### Chapter 4706

Ten Palaces!

Huo Qing was lying in his bedroom, and he didn't leave the Ten Palaces at all. He wasn't afraid that the Ten Palaces Master would find trouble with him!

He came to the Ten Palaces just to go through the motions and gild himself. Their Huo family was also a famous family in the God Clan. They were just the Ten Palaces Master, and they didn't dare to do anything to him!

Just as Huo Qing was lying leisurely, the thin old man walked in!

"What's the matter? Is David dead?"

Huo Qing asked!

"Master, although many people have gone to the Xiao Dynasty, they haven't taken action yet. They should be afraid of something!" The

thin old man said!

"I know what they are afraid of. It's normal for them not to take action. After all, it's not certain whether the Ten Palaces can take out 100,000 fairy stones."

"Plus, David has a master behind him. These guys can't help but investigate, and they can't be used by us casually!"

Huo Qing seemed to have expected this a long time ago!

"Master, Lin Kedong from Sun Moon City also led people to the Xiao Dynasty, probably for the killing order."

said the thin old man!

"What?" Huo Qing sat up: "That idiot was also fooled?"

“Hahaha, Lin Chong claimed to be smart, but he didn’t expect to have a stupid son. If Lin Kedong killed David, it would be much more lively!” “Master

, would Lin Kedong be so stupid to do something to David? There are already many cultivators near the Xiao Dynasty. If others don’t do it, he certainly won’t do it, right?” said the thin old man!

“If he doesn’t do it, we’ll stimulate him.”

After Huo Qing finished speaking, he took out the storage bag and threw it to the old man and said: “This is 20,000 fairy spirit stones. You go and give it to Lin Kedong, just say it’s the deposit of our Ten Palaces. Seeing so many fairy spirit stones, he will definitely not hesitate!”

“Master, 20,000 fairy spirit stones are just given out like this?”

The old man took the fairy spirit stones and was very reluctant!

“You can’t catch a wolf without sacrificing a lamb. As long as Lin Kedong kills David, he will definitely ask the Ten Palaces for the remaining 80,000 fairy stones. Then I’ll see how the Ten Palaces Master will deal with it!” After

Huo Qing finished speaking, he waved his hand!

The old man retreated, looking at the 20,000 immortal spirit stones in his hand, his eyes were full of heat!

This is 20,000 immortal spirit stones!

He wanted to kill David himself, and then take the immortal spirit stones alone!

But he knew that he was no match for David!

.....

Sun Moon City!

Lin Chong was still playing chess with Taoist Wuji. It often took dozens of days for the two of them to decide the winner!

“Father, father, my eldest brother is missing. I heard from the guards that my eldest brother left Sun Moon City!”

The fourth brother Lin Kefan hurriedly ran into the hall and said!

“What did your eldest brother do? If Ruoya hadn’t followed him, it should be fine.”

Lin Chong still held the chess piece, thinking about what to do next!

“Father, it is very likely that my eldest brother saw the killing order and went to kill David. One hundred thousand immortal spirit stones are indeed very tempting to him.”

Lin Kefan analyzed!

“What?” Lin Chong dropped the chess piece in his hand, frowning deeply: “How can this idiot believe the killing order of the Ten Palaces? Those Protoss monks are so arrogant and conceited. How can they give out 100,000 fairy stones to others for free?”

“Go and get your elder brother back immediately. This idiot is going to be used as a gun by the Ten Palaces. I am really angry. If the people of the Ten Palaces know about this, I will lose face!”

Lin Chong was really angry, and his face flushed and he yelled!

“Father, my elder brother may not listen to me...”

Lin Kefan said with embarrassment!

“Take my token. If he doesn’t listen, let him never come back to Sun Moon City and let him fend for himself!”

Lin Chong threw a token to Lin Kefan!

Lin Kefan took the token and left in a hurry!

## **Chapter 4707**

Over the sky of Xiao Dynasty!

Two domineering auras came quickly!

“Brother, someone else has come to Xiao Dynasty. It seems that they are also coming for David. How many people are there?”

The thin man looked into the distance and frowned slightly!

“The more people, the better. We can fish in troubled waters!”

The man in brocade robe smiled slightly!

“Brother, so many people are coming for David. If someone succeeds first, wouldn’t we have made a trip in vain?”

“I think we should take action and kill David before these people do it.”the

burly man couldn’t bear his inner anxiety!

“You idiot, so many people are waiting, but no one has entered the Xiao Dynasty to kill David. Can’t you see the reason?”

“These guys have lived for thousands of years, and they are extremely smart. Since they didn’t take action, they must have investigated. You stay here honestly. You must not take action without my order!”

The man in brocade robe glared at the burly man and said!

The burly man lowered his head and stopped talking, but his face was obviously dissatisfied!

Two breaths came quickly. When they got closer, they found that it was a male cultivator with a female cultivator in white behind him!

These two people were Lin Kedong and Lin Ruoya!

Seeing that Lin Kedong and Lin Ruoya were not stronger than themselves, the three people went up to meet them!

When they arrived in front of Lin Kedong, before the three people could speak, Lin Kedong said with disdain: “Get out of here, are you also here to kill David and want the 100,000 fairy stones?”

The three were stunned. They didn’t expect Lin Kedong to be so rampant!

“Damn it, who do you think you are? How dare you ask us to get out of here? I think you are tired of living. Do you believe that I can smash you to death with this hammer, and then I will play with the female cultivator behind you?”

The burly man was full of anger, and the meteor hammer in his hand kept spinning!

“You...”

Lin Ruoya was so angry that she drew her sword instantly when she heard it!

Lin Kedong said coldly, “Who am I? I tell you, I am Lin Kedong from Sun Moon City. Don’t even think about killing me with a hammer. If you dare to touch a finger of mine, Sun Moon City will smash you into pieces and you will never be reborn!”

“Sun Moon City?”

The three of them were shocked and took two steps back!

Especially the burly man, his face became very ugly!

The three of them were just casual cultivators, so how could they have the capital to fight with Sun Moon City? Sun Moon City is a powerful existence among the hidden forces in the Heavenly World!

“Mr. Lin, I’m really sorry. My brother was just reckless. Please forgive me.”

The man in brocade robe apologized with a smile on his face, and his expression was so flattering!

Seeing the expression of the man in brocade robe, Lin Kedong finally smiled. It was the most comfortable to be flattered!

“You three just watch, wait till I kill David and get 100,000 immortal spirit stones, then I will reward you some.”

Lin Kedong said very arrogantly!

“Thank you, Mr. Lin...”

The man in brocade robe hurriedly thanked him!

“Grand Prince, the Xiao Dynasty has been blessed by masters for thousands of years, we can’t rashly enter the Xiao Dynasty to kill people.”

“And the Ten Palaces will never be trustworthy people, so even if we kill David, we may not be able to get 100,000 immortal spirit stones, so please be cautious, Grand Prince!”

Lin Ruoya persuaded Lin Kedong!

“Hahaha, didn’t I tell you that I don’t care whether the Ten Palaces give immortal spirit stones to others. If I kill David, and they dare not give me immortal spirit stones, I will take the Imperial Guards to flatten the Ten Palaces in one fell swoop.”

Lin Kedong laughed loudly, his expression was very arrogant.

The three men in brocade robes on the side listened to Lin Kedong’s words, and no one dared to question it. After all, the strength of Sun Moon City is there, not inferior to the Ten Palaces, and even higher than the Ten Palaces!

## Chapter 4708

“Mr. Lin, I am not a person who does not keep my word in the Tenth Palace. It is just your misunderstanding!”

At this time, a thin old man came slowly!

“Are you from the Tenth Palace?” Lin Kedong looked at the old man and asked!

“Yes, I came here this time to give Mr. Lin 20,000 immortal spirit stones as a deposit. After the matter is done, I will definitely give you 80,000 immortal spirit stones with both hands!” After

the old man finished speaking, he threw a storage bag directly to Lin Kedong!

Opening the storage bag, he found that there were really 20,000 immortal spirit stones in it, which made Lin Kedong very happy!

“I didn’t expect that you, the Tenth Palace, are so generous, 20,000 immortal spirit stones as a deposit, but don’t worry, I will definitely kill David after I take your deposit.”

Lin Kedong said excitedly!

Seeing the 20,000 immortal spirit stones, the other three people were envious!

“Fellow Daoist, we can also help kill David, and we only need a deposit of 10,000, what do you think?”

The burly man couldn’t stand the temptation of the fairy stone, so he said to the old man!

When Lin Kedong heard this, he was furious. This was blatantly stealing his business!

“Damn, you are so bold, dare to steal my business in front of me?”

Lin Kedong’s breath burst out, and he felt like he was ready to take action at any time!

“Mr. Lin, calm down. How dare we compete with you? We will get out of here immediately...”

The man in the brocade robe changed his face, and then pulled the burly man away!

After getting away from Lin Kedong, the man in brocade robe looked at the burly man with a sullen face and said, "Second brother, you are so fu\*\*ing stupid. You almost killed us all just now. How dare you mess with the eldest young master of Sun Moon City?"

"Brother, I...didn't I couldn't help it when I saw the fairy stone?"

"And it seems that the Ten Palaces are quite trustworthy and they even paid a deposit."

The burly man looked aggrieved!

"Second brother, the three of us are just casual cultivators, and we don't have any backers behind us. If we were all like you, the three of us would have died without a burial place."

"If you continue like this, I will be killed by you sooner or later with my eldest brother!"

The thin man said very dissatisfiedly!

"Shut up, one person does one thing, that Lin Kedong is just the peak of the ninth rank of the Mahayana realm, what's so scary, the three of us can kill him in minutes."

"When Lin Kedong dies, how can Sun and Moon City know who did it? You are just a coward."

The burly man roared at the thin man!

He didn't dare to vent his dissatisfaction with his eldest brother, but he didn't spoil this third brother!

Listening to the burly man's words, the brocade robe man sighed lightly, seeming very disappointed.

After hearing the sigh of the brocade robe man, the thin man suddenly stabbed out with a gun, and the fiery red gun tip went straight to the chest of the burly man!

This sudden change scared the burly man, who quickly blocked it with the meteor hammer in his hand and roared: "Damn it, you are crazy, you actually want to kill me..."

"Second brother, it's not me who wants to kill you, it's my eldest brother and I who want to kill you..."

said the thin man!

"What?" The burly man turned around and looked at the man in brocade robe in disbelief. Before he could speak, the man in brocade robe punched him!

Boom!

The burly man's body instantly collapsed, and a wisp of soul escaped from his body!

"Big brother, you... why are you doing this?"

The burly man's soul asked angrily!

"You are so stupid, sooner or later we will be killed by you, it's better to kill you directly to avoid trouble in the future!" After

the brocade robe man finished speaking, he waved his hand, and the other party's soul was directly annihilated, as if the burly man had never existed!

Only the meteor hammer fell heavily on the ground, directly smashing a deep pit in the ground!

## **Chapter 4709**

"Third brother, you won't blame big brother for doing this, right?" the man in brocade robe asked!

"Big brother, I have wanted to kill this idiot for a long time. He has brute force but no brains. If it weren't for the two of us helping him, he would have died countless times."

"Today he even said he would kill the son of Sun Moon City. This kind of pig brain will definitely cause us trouble."

The thin man said!

"Now there are only you and me, we must trust each other. One hundred thousand fairy spirit stones are important, but the most important thing is life."

"If you lose your life, what's the use of a million fairy spirit stones!"

said the man in brocade robe.

"Big brother, I understand. Don't worry. I will never be blinded by interests!"

The thin man nodded!

“It’s good that you understand. We are just casual cultivators. Although we have worked hard to cultivate to the ninth level of the Mahayana realm, compared with those big clan forces, we are not even as good as ants.”

“Now that so many forces have come to the Xiao Dynasty, even if we kill David and get 100,000 immortal spirit stones, do you think we can live safely?”

“What’s more, the Ten Palaces can’t give us 100,000 immortal spirit stones...”

The man in brocade robe said helplessly!

Although their current strength can walk sideways in the Tianren Realm, they are still like ants in the face of those hidden forces in the Tianren Realm!

The reason for this is that they have no backing and no power of their own. It is really too difficult for a casual cultivator to survive in the Tianren Realm!

“Brother, what should we do next?”

The thin man asked!

“Wait, wait for an opportunity...”

said the man in brocade robe!

“What opportunity?” The thin man asked!

But the man in brocade robe didn’t speak, but stared blankly at the Xiao Dynasty in the distance!

.....

Xiao Dynasty.

“Father, there are already more than a dozen terrifying auras around the Xiao Dynasty.”

Xiao Feng said to Xiao Yuanshan with a worried look!

Xiao Yuanshan looked solemn, and said nothing, just staring blankly at the direction of the thunder tribulation!

The only thing he expected now was that David would temper his body as soon as possible, after all, these people were all coming for David!

At this moment, a thunderstorm suddenly sounded!

Then a golden light shot up into the sky, and the power of these golden lights was extremely powerful, which meant that someone had begun to successfully cross the tribulation!

As more and more monks successfully crossed the tribulation, the thunder tribulation clouds in the sky gradually became thinner, and the thunder tribulation was much weaker!

When the last thunder tribulation hit David, David suddenly opened his eyes!

Rumble...

A golden light burst out from David's body, and then rushed straight into the sky. The golden light exploded in the air, and then a terrifying aura suddenly spread over the Xiao Dynasty, making everyone feel very oppressive!

Under the gaze of everyone, David slowly walked out of the golden light!

At this moment, David's whole body was golden, even his hair was golden, and he exuded terrible power and pressure!

This is pure physical strength, without the slightest spiritual power!

Yun Li walked out of the room and looked at David from a distance, with envy and admiration in his eyes!

"Mr. Chen, congratulations, your physical body has become so strong!"

Xiao Yuanshan greeted him at the first time and said happily!

David smiled slightly, and then looked around at the hundreds of cultivators!

Although these cultivators have successfully passed the tribulation, the road ahead will become more and more difficult. After all, their tribulation this time was all carried down by David alone! Although

this kind of tribulation is successful, it will be very difficult to practice in the future, and it may even cause the realm to stagnate. This is why those who pass the tribulation don't like to seek help from external forces!

"Emperor Xiao, I hope you can take care of these cultivators..."

David said to Xiao Yuanshan!

“Don’t worry, Mr. Chen. Our Xiao Dynasty will remember the sacrifices they made to temper your body. I will ask Xiao Feng to record it and allocate more resources to these cultivators.”

Xiao Yuanshan said!

## Chapter 4710

David nodded, then looked up into the air and said slowly: “With so many powerful auras, it seems that 100,000 fairy stones are indeed very tempting!”

Xiao Yuanshan was stunned and said: “Mr. Chen knows about the Ten Palaces Killing Order?”

“Of course I know, these people should all be coming for me, right?”

David said with a smile!

Xiao Yuanshan nodded, and then told him about what happened after David tempered his body!

“Mr. Chen, these people are all hidden forces from the Heavenly Realm. I have seen three of them. They are all at the peak of the ninth level of the Mahayana Realm. They are all existences that should not be underestimated!” “

Now they dare not step into the Xiao Dynasty to trouble you. I think you should stay in the Xiao Dynasty and don’t go out easily.”

Xiao Yuanshan said!

“The peak of the ninth level of the Mahayana Realm?”

David smiled, and suddenly his body disappeared in an instant! Xiao

Yuanshan was shocked and immediately shouted: “Everyone go out to protect Mr. Chen...”

For a moment, hundreds of cultivators in the entire imperial city flew into the air and followed David closely!

“Here we go...”

Lin Kedong looked at the hundreds of cultivators flying out of the imperial city of the Xiao Dynasty and smiled faintly!

Soon, David appeared in front of Lin Kedong!

David took a look at Lin Kedong and Lin Ruoya behind Lin Kedong, and felt a lot more relaxed!

Because the two of them joined forces, David was not afraid!

“The second level of the Mahayana realm, not bad, not bad...”

Lin Kedong looked at David with an arrogant look and sneered: “Are you David?”

“Yes, who are you?”

David asked!

“The one who killed you...” After Lin Kedong finished speaking, he appeared in front of David!

Without any hesitation, Lin Kedong attacked David!

He needed to kill David as soon as possible, get 100,000 fairy stones, and then return to Sun Moon City to avoid more trouble!

Lin Kedong’s figure approached like lightning, but at the moment he was about to attack, David’s figure disappeared like a phantom. Lin Kedong’s attack missed, and a flash of astonishment flashed in his eyes.

“How is it possible!”

Lin Kedong was shocked, and then felt a chill.

He turned around suddenly, but saw David had appeared behind him, with a contemptuous smile on his lips.

“Your speed really disappoints me.”

David said softly, and then slapped out with a palm, hitting Lin Kedong’s back.

Lin Kedong groaned, and his body flew forward like a kite with a broken line, hitting the ground heavily, and the dust was flying.

The two men in brocade robes not far away witnessed this scene, and they all took a breath of cold air and were shocked.

“Is this the strength of the second level of the Mahayana realm?”

The thin man whispered, his eyes full of disbelief.

Lin Kedong got up from the ground, his face gloomy as water, his heart burning with anger. He didn't expect that he would be so embarrassed in front of David, and he was even more annoyed.

The attack just now was completely resolved by David, and he didn't even have a chance to fight back.

“Do you dare to come again?”

David smiled slightly, with a playful light flashing in his eyes.

“You...” Lin Kedong's face was distorted with anger, and he gritted his teeth in his heart.

He knew that he was not David's opponent, but he would never be willing to fail. So, he took a deep breath, mobilized all his spiritual power, and prepared to attack again.

“Huh, it's ridiculous.” David shook his head, and then his figure flashed, and he appeared in front of Lin Kedong again. The spiritual power in his hand condensed and turned into a ray of light, and he went straight to Lin Kedong.

“Don't come over!” Lin Kedong retreated in horror, but he couldn't escape at all. David's speed was amazing, and he was forced into a desperate situation in an instant.

“Is this the result you want?” David smiled coldly, and the light in his hand burst out instantly, hitting Lin Kedong's heart.
