

A Man Like None Other Novel Chapter 4631

Full Read Online **Chapter 4631** of the novel **A Man Like None Other**

Chapter 4631

“I didn’t believe it at first, but I saw it with my own eyes, so it can’t be fake.”

“If you don’t believe it, you can go with me to have a look, and then you can think about whether to cooperate with me!”

David said to Qian Yue!

Qian Yue nodded quickly and said, “Okay, I’ll go with you to have a look. If there really is a vein of fairy stone, I will definitely cooperate with you!”

If there is a vein of fairy stone, it will really make a fortune!

Qian Yue followed David out of the city and went straight to the vein of fairy stone!

When he jumped off the cliff and entered the cave, Qian Yue was completely shocked!

He never thought that there was a vein of fairy stone hidden in such a place!

“Uncle Qian?”

Seeing Qian Yue, the youngest sister was a little surprised. She didn’t expect David to bring Qian Yue! Yaomei

’s brother also knew Qian Yue, after all, he had sold fairy stones to Qian Yue before!

They were old acquaintances, but the fewer people who knew about this fairy stone vein, the better!

Now David suddenly brought Qian Yue here, which made Yaomei’s brother very puzzled!

“It is impossible for us to mine this fairy stone vein, so I asked Uncle Qian to cooperate.”

David explained!

“Where is my brother?”

Xiong Ying didn’t care about the fairy stone vein, she only cared about her brother!

“Don’t worry, I will bring your brother here after I finish the things here.”

David comforted Xiong Ying!

Xiong Ying nodded when she saw this, she still trusted David!

After all, David looked decent, unlike the younger brother, who looked at him with lustful eyes and a wretched look, which made Xiong Ying very disgusted!

“I can cooperate, just leave the mining of fairy stones to me!”

After happily looking at the fairy stone vein, Qian Yue said to David excitedly!

“Okay, this vein is left to you, I have other things to do.”

“When the time comes, give me all the fairy stones you have mined, I will buy them at a price higher than the market price, and I won’t let you suffer a loss!”

David said to Qian Yue!

“No problem, leave it to me, you can rest assured!”

Qian Yue nodded and said!

“Brother-in-law, you just hand over this fairy stone vein to someone else and let it go. Aren’t you afraid?”

The youngest sister’s brother whispered to David!

“Don’t doubt people when you use them, don’t use them when you doubt them. You are still watching here!”

“I’ll go and let Xiong Kuo out. Xiong Kuo will be there by then, and nothing will happen!”

David smiled slightly and left directly!

David seemed to trust Qian Yue too much!

David didn’t know at all that after he left, Qian Yue immediately contacted Qiu Tu!

Qian Yue knew that he couldn’t swallow the fairy stone vein at all!

If he wanted to maximize his benefits, he would notify Qiu Tu!

Only by following the Qiu family could he get the greatest benefits!

As for David's trust, Qian Yue didn't care at all. In this society, trust is a fart. Can it be eaten?

.....

Beast City, Xing Mansion!

David found Xing Daorong, and wanted to get an amnesty order from him, and then release Xiong Kuo!

When David came to the Xing Mansion, he found that there was a murderous atmosphere in the whole Xing Mansion, and everyone looked solemn!

"Bai Cheng, what's wrong, did something happen?"

David felt the murderous atmosphere in the Xing Mansion, so he asked Bai Cheng!

"Mr. Chen, the Qiu Mansion is mobilizing troops and may take action against us, so General Xing is also actively preparing for war."

Bai Cheng followed David and said!

"Why did the Qiu Mansion suddenly take action? Isn't there a famous beast general here, what is his attitude?"

David was very puzzled, why did the Qiu Mansion suddenly take action against the Xing Mansion!

Chapter 4632

"I don't know either. General Xing just asked us to be prepared. I don't know anything else!"

Bai Cheng shook his head and said!

David knew that Bai Cheng was just an ordinary guest official. It was impossible for him to know a lot of inside information. Moreover, Bai Cheng was not the most prestigious one among the many guests!

"Where is General Xing? I have something to do with him!"

David asked!

“In the hall, he is talking to several commanders in the mansion. Otherwise, you can go to him later!”

Bai Cheng followed David and said!

David nodded and planned to wait outside. David didn't want to get involved too much in such internal struggles!

Although he is now a guest official of the Xing Mansion, he has no choice but to do so. Sooner or later, he will leave!

“Guest official Chen, General Xing invites you...”

At this time, the door of the hall opened, and a commander said to David!

“Invite me?”

David was stunned. He didn't expect that General Xing already knew that he was back, so he followed the commander into the hall!

At this time, there were only six commanders in armor in the hall, and there was no guest!

It can be seen that guests are still excluded from such confidential matters. After all, guests are only helpers and guests, not real people from the Xing Mansion!

“David, sit down...”

Xing Daorong said slowly when he saw David come in!

David found a place to sit down, and then asked: “General Xing, I don't know why the Qiu Mansion suddenly wants to take action?”

Xing Daorong did not answer David, but asked David: “You are out of the city?”

“Yes...” David nodded!

“You killed Qiu Wanqing's son Qiu Yu?”

Xing Daorong continued to ask!

David was slightly stunned, and then nodded and said: “Yes, but he followed me and wanted to kill me first.”

“Could it be that the Qiu Mansion suddenly took action just because I killed his son?”

David felt that this was unlikely. Although he was a guest official of the Xing Mansion, he was just a guest official!

If I killed Qiu Yu, the Qiu Mansion could completely ask me for revenge. It was impossible for them to make a big fuss about this matter and follow the Xing Mansion to take action!

After all, the guest official was just a guest, not a member of the Xing Mansion!

“You killed Qiu Yu, it was just an inducement. Qiu Wanqing had already taken action against us.”

“During this period of time, you should not walk around in the Beast City at will to avoid the people of the Qiu Mansion from doing anything bad to you.”

“I asked people to prepare more resources for you, and you can practice in the mansion.”

Xing Daorong did not intend to let David leave the mansion!

When David heard this, he hurriedly said, “General Xing, I want to ask for another pardon order, and then rescue another person from the prison!”

“No problem, but the prison is also in chaos now. Captain Zhou was also killed, and General Yan is very angry!”

“After all, the prison is his sphere of influence, and Captain Zhou is also his man. He is investigating now.”

“I’ll let Bai Cheng take you there. You can rescue whoever you want. It is estimated that the prison will be rectified after a while.”

Xing Daorong said!

“Captain Zhou was killed by the eldest son of the Qiu family. I was at the scene at the time...”

David described the situation in detail!

When Xing Daorong heard this, he frowned and said, “Don’t tell the public about this. Go to the prison to save people!”

Xing Daorong casually threw a pardon order to David!

Although David was puzzled, why did Xing Daorong not let him tell the public about this matter? Wouldn't it be better to unite with the Yan Mansion to deal with the Qiu Mansion? But David didn't ask much, and left with the pardon order!

David followed Bai Cheng to the prison and used the amnesty to release Xiong Kuo!

When Xiong Kuo walked out of the prison, a man of eight feet tall cried!

"Mr. Chen, thank you so much. I wonder if Mr. Chen has seen my sister. Is she okay?"

Xiong Kuo asked David!

Chapter 4633

"Your sister is pretty good, but there is one thing, why don't you tell the truth?"

David looked at Xiong Kuo and said!

Xiong Kuo was stunned: "Mr. Chen, I don't know where I didn't tell the truth?"

"Your sister is obviously very beautiful, why do you say your sister is average?"

Xiong Ying can be regarded as a beauty, but this guy Xiong Kuo actually said that his sister is average!

"Really? I really think my sister is very average, nothing beautiful."

Xiong Kuo said innocently!

Looking at Xiong Kuo's expression, David was speechless. It seems that he may not be able to find the beautiful side of his loved ones around him!

After all, living together all day long, all you see are the shortcomings, and you may even fight often!

"You go to the fairy stone mine, your sister is there, I have asked someone to mine the mine."

"But don't worry, you will have a share in it."

David asked Xiong Kuo to go out of the city and go to the fairy stone mine. After all, the fairy stone mine was discovered by Xiong Kuo, and David couldn't just kick him out!

Moreover, Xiong Kuo is still in the Mahayana realm. Compared with the youngest sister and Xiong Ying, his strength is still stronger, and he can also supervise Qian Yue!

After Xiong Kuo left, David returned to the Xing Mansion. He also planned to take advantage of the free time in these few days and use the resources in his hands to practice!

Strive to break through to the Mahayana realm as soon as possible. Only when he reaches the Mahayana realm can he not be afraid of these people in the Beast City!

But David didn't know that at this time, Qiu Tu had already brought people to the fairy stone mine!

Looking at the fairy stone flashing in front of him, Qiu Tu was so happy!

The younger sister and Xiong Ying were all controlled. They were only cultivators in the Tribulation Realm, so they didn't even have the ability to fight back when facing the Mahayana cultivators!

"Mr. Qiu, now we have the Immortal Spirit Stone mine, we can make a fortune."

Qian Yue looked at Qiu Tu excitedly and said!

"You did a good job. We in the Qiu Mansion will never treat you unfairly."

"I didn't expect that you have just joined our Qiu Mansion and have achieved such a great achievement. I wonder how you found this Immortal Spirit Stone mine?"

Qiu Tu asked Qian Yue!

"Mr. Qiu, a cultivator named David wanted to cooperate with me to mine this fairy stone vein, so he brought me here."

"But he didn't know that I had joined the Qiu Mansion..."

Qian Yue said!

"David?" Qiu Tu frowned when he heard the name!

"Mr. Qiu, David is the murderer of your brother. He used a sword to take your brother's beast pill."

The youngest sister's brother hurriedly said loudly on the side!

The youngest sister's brother knew that if they didn't choose to stand on Qiu Tu's side at this time, they might not survive!

So he betrayed David directly!

“Brother, what are you talking about?”

The youngest sister saw that her brother actually betrayed David, and she was furious: “Are you still a human being? You can get out of the prison, but it’s all David’s credit!”

“What credit or no credit, saving your life is important...”

The youngest sister’s brother is only thinking about staying alive now!

Qiu Tu glanced at the youngest sister’s brother, with a sneer on his face: “Let him go...”

The youngest sister’s brother was released, and immediately ran to Qiu Tu with a flattering face: “Mr. Qiu, I am also willing to work for the Qiu family. I hope Mr. Qiu can give me a chance!”

“Are you familiar with David?” Qiu Tu looked at the youngest sister’s brother and asked!

“I am familiar with him. David slept with my sister, so our relationship is relatively close.”

“But my sister was also forced. David is very powerful. We brothers and sisters can only follow him and swallow our anger.”

The youngest sister’s brother opened his mouth at this time, lying without blushing!

It was obviously him who forced the youngest sister to sleep with David, but now he said that David forced her!

He said this just to gain Qiu Tu’s sympathy!

Chapter 4634

“If I ask you to lure David here, how confident are you?”

Qiu Tu asked!

Qiu Tu planned to let the youngest sister’s brother go to find David, lead David to the fairy stone mine, and finally capture David in one fell swoop!

The revenge for killing his brother must be avenged!

Although Qiu Tu was defeated last time, he was very confident this time, because Qiu Tu also brought Master Luan this time!

Master Luan is a master of formations. The two of them working together are more than enough to deal with David!

“Mr. Qiu, there is no need to lure David. The fairy stone mine is in our hands now. Are you still afraid that David will not come?”

“Our top priority is to mine the fairy stones first, and then make preparations. As long as David comes, we can just capture him!”

At this time, Qian Yue spoke!

Qiu Tu nodded and said, “You are right. This guy will definitely come back here to have a look. We just need to be prepared.”

“Master Luan, please help me to set up formations around this mine. As long as David comes back, he must be trapped.”

“Don’t worry, sir. No one can escape from the formation I set up!” Master Luan said confidently!

“Mr. Qiu, David is also a formation master and knows the art of formation.”

Qian Yue reminded Qiu Tu!

“Humph, even if he knows the art of formation, can he be better than me?”

Master Luan snorted unhappily when he heard it!

Qian Yue was so scared that he dared not speak anymore. After all, he didn’t know what Master Luan’s status was in the Qiu Mansion!

He himself had just joined the Qiu Mansion, so it was better not to offend anyone!

“Master Luan is a high-level formation master, in fact, no one can compare to him.”

“Just take people to mine the fairy stones immediately, and don’t worry about other things!”

Qiu Tu said to Qian Yue!

“I understand!” Qian Yue nodded!

Master Luan began to arrange the formation, while Qian Yue took the youngest sister and some monks from the Qiu Mansion to mine the fairy stones!

As for the youngest sister and Xiong Kuo, they were all temporarily detained!

David practiced behind closed doors in the Xing Mansion!

He had many resources, especially the hundred-year offering of the Sealed Demon League, and the fairy stones in the Rota storage bag!

This made David practice easily, and the Condensation Heart Technique ran rapidly, allowing David's strength to continue to improve!

As long as David had enough resources, he could improve his realm and cultivation very quickly!

One morning a few days later, there was a quiet moment in the Xing Mansion, and the sun shone through the clouds, dappled in the courtyard.

David sat cross-legged in a quiet room, surrounded by a faint spiritual fluctuation, his breathing was long and deep, as if he resonated with the spiritual energy between heaven and earth.

As the spiritual power surged in his body, powerful forces gathered in his body, impacting his existing cultivation barriers.

David's face sometimes showed pain, and sometimes revealed perseverance and unyielding. Obviously, he was experiencing a critical moment of breaking through the Mahayana realm.

Suddenly, the light in the quiet room was bright, and an unprecedented spiritual power storm burst out from David's body, illuminating the entire room.

For a time, the sky of the entire Beast City was shrouded in dark clouds, and thunder tribulations began to flash!

This sudden change confused many Beast City cultivators, and they thought it was the end of the world!

"Damn, what's going on? Such a terrifying thunder tribulation, could it be that someone has broken through to the Immortal Realm?"

"I haven't seen such a terrifying thunder tribulation for a long time. I first saw this kind of thunder tribulation when the city lord broke through the Immortal Realm."

"Could it be that another Immortal Realm strongman has appeared in the Beast City?"

All the cultivators looked up and watched the thunder tribulation in the sky, as thick as a bucket, flashing in the dark clouds!

Chapter 4635

“What’s going on?” Xing Daorong also walked out of the room!

“General Xing, it should be that Mr. Chen is about to break through to the Mahayana realm!”

Bai Cheng glanced at the room where David was practicing and said!

“It’s just a breakthrough to the Mahayana realm, why is there such a commotion?” Xing Daorong was very puzzled!

After all, there are many Mahayana cultivators in the Beast City, and there are often cultivators who break through to the Mahayana realm, but no one makes such a commotion when breaking through the Mahayana realm!

“General Xing, don’t forget that Mr. Chen is a dragon, a real dragon cultivator!”

Bai Cheng reminded Xing Daorong.

Xing Daorong stopped talking, but stared at the thunder cloud in the sky! The

sky was like being stained with ink, and dark clouds gathered from all directions to the mountain where he was. Each dark cloud seemed to carry a heavy weight, pressing the air to become heavy and depressing.

In the dark clouds, lightning flashed and thunder roared. Silver lightning shuttled like a dragon, indicating that an unprecedented thunder tribulation was about to come.

David knew that the most critical moment had come. He took a deep breath and closed his eyes. The spiritual power in his body rushed like a river, gathering in his dantian, forming a majestic force.

He felt the fluctuations of spiritual energy between heaven and earth, resonating with heaven and earth, as if at this moment, he was integrated with the whole world.

As the first lightning streaked across the sky, the thunder tribulation officially began.

It was a thick silver thunder tribulation, with a whistling sound that tore through the air, and hit David's head directly.

David gritted his teeth and used his flesh to bear the thunder tribulation.

However, this was only the beginning of the thunder tribulation. Immediately afterwards, more thunder tribulations came at him like a storm, each with the power to destroy the world.

David's figure was looming in the thunder tribulation. Every time the lightning struck, he felt an unprecedented pain, as if thousands of sharp blades were cutting his flesh.

But David did not flinch. He gritted his teeth and persisted, supporting his body with willpower, and fought a desperate battle with the thunder tribulation.

In this process, David's body went through an unprecedented test.

The power of the thunder tribulation left charred marks on his skin, and some places were even bloody.

However, the spiritual power in his body was constantly repairing these wounds, and every repair made his physical strength a qualitative leap.

More importantly, David's mental power was also sublimated under the baptism of the thunder tribulation.

He felt the will of heaven and earth contained in the thunder and lightning, which was a primitive and pure power, as if it was the deepest call of nature. He

tried to understand this power, to feel the mystery in it, to let his mind resonate with heaven and earth, and thus reach a state of transcendence.

As time went on, the thunder tribulation gradually reached its climax.

Lightning as thick as a dragon fell from the sky, and each strike was enough to destroy a hill.

David's spiritual power was boiling, as if he had merged with the thunder and lightning between heaven and earth.

He was no longer just passively defending, but actively attacking, using the power of thunder and lightning to fight against the thunder tribulation, showing amazing control and combat power.

Finally, after a deafening roar, the last lightning dissipated in the sky, and the thunder tribulation clouds also dissipated, revealing the long-lost clear sky.

The house where David was located had long been reduced to ashes, and he stood there, ragged and with messy hair, but his eyes were brighter and deeper, as if he had seen through the mysteries between heaven and earth.

At this moment, his heart was filled with awe and understanding of power, life, and heaven and earth. He knew that this was just a new beginning, and the road ahead was still very long.

“Boom!”

Accompanied by a deafening roar, the aura around David suddenly expanded, as if to break the entire world.
