“Okay, stop talking. Hurry up and pack up these prey. We have to go to the town to sell the prey before dark.”

“In the future, don’t go to the town if you have nothing to do, and don’t leave Dashi Village easily. I don’t know if the people of the Demon Sealing League have gone crazy recently and are robbing things everywhere.”

The old village chief asked everyone to pack up the prey, and then looked at Zhuzi and asked, “Zhuzi, how is your medicine refining going?”

“Old village chief, it’s... not successful yet...”

Zhuzi said a little embarrassed!

During this period of time, Zhuzi has been refining medicine. The old village chief took people to the mountains to collect the herbs needed, and never let Zhuzi go up the mountain!

After such a long time, Zhuzi still hasn’t succeeded, which makes Zhuzi very embarrassed!

“It’s okay, take your time. How can medicine be so easy to refine? When you become a real pharmacist, our Dashi Village will benefit from it!”

The old village chief patted Zhuzi on the shoulder!

“Don’t worry, old village chief, I will definitely work hard!” Zhuzi’s eyes flashed with a firm light! At

this moment, the heaven and earth suddenly trembled, and everyone looked at the void in shock!

With the void flashing white light, several figures slowly appeared!

“Brother Chen, that’s Brother Chen...”

Zhuzi was the first to see David and shouted loudly!

“Grandma? Grandma?”

Yun'er also saw the old woman next to David and trembled with excitement!

So everyone looked at it in disbelief. Flying in the air like this is definitely something that only the strong can do!

David led everyone to slowly land in Dashi Village!

“Yun'er, my Yun'er...”

When the old woman saw Yun'er, she instantly broke free from David's hand and ran towards Yun'er!

“Grandma...” Yun'er also ran towards the old woman excitedly!

The two hugged each other tightly and burst into tears!

“Brother David, we just mentioned you, but we didn't expect you to come back...”

Zhuzi ran towards David excitedly, hugged David and said!

David smiled and touched Zhuzi's head: “Zhuzi has grown taller...”

“David, you...you are back.” The old village chief also stepped forward and shook David's hand!

“Old village chief, I'm back, I came back to see you!”

David looked at the people in Dashi Village in front of him, and was also very excited!

All the villagers of Dashi Village followed David to say hello!

Although David did not stay in Dashi Village for a long time, these villagers also regarded David as their own!

“Grandma, aren't you dead? How...how could you be with Brother Chen?”

After crying, Yun'er looked at the old woman in disbelief and asked!

“Hey, it's a long story. I was...”

The old woman followed Yun'er to explain in detail!

“Okay, don’t gather around. David and the others came from such a far place. They must be very tired. Let them rest!”

The old village chief asked everyone to disperse!

David and his companions were placed in a courtyard. Although the courtyard looked shabby, it was also clean!

Zhuzi brought some spiritual herbs to David and his companions: “Brother David, this is what the old village chief asked me to bring. You have traveled such a long way and need to replenish your physical strength.”

David looked at the spiritual herbs in front of him. He knew that these were the best things in Dashi Village!

“Zhuzi, go tell the old village chief that we have brought our own resources, so there is no need to bring us anything!”

David patted Zhuzi on the shoulder and said!

Zhuzi nodded and then went out!

“Damn, after so many years, I didn’t know there was such a poor place in the world of heaven and man...”

“What can these spiritual herbs do? I guess even dogs won’t eat them if they are fed to them...”

Xuan Bin looked at the spiritual herbs in front of him and couldn’t help but exclaimed!

These ninth-grade cultivators in the Mahayana realm were simply shocked when they arrived in Dashi Village!
