

A Man Like None Other Novel Chapter 4651-4655

Full Read Online **Chapter 4651** of the novel **A Man Like None Other**

Chapter 4651

David couldn't help but sneer when he heard this: "Humph, there are so many masters in the Qiu Mansion? Today I will kill you, a waste, first!" After

saying that, David's figure suddenly rose again, like an angry lion, and pounced on Qiu Tu.

Qiu Tu was so scared that he turned around and ran away.

However, how could his speed be comparable to David? David's figure flashed, and he appeared in front of Qiu Tu and punched out.

"Bang!"

The fist was like lightning, and it instantly hit Qiu Tu's chest. Qiu

Tu only felt a huge force coming, and the whole person flew out like a kite with a broken string, and fell heavily to the ground.

He vomited blood, his eyes were unfocused, and he was obviously seriously injured and lost his combat effectiveness.

At this time, Xiong Kuo, Yaomei and Xiong Ying, who were watching the battle, couldn't help but feel admiration in their hearts.

They didn't expect David's strength to be so strong that he could defeat three masters by himself.

Xiong Kuo looked at David's heroic figure and couldn't help but feel lucky in his heart.

He was glad that he chose to follow David at the beginning, otherwise, he would have become a defeated general under David.

Yaomei looked at David with admiration. She had never seen such a brave man, and she couldn't help but feel a little affection for David in her heart.

However, she also knew that it was not the time to express her feelings, and she could only bury this emotion deeply in her heart.

Xiong Ying looked at David with a worried look. Although she knew that David was strong, she couldn't help but sweat for him when she saw him fighting with Qiu Tu and the other three.

It was not until she saw David finally defeated Qiu Tu and the others that she breathed a sigh of relief, and her eyes looking at David were full of admiration. This was her most intuitive appreciation of David's strength.

As the saying goes, beauties love heroes. If David proposed something inappropriate to her at this moment, Xiong Ying would definitely not refuse, and would definitely take the initiative to cater to him!

"I don't even need weapons to beat you three little trash..."

David looked at Qiu Tu and others who fell to the ground and snorted coldly!

Qiu Tu and others, who fell to the ground and were seriously injured, looked at David in front of them, as if they saw a devil, with fear in their eyes!

Especially Qian Yue, he thought Qiu Tu and Master Luan could protect him!

Now it seems that he thought too much. With David's current strength, I'm afraid that the three beast generals can also fight!

"David... Mr. Chen, Grandpa Chen... Spare my life, spare my life..."

Qian Yue dragged his seriously injured body and crawled to David's feet, constantly begging for mercy with David!

At this moment, Qian Yue didn't care about face or not, saving his life was important!

He kept begging for mercy and began to call Grandpa with David!

Qiu Tu couldn't be counted on. Qiu Tu and Master Luan were both injured by David's palm!

Do you count on the Qiu Mansion now?

With his current identity, I'm afraid that even if someone from the Qiu Mansion really came, they might not save him!

Qian Yue was regretting to death at this moment. He really didn't expect that David's strength would be so terrifying!

If he had not gone to the Qiu Mansion and told Qiu Tu about the mine of the fairy stone, he would have followed David to divide up the fairy stone and made a fortune!

But where in the world can you regret?

“Qian Yue, do you know now that your choice is wrong?”

David looked down at Qian Yue and asked calmly!

“I know, I know, I was wrong, I was really wrong, I am willing to follow Mr. Chen loyally and mine the fairy stone for you.”

“I won’t share it with you, I will give you all the fairy stones I have mined, as long as you are willing to spare my life!”

Qian Yue kowtowed desperately. In order to save his life, he was willing to do anything!

David looked at the apology for mercy, and there was no emotion in his eyes. On the contrary, the murderous aura on his body became stronger and stronger!

Chapter 4652

“Didn’t you want to leave me a whole body? Why are you begging me now?”

David looked at Qian Yue and said.

“Mr. Chen, I was talking nonsense at that time, please don’t take it seriously!”

“Please forgive me this time because we are both human cultivators!”

Qian Yue secretly groaned in his heart. He never thought that David was so powerful and things had developed to this point!

“Qian Yue, I gave you a chance and a choice, but unfortunately you made the wrong choice. Not all mistakes in life can be regretted.”

“If you don’t surrender to the Qiu Mansion, your achievements in the future will be unlimited, and I can also give you a great opportunity!”

“What a pity, what a pity...”

David shook his head!

“Mr. Chen, I was wrong, spare my life, spare me...”

Qian Yue was still begging for mercy, but he stopped before he finished speaking!

David slapped Qian Yue's head with his palm, and Qian Yue's brain burst out, deader than dead!

Qiu Tu and Master Luan on the side were also trembling with fear when they saw this scene!

Now that Qian Yue is dead, it's their turn next!

Especially Master Luan, he followed David without any grudges, and he only attacked David to help the Qiu family!

Now, he is seriously injured and can only wait to die!

Seeing David's eyes on himself, Master Luan kowtowed quickly.

"Daoyou, you and I have no grudges, it was because of Qiu Tu's instigation that I attacked you."

"As long as you spare my life, I am willing to give you all the treasures on my body."

"I know that you are very good at array formations. I have four array formation jade slips here, all of which were found in some ancient ruins."

"Because I am not very good at array formations, I have not yet comprehended these array formation jade slips. I am willing to give them all to you!"

In order to save his life, Master Luan trembled and took out a storage bag!

There were some cultivation resources in it, and the most important thing was these four array formation jade slips. These were all obtained by him from some ancient abandoned ruins many years ago!

After all, there are too few array formation masters in the world of heaven and man. Even if other people get these array formation jade slips, they are useless. No one can use them, and there is no way to comprehend them! Although

Master Luan's array formation skills are not bad, he still can't comprehend the records in the array formation jade slips, so he has been carrying them with him, waiting for one day to comprehend them!

In this situation, his life is in danger, and there is no point in keeping these formation jade slips!

So in order to save his life, Master Luan can only take out all the treasures on his body. Whether he can save his life depends on whether he can satisfy David!

But since David is also a formation master, he must be interested in the formation jade slips of ancient ruins!

At this moment, Master Luan no longer has the idea of resistance, not because he is timid, but because he knows that they are no different from following ants in front of David!

As an ant, how dare an ant regret an elephant?

Master Luan still knows this self-knowledge. In fact, he knew it from the moment David stepped out of the Heaven-Swallowing Gourd!

But he still didn't give up, thinking that several people could defeat David together!

But the result was that the three of them were defeated miserably!

"I heard that these formation jade slips all record ancient formations. It's a pity that my formation skills are too shallow and I can't see through them at all. I think you will have no problem. If you get these formation jade slips, your formation skills will definitely be improved."

Master Luan handed over his storage bag with both hands. His respectful look was completely different from the beginning!

David didn't really want the resources in Master Luan's storage bag, but when he heard that there were ancient formation jade slips, David was very interested, so he reached out to take it!

Chapter 4653

Seeing David take the storage bag, Master Luan secretly breathed a sigh of relief!

Since David wanted it, his life should be saved! After

all, if you eat someone's mouth, you will be short-handed. Since David wants it, he will definitely not kill him!

Master Luan wiped the cold sweat from his forehead and breathed a sigh of relief!

David took the storage bag, took out a formation jade slip, and then a divine sense entered the jade slip!

However, this formation jade slip seemed to have some taboos. David's divine sense could not enter the formation jade slip at all, so it was impossible to know what formation it was!

"It's really something, even my divine sense is blocked out!"

David was slightly stunned, and then increased his divine sense.

In David's sea of consciousness, a seemingly messy starry sky soon appeared!

These stars are bright and dark, all over David's sea of consciousness!

"What the hell is this?" Seeing the sky full of stars that suddenly appeared, the Red Cloud Demon Lord was a little shocked!

David took a look and saw through it in an instant: "This is the formation diagram in the formation jade slip. Only after it is cracked can the consciousness enter the jade slip!"

David quickly cracked the formation diagram with his own formation technique!

Master Luan has not cracked it for so many years, but David saw through it with two eyes!

When cracking, David's consciousness instantly entered the jade slip!

David only felt that he was suddenly spinning, and then there was a vast expanse of white in front of him!

He could not feel the slightest spiritual power, nor could he feel the existence of the formation!

"What kind of formation is this? Why can't I feel it at all?"

David frowned slightly!

David was immersed in the white world, trying to catch any clues about this formation.

As time passed, he suddenly felt an inexplicable force surging in his heart, as if resonating with some kind of rules between heaven and earth.

"This... Is this the legendary great formation of heaven and earth?"

David was shocked, and he realized that he might have touched the most taboo and mysterious area of the heavenly world.

The great formation of heaven and earth was set up by the ancient powerful people with heaven and earth as cloth and stars as chess. It can isolate the communication between the heavenly world and the heavenly world, making it impossible for the heavenly world monks who were lost in the heavenly world to return to the heavenly world. Although

David didn't understand who laid this great formation of heaven and earth and what was the original intention of laying this great formation of heaven and earth! But

David knew that such a formation was not something that his current cultivation could shake.

"No wonder even my divine consciousness can't easily enter. How can this great formation of heaven and earth be peeped by ordinary people?"

David thought to himself, with both shock and excitement in his heart.

He understood that if he could master the great formation of heaven and earth, he would be able to break it. At that time, the celestial cultivators who were left behind in the celestial world could return to the heaven.

The ancestors of the divine patterns, the array demons, and so on could all return to the heaven they had dreamed of!

David explored the formation jade slip for a long time, but he did not find any leader. Finally, he found that the formation jade slip only recorded a part of the great formation of heaven and earth!

"Can these four formation jade slips form a great formation of heaven and earth?"

David thought, and took out another formation jade slip, but no matter how hard they tried, they could no longer put their consciousness into it!

Looking at the jade slip in his hand, although David was unwilling in his heart, he also understood that he could not force it.

"Forget it, the opportunity has not come yet, and forcing it is useless."

David sighed and decided to put this matter aside first, and turned to look at Master Luan who was kneeling beside him with hope on his face.

"Although you were ordered by Qiu Tu, I will spare your life today because you are really interested in studying formations."

David's words were filled with unquestionable majesty. "But you can escape the death penalty, but you can't escape the punishment of life. Since you attacked me, I can't let you go like this and let others think that I, David, am easy to bully. Today, I will cripple your hands as a punishment."

Chapter 4654

After saying that, David pointed out with one finger, and a flash of light flashed. Master Luan felt a sharp pain in his arms, and then he lost consciousness.

He slumped on the ground, with fear and relief in his eyes. He knew that he deserved it, but he was also grateful to David for giving him a way out. His hands were crippled, but they could be restored in ten or eight years, but if his life was gone, it would be a lifetime!

"Thank you, Mr. Chen..."

Although Master Luan was in great pain, he was also overjoyed. He didn't know where he got the strength from, but he suddenly stood up and ran away. He was afraid that David would regret it and kill him!

After Master Luan ran away, David set his sights on Qiu Tu!

Qiu Tu's body trembled, but seeing that Master Luan offered the treasure and was spared, he thought that as long as he knelt down and begged for mercy and then offered the treasure, he could also be spared from death!

Although Qiu Tu was the son of the Qiu family, he felt that face was more important than life!

But at this time, everyone was dead or injured. Even if he knelt down and begged David, no one would know.

At this time, begging for mercy is the wisest thing to do. As the saying goes, a man of insight is a hero!

"Mr. Chen, spare my life! Spare my life!" After

Qiu Tu figured it out, he immediately knelt down and begged for mercy.

Especially seeing that Master Luan had lost both hands, he still saved his life, and a glimmer of hope suddenly ignited in his heart.

He knelt on the ground and kowtowed repeatedly. The arrogance and fierceness on his face had long been replaced by fear.

“Mr. Chen, I am willing to give up everything I have, just begging you to spare my life. Look, this is my storage bag, which contains all the treasures I have accumulated over the years. As long as you don’t kill me, this storage bag will be yours!”

Qiu Tu held his storage bag high with trembling hands, as if it was his only life-saving straw.

However, David just looked at him coldly, without any mercy in his eyes.

He spoke slowly, his voice low and powerful: “Qiu Tu, do you think your treasures can save your life?”

Qiu Tu looked puzzled when he heard this. He thought David would treat Master Luan the same way, as long as he offered his treasures, he could save his life. But David’s next words made him feel like he was falling into an ice cellar.

“Why not?” Qiu Tu was a little confused!

“You are really confused, because if I kill you, your treasures will also be mine...”

David’s words were full of teasing.

Qiu Tu’s face turned pale in an instant. He couldn’t believe his ears, let alone believe that David would do this.

It’s simply not playing by the rules. Isn’t it the same routine to use treasures to exchange for life?

Why did David suddenly say this?

Qiu Tu wanted to beg for mercy again, but he opened his mouth, but couldn’t make any sound.

At this moment, David flashed, and instantly came in front of Qiu Tu, and slapped him with one palm.

The palm wind was like a knife, with a fierce killing intent, going straight to Qiu Tu’s vitals.

“I just want you to know that I am someone you can’t afford to offend. In my eyes, your Qiu Mansion is also shit.” David’s voice rang in Qiu Tu’s ears, like the sentence of the god of death.

Qiu Tu only felt a powerful force enveloping him. He wanted to dodge, but it was too late. That palm, like a mountain collapse, hit his chest heavily.

“Bang!” With a loud bang, Qiu Tu’s body flew out like a kite with a broken string and fell heavily to the ground.

His chest sank, and blood gushed out, staining the surrounding ground red.

He widened his eyes, his face full of unwillingness and confusion, as if he was still wondering why David was so heartless and why he didn’t give him a chance to live.

“You...you...” Qiu Tu opened his mouth, but only said two incomplete words, then his head tilted and he completely lost his breath.

David stood there, looking at Qiu Tu’s body, without the slightest fluctuation in his eyes.

Chapter 4655

Xiong Kuo, who saw this scene, was shocked. He didn’t expect David to actually kill Qiu Tu. You know, that was the young master of Qiu Mansion!

Qiu Mansion is the residence of Qiu Wanqing, one of the three beast generals. Moreover, Qiu Wanqing is an eighth-grade cultivator in the Mahayana realm, and there are no less than a hundred Mahayana cultivators under him!

David dared to kill Qiu Tu directly like this. Was he really not afraid of Qiu Wanqing’s revenge?

When Xiong Ying saw David kill Qiu Tu without hesitation, she was also deeply shocked in her heart!

However, her feeling for David was more of admiration. From the beginning when she saw David, she felt very ordinary, to now she admired David!

Every change in her view of David was due to the influence of David’s own strength!

Xiong Ying is beautiful, but she is just a small cultivator in the Tribulation Realm. It’s just a beautiful skin. Without real strength, it’s hard to eat in the world of heaven and man!

This beautiful appearance may also bring unnecessary trouble to herself!

Just think about this time, even Xiong Kuo's two good friends, for Xiong Ying's appearance, directly pitted Xiong Kuo, and then wanted to possess Xiong Ying! If

David hadn't appeared, Xiong Ying would have been defiled by now!

Xiong Ying's eyes looking at David were constantly changing. At this moment, she actually hoped that David could accept her in her heart!

In that case, she could rely on David and have a safe arm!

The youngest sister was also struggling in her heart. Her brother died, and from then on, the youngest sister would have no relatives!

Living in this beast city, the youngest sister is a girl, and if she has no one to rely on, she will eventually become a plaything of other male cultivators!

She also wants to follow David, and wants David to protect her!

But the youngest sister knows herself. Whether it is strength or appearance, she can't compare with Xiong Ying!

Even the sword spirit Zhongli can't compare to her. Although the youngest sister's appearance is considered average, in front of David, a guy who beautiful women surround, her appearance is not good enough!

"Let's go, I'll take you into the city and find a safe place temporarily. This fairy stone vein is not safe. Others should have known about it!"

David said to the three people!

Since Qian Yue told Qiu Tu, and Qiu Tu also brought people from the Qiu Mansion, the location of this fairy stone vein must have been known by other people in the Qiu Mansion!

If Xiong Kuo and the others stay here, it will not be safe!

"Mr. Chen, you just killed Qiu Tu and swaggered back to the Beast City. Will the Qiu Mansion retaliate you?" "

Otherwise, I'll take you to hide somewhere else. I know a very hidden place!"

Xiong Kuo said to David!

"No, the Qiu Mansion dare not retaliate. If the Qiu Mansion retaliates, then I will destroy the Qiu Mansion together!"

David said casually!

A first-grade Mahayana cultivator actually wanted to destroy the mansion of an eighth-grade Mahayana cultivator. If this were said by someone else, it would probably be laughed at!

This is not bragging, but at this moment, when it came out of David's mouth, Xiong Kuo and the others believed it completely!

Because the strength shown by David was too shocking, they were so shocked that they could no longer see clearly what David's true strength was!

Several people quickly rushed to the Beast City. Because David had the token of the Xing Mansion, he entered the city gate smoothly and was not checked!

David directly brought Xiong Kuo and others into the Xing Mansion. Looking at the mansion in front of them, Xiong Kuo and the other two were a little confused!

This is the mansion of Xing Daorong, one of the three beast generals. Although they have never been in, they have all seen it!

After all, in the Beast City, except for the City Lord's Mansion in the middle, the mansions of the three beast generals are the most huge and luxurious!
