirely because of David's strength, and David also knew about the fairy stone veins!

"Brother, the two of us..."

The youngest sister wanted to explain that she didn't sleep with David at all!

“Sister, don’t say anything. My brother-in-law saved my life. Can you watch my brother-in-law in danger and leave alone?”

“In this case, are we still human?”

The youngest sister’s brother directly said to the youngest sister that she didn’t want to speak anymore!

If the youngest sister spoke again, she would not be a human being, and she would not have a trace of conscience!

Seeing this, David also knew that it would be harder than climbing to the sky to get the two people to stop following him, so he said helplessly: “Okay, you two follow me, but don’t stay too far away from me, otherwise there will be danger and I can’t help you!”

“Brother-in-law, don’t worry, I am very familiar with this area. Even if someone wants to hunt you down, I can take you to hide.”

The youngest sister’s brother patted David on the shoulder and reassured him!

David smiled helplessly and could only take the two people to the south of the city!

After walking a hundred miles, he saw a towering tree. This should be the place that Xiong Kuo said!

Chapter 4623

David followed the youngest sister and her brother to the big tree, but he didn’t find anyone, which made David feel a little surprised!

“Damn, isn’t that bear lying to us?”

The youngest sister’s brother found that there was no one under the big tree, so he said angrily!

“It shouldn’t be, he gave me all the jade pendants, and cheated me, it won’t benefit him at all!”

David shook his head and said!

At this moment, a faint cry for help suddenly sounded!

“Help...” The

voice was very weak. If David’s hearing was not different from that of ordinary people, he would not have heard it at all!

“Someone is shouting for help...”

David glanced at the direction of the sound, and his consciousness instantly radiated out!

“Where is it? Why didn’t I hear it?”

“I didn’t hear it either!”

The brother and sister both shook their heads, indicating that they didn’t hear it!

At this time, David had already rushed out!

Seeing this, the brother and sister also rushed with David!

And dozens of miles away from David and his men, two burly men were surrounding a girl with playful and lewd smiles on their faces!

The girl was trembling at the moment, her eyes full of fear!

“Don’t come over here, my brother will be back soon...”

The girl held a dagger in her hand and threatened the two men!

“Xiong Ying, don’t think about it, your brother has been arrested and put in jail, it’s impossible for him to come out again, otherwise the two of us won’t have a chance to enjoy ourselves!”

One of the burly men said!

It turned out that this girl was Xiong Kuo’s sister Xiong Ying!

“Impossible, my brother can’t be in jail, you are lying to me...”

Xiong Ying burst into tears!

“If your brother hasn’t been in jail, why hasn’t he come back after so many days? We two saw him being arrested with our own eyes.”The

sturdy man licked his lips and couldn’t wait to say!

“You two are my brother’s best friends. Seeing him in jail, you don’t care and come to bully me. Are you still human?”

Xiong Ying cursed angrily. You must know that these two sturdy men are Xiong Kuo’s good friends!

These two guys are also transformed by black bears, and they eat and drink with Xiong Kuo!

But now that Xiong Kuo has just been arrested, the two of them have started to attack Xiong Ying!

You must know that the two of them have been coveting Xiong Ying’s beauty for a long time!

“We are helping you, how can we bully you? Your strength is too low. The two of us are willing to spend spiritual power to practice with you, just to let you improve your cultivation.”

The sturdy man who spoke first argued!

“Bah, even if I die, I can’t let you two succeed.”

After Xiong Ying finished speaking, the dagger in his hand instantly slashed towards his neck!

But as soon as he moved, he slapped a sturdy man with his palm, and the dagger in Xiong Ying’s hand flew out!

You have to know that these two big men are both at the ninth level of the Tribulation Realm, and Xiong Ying is only at the seventh level of the Tribulation Realm, so he can’t be the opponent of these two people at all!

After slapping the dagger in Xiong Ying’s hand away, the two men rushed over directly, one of them grabbed an arm, as if to split Xiong Ying in two!

“I’ll go first...”

“I’ll go first...”

The two strong men scrambled to follow Xiong Ying in double cultivation first!

“Stop...”

At this time, a cold shout came, and then David’s figure appeared in front of the two men!

The two strong men were stunned, and then they looked at David and said, "Boy, don't ruin our good thing, get out of the way immediately!"

Xiong Ying saw that David attracted the attention of the two strong men, so he suddenly burst out with a horrified breath and broke free from the control of the two!

The two strong men were also shocked and retreated several steps before they stopped!

Xiong Ying ran behind David, with tears in his eyes, and said, "Daoyou, save me, the two of them forced me to practice double cultivation, I don't want, I don't want..."

David looked at Xiong Ying, and his eyes were a little sluggish for a moment!

Because he found that the girl in front of him was so beautiful!

The girl is like a fairy walking out of an ancient painting. Her beauty is not only the exquisiteness of her facial features, but also her otherworldly temperament that is unforgettable at first sight

Chapter 4624

Her face is delicate, like a newly blooming lily, her eyebrows are like distant mountains with smoke, her eyes are like autumn water, and every blink of her eyes seems to tell endless stories. She

has an enviable graceful figure, neither too thin nor redundant, and every curve just shows the feminine beauty and strength.

Her waist is as light as a willow, and her steps are graceful. When she walks, her skirt sways gently, like a lotus leaf swaying in the morning breeze, which is both elegant and agile.

And she is wearing a dress with an ancient style, which seems to be tailor-made for her. The fabric is soft and delicate, and the colors are colorful but elegant. The

skirt is long to the ankle, revealing the exquisite embroidered shoes, adding a bit of classical charm.

"Brother-in-law, you are running too fast, wait for us..."

At this time, the youngest sister and her brother caught up!

But when the youngest sister's brother saw Xiong Ying, he was also stunned for a moment, his eyes were straight, and his saliva flowed out instantly!

"Too beautiful, how can there be such a beautiful woman?"

The youngest sister's brother couldn't help but say!

The youngest sister looked at Xiong Ying in front of her, and she felt a little inferior. Compared with Xiong Ying, she was really too ordinary!

"You are scolding me, if you don't want to die, get out of here, don't delay us from doing business..."

A strong man seemed a little impatient and shouted loudly!

At this time, the youngest sister's brother reacted and looked at the two strong men!

"Daoyou, save me, save me..."

Xiong Ying had tears in her eyes, and she looked so pitiful!

"Girl, don't be afraid, I will protect you..."

The youngest sister's brother immediately stood in front of Xiong Ying with a righteous face!

David glanced at the youngest sister's brother and couldn't help but smile and said, "Can you beat them both?"

The youngest sister's brother looked at the two strong men, then shook his head and said, "I can't, don't you still have you? It's easy for you to beat them both!"

The youngest sister's brother has seen David's ability. Although he is only at the ninth level of the Tribulation Realm, it is also easy and pleasant to beat the fourth level of the Mahayana Realm!

What's more, David just killed many cultivators of the Qiu family!

You know, those cultivators are all at the Mahayana Realm!

"You are right..."

David smiled helplessly. This guy wanted to be a hero and save the beauty, but he wanted to let himself take action!

"Damn it, let you nag your mother, do you want to die?"

One of the strong men was a little anxious and rushed directly towards David and the others!

David didn't even look at it, but waved his hand casually. In an instant, a huge force suddenly rose up and knocked the strong man out!

The strong man's body fell heavily to the ground, spitting blood, and couldn't get up for a while!

When dealing with cultivators of the same level, David was too lazy to look at it. There was really no difference in crushing an ant to death!

Seeing this, another strong man was stunned. He never thought that David, who was a ninth-grade cultivator in the realm of tribulation and had the same cultivation as them, could defeat them so easily!

This is incredible!

The strong man bent down, casually grabbed his companion, and fled quickly!

David didn't chase him. After all, there was no deep hatred, so there was no need to kill them all!

What's more, David didn't recognize Xiong Ying at the moment!

Seeing David waved his hand and beat away the two strong men, Xiong Ying's eyes were full of surprise, and her eyes changed when she looked at David!

"Beauty, don't be afraid, my brother-in-law chased them away..."

The youngest sister's brother looked at Xiong Ying, and deliberately emphasized the word brother-in-law, as if he was emphasizing it!

"Thank you..."

Xiong Ying hurriedly bowed to thank them!

"You're welcome, it's all a small matter. I don't know what your name is, beautiful lady? Why are you here?"

The youngest sister's brother asked with a flattering face!

"My name is Xiong Ying, I'm waiting for my brother..."

Xiong Ying said!

“Xiong Ying?”

David and the youngest sister’s brother were shocked at the same time, and looked at Xiong Ying in disbelief!

Chapter 4625

The two of them never expected that Xiong Kuo’s sister would be so beautiful, it was simply too outrageous!

And Xiong Kuo also said that his sister was not beautiful!

Now knowing that the girl in front of them was Xiong Ying, Xiong Kuo’s sister, David and Yaomei’s brother were stunned!

This was beyond their cognition. They thought that Xiong Kuo’s sister should also be the type with a strong back and strong waist!

But now, she has a slender waist and looks pitiful!

Especially Yaomei’s brother, he kept rubbing his eyes and looking at Xiong Ying in disbelief!

He still remembered that when he was in prison, he also ridiculed Xiong Kuo, saying that Xiong Kuo’s sister must not be as beautiful as his own sister!But

now that Yaomei is standing with Xiong Ying, Yaomei is simply too ordinary!

“You...why are you two looking at me like that?”

Xiong Ying was a little scared by the look of David and Yaomei’s brother!

“Beauty, we didn’t expect you to be Xiong Ying...”

Yaomei’s brother said hurriedly!

“Why? Do you know me?”

Xiong Ying asked with a puzzled look on her face!

“Yes, I know you. Of course I know you. Your brother and I were in the same cell. I have heard your brother talk about you a long time ago.”

Yaomei's brother nodded hurriedly, with a flattering look on his face!

This guy, seeing the beautiful woman, seems to be a little unable to hold back!

Yaomei looked at her brother like this, and was speechless for a while, not knowing what to say!

"Is my brother really in jail? How is he?"

Xiong Ying looked panicked when she heard that her brother was really in jail!

"Don't worry, your brother is fine, and we have a way to rescue your brother."

Yaomei's brother saw Xiong Ying's anxious look, and immediately said with pity!

"Really? Thank you so much!"

Xiong Ying immediately cast a grateful look at the younger brother!

Feeling Xiong Ying's gaze, the younger brother stood up straighter!

"Did you and your brother find a vein of fairy stone?"

David asked Xiong Ying!

Hearing David asking about the vein, Xiong Ying immediately became alert, looked at David and said: "What are you talking about? Where is the vein of fairy stone?"

Seeing that Xiong Ying didn't say anything, David took out the jade pendant and said: "You don't have to be afraid, it's your brother who told us, and he also gave me this jade pendant."

"He said that after seeing the jade pendant, you will tell us about the vein, and only if we find the vein can we rescue your brother."

Xiong Ying took the jade pendant, looked at it carefully, and said excitedly: "This is my brother's jade pendant, it seems that he really knows you."

"The vein of fairy stone is not here, I will take you to see it!"

Xiong Ying put down his guard, and then took David and others to find the vein of fairy stone!

In order to avoid being discovered, David deliberately set up a shielding magic circle around, which moved with the movement of the crowd!

Several people didn't dare to fly, after all, the target of flying was too big and it was easy to be discovered!

Along the way, the youngest sister's brother always talked to Xiong Ying from time to time, constantly trying to get close to her, and it seemed that he wanted to attack Xiong Ying!

After all, which man doesn't want to play with such a beautiful woman!

But the more the youngest brother acted like this, the more disgusted Xiong Ying showed, and finally she stopped talking to him!

On the contrary, David was silent all the way and did not deliberately approach Xiong Ying, but Xiong Ying was always attracted to David!

Especially since her brother's jade pendant was taken out from David, Xiong Ying believed that only the person holding her brother's jade pendant could rescue her brother!

"How far is it?"

After walking for an hour, David asked Xiong Ying!

"Not far, just on the hill ahead..."

Xiong Ying said from the hill not far away!
