Chapter 4686

“I don’t know!” Yun Li shook his head!

David was stunned, and then continued to ask: “Who is the master of your temple? In addition to your ten halls, where are the other nine halls?” “

I don’t know...”

Yun Li still shook his head!

David looked at Yun Li, his eyes full of confusion!

This guy, is he deliberately imitating himself and saying that he doesn’t know anything?

But I really don’t know, I don’t know Mr. Shi’s identity!

is not lying...

“Then what is the strength of your hall master, you should know it?” Chen

Ping continued to ask!

Yun Li continued to shake his head: “I don’t know, I don’t think my father knows, your questions, it’s not that I don’t want to answer, but I can’t answer them!”

“I understand!” David looked at Yun Li’s expression and knew that this guy was not lying!

This temple should be strictly hierarchical, so it is impossible for the people below to understand the above, and there is no way to start!

After all, in the temple, the Ten Halls are the lowest existence!

“Now that we two have understood each other, and your goal has been achieved, can we leave now?”

David asked!

Yun Li said that he just wanted to come and see what kind of person he is!

Now that he has seen him and understood him, he can leave now!

“I suddenly feel itchy and want to spar with you, just to the point!”

Yun Li really wanted to try whether David could really kill a peak ninth-grade Mahayana Realm cultivator!

But if he did, Yun Li was afraid that it was true, and then he would be dead!

That’s why he proposed to spar with David!

A sparring session that was just to the point could test David’s strength without putting himself in danger!

David looked at Yun Li and laughed. He had seen through Yun Li’s little thoughts a long time ago!

However

, David was not afraid, so he nodded and said, “Okay! But I have a condition.”

David couldn’t let Yun Li take advantage of him for nothing. This guy was playing tricks, and David was not a fool!

“What conditions?” Yun Li asked!

“Let’s bet on some resources. If it’s just a simple fight, it’s meaningless!”

David said!

“Okay, but I came out in a hurry and didn’t bring many resources.”

“There are only 10,000 fairy stones in my storage bag. I wonder if it’s okay?”

Yun Li took out a storage bag and said!

“fu**!” When David heard it, he cursed a dog rich man in his heart, and then looked at Yun Li and said, “Although 10,000 fairy stones are not much, it’s barely okay!”

Although David was shocked by 10,000 fairy stones, he couldn’t show it!

“Since it’s okay, let’s start, but remember, stop at the point. If you hurt me, you won’t give me a fairy stone!”

Yun Li reminded again!

David was in no doubt. The other party was at the peak of the ninth level of the Mahayana Realm, but he repeatedly reminded himself to stop at the right time and not to hurt him!

What was going on?

“Don’t worry, I will definitely stop at the right time!” Chen

Ping nodded!

As David’s voice fell, the two of them moved and instantly pulled away.

The atmosphere suddenly became tense, and the air around them seemed to solidify, even the breeze stopped, waiting for a wonderful fight to be staged.

David took a deep breath, his eyes became sharp like an eagle, and the spiritual power in his body surged, as if a river burst its banks, unstoppable.

He slowly raised his right hand, palm facing up, and with a light hum, an ancient and majestic long sword slowly condensed out of the void. It was David’s Dragon Slaying Sword.

The sword body was flowing with a faint green light, and the sound of dragon roars echoed faintly, revealing a domineering aura of cutting everything and being invincible.

Seeing this, Yun Li’s pupils shrank suddenly, and an incredible look appeared on his face.

As the son of the Tenth Lord of the Temple, he had a wide range of knowledge and naturally recognized the extraordinariness of the Dragon Slaying Sword.

“This... is this your sword?” Yun Li’s voice was trembling, and he was obviously shocked that David took out the Dragon Slaying Sword.
