Chapter 4696

“Okay, since you said so, I’ll listen to you.” Huo Qing nodded, then looked at the old man and said, “I order you now to go and kill David, and then bring his head.”

“I’ll go?” The old man was stunned!

“Yes, I will send you. David is only at the ninth level of the Tribulation Realm. It’s easy for you to kill David, isn’t it?”

“Go and kill David, and then bring David’s head over. I can reward you with fairy stones.”

Huo Qing said to the old man!

The old man waved his hands and said, “Master, I... I can’t do it, I definitely can’t do it!”

“You can’t do it, what the hell are you talking about?”

Huo Qing scolded the old man!

“Master, then we won’t go to find David? This is disobeying orders. According to the rules of the temple, disobeying orders will be severely punished.”

said the old man!

“Who said we won’t look for him? Of course we will look for him. David killed our people from the Ten Palaces. If we don’t seek revenge on him, wouldn’t it be underestimated by the Ten Palaces?”

“But I’m not the one looking for him. I’ll ask others to help find David. Now that the ladder to heaven is about to appear, all the hidden forces are beginning to stir.”

“It’s just right for us to take this opportunity. I’ll issue a killing order in the name of the Ten Palaces. Anyone who can kill David will be rewarded with 100,000 immortal spirit stones!”

Huo Qing said with a cold smile!

“100,000 immortal spirit stones?” The old man staggered and almost fell down. He looked at Huo Qing in disbelief: “Master, where do you get so many immortal spirit stones?”

“Of course I don’t have them, but the Ten Palaces do. I’ll issue them in the name of the Ten Palaces. No matter who kills David, they will follow the Ten Palaces to get the immortal spirit stones. It has nothing to do with me.”

“Whether the Ten Palaces give it or not, I won’t care. I believe that 100,000 immortal spirit stones will definitely drive these hidden guys crazy. You know, the most lacking resource for their cultivation is immortal spirit stones.”

Huo Qing said!

The old man looked at Huo Qing speechlessly for a while, and didn’t know what to say!

“Don’t be stunned, hurry up and issue the killing order, remember to cast a wide net...”

Huo Qing urged!

“Young Master, the Sealed Demon League also used a hundred years of offerings to issue a killing order against David, but David has been alive and well. I’m afraid that this killing order...”

The old man hesitated. After all, issuing a killing order in the name of the Ten Palaces and rewarding 100,000 fairy stones is not a trivial matter!

“The hundred years of offerings of the Sealed Demon League are nothing. They are only used by some small cultivators. The cultivators who have really reached the peak of the ninth grade of the Mahayana Realm or the Immortal Realm don’t look down on the resources of the Sealed Demon League at all.”

“Only this fairy stone can have temptation to these master cultivators, you just listen to my orders!”

Huo Qing said sternly!

“Yes!” Seeing this, the old man could only nod, and then turned and left!

After drafting the killing order, the old man smiled and said, “David, David, you are dead this time. Why did you have to provoke us, the Ten Palaces?”

The old man knew how tempting this fairy stone was to the immortal realm cultivators. In addition, at this stage when the ladder to heaven was about to open, there would definitely be many retreating monks coming out!

In that case, after receiving the killing order, these monks would definitely go crazy!

Although the fairy stone is a garbage stone in the heaven, it is an indispensable resource for ascending to the heaven in this world of heaven and man!

Ordinary spirit stones are not very useful for immortal realm cultivators, and this fairy stone is the most useful for immortal realm cultivators!

Especially for the peak of the ninth grade of the Mahayana realm, if you want to impact the immortal realm, you must have fairy stones!

Now there are 100,000 fairy stones at once, which will make the hidden forces boil!

Chapter 4697

Sun Moon City!

Lin Keting was still locked in the room, doing nothing all day long but practicing!

Although Lin Keting didn't really reflect on her mistakes, her father no longer allowed her to leave Sun Moon City!

"Princess..."

As the door was pushed open, a female cultivator walked in!

"What's wrong?" Lin Keting opened her eyes and asked the female cultivator in front of her!

"Look at this..." After

the female cultivator finished speaking, she slowly opened her palm, and a palm of white paper slowly appeared in front of Lin Keting!

When Lin Keting saw the content on it, she was stunned!

"The killing order? The Ten Palaces actually want to use 100,000 immortal spirit stones as a reward to kill David?"

"What did this guy do? He actually provoked the Ten Palaces to take out 100,000 immortal spirit stones?"

“No, I’m going to find my father and ask him to come out and save David.”

Lin Keting said, and walked out of the room.

But just as she walked to the door, she was shocked back by a huge force!

“Princess, you can’t leave this room without the emperor’s order.”

The female cultivator said!

Lin Keting frowned, her face full of anxiety!

“Take the killing order immediately, go to my master, and then give it to him.”

Lin Keting said!

After all, the matter between David and Lin Keting was brought together by Taoist Wuji!

Now that Taoist Wuji has seen the killing order, he will find a way to save David. He can’t become a little widow before he is with David!

“Yes, sir...”

The female cultivator slowly retreated!

Lin Keting paced back and forth in the room, feeling uneasy. She was locked up here and had no way to contact David.

At this time, in the palace, Taoist Wuji and Lin Chong were drinking spiritual tea, and in front of them were placed the killing orders of the Ten Palaces!

“Master, I didn’t expect this kid to be so valuable, 100,000 immortal spirit stones, even I am tempted...”

Lin Chong smiled slightly!

“Hahaha, the Tenth Palace would rather take out 100,000 immortal spirit stones to issue a killing order than personally kill David. Guess why?”

Taoist Wuji laughed!

“First, it is possible that the Tenth Palace cannot kill David, or has some concerns.”

“Second, the Tenth Palace issued this killing order just to disgust David. Even if David was really killed, the Tenth Palace would not take out 100,000 immortal spirit stones!”

Lin Chong said after a little thought!

“Yes, what you said is possible, but there is another possibility, that is, this killing order was not issued by the Tenth Palace Master at all.”

Taoist Wuji smiled slightly!

“Not issued by the Tenth Palace Master?” Lin Chong was stunned!

“Have you forgotten that the Tenth Palace is not a monolithic entity, and not everyone submits to the Tenth Palace Master.”

Taoist Wuji said!

“Well, it’s possible, but no matter what the situation is, David is in big trouble this time.”

“What does the Taoist mean now? Do you want to help David?”

Lin Chong looked at Taoist Wuji with a playful look in his eyes!

“Wait and see what happens. David is the son-in-law I chose for Xiaoting. Of course, he must have something special. If he is a waste who needs help everywhere, wouldn’t I be harming Xiaoting?”

Taoist Wuji said!

“Okay, then listen to the Taoist. Let’s wait and see what happens. It’s also a good opportunity to explore those hidden forces.”

“There are abnormalities in the great formation of heaven and earth, and the ladder to heaven is about to appear. The forces of all parties are slowly surfacing.”

“This time, the chaos in the world of heaven and man is going to rewrite the situation completely!”

Lin Chong nodded and said!

“Yes, the Heavenly World will be in chaos after the Heavenly Staircase appears. I am not too worried about the hidden forces in the Heavenly World.”

“I am worried about the abnormal people in the Heavenly Staircase. They can survive for a hundred years in the Heavenly Staircase world. They will be the real threat if they are allowed to leave the Heavenly Staircase.”

Taoist Wuji said with a worried look.

“Yes, those guys who stay in the Heavenly Staircase world are the biggest threat. I hope these guys will yearn for the Heavenly World and don’t come out of the Heavenly Staircase world!”

Lin Chong also had a melancholy look in his eyes and frowned slightly!

Chapter 4698

Sun Moon City Side Hall!

Lin Kedong also held the killing order in his hand, his face full of excitement!

Behind Lin Kedong was a woman in white, with long hair draped over her shoulders, a cold face, and a sheathed long sword in her left hand!

“Ruoya, one hundred thousand fairy spirit stones, this is a huge amount of resources...”
Lin

Kedong did not look back, and said to the woman behind him with a slightly excited voice!

“Eldest Prince, it is hard to say whether the Ten Palaces can come up with one hundred thousand fairy spirit stones, not to mention that the emperor has ordered that none of you are allowed to leave Sun Moon City.”

“The ladder to heaven is about to descend, and the emperor asked you to speed up your preparations so that you can experience the ladder to heaven.”

Lin Ruoya said in a low voice!

“Humph, father only asked us to prepare, but didn’t give me any resources, how can I prepare?”

“Lin Keting has been imprisoned, but someone can send resources to practice every day. Father is too partial.”

Lin Kedong snorted coldly, very dissatisfied!

“Prince, the resources of Sun Moon City are becoming increasingly exhausted, and the emperor has no choice, so he asked you to prepare. When the ladder to heaven comes, go to the ladder to experience it immediately.”

“And this killing order of the Ten Palaces is probably a conspiracy. If the people of the Ten Palaces can’t kill David, then how can we be opponents?” “

But if the Ten Palaces can kill David, why should they take out 100,000 fairy stones? This is a complete paradox.”

“What’s more, those people in the Ten Palaces are all arrogant and have no credibility at all, so the eldest prince should not be tempted.”

Lin Ruoya persuaded Lin Kedong and analyzed the pros and cons of the killing order for him!

“I don’t care whether the Ten Palaces have credibility or not, but if I kill David, and the people of the Ten Palaces dare not give me the Immortal Stone, then I will lead the Sun Moon City Guards and flatten the Ten Palaces in one fell swoop.”

“Don’t forget, the command token of the Guards is in my hands now. My father gave me the command of the Guards.”

“One hundred thousand immortal spirit stones are enough for me to break through the immortal realm and become the strongest among all the princes.”

Lin Kedong’s eyes flashed with greed!

Although he is the eldest prince, his talent is not very strong, so he is only at the peak of the ninth level of the Mahayana realm now, and he has been trying for many years to break through to the immortal realm!

Among their many princes, some have already broken through to the immortal realm, especially the fourth brother Lin Kefan, who has been in the immortal realm for many years!

The two of them have never been in harmony. As the eldest prince, Lin Kedong can suppress others as a brother, but his strength is not as good as the other party, so Lin Kefan doesn’t look down on him at all!

This is a knot in Lin Kedong’s heart, so he has always wanted to surpass Lin Kefan, but the more anxious he is, the more he can’t break through to the immortal realm!

This kind of great realm improvement requires talent, strength and opportunity, none of which can be missing!

“The eldest prince, you...”

“Don’t say anything. I have made up my mind. I must go and kill David and get these 100,000 immortal spirit stones.”

“If you are willing to go with me, then go with me. If you don’t want to go with me, stay in the city, but you are not allowed to tell your father. “

Lin Kedong threatened Lin Ruoya!

“I am willing to follow!”

Seeing this, Lin Ruoya could only lower her head helplessly!

As Lin Kedong’s personal maid, how could she not follow Lin Kedong!

“That’s right. When I inherit the throne, I will canonize you as a concubine, and let you have your own identity, and you don’t have to be a maid anymore.”

Lin Kedong grabbed Lin Ruoya’s hand and fumbled with it!

Lin Ruoya had a blank expression on her face, letting Lin Kedong wander around her body, and finally pressed herself under him!

She had no choice, because she was a collateral branch of the Lin family. After the collateral branch of the Lin family, they could only be close to the royal family!

Chapter 4699

Inside the Liangyi Gate!

The God Pattern Ancestor and the Array Demon are playing chess!

In front of them is also a killing order from the Ten Palaces!

“Brother, how come David has provoked the people from the Upper Temple in such a short time? And he also asked the Ten Palaces to issue a killing order.”

The Array Demon asked after putting down a chess piece!

“Didn’t you notice that there was a change in the Heaven and Earth Array? The only one who can do this is the kid David.”

“And according to the time, the ladder to heaven will also appear, and the world of heaven and man will be in chaos again. At this time, the Ten Palaces issued a killing order, which would only make the chaos worse!”

“What’s more, the people from the Temple are extremely arrogant. How could they spend money to get things done? This killing order definitely has the flavor of conspiracy.”

The God Pattern Ancestor smiled slightly!

“Then what should we do? Don’t we help that kid?” The Array Demon asked!

“Help? How to help? Our realms are suppressed, what can we do to help him?”

asked the God Pattern Ancestor!

The array demons were silent. This was not the heaven. Their strength was suppressed. For so many years, they could not improve their strength, but regressed year after year. Even if they wanted to help now, they could not help!

“It depends on the boy’s own luck. Don’t worry about it!”

The God Pattern Ancestor also played a chess piece, and then said, “It’s your turn...”

The two began to play chess and no longer paid attention to the killing order!

The many hidden forces in the heavenly world were also affected by the killing order at this moment. Although some people doubted the killing order, the temptation of 100,000 immortal spirit stones still made many people excited! It’s

just that David didn’t know about the killing order of the Ten Palaces, and ordinary cultivators in the heavenly world could not receive the killing order at all!

“Brother Chen, congratulations...”

Yun Li walked into David’s room and said with a smile!

Since Yun Li cut off his soul, he has been smiling more and more!

He finally got rid of the control of the temple!

Finally, I can run around freely and be with the person I love!

“Brother Yun, what is there to congratulate?”

David looked at Yun Li in surprise. He didn’t understand what good news he had!

“You’ll know when you take a look...”

Yun Li said, spreading a piece of white paper in front of David!

When David saw the content on it, he was stunned and frowned!

This is the killing order of the Ten Palaces for himself!

One hundred thousand immortal spirit stones?

“You Ten Palaces are too generous. Can I be worth one hundred thousand immortal spirit stones?”

David asked Yun Li!

“Of course you are not worth it. Even if you are worth it, we Ten Palaces can’t take out one hundred thousand immortal spirit stones to hunt you down.”

“Don’t forget that our God Clan is a superior clan. How could we use such means?”

Yun Li laughed!

“Isn’t this the killing order of your Ten Palaces?” David asked in surprise!

“Yes, but I’m sure that this will never be a killing order issued by my father.”

“He can’t take out one hundred thousand immortal spirit stones. This should be issued by someone else.”

Yun Li said!

“Others? Is there anyone else in your Ten Palaces who has such great power besides your father?”

David was very puzzled. Isn’t this the only thing that the Ten Palace Master can do?

“My father’s power is not as great as you think, otherwise I wouldn’t have been locked up in the Ten Palaces for hundreds of years.”

“It should be that my father saw that my soul lamp was extinguished and mistakenly thought that you had killed me, so he sent someone to take revenge.”

“And this killing order must have been made by the person who was sent!”

Yun Li analyzed!

“Then do you know who will be sent?” David asked!

“If my guess is correct, the person sent must be Huo Qing, because only he dares to do such a thing!”

When Yun Li mentioned Huo Qing, his eyes were obviously full of hostility!
