Chapter 4640

“This.....”

Looking at the formation that had disappeared, Qian Yue and his youngest sister’s brother were stunned!

Especially Qian Yue, he was shocked and his head was buzzing. He couldn’t believe what he saw!

He thought that the formation was unbreakable, but it was easily broken by David!

You have to know that Master Luan spent a lot of energy to set up this formation. Qian Yue tried it at that time, but even if he tried his best, he couldn’t shake the formation at all!

But now David broke the formation easily, which was too outrageous!

He didn’t know how David did it.

“I said, this formation can’t trap me at all!”

David walked towards Qian Yue step by step!

Qian Yue’s eyes were full of fear, and he kept backing away!

The youngest sister’s brother was trembling all over and couldn’t move a step!

At this moment, both of them were desperate. Even this formation couldn’t trap David, so it was even more impossible for them to stop David!

“Go, catch him...”

Qian Yue roared, and could only let the monks of Qiu Mansion take action against David!

Now as long as they could hold David back and wait for Qiu Tu and Master Luan to arrive, they could take David down in one fell swoop!

Seeing this, more than a dozen monks attacked David together!

Qian Yue and his younger brother hurriedly ran out of the mine, jumped up and ran straight to the top of the mountain!

Most of these more than a dozen monks of Qiu Mansion were only the third or fourth level of the Tribulation Realm!

David would not take them seriously at all, but in order not to destroy the Immortal Stone Mine, David could only rush out of the mine cave in a hurry!

Seeing this, the more than a dozen monks also chased out. They thought David was scared!

But just after rushing out of the mine cave, they saw David floating in the air, quietly waiting for them!

More than a dozen monks looked at each other, and then attacked David!

“Hmph, a bunch of ignorant ants...”

David snorted coldly, and then a blazing fire burned in his palm, and then he swung out with his palm!

Boom!

The sky was full of flames, instantly surrounding the dozen monks!

“Ah.....”

shrill screams rang out one after another!

The dozen monks were all burned by the fire and fell off the cliff one after another!

The screams attracted Qian Yue and the youngest sister's brother to look back!

When they saw that the dozen Mahayana monks were wiped out by David's palm, both of them were almost scared to death!

After running back to the top of the mountain, the youngest sister's brother quickly ran to the place where Xiong Kuo's brother and sister and the youngest sister were imprisoned, and brought the three people out!

The youngest sister's brother knew that only these three people could save his life now. He planned to use the lives of these three people to threaten David to let him go!

Qian Yue thought so too, so he pushed the Xiong Kuo brother and sister and the youngest sister in front of him!

After David killed the dozen monks of the Qiu family, his figure also fell to the top of the mountain!

“David, hurry up, this is a trap, a trap for you...”

The youngest sister shouted loudly after seeing David!

The youngest sister didn't know that the formation against David had been broken by David a long time ago.

“David, let me go, for my sister's sake, she is still worried about you!”

The youngest sister's brother said to David!

“David, don't move forward, otherwise I will kill all three of them!”

Qian Yue threatened David with the lives of Xiong Kuo and his sister and the youngest sister!

“What does it have to do with me if you kill the three of them? We are not related. If you kill them, there will be one less person to share the fairy stone vein with me!”

David looked indifferent and kept walking forward!

Qian Yue seemed very flustered when he heard it. If the lives of these three people could not threaten David, he didn't know what other ways he could deal with David!

“Boy, you are finally here, I have been waiting for you for a long time...”

At this moment, Qiu Tu's voice rang!
