Chapter 4718

“Father, I was beaten like this by David, you should avenge me!”

Lin Kedong said!

“Revenge?” Lin Chong glared: “Do you still have any shame? You are a peak of the ninth level of the Mahayana Realm, and you were beaten by a second level of the Mahayana Realm until you spit out blood. You still have the nerve to talk about revenge?”

“Go to the cliff of regret and think about the past. Except for the necessary healing medicine, no more resources are allowed to be sent to you!”

Lin Kedong was dumbfounded when he heard it, and hurriedly shouted: “Father, it’s not fair, it’s not fair, my little sister...”

“Take her away, take her away...”

Lin Chong waved his hand impatiently! in

Kefan was about to pull Lin Kedong down, but Lin Kedong suddenly stood up and shouted: “Father, even if David beat me, you don’t want to take revenge, but he scolded my mother, you have to do something, right?”

“He scolded your mother? What did he scold?”

Lin Chong frowned!

“David is extremely rampant. He beat me, you can choose not to take revenge for me, but he also said he wanted to play with my mother, you can’t just ignore it, right?”

Lin Kedong said!

Boom!

Lin Chong only felt the breath on his body burst out instantly, and then he slapped the stone table in front of him fiercely!

The stone table turned directly into powder and disappeared without a trace!

“How dare you say such words, he even...” Lin Chong felt so angry that he could not speak, gasping for breath, and then said to Lin Kefan: “Kefan, bring David to me immediately...”

“Father, David...”

“Shut up, I asked you to bring people, immediately...” Lin Chong’s eyes widened, and he was about to spit fire!

Seeing this, Lin Kefan did not dare to say anything, and hurriedly turned around and left!

Seeing this, Lin Kedong laughed, he knew that David was definitely in trouble!

Because Lin Chong was famous for loving his wife, now David actually said such blasphemous words to his wife, Lin Chong would never let him off easily!

“Get out...”

Looking

at Lin Kedong with a smug look on his face, Lin Chong yelled!

Lin Kedong’s body trembled, and then, with the help of Lin Ruoya, he left the hall!

“Emperor Lin, calm down, there may be some misunderstanding here...”

At this time, Taoist Wuji came out from the back of the hall!

“Master, what kind of man did you find for Ting’er? He has no manners at all.”

“Even...even the mother-in-law wants to play, how can this be...”

Lin Chong was so angry that he was embarrassed to say it out loud!

“Emperor Lin, I think even if David said such a thing, he should have said it without knowing it.”

“I hope Emperor Lin will think twice. Now Ting’er is thinking about David day and night. Don’t let Ting’er be sad.”

Taoist Wuji persuaded Lin Chong not to be impulsive and kill David!

Although David is very powerful now, the peak of the ninth level of the Mahayana realm is not his opponent! But

facing Lin Chong, it is still like an ant. Lin Chong can kill David with one hand!

Moreover, the Sun Moon City is such a huge force, how can David, a small second-grade Mahayana realm, contend with it!

“Master, whether it is a misunderstanding or not, wait until the boy is brought here, I will let him suffer some physical pain first.”

“Playing with other people’s mothers at such a young age, this is unacceptable, for Ting’er, I have to teach David a lesson!”

Lin Chong was really angry. Even if he didn’t kill David, he had to teach David a lesson!

Seeing this, Master Wuji stopped persuading him. As long as he didn’t kill David, it would be fine. As for teaching him a lesson and suffering some physical pain, it was also normal!

Now Master Wuji hoped that David would not conflict with Lin Kefan again!

If these two people fight, it will be lively. If they accidentally hurt each other, the misunderstanding will become more and more serious!

“Stinky boy, you’d better come with me obediently, and don’t talk meanly!”

Master Wuji prayed!

Chapter 4719

Xiao Dynasty!

David is sitting with Yun Li!

David knows very little about the hidden forces in the world of heaven and man, especially the ladder to heaven!

So David hopes to stay with Yun Li for a few more days to learn more about the hidden forces in the world of heaven and man, as well as the ladder to heaven!

Especially now that there are still many strong people around the Xiao Dynasty, David can’t leave for the time being!

After dealing with the affairs of the Xiao Dynasty, David will go to Sun and Moon City to explain!

He didn't expect this result!

"Now around the Xiao Dynasty, there are probably no less than ten peak masters of the ninth rank of the Mahayana Realm, and these people must be coming for you."

"The Immortal Stone is too important for the peak masters of the ninth rank of the Mahayana Realm!"

Yun Li said slowly!

"These people don't have brains. Even if the fairy stones are very important to them, will the Ten Palaces keep their promise?"

"If you kill me at that time, and the Ten Palaces don't give you the fairy stones, wouldn't it be a waste of time and energy!"

David smiled helplessly!

"That's why these people didn't act at the first time. They are also waiting."

"But human nature is greedy. I believe that it won't take much time for these people to lose patience and then act on you."

"One hundred thousand fairy stones, this is enough to tempt people crazy..."

"In the end, they will definitely gamble. If they lose, it's nothing more than a waste of time to kill you, but if they win, the Ten Palaces really give the fairy stones. For these cultivators at the peak of the ninth level of the Mahayana realm, it will be a change of fate."

"How many cultivators are stuck in the Mahayana realm, and they can't break through to the Immortal Realm until the end of their lives!"

Yun Li followed David and said!

"It's just the peak of the ninth level of the Mahayana realm. I'll kill one if I come, and I'll kill two if I come..."

David didn't care!

"What if these ten Mahayana masters act together? What are your chances of winning?"

Yun Li asked!

"This....." David was silent!

Ten Mahayana Nine-Rank Peak Powerhouses, David was afraid that he had no chance of winning!

“If you hadn’t exposed your true strength at the beginning, these people might not have united.”

“Now that you beat up Lin Kedong, many people have seen it. They will never bother you alone, and they will definitely unite.”

“More and more strong people are gathering around the Xiao Dynasty, and maybe more and more people will unite. By that time, you will be trapped here.”

Yun Li looked at David with a hint of amusement.

The meaning is very clear, that is, David started to be too arrogant, and felt that beating a Mahayana Nine-Rank Peak was like beating a child!

Although this did make David pretend to be powerful, it also alerted everyone around him and would not look for David to fight alone!

David said, “You mean, let me leave Xiao Dynasty now?”

Yun Li nodded: “Yes, while there are not many masters around Xiao Dynasty, and they have not yet fully united, you can leave and find a hidden place to hide.”

“I won’t leave, it’s safer to hide in Xiao Dynasty!” David shook his head!

He knew that the Xiao Dynasty had been blessed with good fortune by Mr. Shi for thousands of years, and no one dared to act casually in Xiao Dynasty!

But just as David’s voice fell, there was a wave in the sky above Xiao Dynasty, and a great aura of heaven and earth spread around!

“Master of Immortal Realm?”

Yun Li couldn’t help but look up at the sky!

David also frowned, and his face became a little ugly!

David could ignore the ninth-grade master of the Mahayana Realm, but David had to pay attention to the words of the master of the Immortal Realm!

“This is lively now. I didn’t expect that there are idiots among the masters of the Immortal Realm. They actually believed in the killing order of our Ten Palaces...”

Yun Li looked at David and laughed!

David didn't say anything, but walked out of Yun Li's room with a serious expression!

Chapter 4720

There was a void above the Xiao Dynasty!

Lin Kefan and his men arrived here. He was following his father's order to take David to Sun Moon City!

On the left side of Lin Kefan, there was an old man in a checkered robe, leaning on a cane, with messy hair, looking very strange!

On the right side of Lin Kefan, there was also a man in a black ink robe, with a straight body and a murderous aura between his eyebrows, giving people a strong sense of oppression!

The old man's name was Huazhang Weng, and the man's name was Mo Shaying. These two people were Lin Kefan's close friends, just like the left blind elder and the right blind elder, who protected Lin Keting closely! The

appearance of Lin Kefan made all the strong men around the Xiao Dynasty tremble slightly, and then they stayed away from the area of the Xiao Dynasty!

Lin Kefan stood with his hands behind his back, looking down at the Xiao Dynasty under his feet!

"Fourth Prince, if you don't want to do it, let us two help you bring David out?"

Huazhang Weng asked Lin Kefan in a low voice!

Lin Kefan didn't say anything, still looking at the Xiao Dynasty under his feet without saying a word!

"Hua Zhang Weng, stop talking. There are so many masters around Xiao Dynasty, but no one dares to enter Xiao Dynasty to take action. It seems that Xiao Dynasty is definitely not simple!"

Mo Shaying said!

"What's so simple about Xiao Dynasty? The Xiao Emperor is only the eighth level of the Mahayana Realm now. I alone can fight against Xiao Dynasty."

Hua Zhang Weng snorted coldly, not taking Xiao Dynasty seriously at all!

“Even if you can deal with Xiao Dynasty, can you beat David? He beat the eldest prince to spit blood.”

“A second-level Mahayana Realm beat the eldest prince to spit blood, and he had no power to fight back. This kid definitely has a background.”

Mo Shaying said!

“The eldest prince is a waste. If the fourth prince takes action, David will be captured easily!” said the flower stick man!

Lin Kefan slowly turned his head and looked at the flower stick man, his eyes full of stern criticism!

Although they all knew that they were not in harmony with their eldest brother, their eldest brother was definitely not someone that these servants could insult and comment on at will!

The flower stick man felt Lin Kefan’s gaze and quickly shut his mouth in fear!

In this way, the three of them stayed quietly above the Xiao Dynasty.

I don’t know how long it took, but suddenly the void trembled, and then a terrible breath swept over!

At the same time, a disdainful voice sounded: “You want to take 100,000 fairy stones, but you dare not do it. You are so timid. Where is the dignity of a strong man? If each of you dares to do it, I will do it...”

A black shadow rushed towards the imperial city of the Xiao Dynasty like lightning, and the target went straight to David!

Because this person was too fast, the whole void was distorted!

Seeing that someone was going to do something to David, Lin Kefan also chased him instantly!

He couldn’t just watch David being killed by others!

If that were the case, his younger sister would definitely hate him to death if she knew!

But just when Lin Kefan was about to catch up, the black shadow had already rushed into the imperial city of the Xiao Dynasty!

However, the black shadow had just entered the imperial city, and suddenly a white light flashed between heaven and earth!

“Ah...”

With a scream, the black shadow disappeared instantly!

The entire imperial city also returned to calm, as if nothing had happened.

Lin Kefan was stunned, and everyone was staring at him in a daze!

The scene was so quiet that you could hear a pin drop!

In an instant, all the strong men around Xiao Huangchao turned around and ran without any hesitation, leaving only Lin Kefan and the other two still in the air!

“Old man, did you...did you see anyone just now? That black shadow is stronger than you and me.”

Mo Shaying swallowed his saliva and said!

“No...I didn't see it clearly, I just heard whoosh, ah...the person was gone!”

Hua Zhangweng's forehead was covered with cold sweat!

Just now he said that he could deal with Xiao Huangchao, and he didn't take Xiao Huangchao seriously at all!

But now?

Someone who was stronger than him had just entered the imperial city, and he disappeared completely before he could even see him clearly!
