Chapter 4661

His fists were filled with violent true qi, and each punch seemed to be able to shake the mountains and rivers, and go straight to David's vitals.

However, facing Qiu Wanqing's fierce attack, David suddenly retreated violently. At the same time, a cold light suddenly lit up from David's hand, like a meteor that cut through the night sky. The Dragon Slashing Sword appeared in David's hand. At this moment, the body of the Dragon Slashing Sword was flowing with a faint dragon roar, and a faint sense of palpating pressure was revealed.

"Today, I will let you see the power of the Dragon Slashing Sword!"

David shouted in a low voice, and his body suddenly rose up, like a ghost shuttling across the battlefield. The Dragon Slashing Sword seemed to have life in his hands. Every swing was accompanied by dragon roars and tiger roars. Where the tip of the sword pointed, the air seemed to be split in two, leaving cracks visible to the naked eye.

Qiu Wanqing saw this, his face changed slightly. Although he was conceited about his profound cultivation, he did not dare to be careless in front of the Dragon Slashing Sword.

He quickly mobilized the true qi in his body, condensed it in his palm, and prepared to take this blow.

"Sword shadow follows!"

With a loud shout, David stopped abruptly, and swung the Dragon Slaying Sword violently. A dazzling sword light condensed at the tip of the sword, as if a real dragon-shaped light and shadow whistled out from the sword, rushing straight towards Qiu Wanqing with the power of destroying the world.

Qiu Wanqing clapped his palms, and his true energy turned into a huge beast shadow, trying to block this shocking blow.

However, when the dragon-shaped sword light collided with the beast shadow, a deafening roar broke out, and the air around them seemed to be completely torn apart,

dust flew, gravel splashed, and the soldiers on the battlefield retreated one after another, fearing that they would be affected. The

dragon-shaped sword light was unstoppable, penetrating the beast shadow and continuing to attack Qiu Wanqing.

Qiu Wanqing was horrified and could only use his body skills to avoid the vital points in a hurry, but even so, his left arm was still swept by the aftermath of the sword, and his skin was torn and blood was dripping.

This attack made Qiu Wanqing completely understand the horror of the Dragon Slaying Sword, and he dared not underestimate it anymore.

However, the battle did not end there. David took advantage of the victory to pursue the enemy. The Dragon Slashing Sword danced in his hand tightly. Each sword contained the power of splitting mountains and rocks, forcing Qiu Wanqing to retreat step by step without any ability to fight back.

He was light and shuttled across the battlefield like a ghost. Every dodge was just right, making Qiu Wanqing's fist wind repeatedly miss.

As time went by, Qiu Wanqing gradually found that he could not do anything to David. But David's attacks became more and more fierce, and every time he felt frightened.

He knew that David was not an easy person, and the Dragon Slashing Sword was even more powerful, so he began to adjust his tactics, no longer blindly attacking, but looking for David's flaws, trying to win by trickery.

However, David seemed to see through Qiu Wanqing's mind. His figure was like the wind, and the Dragon Slaying Sword was like a living thing in his hand, sometimes turning into a sharp sword light, sometimes turning into a lingering sword shadow, dissolving Qiu Wanqing's attacks one by one, while looking for opportunities to counterattack.

Finally, at a moment when Qiu Wanqing's attack slowed down, David seized the opportunity.

He suddenly jumped up, like a cheetah ready to go, and the Dragon Slaying Sword drew a perfect arc in the air, heading straight for Qiu Wanqing's vitals.

Wherever this sword passed, the air seemed to be torn apart, leaving a deep crack.

Although Qiu Wanqing fought desperately, under the indestructible edge of the Dragon Slaying Sword, all defenses seemed pale and powerless.

Qiu Wanqing was hit hard, flew out backwards, and fell heavily to the ground. He struggled to get up, but found that his internal Qi was disordered and his injuries were serious.

“You...how can you be so strong?”

Qiu Wanqing looked at David in disbelief, with a tremor in his voice.

Chapter 4662

He was just a first-grade cultivator in the Mahayana realm, but he could actually defeat himself, who was in the eighth grade in the Mahayana realm, and even injured himself severely!

This was simply too unbelievable, and even Xing Daorong, who was standing by, was so shocked that he couldn't speak!

David was in the ninth grade in the Tribulation Realm at that time, and it was shocking that he could defeat the fourth grade in the Mahayana realm. Now that David had just been promoted to the Mahayana realm, he could actually defeat the eighth grade in the Mahayana realm!

This was really too outrageous, and even the hundreds of soldiers around him were staring with their eyes wide open!

They had never seen a battle in which such a huge difference in realm could be won!

“Are you convinced?”

David asked coldly, looking at Qiu Wanqing!

“I'm convinced by your mother. If I hadn't been injured, how could I have lost to you?”

Qiu Wanqing shouted loudly!

Although Qiu Wanqing was very shocked, he must not admit defeat at this time, otherwise how would hundreds of soldiers look at him! How

can he convince the crowd?

“Don't say I didn't give you a chance. I can let you go back and heal your wounds. When you recover, we can have a fight.”

“I will make you kneel before me convinced...”

David instantly retracted the Dragon Slaying Sword in his hand, and then turned and left!

Qiu Wanqing was stunned. He didn't expect David to let him go, and it was so refreshing!

“Mr. Chen...”

Xing Daorong walked to David and shouted with a little hesitation!

Now is a good time to get rid of Qiu Wanqing. If he lets him go, it will still be a trouble in the future!

At this moment, Xing Daorong has long been convinced by David, so the name has changed. He no longer regards David as his guest!

A first-grade Mahayana cultivator can defeat an eighth-grade Mahayana cultivator. His future achievements are limitless. Xing Daorong knows that it is best for him to hold on to David at this time!

“Are you afraid that I won't be able to beat him in the future?”

David looked at Xing Daorong and smiled!

He knew that Xing Daorong must be afraid that after Qiu Wanqing recovered from his injury, he would not be Qiu Wanqing's opponent!

However, David knew in his heart that although he was now in the first grade of the Mahayana Realm, he had reached his peak state. As long as he had enough resources, he would be able to be promoted to the second grade of the Mahayana Realm in a short time!

As long as he reached the second grade of the Mahayana Realm, Qiu Wanqing was still a fart. Even if Qiu Wanqing was in the best state, he would not be his opponent at that time!

David could not fight a battle without confidence. He let Qiu Wanqing leave after he had enough confidence!

“That's not the case, it's just...”

Xing Daorong didn't know what to say. He was just a little worried!

“Don't worry, even if Qiu Wanqing recovers to his peak state, I can easily kill him!”

David smiled slightly, jumped down directly, and entered the cave vein!

Seeing this, Xing Daorong could only sigh, and looked at Qiu Wanqing and said, "Qiu Wanqing, I'll spare your life today. If you dare to take the idea of this fairy stone mine, I will kill you!"

Qiu Wanqing looked at Xing Daorong's arrogant look, and his face turned red with anger, but he didn't dare to say anything, and turned around and left with his men!
Seeing

Qiu Wanqing leave, Xing Daorong continued to lead people to guard the top of the mountain to prevent anyone from continuing to take the idea of the fairy stone mine!

David asked Bai Cheng to lead people to mine, and he found a hidden place to start practicing!

With so many fairy stones, David knew that he would definitely be able to break through the first level of the Mahayana realm!

On the other side, Qiu Wanqing, who was seriously injured, returned to the Beast City with his men. He was so angry that he vomited several bowls of blood. If he was not a cultivator, but an ordinary person, he would have vomited blood to death!

"Master, many soldiers have begun to leave secretly and defect to the Xing Mansion and the Yan Mansion. What should we do?"

At this time, the housekeeper asked in a low voice!

Now that Qiu Wanqing's two sons are dead and Qiu Wanqing is injured, the entire Qiu Mansion is shrouded in dark clouds, so many of the commanders below are a little scared!

Especially today, they saw with their own eyes that David, a first-grade Mahayana cultivator, beat Qiu Wanqing, an eighth-grade Mahayana cultivator, to the point of spitting blood, which shocked these soldiers even more!

Chapter 4663

"These ungrateful people are so ungrateful. I'm not even dead yet, but they're already thinking about finding their next buyer."

Qiu Wanqing was so angry that he slammed his palm on the table!

However, he was still angry, but he still had to find a way to stop it. If his men all ran away, he would be left alone. What strength would the entire Qiu Mansion have?

But right now, he had no way to take back the fairy stone mine!

“Master, we can go to the Yan Mansion to talk. After all, this is a fairy stone mine. I don’t believe that Yan Shuangying will watch Xing Daorong get it ”

“If our two families cooperate, no matter how capable Xing Daorong is, he can never be a match for our two families!”

The housekeeper suggested!

“Yes, I’ll go talk to Yan Shuangying, you go and prepare!”

“Prepare some more gifts, especially bring Xiao Cui from my house. Yan Shuangying has wanted to play with her for a long time, but I haven’t been willing to give her to him!”

Qiu Wanqing said to the housekeeper!

The housekeeper nodded and then retreated!

Qiu Wanqing took a few pills to make his injuries better, then changed his clothes and went straight to Yan Mansion!

The residences of the three beast generals are not far away, and it only takes more than ten minutes to reach them!

At this time, Yan Shuangying was sitting in the hall, eating fruit leisurely!

He was waiting for Qiu Wanqing, he knew that Qiu Wanqing would definitely come to find him!

After Qiu Wanqing came back from the suburbs, Yan Shuangying got the news, and the fact that Qiu Wanqing was injured by David, a first-grade cultivator in the Mahayana realm, was also known to Yan Shuangying!

“Old Yan, I’m here to have a drink with you...”

At this time, Qiu Wanqing’s voice came, and then strode into the hall!

Behind Qiu Wanqing, there was a beautiful girl, who looked a little scared!

“Old Qiu, how come you have time to come here? Aren’t you busy collecting fairy stones?”

Yan Shuangying asked, pretending to know nothing!

“You liked a little girl in my house some time ago, but I was playing at that time, so I didn’t give it to you.”

“I don’t play now, I sent it to you...”

Qiu Wanqing smiled faintly, and then said to the little girl behind him: “Why don’t you serve General Yan, remember to serve General Yan well, and serve him comfortably...”

“Yes!” The little girl bowed slightly, and then walked towards Yan Shuangying!

Yan Shuangying sneered, and then waved his hand lightly!

Boom!

A spiritual power hit the little girl unexpectedly, and directly knocked the little girl away, fell to the ground, spit out blood and died!

“I don’t want the things you left behind...”

Yan Shuangying snorted coldly!

In their eyes, this kind of servant is not as good as an ant, so they kill him at will, and there is no psychological burden!

Qiu Wanqing also just took a look, without any anger, but smiled and said: “Wait for me to find you a better one and give it to you.”

“Old Qiu, you are so reasonable today, do you have something to ask of me?” Yan Shuangying asked with a hint of amusement!

“What? I just want to discuss something with you!”

Qiu Wanqing would not take the initiative to ask Yan Shuangying for help. If that happened, he knew that with Yan Shuangying’s temper, he would definitely be in trouble!

“Oh, what to discuss?”

Yan Shuangying asked!

“You also know that I have been purchasing fairy stones. Except for a part of them that were sent to the City Lord’s Mansion, I kept the rest. After all, this thing is of no use to us at our current level.”

“But I have a way to sell these fairy stones at a high price. Now a fairy stone mine has been discovered in the suburbs, which is priceless.”

“Now that Xing Daorong has occupied the fairy stone mine and wants to take it for himself, I want to discuss it. Our two families should seize the fairy stone mine and then mine it.”

“When the time comes, I will have a market, and our two families will split it 50-50. You don’t have to do anything!”

Qiu Wanqing followed Yan Shuangying and said!

Chapter 4664

Yan Shuangying couldn’t help laughing when listening to Qiu Wanqing’s words. His smile was so bright that Qiu Wanqing felt a little scared!

“Old Yan, what are you laughing at? Isn’t the method I mentioned working?”

“If you think 50-50 is not appropriate, how about 40-60? I’ll take 40 and you take 60. How about that?”

Qiu Wanqing continued to ask!

“Old Qiu, in all these years, have you ever seen me compete with you for anything?”

“Although I don’t compete, and you gave me the hardest job of guarding the prison, I have no complaints!”

“But you can’t treat me as a fool. You led your men out of the city in a mighty manner. Don’t you think I don’t know?”

“You fought with Old Xing, and in the end both of you were injured. Don’t I know?”

“You were beaten by a kid in the first level of the Mahayana realm and kept vomiting blood. Don’t you think I don’t know?”

“What kind of cooperation are you still talking to me about? You can’t deal with Xing Daorong, so you dragged me down with you.”

“I’m not that stupid. Although the fairy stone vein is good, I know my own weight and I don’t want it.”

“If you want it, then fight for it with your own ability. Don’t worry, even if that old Xing comes to me, I won’t help him.”

Yan Shuangying said to Qiu Wanqing with a smile!

When Qiu Wanqing heard this, his old face suddenly turned red, and he looked very embarrassed!

“Old Yan, don’t you think about it? I can raise the ratio for you!”

Qiu Wanqing is still fighting for it!

If it depends on the power of his Qiu Mansion, it will be difficult to take back the fairy stone vein!

“Show away...”

Yan Shuangying shouted coldly!

At this time, the housekeeper of the Yan Mansion walked in and said to Qiu Wanqing: “General Qiu, please...”

Qiu Wanqing wanted to open his mouth to fight for it, but looking at Yan Shuangying’s look, he finally closed his mouth and turned around and walked out!

“Huh, you are playing tricks on me, do you think I’m a fool?”

Yan Shuangying looked at Qiu Wanqing’s back and snorted coldly!

Qiu Wanqing left the Yan Mansion angrily, and the whole person was about to explode!

Not only did he fail to find Yan Shuangying to help, but he killed the woman he liked to play with the most!

Qiu Wanqing felt that he had lost both his wife and his soldiers.

But he had no choice. This Yan Shuangying knew everything, so it would be difficult for him to cooperate with him!

“Master, did General Yan not agree?”

asked the housekeeper of the Qiu Mansion!

“No!” Qiu Wanqing shook his head: “It seems that we can only pin our hopes on Brother Luo. I hope he can come earlier this time...”

“Master, monk Luo is a person outside the Beast City. If you secretly collude with the monks outside the Beast City and let him show up, will you be punished?”

The housekeeper said with some concern!

“I don’t care about that much. I don’t even know where the city lord is. Who will punish me? As long as I become the city lord, I will be the one to set the rules of the Beast City!”

Qiu Wanqing waved his hand and didn’t care.

As long as he can get the fairy stone vein, he can use the monks from outside the Beast City to help him seize the entire Beast City!

At that time, the rules will be set by himself, and there will be no punishment!

At this time, David was still practicing hard in the fairy stone vein, striving to break through to the second level of the Mahayana realm as soon as possible!

Xing Daorong led people to guard day and night to prevent Qiu Wanqing from bringing people to cause damage!

Three days passed in the blink of an eye. During these three days, Baicheng led people to mine fairy stones non-stop, and they also harvested a lot!

In the Qiu Mansion, Qiu Wanqing had no appetite all day and kept pacing back and forth!

His face was full of wrinkles, and he looked much older!

“Why haven’t you come yet?” Qiu Wanqing frowned and looked out the window!

“Brother Qiu, are you waiting for me?”

At this time, a rough voice came from outside!

Chapter 4665

“Brother Luo, Brother Luo, you are finally here...”

Hearing this voice, Qiu Wanqing was immediately overjoyed and ran out directly!

In the courtyard of the Qiu Mansion, a man who was several meters tall and burly was looking at Qiu Wanqing with a smile on his face!

If David was here, he would definitely be able to recognize at a glance that the big man in front of him was Luo Ta!

Luo Ta, who was killed and resurrected by Mr. Bei Shi! At

this time, Luo Ta's face was flushed, and he no longer had the embarrassment when he was killed!

"Brother Qiu, is it because you have prepared too many fairy stones and don't have enough funds in your hands?"

"Let me tell you, this time I want more fairy stones, and I will take as many as you have!"

Luo Ta asked, looking at Qiu Wanqing's appearance!

It turns out that the fairy stones in Rota's storage bag were all purchased from Qiu Wanqing. No wonder this guy has a map with the location of the Beast City marked on it! This guy

was able to pass through layers of illusions and come to the Beast City. It must be Qiu Wanqing who played tricks on him and let Rota come and go freely!

"Brother Luo, let's go inside and talk!"

Qiu Wanqing invited Rota into the room!

After Rota sat in the hall, Qiu Wanqing clapped his hands very tactfully, and then two young girls came out, each of them delicate and charming, and sat next to Rota!

Rota hugged the two girls with ease, and ravaged them with his big hands, without caring that Qiu Wanqing was next to him!

Qiu Wanqing didn't care either, it seemed that he had already gotten used to it!

Although Rota was a worshiper of the temple and the resources of the temple were good, there was one thing that made Rota speechless, that was, there were too few female cultivators in the temple!

In addition, according to the rules of the temple, the people of the God Clan must practice dual cultivation with the female cultivators of the God Clan, which is also to maintain the purity of the bloodline of the God Clan!

This has created a situation where there are too many monks and too little porridge, and many God Clan cultivators cannot find a dual cultivation partner!

Luo Ta is no exception. Fortunately, he can now come to the Beast City to purchase fairy stones, so here, no one restrains and controls him, and Luo Ta can freely find a woman to practice dual cultivation!

Qiu Wanqing also knew Luo Ta's preferences, so every time he came, Qiu Wanqing would prepare two delicate girls for Luo Ta!

"Brother Luo, I..."

"Brother Qiu, don't say anything first, I'm going to suffocate, let me vent first!"

Luo Ta was holding two girls in his arms, how could he still listen to Qiu Wanqing's words!

Qiu Wanqing was speechless when he heard it, but he didn't dare to refuse. He could only squeeze out a smile with a bitter face and said, "Okay, Brother Luo, play first..."

After that, Qiu Wanqing walked out. When Qiu Wanqing's feet just stepped out of the room, he heard a woman's shouting behind him!

Qiu Wanqing could only close the door quickly. This Luo Ta was too impatient.

Listening to the voices in the room, Qiu Wanqing could only wait outside, boringly lighting a pot of refreshing cigarettes for himself. The jade cigarette holder exuded a green light, which was worth a lot at a glance!

After taking two deep puffs, Qiu Wanqing felt refreshed, and the annoyance in his heart was reduced a lot!

Slowly exhaling the smoke, Qiu Wanqing was about to take a puff when he heard the voice in the room stop!

"Brother Qiu, come in..."

Rota's voice rang out!

Qiu Wanqing was stunned, and looked at the refreshing cigarette in his hand that he had not finished smoking, and could only helplessly knock it all out!

This is too fast, he hasn't even finished smoking his cigarette!

How many minutes can this take?

It's probably only a few dozen seconds...

Qiu Wanqing pushed open the door, and the two girls walked out with a look of being unsatisfied!

Rota's face was rosy, with a smile on his face, and he looked comfortable!

"Brother Luo is getting better and better..."

Qiu Wanqing said against his conscience after entering the door!
