## Chapter 4626

David looked at the hilltop and found that it was not a place that was rarely visited by people, nor was it hidden. How could a vein of fairy stone not be discovered by others?

“It’s not difficult to find here, why hasn’t anyone discovered it?”

David asked in confusion!

“You’ll know when you get there!” Xiong

Ying smiled slightly!

Xiong Ying’s smile made David feel like a spring breeze in an instant!

The youngest sister’s brother on the side drooled instantly!

“Brother, look at what you have become, isn’t it embarrassing?”

The youngest sister looked at her brother and said with disgust!

“Don’t worry about me, you should take care of your brother-in-law. He talked to other girls in front of you!”

The youngest sister’s brother said!

The youngest sister ignored him angrily, and she couldn’t do anything about this brother!

After another half an hour, everyone finally reached the top of the mountain. At this moment, there was a ten-thousand-foot abyss in front of the top of the mountain!

But there were no veins of fairy stones on the top of the mountain. If there were, David could detect it. After all, the spiritual power in the fairy stones was different from that of ordinary spirit stones!

“It seems that there are no fairy stone veins here?”

David looked at Xiong Ying in confusion and asked!

“Follow me...”

After saying that, Xiong Ying actually jumped into the ten-thousand-foot abyss!

Seeing this, David and the others also jumped down. Although it was a ten-thousand-foot abyss, it was not scary for these cultivators. After all, they could already fly in the air! Just

as everyone was falling rapidly, a cave appeared on the cliff soon. The cave was not big and could only accommodate one person!

Xiong Ying stabilized his body and then walked into the cave!

David and the others entered one by one. As soon as he entered the cave, David sensed the breath of the fairy stone!

The cave was very dark, and David raised a ball of fire in his palm, illuminating the surroundings!

After walking a distance along the cave entrance, he saw that on the stone walls around the cave, there were some scattered fairy stones!

Although it doesn't look like a lot, compared to not being able to find a fairy stone outside for a year or two, this place can be called a mine!

“So many fairy stones, so much money...”

The youngest sister's brother saw the fairy stones around the cave wall and became a little crazy, and hurriedly dug the fairy stones with his hands!

But the fairy stone seemed to grow on the stone wall. No matter how hard the youngest sister's brother tried, he couldn't get a piece of fairy stone!

“This stone wall is extremely hard. If you want to dig out the fairy stone, you have to do it slowly, and it will cost a lot of spiritual power.”

Seeing this, Xiong Ying hurriedly explained!

If you can get a fairy stone with just a click, it is estimated that Xiong Kuo and Xiong Ying, the brother and sister, would have gotten a lot of fairy stones long ago!

David saw a fist-sized fairy stone, then walked forward, with the fire rising from his palm, and roasted the stone wall!

Then he clicked his hand, and the fairy stone fell out.

“Is this stone wall afraid of fire?”

Seeing this scene, Xiong Ying asked in shock!

The two brothers and sisters tried their best, but they didn't get a few, and they were taken to the Beast City to sell, and they were arrested!

“After roasting with flames, the stone wall will become less hard, and the fairy stone will be easier to mine.”

David nodded, and then continued: “Does anyone else know this vein?”

“No, only the two of us brothers and sisters know, and now there are you!”

Xiong Ying shook his head and said!

David looked at the fairy stones in the cave. He knew that with just a few of them, they would never be able to mine all the fairy stones here!

He must find someone to cooperate with now, as the saying goes, win-win cooperation!

But who can mine fairy stones?

Chapter 4627

David thought of Liu Zhongnan. After all, Liu Zhongnan bought fairy stones in Beast City and knew a lot about this!

But on second thought, Liu Zhongnan was too scared of death, and he was also a member of the City Lord's Mansion of Beast City. If he really told Liu Zhongnan about the mine, he would probably take it for himself! This

guy was too greedy and afraid of death. In addition to his identity as a member of the City Lord's Mansion, David deleted Liu Zhongnan!

David thought of Baicheng, but he also felt that it was inappropriate. Baicheng was a guest of General Xing. If Baicheng knew, I'm afraid General Xing would also know!

David didn't want General Xing to know. Now his strength was inferior to others. If the other party robbed the fairy stone mine, David would have no way to stop it!

Suddenly, David suddenly thought of a person, that was Uncle Qian, who was brought to him by his younger sister when he just entered Beast City!

Uncle Qian was not a member of the City Lord's Mansion, and Uncle Qian was a human. It was definitely impossible for him to follow the people of Beast City!

In addition, Uncle Qian's strength has reached the fourth level of the Mahayana realm, which is enough to kill all around!

At that time, Uncle Qian knew that he was also a human cultivator, and he was also very friendly.

"That's it..."

David secretly decided in his heart, and followed Uncle Qian to cooperate in mining the vein of the fairy stone!

David knew that he could not stay in the Beast City for a long time, so he had to find someone to cooperate with and mine the fairy stone in a short time!

After thinking about it, David looked at a few people and said, "You guys wait for me here, I'm going to do something. When I'm not here, don't mine the fairy stone by yourself, save your spiritual power, and prevent accidents!"

"Brother Chen...you...are you going to rescue my brother?"

Xiong Ying had already told David the location of the fairy stone vein. David should have gone to rescue his brother!

"Yes, I'm going to rescue your brother!"

David nodded and said!

"Thank you!" Xiong Ying smiled at David!

David's body trembled slightly. This Xiong Ying's smile was so beautiful!

David hadn't felt this way for a while, but David, who had seen countless people, was not so anxious about the matter of double cultivation!

After all, he now had Zhongli by his side, and he had never lacked women around him, all of them were beauties!

David walked out of the cave and headed straight for the Beast City!

At this time, in a general's mansion in the Beast City, there was a corpse in the yard!

This corpse was that of Qiu Yu. Qiu Tu looked at his brother's body with mixed feelings in his heart!

A man in a general's uniform with a heavy face was Qiu Wanqing, Qiu Tu's father.

Qiu Wanqing did not have much sadness, and his eyes were full of solemnity.

"Tu'er, you said that your brother was killed by a cultivator of the ninth rank of the Tribulation Realm, and you are not his opponent?"

Qiu Wanqing asked Qiu Tu!

"Father, it's like this, and I have investigated. This guy is called David, and he has become a guest of Xing Daorong."

Qiu Tu nodded and said!

The Xing Daorong mentioned by Qiu Tu is General Xing, one of the three great beast generals!

"Xing Daorong's guest official dared to kill my son. It seems that the grudge between him and me will break out in advance!"

Qiu Wanqing said, and slowly raised his head to the south, because to the south of him was the general's mansion of Xing Daorong!

"General, the guy who disrupted the fairy stone market and privately purchased the fairy stone has been found!"

At this time, the housekeeper of the Qiu family walked into the courtyard and said to Qiu Wanqing!

"Tu'er, take someone to have a look. If you can subdue him, try to subdue him, and don't fight and kill anymore."

"We must prepare the fairy stone as soon as possible, the agreed time is coming soon!"

Qiu Wanqing followed Qiu Tu and said!

"Father, the body of that brother..."

"Burn it..."

Qiu Wanqing said casually, as if Qiu Yu was just an ordinary person, not his own son!

## Chapter 4628

Qiu Tu was not surprised at his father's attitude, because in Qiu Wanqing's eyes, power was more important than his own son! If his

son was gone, he could still have another life, but if he lost his power, it would be troublesome to seize it!

Now Qiu Wanqing's energy is all on controlling the entire Beast City. Now there are three beast generals in the Beast City, each holding one side. Qiu Wanqing wants to subdue the other two beast generals, and then lead the entire Beast City!

The city lord has not shown up for a long time, and he will definitely ascend to become an immortal in the end. When the city lord ascends, there must be a new city lord in the Beast City!

Qiu Wanqing wants to be the new city lord, so before the city lord ascends, he must develop his own power and annex the other two beast generals in one fell swoop!

In fact, Qiu Wanqing is not the only one who thinks so about the three beast generals, the other two beast generals do the same!

Xing Daorong also wants to be the city lord in the end, otherwise he would not be trying to win over guests everywhere and promise them a lot of benefits! Qiu

Tu led people away to find the guy who privately purchased the fairy stones!

"Sir, this is it. It has been found out that the owner of this courtyard is named Qian Yue, a human cultivator. He just hid his aura and has been privately purchasing fairy stones at high prices in the Beast City."

The housekeeper of the Qiu Mansion reported to Qiu Tu in a low voice!

Looking at the inconspicuous courtyard in front of him, Qiu Tu said: "Send people to surround this place, and ask Master Luan to come over. There must be a formation in this courtyard."

"Father said, try to subdue it, don't fight and kill, we are also in need of people now!"

Qiu Tu knew that there was a formation in the courtyard and he couldn't force his way in. Moreover, a human cultivator who hid in the Beast City for a long time and privately purchased fairy stones was also quite capable. Qiu Tu wanted to take Qian Yue and use him for them!

“Sir, we have sent people to surround this place, and Master Luan is on the way...”

said the housekeeper!

After hearing this, Qiu Tu looked at the housekeeper with great appreciation. After all, to be the housekeeper of the Qiu Mansion, he must have the ability to read people’s expressions!

A few minutes later, an old man wearing a green gown and a goatee was invited in!

This old man was the Master Luan that Qiu Tu mentioned, a master of formations!

The master of formations is very respected in Beast City!

“Master Luan...”

Seeing that Master Luan was coming, Qiu Tu and the housekeeper hurried forward to salute!

“Mr. Qiu, what do you want to talk to me about?”

Master Luan asked!

“Master Luan, there is a human cultivator hiding in this house. I guess this house must have set up a formation, so please help Master Luan to break the formation and don’t alarm the people inside.”

Qiu Tu said!

“It’s a small matter...” Master Luan said, and a rune flashed in his palm!

Then he waved his hand gently, and the rune slowly dissipated, and then the whole house was surrounded by a faint white light, and there was no reaction!

“It’s okay...”

Master Luan said lightly!

“That’s all?” Qiu Tu was very shocked, and then he couldn’t help but praise: “Master Luan is worthy of being a famous formation master, he is really amazing!”

“This kind of low-level formation, I can break it easily, it’s not that great.” Master Luan said proudly!

After breaking the formation, Qiu Tu led people to rush into the courtyard in an instant!

At this time, Qian Yue was still sorting out the fairy stones he had purchased. He planned to let David come to take them. After all, if he had too many fairy stones in his hand, it would attract the attention of the City Lord's Mansion!

Because the whole house was protected by the formation, Qian Yue would not think that someone could break in without letting him know, so he relaxed his vigilance!

When he realized that someone had come, it was already too late!

Chapter 4629

Qiu Tu and his men kicked the door open and appeared in front of Qian Yue!

Qian Yue was stunned, there were fairy stones piled up in front of him!

“How dare you buy and sell fairy stones privately in Beast City!”

Qiu Tu looked at the fairy stones in front of Qian Yue and shouted angrily! The reason why Qiu Tu did not directly point out Qian Yue's identity as a human cultivator was because he was afraid that Qian Yue would be desperate and fight to the death!

Privately reselling fairy stones is not a particularly serious crime, but if a human cultivator is in Beast City and dares to do such a thing, it is definitely a capital crime!

“Mr. Qiu?”

Qian Yue was a little shocked to see that Qiu Tu brought people here in person!

After all, this kind of thing is usually done by the law enforcement team of Beast City. How could Qiu Tu, with his identity, personally lead people to arrest people who resell fairy stones!

“Since you recognize me, it will save you trouble. Just plead guilty and avoid the pain of your hands and flesh.” Qiu

Tu said with a cold snort!

Qian Yue was relieved to see that Qiu Tu did not realize his human identity, and then lowered his head and said: “Mr. Qiu, I am guilty. I resold the fairy stones privately. I plead guilty and accept the punishment...”

Qiu Tu was very satisfied with Qian Yue's attitude. This kind of person is the easiest to conquer!

"Privately reselling fairy stones must be punished, but seeing that you have a good attitude, you will be spared from jail and these fairy stones will be confiscated."

Qiu Tu said!

Qian Yue looked at Qiu Tu in disbelief, and said in shock: "What Mr. Qiu said is true, I really don't have to go to jail?"

"Of course, there are many people who resell fairy stones privately now, and there are also people who steal from the official purchasing points. There are many such things now, and we just turn a blind eye!"

Qiu Tu said casually!

Qian Yue was a little dumbfounded, he couldn't believe that these were the words coming out of Qiu Tu's mouth!

You know, Qiu Tu represents the City Lord's Mansion. Is the City Lord's Mansion so tolerant of the private resale of fairy stones?

"Mr. Qiu, this..."

For a moment, Qian Yue didn't know what to say. Qiu Tu's attitude made him feel a little unreal!

"You are reselling fairy stones privately, just to make a living, I can understand."

"But this time I found out and arrested you. If it were someone else from the general's mansion, you might not be so lucky."

"I think it's better to do this. You continue to buy your fairy stones, but you have to send them to our house."

"Of course we will let you make the difference, so that you don't have to worry!"

Qiu Tu stepped forward and patted Qian Yue on the shoulder and said!

Qian Yue widened his eyes, his face full of disbelief, and his breathing became rapid because of excitement!

"Mr. Qiu, you...are you telling the truth?"

Qian Yue asked!

“Of course it’s true. From today on, you are a member of our Qiu Mansion. No one will dare to check you anymore.” After

Qiu Tu finished speaking, he approached Qian Yue and said, “I know you are a human, but our Qiu Mansion never discriminates against other races, so you don’t have to worry!”

Qiu Tu’s words were like a heavy bomb, exploding fiercely in Qian Yue’s heart!

He never expected that the Beast City would not discriminate against other races now. Does this allow other races to appear in the Beast City?

If this is the case, then why would he join the resistance alliance? There is no need to resist at all!

“Mr. Qiu, I, Qian Yue, am willing to serve you at all costs, and I will go through fire and water without hesitation!”

Qian Yue knelt down at Qiu Tu’s feet excitedly!

Living in this Beast City, Qian Yue has always been nervous, afraid of being discovered, and even dared not go to the streets!

Now if he becomes a member of the Qiu Mansion, he will no longer be afraid, and he can run rampant on the streets!

Chapter 4630

“Hahaha, very good, as long as you work hard, you will not lack resources. In our Qiu Mansion, no matter whether it is human, demon or beast, they are all equal.”

Qiu Tu laughed!

“I will definitely work hard!” Qian Yue’s body was shaking slightly with excitement!

“Okay, then I will take the fairy stones away, and you will not lack the purple gold spirit coins.” After

Qiu Tu finished speaking, he threw a bag of purple gold spirit coins to Qian Yue!

“Mr. Qiu, these fairy stones are my filial piety to the Qiu Mansion, and they are my meeting gift!”

Qian Yue didn't dare to take the purple gold spirit coins!

"We in the Qiu Mansion never do this, you take the money, and you can collect more fairy stones in the future!"

Qiu Tu threw down the purple gold spirit coins, and then ordered people to take the fairy stones and leave! Qian

Yue looked at the purple gold spirit coins in front of him, and for a moment he felt like he was dreaming!

He never expected that his final result would be like this!

He became a member of the Qiu Mansion without knowing what was going on, and the other party was very generous!

Qian Yue decided to follow the Qiu Mansion in the future. As for the promise to David to help him purchase the fairy stones, Qian Yue had already forgotten it!

When David came, he would just return the purple gold spirit coins to him!

Qiu Tu, who walked out of the courtyard, showed a sneer on his face!

He didn't expect that a few words bought Qian Yue from him, and he didn't even pay any price!

The reason why Qiu Tu asked Qian Yue to continue to secretly purchase fairy stones was to avoid attracting the attention of other beast generals!

The fairy stones purchased by the official were all registered, and no one could hide it from the other party. They all passed through the hands of the three beast generals!

It was precisely because of this that the three beast generals were too lazy to care, resulting in the official purchase point's embezzlement!

In fact, the three beast generals were each secretly developing their power and hoarding resources, but they had to be done in secret!

Qiu Tu asked Qian Yue to secretly purchase fairy stones for the Qiu Mansion, and that was also the reason!

Not long after Qiu Tu left, David also arrived here!

If they were a little later, the two would have bumped into each other!

If they meet, it will be lively!

In this beast city, David is fighting with Qiu Tu, and it is estimated that he will not get any advantage!

David just entered the door and ran into Qian Yue who was about to go out!

“Uncle Qian, are you going out?”

David asked curiously!

You know, Qian Yue is a human cultivator. He is afraid of being caught if he hides at home. How dare he go out!

“No, I heard some noise and came out to see. I didn’t expect it to be you. Come in quickly!”

Qian Yue lied and invited David in!

He couldn’t let David know that he had taken refuge in the Qiu Mansion. After all, David was also a human cultivator, and he also asked him to help purchase fairy stones!

If Qian Yue said that he had taken refuge in the Qiu Mansion now, he was afraid that David would hold a grudge!

After entering the house, David said, “Uncle Qian, I...”

“David, I can’t help you buy the fairy stones. The inspection has been strict recently. I’ll give you the money!”

Qian Yue returned the purple gold spirit coin to David!

David took the purple gold spirit coin and said, “Uncle Qian, I didn’t come to you this time to buy the fairy stones. I want to cooperate with you.”

“Cooperation? Cooperation on what?”

Qian Yue asked puzzledly!

After David casually cast a shielding formation, he whispered to Qian Yue, “Uncle Qian, I found a fairy stone vein and want to cooperate with you to mine it.”

“What? Fairy stone vein?”

Qian Yue was shocked, his voice instantly became louder, his eyes widened, and he had an incredible expression!

“Yes, the fairy stone vein contains a lot of fairy stones. If we cooperate in mining, you don’t have to buy any fairy stones secretly!”

David nodded and said!

“Impossible, how could there still be fairy stone mines? I haven’t heard of fairy stone mines in many years!”

Qian Yue shook his head and didn’t believe it at all!
