Chapter 4711

“Ah!” Lin Kedong screamed, and his body was blown away again like a kite with a broken string, falling heavily to the ground, blood spurting out.

“You dare...” Seeing this, Lin Ruoya drew her sword and attacked David!

No matter how rampant Lin Kedong was, he was the eldest prince after all. As the eldest prince’s follower, if Lin Kedong was in any danger, she would definitely die without a burial place, and her family would also be implicated!

Facing Lin Ruoya’s attack, Xiao Yuanshan jumped up directly and surrounded Lin Ruoya with many Xiao Dynasty monks!Lin

Ruoya was only the eighth level of the Mahayana realm, and could not withstand the attacks of Xiao Yuanshan and his men, and was soon subdued!

The man in brocade robe was stunned, and could not believe the scene in front of him at all.

Lin Kedong is a strong man at the peak of the ninth level of the Mahayana Realm. It is incredible that he has no power to fight back in front of David.

Just now, they wanted to kill David and get the 100,000 fairy stones. Now seeing this scene, they have no idea!

“What are you still looking at? Come and help me!”

Lin Kedong looked at the man in brocade robe and roared, his heart full of shame and anger.

However, the man in brocade robe was hesitant. He was afraid of David’s strength, and no one dared to step forward easily.

At this time, David was like a lion, ready to tear the prey in front of him at any time.

“It seems that you are just like this.” David said lightly, with a flash of disdain in his eyes.

Lin Kedong gritted his teeth, his heart was full of anger, but he had no way to do it. He knew that he had fallen into a desperate situation. David in front of him was not an existence he could fight against.

He never thought that David, a second-level Mahayana Realm, would have such strength. He was actually powerless in front of David!

“Boy, do you know who I am?”

Lin Kedong asked, staring at David!

“I don’t care who you are. Since you are looking for death, I will grant your wish.”

After David said this, he slapped Lin Kedong again!

In fact, David thought Lin Kedong was a member of the Ten Palaces. Yun Li said that Huo Qing from the Ten Palaces was sent to deal with him!

And David also promised Yun Li to kill Huo Qing, so David was merciless!

If David knew that Lin Kedong was Lin Keting’s elder brother, he would never do such a heavy hand!

Seeing David attacking again, Lin Kedong was frightened and hurriedly retreated, but his speed was not as fast as David!

Bang!

David slapped Lin Kedong on the back, and Lin Kedong fell to the ground like a dog eating shit, spitting blood and looking miserable!

At this time, Lin Kedong’s eyes were full of fear!

“Let me take you on your way...”

David looked at the embarrassed Lin Kedong and was about to step on his head!

“Stop...”

At this moment, a stream of light flashed, and then Lin Kefan appeared in front of David. With a palm push, David subconsciously took two steps back!

“Brother, are you okay?”

Lin Kefan helped Lin Kedong up!

Seeing that Lin Kefan was coming, Lin Kedong had a helper, and he immediately felt confident!

“Fourth brother, kill him, kill him for me...”

Lin Kedong gritted his teeth, his eyes wide open, with an expression that looked like he wanted to eat someone!

Lin Kefan looked at David and asked, “Are you David?”

“Yes.” David nodded, then looked at Lin Kedong and asked, “Are you here to die too?”

Facing David’s disrespectful tone, Lin Kefan did not care, but looked at Lin Kedong and said, “Brother, the emperor has ordered you to go back with me as soon as possible.”

“I want...” Lin Kedong didn’t listen at all, and he must kill David! Chen

Ping humiliated himself in public, how could Lin Kedong tolerate it!

At this time, Lin Kefan took out the token and said seriously, “The emperor has ordered you to go back with me. If you don’t go, then don’t go back forever.”

Chapter 4712

Seeing the token, Lin Kedong suddenly wilted, and could only glare at David fiercely, and then said to Lin Kefan: “I’ll go back with you...”

But just when Lin Kedong was about to leave with Lin Kefan, David directly offered the Dragon Slashing Sword and blocked them!

“You can come as you want, and leave as you want. It’s not that easy. You can leave if you want, but leave your life behind...”

David waved the Dragon Slashing Sword in his hand, and sword energy began to surge between heaven and earth!

Lin Kefan frowned, and Lin Kedong opened his eyes and said: “Boy, you are playing with fire and burning yourself...”

“I’m playing with your mother, today I...”

Before David finished speaking, the two men in brocade robes quickly approached here!

David felt the breath of the two men in brocade robes, and his face changed slightly!

David still has the strength to fight against Lin Kedong and Lin Kefan!

If these two Mahayana realm ninth-grade peaks are added, David knows that he has no chance of winning!

“You two, get out...”

David waved his hand and told Lin Kedong and Lin Kefan to get out!

“fu** you...”

Lin Kedong was furious, but was still pulled away by Lin Kefan!

Lin Ruoya followed closely behind, but David did not embarrass her, but looked at the two men in brocade robes vigilantly!

“Mr. Chen, it was the three of them who first came to you...”

Xiao Yuanshan came to David, but just after he finished speaking, he found that there were only two of the three men in brocade robes, so he asked: “Aren’t there three of you? Where is the big fool holding the meteor hammer?”

The man in brocade robe did not answer Xiao Yuanshan’s words, but came to David, bowed respectfully and said: “Hello, Mr. Chen, my name is Xuan Bin, this is my third brother Zhou Tang...”

The politeness of the man in brocade robe surprised David!

“Aren’t there three of you? Where’s your second brother?”

David asked!

“He’s dead...” Xuan Bin said without hiding anything!

“Dead?”

Xiao Yuanshan and David were both shocked.

“I killed my second brother because he was obsessed with money and profit. He was determined to kill Master Chen and get the 100,000 immortal spirit stones from the Ten Palaces.”

“I had no choice but to kill him...”

Xuan Bin said truthfully!

Hearing the reason why Xuan Bin killed his second brother, David and Xiao Yuanshan were stunned!

“Just for this reason, you killed your second brother?”

David looked at Xuan Bin, a little unbelievable!

“This reason is enough, because I know that once he attacks Mr. Chen, the three of us brothers will die without a burial place.”

“For myself and for the safety of my third brother, I can only kill my second brother!”

Xuan Bin said!

“Are you so sure that I can kill the three of you?” David didn’t understand. This Xuan Bin was just seeing himself for the first time, so how could he know that he had the ability to kill the three of them?

“I’m not sure, but I know that Mr. Chen’s future is limitless. Even if he fails to kill us this time, we will die tragically in the hands of Mr. Chen in the future!”

“Just seeing Mr. Chen easily defeat Lin Kedong is enough to prove that my guess is right!”

Xuan Bin looked sincere, without the slightest flattery!

“Wait a minute!” David was stunned and looked at Xuan Bin: “What did you just say? What’s the name of the guy I beat away?”

“Lin Kedong, the eldest prince of Sun Moon City...”

Xuan Bin said!

“fu**...”

David took a breath of cold air instantly, and the whole person almost fainted!

He always thought that Lin Kedong was Huo Qing of the Ten Palaces, so he was a little heavy-handed!

Unexpectedly, it was his own brother-in-law?

This is troublesome!

David injured his brother-in-law, how can he see Lin Keting in the future?

And he seemed to have cursed in the street just now, saying I'm going to play with your mother...

Lin Kedong's mother, isn't she his mother-in-law?

David didn't dare to think about it anymore, and his whole body was numb...

Chapter 4713

"Mr. Chen, what's wrong with you? Are you afraid that Sun Moon City will cause you trouble?"

Seeing David's expression, Xiao Yuanshan asked in a low voice!

"Oh, it's okay, I'm not afraid of Sun Moon City, and I'm going to Sun Moon City!"

David said after he came back to his senses!

"Mr. Chen, Sun Moon City is not a place you can go to casually, and you injured the eldest prince of Sun Moon City. If you go to Sun Moon City again, you will definitely be retaliated."

Xuan Bin said!

"It doesn't matter, maybe it's just a misunderstanding, I'll just deal with it with a few words!"

David said with a faint smile!

Although he injured Lin Kedong, he was not guilty of death. It was impossible for him to kill himself after arriving in Sun Moon City!

At most, he would be taught a lesson or yelled at by Lin Keting!

Seeing that David didn't care, Xuan Bin stopped talking about the Sun Moon City, and asked David: "Mr. Chen, is it true that the entire Xiao Dynasty has been blessed with good fortune?"

David nodded: "Yes!"

“Who added it?” Xuan Bin asked!

“It’s just an elder in the family. Why are you asking these questions?”

David didn’t understand why Xuan Bin asked these questions!

Xuan Bin looked at David’s relaxed look and said with a wry smile: “No wonder Mr. Chen is not afraid of the Sun Moon City at all. With such an elder behind him, the entire Tianren Realm doesn’t have to be afraid!”

“It just added a few thousand years of good fortune to the Xiao Dynasty. There’s nothing to be surprised about.” David looked calm: “If Mr. Shi is unhappy, he can destroy this star field in minutes!”

After hearing David’s words, Xuan Bin was silent. He really couldn’t imagine how terrifying the backers behind David were!

Destroy the star field?

You must know that the Tianren Realm is just a world, and there are countless worlds in the entire star field!

Destroy a star field in minutes?

Then these celestial cultivators are not even ants in front of them!

“Don’t worry, I won’t offend others if they don’t offend me. If you don’t offend me, I won’t kill you casually!”

Seeing that Xuan Bin was frightened, David said!

In fact, David himself was just bragging. He didn’t know whether Mr. Shi could destroy the star field in minutes! He

didn’t know what Mr. Shi’s strength was, but he always regarded Mr. Shi as an elder and always believed that Mr. Shi was omnipotent!

“Boy, you are not bragging, don’t have to feel psychological pressure, the ability to destroy the star field, I also have it.”

“Like the star field of the low-level universe, it is easy to destroy, it is not a difficult task!”

Chiyun Demon Lord said to David!

“Aren’t you bragging?” David looked at Chiyun Demon Lord in disbelief!

“What are you bragging about? Many worlds in the star fields of the low-level universe are far inferior to this world of heaven and man.”

“I can also destroy a star field like that. I once blew up a star field with one punch.”

“The record can be checked. I am not bragging...”

The eyes of the Red Cloud Demon Lord were shining when he talked about his past glory!

“A hero does not talk about his past achievements. Shut up...”

David asked the Red Cloud Demon Lord to shut up, then looked at Xuan Bin and asked, “You came to the Xiao Dynasty, not just to see me, right? Are you also here for the killing order of the Ten Palaces?”

Xuan Bin nodded: “Yes, 100,000 immortal spirit stones are indeed very tempting, but we know that we can’t get 100,000 immortal spirit stones.”

“Even if we can really kill Mr. Chen, the Ten Palaces will not give us 100,000 immortal spirit stones.”

“Even if the Ten Palaces gave us 100,000 immortal spirit stones, we three brothers can’t keep it at all. The 100,000 immortal spirit stones will become our death warrant.”

“Then why are you here?” David asked puzzled.

Chapter 4714

“Mr. Chen, we are all independent cultivators. We have gone through countless hardships to cultivate to our current realm, but we are stuck at the peak of the ninth level of the Mahayana realm and have not been able to break through.”

“We are not like Mr. Chen, who has a huge force behind him. We can only rely on each other.”

“Now that we see Mr. Chen, the two brothers are willing to follow Mr. Chen and go through fire and water...”

Xuan Bin said, and actually knelt down in front of David!

This scene immediately stunned Xiao Yuanshan!

David was also dumbfounded. He really didn't expect that Xuan Bin, a peak cultivator of the ninth level of the Mahayana realm, would kneel down to him in front of everyone!

You know, this kind of strong cultivator is very face-conscious, and even face is more important than life!

But now Xuan Bin doesn't seem to care about face at all!

Even Zhou Tang on the side looked at his eldest brother with wide eyes!

He didn't expect his eldest brother to kneel down to David!

"Brother, what are you doing..."

Zhou Tang was at a loss!

"Kneel down..." Xuan Bin glanced at Zhou Tang coldly!

Zhou Tang hesitated, but finally knelt down!

"Two Taoist friends, what are you doing? Get up quickly. The strength of the two of you is considered to be the best in the world of heaven and man."

"My strength is much inferior to yours. You can't make such a joke!"

David was a little flustered and wanted to pull the two up!

Whether in terms of realm or age, these two people are much older than him. Now they kneel down to him and want to follow him. David dare not accept them!

"Mr. Chen, we are not joking. If you don't accept us two brothers, we will never get up!"

Xuan Bin said sincerely!

"Yes, I won't get up..."

Zhou Tang also said with Xuan Bin!

Although Zhou Tang didn't quite understand why his eldest brother did this, he chose to believe his eldest brother at this moment!

"Now that the Ten Princes have issued a killing order, you still want to follow me. Aren't you afraid of the Ten Princes?"

David asked speechlessly!

“Mr. Chen is not afraid of the Ten Palaces, so what are my two brothers afraid of?”

Xuan Bin said!

David looked around and said, “I don’t know how many masters want to kill me around here, are you not afraid?”

“To attack Mr. Chen, step over the bodies of my two brothers first!”

Xuan Bin was determined!

Seeing this scene, David nodded and smiled, “Okay...”

“Thank you Chen... Mr. Chen...”

Xuan Bin immediately changed his words and called David Mr. like Xiao Yuanshan!

“Since you two brothers have followed me, you are a family. You can get up. Now you are at a critical stage of breaking through the fairyland, and you need a lot of resources.”

“I have 20,000 fairy spirit stones here. You brothers can use 10,000 each...”

David directly threw out two storage bags and threw them to Xuan Bin and Zhou Tang!

Among them, 10,000 fairy spirit stones belong to Yun Li, and David doesn’t feel bad!

Moreover, he also has a fairy spirit stone vein in the beast city, and it is estimated that he can mine 100,000 or 80,000 fairy spirit stones!

Twenty thousand fairy stones?

Xuan Bin and Zhou Tang stood up and were immediately ecstatic!

This one move was twenty thousand fairy stones!

So generous!

Xuan Bin took the fairy stones with great joy and said respectfully: “Thank you, Mr. Chen, we will not refuse even if we die!”

And Zhou Tang also took the fairy stones, and then knelt down again with a plop!

“Thank you, Mr. Chen, I will be Mr. Chen’s dog in the future, whoever you let me bite, I will bite...”

This time, Zhou Tang knelt down willingly!

The kneeling just now was because of Xuan Bin, but this time, Zhou Tang was willing, even if he knelt for a day, he was willing!

It is said that there is gold under a man's knees, but the other party gave much more valuable than gold!

"It's serious..."

David smiled lightly!

Chapter 4715

At this moment, the void around them trembled, and several Mahayana masters surrounded them!

Each of these people is a ninth-grade Mahayana master, and their aura is very strong!

Seeing this scene, Xiao Yuanshan frowned, and immediately led people to stop in front of David!

Xuan Bin and Zhou Tang also showed their weapons one after another!

Although the two of them are definitely not opponents of the several ninth-grade Mahayana cultivators on the opposite side, they have just followed David, and they must do something for David!

Whether they can fight or not is not to be said first, the attitude must be revealed first!

"I am Xuan Bin from Nanhua Peak, and now I am following Mr. Chen. If you dare to attack Mr. Chen, my two brothers will fight to the death!"

Xuan Bin shouted loudly to the several cultivators who came!

But who knew that several cultivators didn't even look at Xuan Bin, but walked straight towards David.

Just when Xuan Bin and Zhou Tang were about to start, the monks suddenly knelt down to David!

"Mr. Chen, please accept us..."

Several Mahayana ninth-grade monks knelt down to David in unison!

This shocking scene directly stunned Xuan Bin, Xiao Yuanshan and others!

David's face was also full of disbelief!

What happened today?

Why are so many Mahayana ninth-grade monks coming to be his younger brothers?

"What do you mean?"

David asked puzzled !

One of the bearded men looked up at David and said, "Mr. Chen, we are also casual cultivators, and hope to follow Mr. Chen..."

"I hope to follow Mr. Chen!" Several other monks also said in unison!

"This..."

David was a little at a loss!

"Mr. Chen, we can also go through fire and water without hesitation."

"It's okay to be your dog, let us bite whoever we want, we bite whoever..."

The bearded man said sincerely!

Zhou Tang was stunned. Isn't this his own word?

How come this guy learned it so quickly?

"Mr. Chen, so many Mahayana ninth-grade cultivators want to follow you. This is simply a cause for celebration."

"If you accept these people, you can walk sideways in the world of heaven and man. Even if you meet people from the Ten Palaces, you can wrestle with them!"

Xiao Yuanshan whispered to David!

His meaning was very clear, that is, to let David accept these people!

These are all Mahayana ninth-grade cultivators!

Pick one out at random, and they are stronger than him, Xiao Yuanshan!

David nodded. Since someone came to the door, there is no reason not to take it!

These Mahayana ninth-grade cultivators can indeed help themselves a lot!

A Mahayana ninth-grade cultivator may not be a big deal, but so many Mahayana ninth-grade cultivators, even if they meet a cultivator who has just ascended to the immortal realm, are not afraid at all!

“Okay, I’ll accept you, and you will follow me in the future!”

David waved his hand gently!

“Thank you, Mr. Chen...”

After the bearded man thanked him, he led people to stand up!

After these monks stood up, they stared at David, which made David a little scared!

“Mr. Chen, it seems that you still have charisma. So many masters are following you.”

“Now we have so many Mahayana ninth-grade masters, why are we afraid of the Ten Palaces!”

“Kill one by one from the Ten Palaces, kill two by two...”

Xuan Bin said excitedly!

Now so many people are following David, this is a great force!

David smiled faintly, and he was very happy in his heart!

It seems that he still has charisma!

“The world is bustling for profit, and the world is bustling for profit...”

Suddenly, the Red Cloud Demon Lord blurted out such a sentence!

“Senior, what do you mean?” David asked puzzledly!

“Don’t ask, you will know in a while!”

The Red Cloud Demon Lord said with a profound face!

David looked at the pretentious look of the Red Cloud Demon Lord, and couldn’t help but curled his lips!
