

A Man Like None Other Novel Chapter 4676

Full Read Online **Chapter 4676** of the novel **A Man Like None Other**

Chapter 4676

David nodded: "Yes, in the ancient tree space..."

"Ancient tree space?"

Xing Daorong's face was full of doubts, and he didn't seem to know what the ancient tree space David was talking about!

Seeing Xing Daorong's look, David was also a little puzzled and said: "Don't you know the ancient tree space?"

Xing Daorong shook his head: "I don't know!"

"It's the ancient tree in the prison. Didn't you send Bai Cheng to guard the ancient tree? How could you not know the ancient tree space?"

David asked puzzledly!

"Oh, you said the ancient tree in the prison. Guarding the ancient tree was the order of the city lord in the early years."

"The person guarding the prison at that time was Yan Shuangying, and guarding the ancient tree was asked me to send people. This is double protection, and people are not allowed to touch the ancient tree casually."

"But I don't know what space the ancient tree has, let alone where the city lord is!" Xing

Daorong explained!

"There is a space inside the ancient tree. Your city lord is practicing in seclusion. I have met him once." "

And the ancient tree relies on absorbing the spiritual power of the prisoners to replenish the resources used by your city lord for practice!"

David said!

Xing Daorong was silent for a moment, and then said with some worry: "In this case, the city lord should also know what happened in the Beast City? If he knew that we killed Qiu Wanqing, it would be troublesome..."

Xing Daorong was a little panicked at this moment. If the city lord blamed him, he couldn't bear it!

Even David couldn't bear it at all, after all, the city lord was a master of the Immortal Transformation Realm! Don't

think that David can kill a cultivator at the peak of the ninth rank of the Mahayana Realm, but once he enters the Immortal Transformation Realm, his overall strength will be a qualitative leap!

The peak of the ninth rank of the Mahayana Realm is just a cultivator, but once he enters the Immortal Transformation Realm, he will become a semi-immortal body!

"Don't worry, I plan to talk to your city lord tomorrow. He should only want to ascend now, and he probably doesn't want to care about these broken things in the Beast City."

"But if you want to be the city lord in the city lord's mansion, you should wait for a while and don't be too anxious!"

David comforted Xing Daorong!

"Okay, I'll wait for Mr. Chen's good news!" Xing Daorong nodded!

After chatting with Xing Daorong, David returned to the room, planning to have a good rest for a night, and then go to the city lord to talk tomorrow!

If everything goes well, he plans to leave the beast city, after all, he has been here for several days! Let

Xing Daorong manage the mining of the fairy stone vein, and then David will just come to get the fairy stone!

As for the ancient tree, David is not going to be tempted. After all, it is a must for the city lord to practice. If David wants to take it for himself, he will definitely fight with the city lord!

Although David has now been promoted to the second level of the Mahayana realm, he has no confidence to fight with the cultivators of the Immortal Realm!

As long as the city lord doesn't ask about the affairs of the Beast City and doesn't spy on his fairy stone veins, David won't disturb him from practicing!

Just as David opened the door, a figure suddenly rushed towards David! Before

David could react, he was wrapped in a softness!

Then there was an alluring body fragrance. David looked down and found that it was Xiong Ying who was holding him!

Xiong Ying was naked at this time, and her snow-white skin made David's eyes shine!

Especially the strange body fragrance on Xiong Ying's body, which made David feel that the blood was rushing to his head!

"Xiong Ying, what are you doing? Let me go..."

David said a little at a loss!

"Mr. Chen, you want me. I know you are not an ordinary person. You will definitely leave here at that time."

"What should I do with my brother after you leave? With the strength of the two of us, we can't protect ourselves at all!"

Xiong Ying said while hugging David tightly!

Chapter 4677

"Don't worry, even if I leave, I will tell General Xing to take care of you and your sister."

"With General Xing's care, what are you afraid of?"

David said hurriedly!

"That's different. If Mr. Chen wants me, then I will be Mr. Chen's woman. I believe that General Xing will definitely treat us with respect."

"But if I am just Mr. Chen's friend, the treatment will definitely be different."

"And I really like you, please take me..."

Xiong Ying raised her head, tears in her eyes, begging David!

David looked down at Xiong Ying's pitiful appearance, coupled with her beautiful face, which made David unable to control himself!

"In this case, I won't be polite..." Chen

Ping picked up Xiong Ying and threw her on the bed!

A night of spring like peach blossoms...

And outside David's room, the youngest sister had already burst into tears!

In fact, she couldn't say that she liked David. She was more grateful to David!

But women are like this, with a strong desire to win!

She stayed with David for a whole night, but David didn't touch her at all!

But with Xiong Ying, David was like a hungry tiger pouncing on its food!

The youngest sister admitted that her appearance was not as good as Xiong Ying, but David's partiality made her feel uncomfortable!

Especially if David left, what would she do in the future?

Her brother was also dead, and she was left alone. What should she do?

After a moment, the youngest sister wiped away her tears, with a firm look in her eyes.

"No matter where you go, whether you want me or not, I will follow you..."

Yaomei will definitely follow David. No matter where David goes, she will follow!

Anyway, she is alone and not afraid of anything!

After thinking it through, Yaomei turned around and returned to her room!

When David opened the door, Yaomei was no longer in the yard, so he didn't know that Yaomei had been listening outside all night!

After finding Xing Daorong, David followed Xing Daorong to the prison!

With Xing Daorong following, they entered the prison smoothly, and then David came under the ancient tree, and then with his hands stroking the ancient tree, his consciousness entered the ancient tree space!

This time, following the conversation with the city lord, it was particularly pleasant. I don't know if the city lord has investigated David. Anyway, he was polite to David!

And the city lord is also willing to hand over the position of city lord to Xing Daorong. The entire beast city is under the control of Xing Daorong, and his only request is to keep the ancient tree!

David also agreed to the city lord's request. If Xing Daorong becomes the city lord, then the entire beast city will become David's power!

After leaving the ancient tree space, David told Xing Daorong what the city lord said, which almost made Xing Daorong laugh to death!

On that day, a city lord order spread throughout the Beast City!

The city lord, who had not been seen for many years, actually issued the city lord order at this time!

The city lord order was to give the position of city lord to Xing Daorong. Yan Shuangying was also shocked when he saw the city lord order, but this was the city lord's intention, and he dared not say a word!

After dealing with everything, David planned to leave the Beast City, and took the magic weapon similar to the compass from Xing Daorong to leave the Beast City.

With this thing, David can enter and exit the Beast City freely. When David entered the Beast City, he was also brought in by the old man Zang with this thing!

After saying goodbye to Xing Daorong, David said goodbye to Xiong Kuo and his sister. When he wanted to say goodbye to the youngest sister, he found that he could not find the youngest sister!

David did not care too much, and then left the Xing Mansion and walked out of the Beast City, but not far after leaving the Beast City, he felt someone following him!

David frowned slightly. He couldn't think of who would dare to follow him at this time.

"Who is following me? Come out..."

David stopped and said coldly!

Chapter 4678

David is now extremely confident. He knows that no matter who follows him, they can never be his opponent!

In the entire Beast City, even Xing Daorong and the others are not his opponents, let alone others!

A petite figure walked out from behind a tree!

“Little sister? What are you following me for?”

David asked in shock when he saw that it was the little sister who came out!

“I... I want to follow you, no matter where you go, I will follow you.”

“My brother is dead, and I have no relatives anymore...”

The little sister said to David!

“Don’t follow me, it’s too dangerous. You just stay in the Beast City. I have told General Xing to take good care of you.”

David said to the little sister!

“I don’t care, I’ll follow you. I know you look down on me. I’m not as pretty as Xiong Ying, but I’ll follow you.”

“Wherever you go, I’ll go. If you think I’m in the way, you can slap me to death now!”

“I’ll only give up if I die, otherwise don’t even think about leaving me behind!”

Yaomei said with a firm look in her eyes!

Looking at Yaomei’s firm eyes, David could only sigh helplessly!

“Okay, follow me, but if you get into danger, I won’t save you. It’s more important for me to save my own life!”

David threatened Yaomei!

“I’m not afraid, I’ll die if I die, you don’t have to worry about me!”

Yaomei stood beside David!

David could only take Yaomei with him, and the two of them left the territory of Beast City!

When Yaomei followed David through the illusion array around Beast City and saw the outside world, she was as excited as a child!

David took Yaomei straight to Nanjin City, where Ji Yun was still waiting for him!

David was going to meet Ji Yun and then take the airship to leave!

.....

Demon Sealing Alliance Headquarters!

After experiencing the events of the Xiao Dynasty, Zuo Tianzheng became much more honest!

After sending away the hundred-year tribute, he did not dare to cause trouble for David!

All day long in the hall, he either practices or eats and drinks, and the whole person has become open-minded!

But today, when Zuo Tianzheng was sitting in the hall practicing, a figure suddenly walked into the hall slowly!

“as, don’t you know that the prohibition disturbs me when I practice?”

Zuo Tianzheng cursed!

In the Demon Sealing League, no one dared to disobey him. As the leader of the league, he still had this right!

But the figure seemed not to hear Zuo Tianzheng’s curse and still walked towards him!

When he approached, Zuo Tianzheng frowned, because he found that the person in front of him was someone he didn’t know, and he was not from the Demon Sealing League!

“Who are you?”

Zuo Tianzheng looked at the young man in white in front of him vigilantly!

The young man was holding a knife in his hand, and the blade exuded a cold light!

Being able to enter his hall quietly, and no one of the guards made a move, Zuo Tianzheng knew that the strength of the young man in front of him must be extraordinary!

“Are you Zuo Tianzheng, the leader of the Demon Sealing League?”

The young man looked at Zuo Tianzheng and asked!

“Yes, you are?”

Zuo Tianzheng continued to ask!

“Take me to the Xiao Dynasty and find David...”

said the young man!

Hearing that he was going to find David, Zuo Tianzheng seemed to think of something, and hurriedly stood up and asked, “Are you from the Ten Palaces?”

The young man just nodded slightly and didn’t speak!

Seeing this, Zuo Tianzheng hurriedly walked down with a respectful look!

Facing the people of the Demon Sealing League, he was the leader who was high above, and facing the people of the Ten Palaces, he was just a dog!

“But the Xiao Dynasty is...”

Zuo Tianzheng wanted to introduce the Xiao Dynasty!

After all, he saw with his own eyes that Mr. Shi continued the luck of the Xiao Dynasty for thousands of years, which was equivalent to covering the Xiao Dynasty!

And Zuo Tianzheng also saw Mr. Shi’s strength with his own eyes. Now the people of the Ten Palaces are going to the Xiao Dynasty to seek revenge on David, isn’t that equivalent to seeking death!

But before Zuo Tianzheng finished speaking, the young man just glanced at Zuo Tianzheng coldly, and scared him back with the words behind!

The young man walked out, and seeing this, Zuo Tianzheng had no choice but to follow him!

Chapter 4679

When Zuo Tianzheng followed the young man out of the hall, he was stunned for a moment!

Outside the hall, twelve monks in black clothes with swords stood like ghosts!

These twelve people were all above the fifth rank of the Mahayana realm, and some of them were not weaker than him at all!

With this kind of battle, if the other party came to cause trouble, his headquarters of the Demon Sealing League would probably be abolished!

In front of these twelve black-clothed monks, there was a female cultivator in a white Luo skirt. The female cultivator looked very young and had a very pretty appearance!

Seeing the young man coming out, the female cultivator greeted him: "Yun Li, how is it?"

"Shi Lan, let's go to the Xiao Dynasty and wait for David. No matter where he is, he will definitely return to the Xiao Dynasty."

Yun Li gently stroked Shi Lan's hair and said!

"Yeah!" Shi Lan nodded!

"Let's go..."

Yun Li said lightly!

"As you command, Your Highness..."

The twelve black-robed monks answered in unison!

Your Highness?

The Highness of the Tenth Palace?

The son of the Lord of the Tenth Palace?

When Zuo Tianzheng heard this title, his mind went blank!

A highness just left last time, and now another one is coming?

How many sons does the Lord of the Tenth Palace have?

Zuo Tianzheng observed carefully and found that Yun Li had many similarities with the Tenth Prince who came last time!

After knowing the other party's identity, Zuo Tianzheng became more cautious and followed everyone to the Xiao Dynasty!

“Have you seen the man named David?”

Yun Li asked Zuo Tianzheng on the way!

Chapter 4680

Yun Li looked at Shi Lan with loving eyes, smiled and said: “Not to mention the master behind David, even if it is David, I may not be his opponent. My strength is on par with that of Lota. If he can kill Lota, he can definitely kill me!”

“Then why are you still looking for David?”

Shi Lan looked at Yun Li in confusion. Why would he go if he knew he would die!

Yun Li smiled slightly: “I am not necessarily looking for revenge on David. If I don’t seek revenge, what reason does David have to kill me?”

“You...”

Shi Lan looked at Yun Li, unable to guess him!

And Zuo Tianzheng was even more confused at this moment. If the Tenth Prince was not looking for David for revenge, what was he going to do?

“Everyone says that my God Clan is arrogant, but not all God Clan members are like this. I know my own strength and my own weight, so I will always be in awe!”

“Father doesn’t like me, and even doesn’t recognize me as his son. It’s not entirely because I like you, but because I’m not arrogant enough and always look down on myself!”

Yun Li said slowly!

Listening to Yun Li’s words, Zuo Tianzheng was even more confused, but he didn’t dare to ask more. Now he is just a guide. As long as he brings these people to the Xiao Dynasty, his mission will be completed!

“Do you know why I like you? It’s because of your character...”

Shi Lan leaned on Yun Li’s shoulder, with a happy smile on her face!

.....

Nanjin City!

David has arrived with his youngest sister. The rush along the way has made his youngest sister very tired. After all, her strength is no match for David!

But the freshness of the outside world also made Yaomei forget her tiredness!

“The world outside the Beast City is really big...”

Yaomei said with emotion!

You know, there are five major domains in the Heavenly Human Realm. The Sky Demon Mountain in the southern domain is already a behemoth, thousands of miles long!

And the Beast City is just a corner of the Sky Demon Mountain!

So compared with the Heavenly Human Realm, the Beast City is just a drop in the ocean!

That’s why Yaomei is so shocked, shocked that the world is so big!

“Wait with me for a while, and you will see more of the world.”

Looking at Yaomei’s expression, David smiled slightly!

“It’s okay to see the world, but running around like this is too tiring. I’ve used all my spiritual power on flying.”

Yaomei frowned and said!

“Don’t worry, we can take the airship after picking up Ji Yun, and we don’t have to fly around by ourselves.”

David said!

“Airship, what is an airship?”

Yaomei asked curiously!

“You’ll understand after you see it!”

David didn’t explain either. After all, he couldn’t explain it clearly even if Yaomei explained it!

Yaomei now is like Granny Liu entering the Grand View Garden, curious about everything and understanding nothing!

When David found Ji Yun, Ji Yun saw Yaomei next to David, and couldn't help but be slightly stunned!

"Mr. Chen, who is this girl???"

Ji Yun asked!

"Her name is Yaomei, she is helpless and has followed me all the way. She is a beastman!"

David said!

"Hello, my name is Ji Yun." Ji Yun generously stretched out his hand and shook hands with Yaomei!

"Your name is Ji Yun. Do you have an airship? What is an airship? Can you let me see it?"

The youngest sister said curiously when she saw Ji Yun!

"This..."

Ji Yun was stunned, and then looked at David!

"Release the airship and take her to visit it and let her get familiar with it. I'm going to say goodbye to Pavilion Master Qian. I don't know when I can come back after leaving Nanjin City this time!"

David asked Ji Yun to take the youngest sister to see the airship, and he went to Wantong Pavilion to find Pavilion Master Qian!

David went to find Pavilion Master Qian, first to say goodbye, and second to ask about the skeleton of the Red Cloud Demon Lord!

"Okay, I understand!"

Ji Yun nodded!

Since following David, Ji Yun has become much more mature and stable!
