## chapter 4671

Seeing that David, who was at the second level of the Mahayana realm, had defeated Luo Ta, who was at the peak of the ninth level of the Mahayana realm, Qiu Wanqing seemed to have figured out why the thunder tribulation was so terrifying.

David smiled at Luo Ta and said nothing. Instead, he mobilized his spiritual power again and prepared to launch the next round of attacks.

Seeing this, Luo Ta felt a deep fear in his heart. He knew that if he continued to fight today, he would surely die.

So, he turned around without hesitation and wanted to escape from here.

“Want to run? Not that easy!”

David snorted coldly, and his figure flashed and instantly appeared in front of Luo Ta.

Luo Ta was shocked and wanted to dodge, but found that his body seemed to be bound by an invisible force and could not move.

“You... who are you?” Luo Ta asked in horror.

David did not answer, but raised his hand, and a dazzling lightning condensed in his hand.

“This is the punishment you deserve!” David said coldly, and then smashed the lightning in his hand fiercely at Rota.

“Ah!”

Rota let out a shrill scream, and the whole person was instantly submerged by the lightning.

A moment later, the lightning dissipated, and Rota’s body had disappeared, leaving only a piece of charred land.

Qiu Wanqing was so scared that his legs went weak when he saw Rota being easily killed by David, and he almost collapsed to the ground.

He knew that he was completely finished today, so he turned around and fled desperately into the distance.

“Still want to run?”

David’s eyes turned cold, and a spiritual arrow condensed in his hand and shot at Qiu Wanqing. The

spiritual arrow was like a flash of lightning, instantly catching up with Qiu Wanqing and piercing through his back.

“Puff!”

Qiu Wanqing spit out a mouthful of blood, and his body fell forward to the ground, no longer breathing.

Until his death, Qiu Wanqing had never expected this result!

The peak of the ninth level of the Mahayana realm, that was the peak of the ninth level of the Mahayana realm!

The existence second only to the city lord in the entire Beast City was killed by a second-level Mahayana cultivator!

If Qiu Wanqing knew this would be the result, he would never come!

The air around seemed to solidify at this moment. Everyone looked at this scene quietly, their hearts filled with awe and shock.

They understood that from today on, the pattern of Beast City will undergo earth-shaking changes due to the appearance of David.

“Mr. Chen...”

Xing Daorong walked to David and shouted in a low voice!

Although he was still the general of Beast City at this moment, he had become cautious in front of David, really afraid of making David unhappy!

David stood in place and ignored Xing Daorong, but looked into the distance with deep eyes.

“Come out, what are you hiding for?”

David said coldly!

David's words startled Xing Daorong, and he hurriedly looked around. He didn't know that there were still people hiding nearby.

Swish!

As soon as David finished speaking, a figure rushed out of the mountains and forests several miles away from them, and then ran back to the city!

David's figure disappeared at the same time!

When the Fire Control Step was activated, David's body was like a space jump. In the eyes of Xing Daorong and others, David did not move at all, but appeared several miles away in the blink of an eye!

Before everyone could react, David had returned, and he was holding a person in his hand!

This person was about thirty years old, with a pale face. He had already been scared to incontinence, and his pants were wet!

"Is it you?"

Seeing the person captured by David, Xing Daorong frowned slightly!

"General Xing, do you know this person?" David asked!

"Of course, this is a servant of the Yan Mansion. I don't know how he appeared here."

After Xing Daorong finished speaking, he directly picked up the man's collar and said, "Tell me, what are you doing here? Did Yan Shuangying ask you to come?"

The servant of the Yan Mansion just looked at Xing Daorong. Although he was very scared, he did not speak!

Seeing that he did not speak, Xing Daorong was very angry!

David said, "General Xing, don't be angry. This kind of servant is just worthless. Just kill him..."

After David finished speaking, his palm slowly raised up. As long as David's palm fell, this person would definitely be wiped out!

## Chapter 4672

Seeing David raise his palm, the servant of Yan Mansion was terrified. After all, he had just seen with his own eyes that David, a second-grade Mahayana realm, directly killed the peak of the ninth-grade Mahayana realm and Qiu Wanqing, an eighth-grade Mahayana realm!

“I say, I say...”

“General Yan sent me here to see what happened in Xing Mansion and Qiu Mansion, and then go back to report.”

The servant of Yan Mansion hurriedly said!

“What does Yan Shuangying want to do? Does he want to benefit from the quarrel between the snipe and the clam? Let me fight with Qiu Wanqing to the death, and he will sit back and enjoy the fruits of his labor?”

Xing Daorong asked.

“General Xing, I don’t know. I’m just a servant, just following orders. General Yan can’t tell me what his intentions are.”The

servant of Yan Mansion hurriedly explained!

Seeing this, David waved his hand and said, “Go back and tell General Yan what you saw. If he is also interested in the fairy stone vein, he can come and rob it!”

After David finished speaking, Xing Daorong released the servant of Yan Mansion!

Now, Xing Daorong has completely obeyed David’s arrangement!

At the same time in the Ten Palaces!

The Lord of the Ten Palaces is frowning, worrying about resources. As the strength of the monks in the Ten Palaces becomes stronger and stronger, the resources that need to be consumed are also huge!

The resources that the Demon Sealing League has plundered in the Heavenly Realm alone can no longer support the consumption of the entire Ten Palaces!

This is why the Lord of the Ten Palaces asked Luo Ta to do business with the Beast City.

If you want to ascend to immortality, you must have enough resources. Without resources, everything is in vain!

“Palace Master, Palace Master, it’s not good. Luo Gongsheng’s soul lamp is extinguished...”

At this time, a member of the Ten Palaces ran over in a hurry!

“What?” The Lord of the Ten Palaces was stunned, and then ran out quickly!

When he came to the secret room of the Ten Palaces, he found that Narota’s soul lamp was indeed extinguished!

There are hundreds of lamps burning here, all of which are the soul lamps of the members of the Ten Palaces, and even the soul lamp of the Ten Palace Master himself is here!

As long as someone dies, the soul lamp here will go out!

If the physical body is destroyed and the residual soul is still retained, the brightness of the soul lamp will fade, but as long as the physical body is reshaped, it can still be restored!

“What is going on? How could Rota die?”

The Ten Palace Master asked in disbelief!

“Palace Master, Narota has been trading with Beast City for many years, and this has never happened. How could he die suddenly?” “

And I heard Narota say that the overall strength of Beast City is not very strong, and it is estimated that no one is his opponent, but the current situation is indeed very strange.”

The Ten Palace member whispered!

“It’s really weird.” The Tenth Palace Master nodded: “Don’t tell anyone about this first, I’ll go find Old Qian to find out what’s going on!”

After the Tenth Palace Master finished speaking, he left the secret room and walked towards the back of the Tenth Palace’s main hall!

Passing through the main hall, there is a forest behind, with birds singing and flowers blooming, and several thatched houses!

Compared with the magnificent main hall in front, this thatched house is simply out of place!

And in front of the thatched house sat a man, an old man sitting on an old rattan chair, with a head of silver hair meticulously combed, each strand as bright as silver thread, glowing with a cold luster in the sunlight.

His face was thin, and the wrinkles carved by the years were like winding lines on an ancient map, hiding endless stories.

His eyes were sunken, but his eyes were like a deep pool, deep and quiet. The occasional flash of his eyes was as sharp as an eagle, as if he could see through all appearances. He

was wearing a long gown that was washed a little white but neat, the corners of his clothes swaying gently in the breeze, and a dark cloth belt was tied around his waist with a warm and simple jade pendant hanging on it. With his movements, there was a faint crisp sound of collision.

He held a bamboo folding fan, with ink landscapes painted on the fan. The brushstrokes were simple but profound. Occasionally, he gently waved it, bringing out a breeze, adding a bit of mysterious temperament.

The most important thing was that in front of this old man, on a table made of rattan, there was a bamboo tube, and under the bamboo tube, several rusty copper coins were arranged in the shape of a seven-star formation!

## Chapter 4673

“Luo Ta is dead...”

Before the Tenth Hall Master spoke, the old man spoke directly!

The Tenth Hall Master was slightly stunned, then nodded and said: “Old Qian is right, Luo Ta is dead, and his soul lamp has been extinguished.”

“Logically speaking, as long as those hidden forces in the Heavenly Realm do not show up, Luo Ta can be an invincible existence.”

“I asked him to go to Beast City to purchase some fairy stones, but the soul lamp went out and was killed. I just don’t know who did it.”

“We have cooperated with Beast City for many years, and this kind of thing has never happened, so it should not be the Lord of Beast City, so I specially came to ask Old Qian to take a look.”

The Tenth Hall Master was very respectful to this Old Qian. It seemed that this Old Qian's status seemed to be higher than his own!

Old Qian raised his head slightly, staring straight at the Tenth Hall Master, who didn't dare to look at him at all!

"I devoted myself to calculating the way of heaven and used my life's blood and energy to lay down this deductive seven-star formation, just to help you calculate the death of a small worshiper?"

Old Qian's face was a little unhappy!

The Tenth Palace Master paused slightly and quickly admitted his mistake: "Old Qian, I was wrong, I shouldn't have asked you!"

"Forget it, Luo Ta was careless and was killed by a young man named David. As for the identity of David, I can't deduce it. It's too mysterious."

"So I advise you not to provoke that young man if it is not necessary. Now the great formation of heaven and earth seems to be about to be broken."

"The ladder to heaven will soon appear. By then, the world of heaven and man will be in chaos, and many people will flock to the ladder to return to heaven. You should also make more plans."

Old Qian waved his hand and said!

"I understand. My current mission is to unify the world of heaven and man and expand the territory for the temple. Even if those people return to heaven, I will be the master of the world of heaven and man!"

The Tenth Palace Master said with a little joy!

"Childish..."

Qian Lao uttered two words lightly, then lowered his head, looked carefully at the Seven Star Formation in front of him, and stopped talking.

Seeing this, the Tenth Hall Master did not dare to stay any longer, and immediately turned around and left!

He could not afford to provoke this Qian Lao. He could deduce the way of heaven, and even if the First Hall Master came, he had to give face!

"David..."

The Tenth Hall Master, who returned to the main hall, kept muttering David's name!

The last time Luo Ta and the others escaped from the Xiao Dynasty, they kept talking about David's name, and that Mr. Shi!

Until now, the Tenth Hall Master did not know what the relationship between David and Mr. Shi was!

However, being able to kill Luo Ta and revive again showed that the other party's strength must be strong!

Now Qian Lao asked him not to trouble David, but the Tenth Hall Master was always unwilling in his heart!

Luo Ta had followed him for many years and had always been loyal, otherwise he would not have given Luo Ta the task of doing business with the Beast City!

Now that Luo Ta was killed, if he did not take any action, how many people would surrender to the Ten Halls in the future!

After thinking it over again and again, a hint of murderous intent flashed in the eyes of the Tenth Hall Master.

"Come here..." The Tenth Hall Master shouted!

A young man walked in. This young man was dressed in a flawless white robe, and his sleeves swayed gently in the wind, like an immortal in the clouds, unstained by dust.

His face was handsome, his sword-like eyebrows flew into his temples, his eyes were deep and bright, as if he could see through all the vanity in the world, revealing a heroic spirit that should

not be underestimated. His nose was straight, his lips were light and firm, and his black and shiny hair was casually tied up with a simple jade hairpin, which made him look free and easy without losing his demeanor.

What was particularly eye-catching was the dark long sword he held tightly in his hand. The blade was glowing with a faint cold light, like a touch of cold light in the night, revealing a breathtaking domineering aura.

## **Chapter 4674**

The handle of the knife was engraved with complicated and mysterious patterns, which formed a sharp contrast with his white fingers, making the young man look both handsome and tough. As

soon as the young man entered the hall, it seemed as if even the air froze, and all the noise around him seemed to be far away from him. Only he and the dark long knife became the most dazzling existence in the entire hall.

Upon closer inspection, the young man's eyebrows actually had many similarities with that of the Tenth Prince, but this young man was more heroic than that of the Tenth Prince!

The Tenth Palace Master just raised his head and looked at the young man in front of him, frowning slightly, with a bit of disgust in his eyes!

"Who asked you to come out?"

The Tenth Palace Master asked in a cold tone!

"Father, I..."

"Shut up, who is your father? In this hall, call me Hall Master."

Before the young man could finish, the Tenth Hall Master shouted to stop him!

A trace of grievance flashed in the young man's eyes, but he said obediently: "Hall Master, I heard that Luo Gongfeng was killed and his brother was also injured, so I ask the Hall Master to allow me to leave the hall and avenge Luo Gongfeng and my brother!" "

Humph!"

Unexpectedly, the Tenth Hall Master snorted coldly: "Do you want to take your beloved woman back to the heavenly world? Leave this palace that depresses you forever?"

"I didn't!" The young man shook his head!

"Don't try to deceive me. Don't forget that you are my son. How could I not know what you are thinking?"

"But as my eldest son, you fell in love with an ordinary female cultivator and even practiced dual cultivation with her, which tainted the bloodline of our God Clan. It's good enough that I don't kill you, but you still want to leave the Ten Palaces and go to the Heaven Realm?"

The Tenth Palace Master said with a cold face and a murderous expression!

“Palace Master, I really want to avenge Luo Gongsheng and my brother.”

The young man lowered his head, but he still did not admit that he was thinking about leaving the Ten Palaces!

The Tenth Palace Master’s eyes were still staring at the young man in front of him, as if he wanted to see through him!

After a moment, the Tenth Palace Master spoke: “Luo Ta is only one step away from breaking through the Mahayana realm and becoming an immortal cultivator. How does your realm compare to his?”

“I am at the same level as Luo Gongsheng, and I am one step away from breaking through to the immortal realm, but I have never found an opportunity.”

“I want to go out this time, and I also want to take advantage of this opportunity to see if I can find an opportunity to break through!”

The young man explained!

“Luo Ta has been killed. If you go to take revenge at this level, won’t you die?”

Although the tone of the Tenth Hall Master was still cold at this moment, he was already a little concerned!

“Luo Gongsheng is reckless and arrogant by nature, and he underestimates the enemy, which will definitely give the enemy an opportunity to take advantage of. I will never give the enemy such an opportunity.”

The young man said!

Listening to the young man’s words, the Tenth Hall Master’s face actually had a trace of relief, but it was only a flash!

“Okay, go, take the guards and women around you.”

“Whether you succeed or not, don’t come back. I don’t want to see you, and I won’t admit that I have a son like you!”

The Tenth Hall Master waved his hand, and there was a bit of helplessness and sadness on his cold face!

The young man’s body trembled slightly, and he raised his head with disbelief in his eyes, but when he put his eyes on the face of the Tenth Palace Master, he found that the Tenth Palace Master’s face had turned to the side!

“Son, I’ll take my leave...”

The young man’s eyes were a little red, he bowed deeply, and slowly left the hall!

.....

Beast City, Yan Mansion!

Yan Shuangying listened to the report of his subordinates, and the whole person jumped up from the chair in shock!

He couldn’t believe that Qiu Wanqing was dead!

Although they have been calculating against each other, they still have some concerns when they really want to kill!

After all, they were all promoted by the city lord. Although the city lord has not been seen for many years, it does not mean that the city lord is dead!

## **Chapter 4675**

If the city lord was just practicing in seclusion, and the three of them killed each other, the city lord would definitely be furious after he came out of seclusion, and no one would have a good ending at that time!

Now Xing Daorong actually killed Qiu Wanqing, which shocked Yan Shuangying!

There is also the sudden appearance of Luo Ta, who is at the peak of the ninth rank of the Mahayana realm. There is no cultivator with such strength in the Beast City!

Their three beast generals are only at the eighth rank of the Mahayana realm, and this suddenly appeared ninth rank of the Mahayana realm must have come from outside the Beast City!

If there is no collusion between insiders, outsiders can’t enter the scope of this Beast City at all!

In this case, Qiu Wanqing must have colluded with people from the outside! What

made Yan Shuangying panic the most was that a second rank Mahayana cultivator killed a ninth rank Mahayana cultivator. This unheard of thing shocked him!

In this case, his plan to profit from the fisherman would be completely ruined! With Xing Daorong's current strength, he simply doesn't have the strength to fight with Xing Daorong!

"Are you telling the truth?" Yan Shuangying asked the servant again in disbelief!

"General, it's absolutely true, not a single lie, I was caught by them and then released."

The servant vowed!

Yan Shuangying sat back in the chair, cold sweat on his forehead!

"Give the order, from now on no one is allowed to provoke people from the Xing Mansion, otherwise they will be killed without mercy!"

Yan Shuangying knew that at this time he could only follow Xing Daorong to show goodwill, there was no other way!

Qiu Wanqing was killed, if he didn't know what was good for him, then Xing Daorong would definitely not mind killing one more!

"Yes, sir..."

The servant took the order and left!

Yan Shuangying took a deep breath, and the wisdom in his eyes had long gone. In this world where strength is respected, no matter how many strategies he has, what can he do!

He has accepted his fate...

.....

Xing Mansion!

David and Xing Daorong have returned, and Baicheng is continuing to mine fairy stones!

Qiu Wanqing is dead, and no one will dare to take the idea of the fairy stone vein. Yan Shuangying has also been warned. Xing Daorong knows him, and Yan Shuangying will never be stupid enough to confront him at this time!

It can be said that in the entire Beast City, Xing Daorong has become the only one in power. As long as Xing Daorong says a word, he can become the city lord of this Beast City!

However, Xing Daorong knows that the reason why he has become the only one in Beast City so quickly is absolutely inseparable from David!

“Mr. Chen, I have put all the fairy stones mined in the early stage into your storage bag. The fairy stones mined in the future will also be kept for Mr. Chen. I won’t take a piece...”

Xing Daorong said to David!

Originally, the two families agreed to divide it, but after seeing David kill Luo Ta, Xing Daorong changed his mind!

He will not follow David to divide the fairy stones, and he will give all the fairy stones to David!

What Xing Daorong needs now is the big tree of David on the list!

Seeing that Xing Daorong was so sensible, David did not refuse. After all, he would need too many resources for his future cultivation!

“General Xing, now that Qiu Wanqing is dead, what are your plans next?”

David asked Xing Daorong!

“I have sent people to take over the Qiu Mansion. After taking over all the people in the Qiu Mansion, I plan to move into the City Lord’s Mansion and become the city lord of the entire Beast City.” “

After all, there has been no news of the city lord for many years. It has always been the three of us who have been managing the Beast City. This is not a solution after all.”

Xing Daorong did not hide his ambitions and said directly to David!

Upon hearing this, David hurriedly waved his hands and said, “General Xing, the fact that the city lord did not show up does not mean that he is gone. In fact, your city lord has always been there, and I believe that he must know what happened in the Beast City!”

“What? Has Mr. Chen met our city lord?”

Xing Daorong asked in surprise upon hearing this!
