Chapter 4666

“Hahaha, brother Qiu, you are too kind. I dare not brag about other things, but when it comes to dual cultivation time, I am still very good in our God Clan.”

Luo Ta boasted!

Qiu Wanqing almost laughed out loud when he heard it. He dared to say that he was very good?

Qiu Wanqing had never met the God Clan, but after hearing what Luo Ta said, he knew what kind of people the God Clan were...

But now Qiu Wanqing had something to ask Luo Ta, so he didn't dare to say anything!

“Brother Luo, let's talk about the fairy stones. I don't have too many fairy stones prepared this year...” Qiu

Wanqing followed Luo Ta and said!

“Not too many? What's the matter? I want a lot this time. Could it be that all the fairy stones around your Beast City have been mined out?”

Luo Ta asked with a frown!

“That's not the case. Just now, a new fairy stone vein was discovered on the outskirts of our Beast City!”

Qiu Wanqing shook his head and said!

Luo Ta stood up in an instant: “Fairy stone vein? Then why do you say there are not too many fairy stones? If you don't go to mine, I can wait for you for a few days!”

Luo Ta hopes to stay here for a few more days, after all, he can practice dual cultivation here at will!

“Brother Luo, don't worry, I was just about to tell you about this. The fairy stone vein is occupied by others, and I can't mine it.”

Qiu Wanqing said helplessly!

“Occupied by others? Aren’t you one of the three generals of Beast City? Who dares to compete with you?”

Luo Ta has cooperated with Qiu Wanqing for many years and knows some things about Beast City!

“The one who competed with me was Xing Daorong from the Xing Mansion. This guy occupied the vein and mined the fairy stones by himself. I went to rob him, but unfortunately I was not as skilled as him, so I could only retreat back!”

Qiu Wanqing said!

“Damn it, there are still people who dare to snatch it from you. Take me now and take that fairy stone mine!”

Luo Ta said angrily!

Qiu Wanqing nodded happily when he heard it, “Brother Luo, I’m waiting for you. As long as you take back the fairy stone mine, I will give you the fairy stone at a discount and find you a few more women.”

Luo Ta waved his hand and said, “No need for discounts. Anyway, it’s not my own money. You just need to find me a few more women!”

“Take me there quickly. This time I will bring back more fairy stones, and I can make up for my mistakes. My fairy stones were robbed, and I am laughed at all the time now!”

Luo Ta’s fairy stones were robbed by David. Although the Ten Palace Masters did not punish him after returning to the temple, he was still ridiculed by other people in the temple!

Now Luo Ta is in urgent need of a turnaround. As long as he can bring back enough fairy stones this time, he will be able to stop everyone’s mouths!

“What?” Qiu Wanqing was shocked: “How dare someone snatch Brother Luo’s fairy stone? Isn’t that courting death?”

This Luo Ta is at the peak of the ninth level of the Mahayana Realm, and he is just one step away from the Immortal Realm!

In this realm, in the entire Beast City, except for the city lord, Luo Ta is the highest combat power!

I didn’t expect that this kind of strength, which is the second existence in the Beast City, was robbed by someone outside the Beast City!

“You don’t know, your Beast City has been closed for thousands of years, and you don’t know that the Heavenly Human Realm has undergone great changes.”

“I don’t know why, there are now many unfathomable cultivators in the Heavenly Human Realm, and I don’t know where these people came from.”

“There are even genius cultivators who fight beyond their level. The whole Heavenly Human Realm is in chaos now!”

“Even the domain lord of the Immortal Realm was scared away at a glance...”

The genius that Luo Ta was talking about was David. He saw with his own eyes that David, who was at the ninth level of the Tribulation Realm, killed the fourth-level cultivator of the Mahayana Realm and cried for his parents!

And the person who scared the domain lord away at a glance was Mr. Shi. This shocking scene always lingered in Luo Ta’s heart.

“Is it so terrible? The domain lord of the Immortal Transformation Realm was scared away at a glance?”

Qiu Wanqing was shocked. You know, the Immortal Transformation Realm is the end of the entire celestial world!

Chapter 4667

After reaching the Immortal Realm, one will ascend to become an immortal. Who would still stay in the Heavenly Realm after becoming an immortal? He would

have ascended to the Heavenly Realm long ago and re-entered a new cultivation!

What kind of person is it that can scare away the

Immortal Realm cultivators with just one glance? Qiu Wanqing couldn’t figure it out, but he had seen

geniuses who could fight beyond their level, but he didn’t know that Luo Ta was talking about David! “Brother Luo, there are geniuses who can fight beyond their level in our Beast City, but we can’t find any in our Beast City who can scare away the cultivators in the Immortal Realm with just one glance.”

“It’s too scary outside. Fortunately, our Beast City was closed early, otherwise we would have become someone else’s prey!”

Qiu Wanqing said with lingering fear!

“Brother Qiu, you worry too much. With the strength of the Beast City, it can still dominate the world of heaven and man. After all, there are only a few cultivators with abnormal strength.”

Luo Ta patted Qiu Wanqing on the shoulder and said!

Luo Ta followed Qiu Wanqing while walking and chatting, and soon arrived at the place where the fairy stone vein was!

This time, Qiu Wanqing did not bring many people, only a dozen followers!

With Luo Ta, he was not afraid at all. Even if Xing Daorong brought hundreds of people, it would be useless!

Some cultivators of the fourth and fifth grades of the Mahayana realm, no matter how many people they have, can never be the opponent of Luo Ta, a cultivator at the peak of the ninth grade of the Mahayana realm!

“General, Qiu Wanqing has brought people again...”

Just when Qiu Wanqing and his men were close to the fairy stone vein, someone immediately followed Xing Daorong to report!

Xing Daorong snorted coldly and said, “I knew this guy would not give up. How many people did he bring this time!”

“Only more than a dozen...”

The servant said!

“More than ten?” Xing Daorong frowned: “What the hell is this guy doing? Come with me to see...”

Xing Daorong led people out of the temporary palace!

From a distance, Xing Daorong saw that Qiu Wanqing really brought more than a dozen people, and next to Qiu Wanqing was a strong man several meters tall!

Although Xing Daorong didn’t know Luo Ta, he didn’t take it to heart. After all, in the entire Beast City, the only person who could be stronger than them was the city lord who had not shown up for many years!

Xing Daorong, with a group of his men behind him, stood majestically in front of the palace, staring at Qiu Wanqing and his group who were gradually approaching with a torch-like gaze.

When the two sides were closer, Xing Daorong took the lead, with a mocking arc on his lips, and shouted loudly: “Qiu Wanqing, you are a defeated general. You ran away in disgrace last time, and today you brought two or three kittens to die. Did your head get stuck in the door?”

Qiu Wanqing’s face suddenly became gloomy as if water could drip out. He gritted his teeth and responded viciously: “Xing Daorong, don’t be arrogant! Last time it was just my negligence. Today I will let you know who this fairy stone vein should belong to!”

“Hahaha!”

Xing Daorong raised his head and laughed, his laughter was full of disdain, “Just you? And this big fool beside you? I think you are desperate and found a fool who came from nowhere to fill the scene.”

Luo Ta was already upset because he had been listening to the quarrel between the two people all the way. At this moment, he was humiliated by Xing Daorong. He was furious, his eyes like copper bells were wide open, and he roared: “You don’t know how to live or die, how dare you humiliate me like this!” Before he

finished speaking, Luo Ta’s figure flashed, like a cannonball out of a gun, with a whistling sound, and rushed towards Xing Daorong in an instant.

Xing Daorong’s face changed suddenly. Although he had been prepared, Luo Ta’s speed was too fast, so fast that he almost had no time to react.

At the critical moment, Xing Daorong subconsciously mobilized the spiritual power in his body and hurriedly condensed a spiritual power shield in front of him.

“Boom!”

Rota’s fist, with overwhelming force, slammed heavily on the shield, making a deafening sound.

Chapter 4668

Xing Daorong only felt an irresistible force coming, and the whole person flew backwards uncontrollably for dozens of meters like a kite with a broken string, dragging a long trail on the ground, and finally crashed heavily into a boulder.

“Puff!”

Xing Daorong opened his mouth and spurted out a large mouthful of blood, staining the ground in front of him red.

“General!”

Xing Daorong’s men saw this and shouted in panic, wanting to rush over to rescue, but they were suppressed by the powerful aura emanating from Rota and could not move.

Xing Daorong got up from the ground with difficulty, wiped the blood from the corner of his mouth with trembling hands, his eyes full of shock and unwillingness.

He had never thought that there was such a powerful existence besides the city lord in the Beast City, and he was so vulnerable in front of the other party.

Seeing that Xing Daorong was injured by Rota with just one punch, Qiu Wanqing was so happy!

He looked at Xing Daorong jokingly and said, “Xing Daorong, you’d better give up the fairy stone mine obediently, and then hand over the guy who killed my son. I can spare your life for the sake of our colleagues.”

“If you still insist on not repenting, I won’t care. Brother Luo has a very bad temper. This punch can make you disappear into ashes.”

Qiu Wanqing didn’t want Luo Ta to kill Xing Daorong at this moment. After all, Luo Ta was outside the Beast City. If Luo Ta killed Xing Daorong, it would be troublesome if the city lord showed up to investigate!

He only needs to rob the fairy stone mine, and then kill David!

Only Xing Daorong’s life, Qiu Wanqing has to solve it himself. If the city lord really shows up to investigate, it will be a civil strife, and the crime is not punishable by death!

“Qiu Wanqing, stop pretending to be a good guy in front of me. You have actually wanted to kill me for a long time. Don’t think I don’t know.”

“I won’t give the fairy stone mine to you, and it is even more impossible for me to give it to you, Mr. Chen. If you have the guts, do it!”

Xing Daorong was a real man, and he said with a cold snort!

“Hmph, you are so arrogant!”

Seeing this, Rota was full of disdain, and approached Xing Daorong step by step, and the ground trembled slightly with every step, “Today is your death!”

After that, Rota condensed a ball of black spiritual power in his hand, which was like a black sun about to explode, exuding a chilling breath.

Xing Daorong looked at the approaching black spiritual power, and a deep despair surged in his heart, but as a general, the pride in his bones made him unwilling to accept his fate.

“It’s not that easy to kill me!”

Xing Daorong gritted his teeth, used up his last bit of strength, mobilized his spiritual power again, and prepared to make a final desperate struggle.

However, his spiritual power was already very little at this moment, and the condensed attack seemed so weak.

Just when Rota was about to make a move to end Xing Daorong’s life, suddenly, the wind and clouds in the sky changed suddenly.

The originally azure sky was instantly covered by dark clouds. The thick dark clouds rolled and surged like ink. Thick lightning flashed through the clouds, making a deafening thunder.

Everyone was stunned by this sudden change and looked up at the sky.

Luo Ta also stopped his movements, with a trace of doubt and uneasiness in his eyes.

“This... is someone triggering a thunder tribulation?” Qiu Wanqing asked in horror, with a tremor in his voice.

Because he had seen this scene a few days ago, it should be someone who broke through the realm and triggered a thunder tribulation!

But what kind of strength can trigger such a thunder tribulation?

At this time, in the depths of the fairy stone vein, David was immersed in the critical moment of breakthrough.

In the crazy practice of the past few days, David constantly absorbed the rich spiritual energy in the fairy stone vein, and the spiritual power in his body was like a surging tide, constantly impacting the barrier of the second grade of the Mahayana realm.

Chapter 4669

Just now, David finally succeeded in breaking through that barrier, and his realm successfully broke through to the second level of the Mahayana realm.

As the spiritual power in David's body surged, the world seemed to respond to some ancient rhythm, and an unprecedented thunder disaster came.

In the depths of the fairy stone vein, light and thunder intertwined, forming a shocking picture.

The dark clouds were pressing down, no longer a simple black rolling, but turned into a deep vortex, as if connected to the chaotic power outside the nine heavens. The

lightning was no longer a silver snake that occasionally shuttled through, but turned into an endless net of thunder, each as thick as a giant pillar, carrying the power of destroying the world, cutting the entire sky into pieces.

The sound of thunder was no longer simply deafening, but turned into a roar that could shake the soul. Every sound was like a sigh of heaven and earth, which made people feel awe.

“Who would have such a scene when crossing the calamity?”

Luo Ta looked at the sky, his eyes full of shock. He even forgot to attack Xing Daorong!

And Xing Daorong also looked at the sky with a puzzled look. He didn't understand who was improving his realm?

The terrifying thunder tribulation a few days ago was caused by David, who broke through to the Mahayana realm.

But what about this time?

Could it be David too?

Xing Daorong couldn't imagine that in just a few days, could David break through from the first level of the Mahayana realm to the second level of the Mahayana realm?

If it is true, it would be too outrageous!

In the shocked eyes of everyone, the power of the thunder tribulation became more and more violent, the sky seemed to be torn apart, and purple divine thunders fell from the sky, carrying the breath of destroying everything.

These thunders are not only physical attacks, but also contain the test of the laws of heaven and earth, trying to erase the spiritual power in David's body, destroy his will, and let him sink in this endless sea of thunder. However

, David was not crushed by the thunder tribulation. Instead, he used the power of heaven and earth to constantly temper his body and soul.

His inner spiritual power seemed to have been stimulated to unlimited potential. Every time the thunder bombarded, the spiritual power in his body became more condensed, his body became tougher, and his soul became purer.

Under this grand thunder tribulation, David seemed to resonate with heaven and earth.

Every flash of lightning reflected his unyielding will.

Every echo of thunder announced his determination to move to a higher realm.

Finally, after countless bombardments, the thunder tribulation gradually subsided, the dark clouds dissipated, and the sun fell on the earth again. David stood proudly in the vein, emitting a faint golden light.

That was the unique sacred breath after the breakthrough, marking that he had successfully survived this thrilling thunder tribulation and entered a new realm of practice.

David slowly opened his eyes, a gleam of brilliance flashed in his eyes, he felt the surging power in his body, and a confident smile appeared at the corner of his mouth.

Then, he flashed and flew quickly toward the outside of the fairy stone mine.

When David appeared in front of everyone, the whole world was filled with a terrifying atmosphere.

"It's you!"

The moment Luo Ta saw David, his eyes almost popped out, and his face was full of shock and anger, "Why are you here?"

David is also a cultivator from outside the Beast City. You must know that this hand does not prohibit cultivators from outside the Beast City from entering.

Luo Ta was able to enter and exit freely because of the magic treasure given by Qiu Wanqing, but how did David get in?

David ignored Luo Ta's anger, but turned to look at Xing Daorong who was lying on the ground, and asked with concern: "General Xing, are you okay?"

When Xing Daorong saw David, the light of hope rekindled in his originally dim eyes. He said weakly: "Mr. Chen, you came at the right time... Qiu Wanqing colluded with others and tried to rob the fairy stone mine..."

Chapter 4670

David nodded, turned around, looked at Luo Ta with cold eyes, and said in a slightly joking voice: "Silly big guy, I didn't expect that we would meet again. Do you want to die again?"

When Luo Ta heard David say that he wanted to die once, his body trembled, and he remembered the terrifying look of Mr. Shi!

But this is the Beast City. Even if David has a backer in the Heavenly Realm, he can't appear here!

Thinking of this, Luo Ta sneered and said, "Boy, you are unlucky to let me meet you today. You took my things, and I will make you spit them out twice!"

"Do you have that ability? You dare to be so shameless when you have died once." David laughed!

The conversation between David and Luo Ta directly confused Xing Daorong and Qiu Wanqing. They didn't expect that David and Luo Ta actually knew each other!

"Brother Luo, do you know this kid?" Qiu Wanqing asked doubtfully!

"Of course I know him. It was this guy who stole my fairy stone."

Luo Ta said!

"What?" Qiu Wanqing was shocked: "Is he a cultivator from the outside of Beast City?"

Xing Daorong also looked at David, his face full of disbelief!

“Yes, I came from the area outside Beast City. I can find this place thanks to the map of this big fool. Otherwise, I can’t find this place with the map in his storage bag!”

“If I can’t find this place, I can’t find the fairy stone vein. If I can’t find the fairy stone vein, I can’t be promoted to the second level of the Mahayana realm!”

“In this way, I have to thank this big fool!”

David said with a playful look!

Luo Ta listened to David’s sarcasm and laughed in anger: “Hahahaha! You don’t know how to live or die, you are just a small cultivator of the first level of the Mahayana realm, and you dare to speak nonsense in front of me.”

“Today, I will tear you into pieces to vent my hatred!”

After that, Luo Ta no longer hesitated and exerted all his strength. The black spiritual power ball in his hand expanded several times in an instant and smashed towards David.

Wherever the black spiritual energy passed, the air seemed to be torn apart, making a harsh sound.

David looked at Rota who was rushing over, without any fear in his eyes.

He took a deep breath, and the spiritual energy in his body began to circulate wildly like surging waves.

powerful source of thunder and lightning burst out from his body and condensed into a huge thunder dragon in front of him.

“Go!”

David shouted, and the thunder dragon roared and rushed towards the black spiritual power group.

“Boom!”

The two collided with each other, instantly triggering a devastating explosion.

The powerful energy fluctuations were like a turbulent tsunami, spreading wildly around.

Everyone retreated to avoid this powerful force.

Xing Daorong’s men were overturned to the ground by this force, and many were seriously injured. Even

Qiu Wanqing was shocked by this force and retreated again and again, his face as pale as paper.

When the smoke and dust cleared, everyone saw Luo Ta looking at David in shock.

At this time, Luo Ta's clothes had become tattered, his hair was messy, and there was a trace of blood at the corner of his mouth.

David stood firmly in place, his breath was steady, as if the battle just now had no effect on him.

"This... How is this possible!"

Luo Ta said in disbelief. He could never have imagined that David's strength had improved so terribly in just a few days.

How could he defeat me, who was at the peak of the ninth level of the Mahayana Realm, when he was only at the second level of the Mahayana Realm?

This was too unscientific...

Qiu Wanqing looked at this scene and thought of the terrifying thunder tribulation just now. He was so confused!

What kind of perversion was this?

The promotion from the first level of the Mahayana Realm to the second level of the Mahayana Realm was just a small realm upgrade!

How could it still trigger such a terrifying thunder tribulation?
