Chapter 4700

“Huo Qing? What’s the strength of this guy?”

David had to find out what his strength was first!

If the other party was a cultivator in the Immortal Realm, then David would have to find a way to hide!

“His strength is comparable to mine, but this guy is extremely cunning and has a very dark temperament. He must have issued this killing order in order to kill two birds with one stone.”

“When the time comes, many cultivators will see the killing order and will definitely come to kill you for the 100,000 fairy stones, so that he doesn’t have to do it himself.”

“And after killing you, they will definitely go to the Ten Palaces to collect the bounty. At that time, it will be impossible for my father to take out 100,000 fairy stones.”

“In this case, my father will be left with no credibility, and Huo Qing will have achieved the purpose of disgusting my father.”

Yun Li’s evaluation of Huo Qing was extremely bad!

“He is only at the peak of the ninth rank of the Mahayana realm. Can’t you just abolish him or expel him from the Ten Palaces? Such a small cultivator dares to compete with the Palace Master. It seems that your Ten Palaces are not that good!”

David listened to Yun Li’s words and couldn’t imagine that such a Mahayana cultivator dared to go against the Palace Master!

“Hey, you don’t know that Huo Qing has someone behind him. Coming to my Ten Palaces is just a transition.”

Yun Li sighed and said!

“Relationship households?”

David was speechless. He didn’t expect that in a place like the Heavenly Realm, there would be such a phenomenon as relationship households! You know, this

kind of thing is common in the secular world. Which department doesn't have relationship households!

"What are you going to do next? I can't show up before the ladder appears, so I can't help you."

Yun Li asked David!

"If the enemy comes, the general will stop the water and the earth will cover it. Since there are people who are looking for death, then I will fulfill him. In my eyes, there are no relationship households!"

David said calmly!

"If Huo Qing dares to come, I hope you can kill him to prevent him from causing trouble for my father."

Yun Li said to David!

"Are you begging me?" David smiled!

"Yes, I know your rules. I can give you something."

After Yun Li finished speaking, he took out a scroll and handed it to David!

"What is this? I don't want that treasure armor. It's useless to me."

David took the scroll and asked!

"This is the body refining scroll of our gods. Our gods have always been different from ordinary humans. Of course, the physical body cannot be as fragile as ordinary humans, so our gods have been refining the body!"

"Although your realm is improving very quickly, and you can fight across levels, you are not without weaknesses. The speed of your physical body refining can no longer keep up with your cultivation speed."

"You must know that with the improvement of your realm, many exercises need to be supported by a strong physical body. The stronger the physical body, the stronger the exercises."

"So you have our body refining scroll of the gods, which may be helpful to you."

Yun Li said to David!

David nodded. He also felt that what Yun Li said made sense. In fact, David could also feel that the speed of tempering the body was too slow now!

“You gave me the things that the gods practiced. Isn’t this a betrayal of the gods?”

David asked!

“I am no longer a member of the gods, so how can I betray you?” Yun Li smiled: “In fact, I also know that the gods we call ourselves are actually just the human race. There is no such thing as the gods in the world...”

David looked at Yun Li in surprise. He didn’t expect Yun Li to be so clear-headed.

When he opened the scroll, a white light suddenly entered David’s eyebrows!

Boom!

In an instant, countless information poured into David’s sea of consciousness!

The body refining scroll of the gods is indeed extraordinary. It is many times stronger than the body refining skills of the ancient body refining clan!
