Full Read Online **Chapter 4736** of the novel **A Man Like None Other**

## **Chapter 4736**

He knew how strong his own body was. No matter how many magic weapons were used, they could not cause any harm to his body!

But how come it broke when David poked it lightly?

What kind of sword is this?

David did not expect that the burly Cangyue was just poked lightly by him, which was not fatal at all, so why did he cry?

“Sorry, don’t cry, don’t cry, stab me a few times too!”

David hurriedly apologized to Cangyue!

Upon hearing this, Cangyue suddenly took out a sharp blade from his body and stabbed at David!

This scared everyone!

Especially Hyun Bin, he did not expect Cangyue to be so stupid. David asked him to stab, and he actually stabbed!

Ding ding ding...

Cangyue stabbed three times in a row, at an extremely fast speed!

But with three crisp sounds, there was no scar on David’s body, but Cangyue’s blade was broken!

Seeing this scene, everyone was even more shocked!

And Cangyue looked at his broken blade and cried even louder!

He was not distressed about his own blade, he was hit hard!

Originally, he was still pretending to be strong with his strong body, but now he was slapped in the face!

“Okay, okay, I’ll hurt your body and break your weapon, and I’ll give you 5,000 more fairy spirit stones later!”

David hurried to comfort Cangyue!

When Cangyue heard it, he immediately burst into tears and laughed, “Really?”

“Of course it’s true. I, David, always keep my word.”

“Ten thousand fairy spirit stones for each of you. As long as you work hard and go through fire and water, I will never treat you unfairly.”

David patted his chest and said!

“No problem, give it to me...”

Cangyue said as he stretched out his hand!

Hua Yueying, as well as the three men in black robes, also looked straight at David, waiting for David to take the money!

David didn’t have any fairy stones on him at this time, he gave them all to Lin Kefan!  
However

, seeing the eyes of several people, David looked at Lin Kefan and said, “Fourth uncle, take out the fairy stones, I will share them...”

“No, you are giving it to me...”

Lin Kefan hurriedly covered his storage bag!

“Don’t be so stingy, wait for me to send it, and then return it to you. You still treat the fairy stones worth hundreds of thousands as treasures!”

David grabbed the storage bag and began to distribute the fairy stones to several people!

Lin Kefan still wanted to snatch it, but when he thought that David was so awesome and had a fairy stone mine, he would definitely not treat himself badly if he followed David in the future!

What’s more, the two people have an extra layer of relationship. David can’t cheat anyone but himself!

“Divide it, divide it, give them all, anyway, we are a family, what’s mine is yours, and what’s yours is mine!”

Lin Kefan said generously!

David: “fu\*\*”, stop it, your sister and I are from the same family, my things can belong to your sister, but they can never be yours.”

“It’s almost the same, the same, the same...”

Lin Kefan smiled and patted David on the shoulder!

Seeing the relationship between David and Lin Kefan, several people became more determined to follow David!

David will be the son-in-law of Sun Moon City in the future, and Sun Moon City is one of the best in the entire Tianren Realm!

“Mr. Chen, can we go to Sun Moon City with you? It’s good to be protected by Mr. Chen at all times!”

Xuan Bin asked David!

David is now their God of Wealth. If these people want to break through to the Immortal Realm, they have to rely on David, so David can’t make any mistakes!

“No, my Sun Moon City does not allow outsiders to enter...”

Before David could speak, Lin Kefan disagreed!

So many strangers went to Sun Moon City, his father must be angry!

“Who said they are outsiders? Now they are all my people, why can’t they go to Sun Moon City?”

“If they can’t go, then I won’t go either...”

David said, and turned around to leave!

Seeing this, Lin Kefan hurriedly stopped David and said, “Okay, let’s go...”

David smiled faintly, and everyone went straight to Sun Moon City!

## **Chapter 4737**

Sun and Moon City!

David followed Lin Kefan to the palace hall, and Lin Kefan arranged the others to other places!

After all, he brought David to follow his father to plead guilty. If he brought Xuan Bin and others, a fight might break out!

“Emperor Lin, you must calm down. You can teach him a lesson, but don’t be too heavy-handed and beat him to death...”

Taoist Wuji persuaded Lin Chong!

“Don’t worry, Taoist, I will definitely spare his life, but I will also teach him a lesson and make him lie down for ten or eight years!”

Lin Chong said angrily!

“That’s good, just spare his life!”

Taoist Wuji said, and turned and left!

He knew that it would be very embarrassing if he was here!

Taoist Wuji had just left, and David followed Lin Kefan in!

“Father, I brought David here. I also learned about it. At that time, David didn’t know the identity of my eldest brother, so he beat him.”

“Now he knows, so he came to apologize with me...”

Lin Kefan hurried to speak well of David!

“Are you pleading for him?” Lin Chong looked at Lin Kefan and asked!

“It’s not a plea, but a realistic statement. As for what needs to be done, it’s up to you, father!”

Lin Kefan said!

“Humph, even if you don’t know your identity, you can’t escape punishment.” Lin Chong snorted coldly, looked at David and said, “If you cut off one arm, I can forgive you...”

“Broken arm?” David was stunned!

Lin Kefan was also stunned. He didn't expect his father to be so cruel and let David cut off one arm!

If he cut off one arm, his strength would definitely be greatly reduced!

"Father, he is my sister's man. If you let him cut off one arm, what should my sister do?"

Lin Kefan brought up Lin Keting. He knew that his father loved Lin Keting the most!

"Chopping off one arm doesn't mean he is disabled. Even if one arm is cut off, we can still practice dual cultivation. It won't be a problem."

Lin Chong said coldly!

"Then he..."

"Get out..." Lin Chong roared without waiting for Lin Kefan to speak!

Seeing this, Lin Kefan was so scared that his neck shrank, and he could only slowly retreat!

When passing by David, he whispered: "Be nicer, drag my father, I will go find my younger sister to save you!"

David did not speak, but stared at Lin Chong!

After Lin Kefan retreated, Lin Chong said to David: "Do you want to do it yourself, or let me do it?"

"No need, I'll do it myself!"

After David finished speaking, he offered the Dragon Slaying Sword!

Lin Chong watched quietly, without a trace of emotion on his face!

David waved the Dragon Slaying Sword and was about to chop at his arm!

But at the moment of chopping it down, the sword suddenly turned!

"I'll cut off your grandmother's leg..."

David's Dragon Slaying Sword actually stabbed straight at Lin Chong!

Letting himself break an arm, that is impossible, David will never agree to it even if he dies!

If one arm is really broken, David knows that he will not live through tomorrow!

Just fight!

“Hmph, overestimating yourself...”

Lin Chong didn't expect David to dare to attack him. After a cold snort, he gently waved his hand!

A huge force instantly knocked David out. David didn't even get close to Lin Chong!

“Damn, too strong...” David's eyes condensed slightly, and then asked the Red Cloud Demon Lord: “Senior, my body is now stronger. If you know my identity, can you defeat this guy in front of you?”

David knew that relying on his own strength, he could not be Lin Chong's opponent, so he had to let the Red Cloud Demon Lord take action!

“If you can bear it, I will kill him in minutes, but considering your body's ability to bear it, I dare not guarantee it.”

The Red Cloud Demon Lord said truthfully!

“Then fight, this old thing is bullying too much...”

David gritted his teeth. Even if his body was destroyed, he would not allow others to bully him!

He also let himself cut off one arm, wishful thinking...

## **Chapter 4738**

“Since you don't want to do it yourself, then I'll help you...”

Lin Chong said, and he was in front of David in an instant!

He didn't give David any time at all!

Lin Chong grabbed David's arm. As long as he grabbed David's arm, David's arm would be useless!

David instinctively threw a punch to resist. He must not let Lin Chong cripple one of his arms!

But when David threw a punch, Lin Chong was stunned as if he had seen a ghost, and the hand that grabbed David also hung in the air motionless!

Boom!

David punched Lin Chong, causing Lin Chong to step back three steps!

David looked at Lin Chong in surprise, not understanding what happened to Lin Chong and why he suddenly stopped!

Plop!

After being shocked for a moment, Lin Chong suddenly knelt down in front of David!

David was shocked when he saw this!

After all, Lin Chong was his father-in-law, so why did he suddenly kneel down to him!

“I am Lin Chong, and I pay my respects to the Lord of the Palace...”

Lin Chong kowtowed directly to David!

David was stunned, and reacted instantly, taking a look at the Tianlong Ring on his hand!

“You... are you also one of the halls of the Tianlong Palace?”

David asked Lin Chong!

“Yes, I am also one of the halls of the Tianlong Palace. I didn't know you were the Lord of the Palace. I'm sorry for offending you just now. Please forgive me, Lord of the Palace!”

Lin Chong knelt on the ground, his body still shaking slightly!

“Ignorance is not a crime, get up quickly...”

David hurriedly helped Lin Chong up!

David was excited at the moment. He didn't expect that Sun Moon City was his power!

“Palace Master, please take a seat. I'll make tea for you...”

Lin Chong asked David to sit on his throne, and then made tea for David himself!

“Don’t call me Palace Master. I don’t want people to know my identity. Just call me by my name!”

David didn’t want others to know his identity as the Palace Master of Tianlong Palace!

“How can that be? Then I’ll call you Mr. Chen!”

Lin Chong didn’t dare to call David by his name!

“Whatever you say!” David nodded, took a look at the magnificent palace, and then asked: “Let me ask you, how strong is your Sun Moon City in the entire Tianren Realm? Can you deal with the Ten Palaces?”

Now the Ten Palaces are looking for trouble with David, and David has long wanted to destroy the Ten Palaces!

“It’s easy to deal with the Ten Palaces, but behind the Ten Palaces is the Temple, and behind the Temple is the entire God Clan, so if we deal with the Temple, the strength of our Sun Moon City is too weak!” “

But don’t worry, Mr. Chen, as far as I know, there are only Ten Palaces in this world of heaven and man, and the other halls of the Temple are not in the world of heaven and man, and I don’t know which plane they are in!”

“So even if we destroy the Ten Palaces, it is estimated that the Temple will find it difficult to send people to intervene...”

“In this world of heaven and man, the strength of my Sun Moon City is definitely ranked in the top three. I also know a few of the five domain masters in the world of heaven and man, and they are old acquaintances.”

“But the ladder to heaven will soon appear, but I don’t know how many cultivators in the world of heaven and man are still alive in the world of the ladder to heaven. The cultivators who can survive for a hundred years in the world of the ladder to heaven must be very terrifying. These people are unknown.”

Lin Chong followed David in detail!

“The top three in the world of heaven and man?” After hearing this, David laughed in his heart. In this way, he will be able to walk sideways in the world of heaven and man in the future, and he doesn’t have to be afraid of anything!

“By the way, there are many people from the heavenly realm trapped here. How strong are they compared to you?”

David asked!

“Those immortals from the heavenly realm are trapped in the heavenly realm, their strength is suppressed, even reduced, and they have not been able to practice for thousands of years.”

“Compared with them, I am naturally not afraid. Taoist Wuji was once an immortal from the heavenly realm. If he had not been in my Sun Moon City, his strength would have declined a lot!” “

However, the great formation of heaven and earth has recently moved. When the great formation of heaven and earth is broken, these people from the heavenly realm will recover their strength and return to the heavenly realm. By that time, I will not be their opponent!”

Lin Chong said!

## **Chapter 4739**

David listened to Lin Chong's words and nodded slightly!

It seems that the water in the world of heaven and man is deep enough, but now that he has the Sun Moon City as a hall, he will no longer want to be chased everywhere like at the beginning!

In this way, he will have more time to practice. He must improve his cultivation as soon as possible, and then try to climb the ladder to heaven!

If he can pass the ladder to heaven, he doesn't need to practice slowly to ascend, and he can also ascend to the heaven!

But the most important thing at the moment is to solve the Ten Palaces first.

After solving the Ten Palaces, no one will pose a threat to David, and then David can walk freely in the world of heaven and man!

He must find Sonya. He can't break through the ladder to the top of the heaven by himself. Sonya is still not found in the world of heaven and man. In that case, David will not be at ease!

There is also the leader of the Refining Sect, and he must find a way to rescue him. This is what David promised!

As for the bones of the Red Cloud Demon Lord, whether they can be found together, we will talk about it at that time, it is not so important!

In fact, it is quite good to have the Red Cloud Demon Lord in his sea of consciousness all the time. Not only does it give him an extra helper in times of crisis, but it also means he has an extra treasure bag. After all, this guy is also knowledgeable! If

he really goes to heaven, everything will be unfamiliar to David, but to the Red Cloud Demon Lord, it will all be familiar!

“Boy, what do you think of me? Don’t you want me to be reborn?”

The Red Cloud Demon Lord shouted at David angrily!

“Senior, I was just thinking about it. I will definitely help you find the complete skeleton!”

David’s face was full of embarrassment. The Red Cloud Demon Lord was in David’s sea of consciousness, and the Red Cloud Demon Lord could also know what David was thinking sometimes!

“Father, release David immediately. If you dare to touch him, I will immediately sever ties with you and die in this palace!”

At this time, a light shout came, and then Lin Keting rushed in!

Lin Kefan and Taoist Wuji followed behind!

After hearing what her fourth brother Lin Kefan said, Lin Keting couldn’t stay any longer. She kicked open the door of the confinement room and rushed to the palace!

After all, she and David were destined to be together for life!

Now her father is actually going to cripple David’s arm, how can Lin Keting agree!

But when Lin Keting and the others rushed in, they were stunned!

Because at this time, David was sitting on the dragon chair, sipping tea slowly, and Lin Chong was standing on the side, serving him respectfully!

Lin Chong still had a smile on his face, without a trace of displeasure!

“What...what’s going on?”

Lin Kefan asked in a daze!

When he left just now, the two were still on edge, how come it’s like this now!

Especially David, how dare he sit on the dragon chair?

“I’m just curious, is this dragon throne comfortable to sit on? I just tried it...”

David hurriedly stood up and said to Lin Chong: “You sit, you sit...”

Lin Chong also reacted, and hurriedly sat on the dragon throne, smiling faintly: “Just now, the son-in-law was just trying the dragon throne. Anyway, we are all family, so just sit on it!”

“Son-in-law, family?”

Lin Kefan’s face was full of astonishment. His own son didn’t dare to sit on the dragon throne!

David, who was not even considered a family member, could sit on it?

“Dad, do you mean that you recognize David?” Lin Keting asked!

“Recognize, of course I recognize, I was just testing him just now.”

“Such a good son-in-law is hard to find with a lantern, and you have found a good home.”

“I’ve decided, you will have your wedding night tonight, and we will all be a family in the future!”

Lin Chong said happily!

“Dad, what are you talking about?” Lin Keting’s face turned red!

## **Chapter 4740**

“Emperor Lin, you... I...”

Taoist Wuji was a little confused. What was Lin Chong up to?

“Taoist, the man you found for Ting’er is really great. Let’s hold a wedding for them today, and you will be the witness!”

Lin Chong said to Taoist Wuji!

“Ahem...” David coughed twice: “Emperor Lin, let’s discuss the wedding later. I still have a lot of things to do!”

David couldn’t hold a wedding with Lin Keting. He promised Sonya that the first wedding would definitely be with Sonya!

But sleeping together and practicing together is fine!

“That’s fine. Let’s talk about it after the wedding. You talk to Ting’er first...”

Lin Chong didn’t dare to go against David’s wishes, so he could only follow David’s words!

Lin Keting, Lin Kefan and Taoist Wuji were all in a daze at the moment. They really didn’t understand when Lin Chong became so easy to talk to?

“Father, I heard that David was captured. Don’t kill him first. Let me vent my anger first. I must deal with him today!”

Lin Kedong rushed into the palace hall with a roar!

When he heard that Lin Kefan brought David back, he rushed out of the confinement directly!

David injured him and made him lose face. Now David was captured and taken to Sun Moon City. On his own territory, Lin Kedong would of course take revenge!

Lin Kedong saw that Lin Kefan and several others were there, but he didn’t care. He stared at David with his eyes and rushed up with a brisk step!

“Boy, aren’t you very awesome? You fell into my hands today. I will make you live a life worse than death...”

Lin Kedong said, and actually punched David fiercely!

“Rebellious son, how dare you...”

Seeing this, Lin Chong was almost frightened to death. He instantly flew into the air and slapped Lin Kedong away with one palm!

Lin Chong’s palm was not light. Lin Kedong’s body hit the stone pillar hard and spit out blood!

“Father, you...”

Lin Kedong fell to the ground, looking at Lin Chong in disbelief!

Lin Kefan and Lin Keting also looked at Lin Chong in shock. Although they didn't like their elder brother very much, they had never seen their father hit so hard!

"You rebellious son, I asked you to reflect on your mistakes, but you ran out privately, which is simply aggravating the crime."

"Just now you dared to hit your brother-in-law. Do you know that David is now your younger sister's man? You hit him so hard. Do you want your younger sister to be a widow?"

Lin Chong roared at Lin Kedong.

Lin Kedong was confused, and then said with grievance: "Father, even if he is my younger sister's man, you don't have to hit me so hard. My ribs are broken..."

"You deserve it. You get up and reflect on your mistakes. If you dare to hit David again, I will no longer have you as my son." Lin Chong said coldly!

"Biased, biased..." Lin Kedong cried!

He thought that Lin Chong was so harsh on him because of Lin Keting. Everyone knew that Lin Chong liked Lin Keting, his younger sister!

"Big Prince, come back with me..."

Lin Ruoya hurriedly chased in and helped Lin Kedong up!

"Ruoya, keep an eye on the big prince. Don't let him leave the confinement again. If he leaves again, I will hold you accountable!"

Lin Chong ordered Lin Ruoya!

"Yes, sir!" Lin Ruoya nodded, and then helped Lin Kedong leave!

"Father, even if David is my man, you don't have to be so harsh on big brother, right?"

Lin Keting said a little embarrassedly!

As a child of the Lin family, she was the most favored by her father!

"Don't worry about it. From today on, your confinement will stop. Play well with David."

Lin Chong said!

"Got it!" Lin Keting nodded!

Lin Keting, Lin Kefan and David left the hall, and Taoist Wuji stayed behind. I don't know what he was talking about with Lin Chong!
