## Chapter 4750

The void of the northern region!

Zuo Tianzheng and his men are heading towards Dashi Village. This time, Zuo Tianzheng brought the elites of the Demon Sealing Alliance!

If those hidden forces hadn't taken action, Zuo Tianzheng was confident that they would be invincible in the world of heaven and man!

"League leader, the Dashi Village is ahead..."

said the elder next to Zuo Tianzheng!

Zuo Tianzheng took a look, his eyes full of indifference and said, "It is impossible for a master to appear in such a remote place. Why have several waves of people come, but none of them go back?"

"Come with me to take a look. I have never been to such a poor place..."

Zuo Tianzheng led his men to dive straight down, but when they reached the sky above Dashi Village, Zuo Tianzheng and others were surprised!

In the mountains and forests around Dashi Village, there were scattered corpses everywhere, and some of the corpses were broken!

It was obvious that these corpses were all the monks from the Demon Sealing Alliance!

They all died here, how could they go back!

"Alliance leader, these... these corpses are all from my Demon Sealing Alliance!"

the elder said in horror!

"I'm not blind, do you need me to tell you?" Zuo Tianzheng glared at the elder, then glanced coldly at Dashi Village: "How could such a broken village allow so many monks to die here? Is there a formation around this village?"

"Alliance leader, it is very possible, we should send someone to test it first!"

the elder said!

Zuo Tianzheng nodded, and the elder casually pointed to a monk and said: "You go ahead and explore the way..."

Although the monk was extremely reluctant, he had no choice. If he didn't go, he would definitely die on the spot!

"Cao Nima..."

The monk muttered and cursed the elder, then fell towards Dashi Village with his head facing the scalp!

The monk landed in Dashi Village very easily, and there was no formation!

They didn't even attack him. Only a few villagers saw the stranger and took the initiative to ask!

"Are you from the Demon Sealing Alliance?" a villager asked!

The monk hesitated for a moment, then shook his head. After all, the situation was still unclear and his identity could not be exposed!

So many Demon Sealing Alliance monks died around Dashi Village. Who knows what kind of masters are hidden in Dashi Village!

So this monk did not admit his identity as a member of the Demon Sealing League!

Seeing that they were not from the Demon Sealing League, several villagers left. Now the villagers of Dashi Village have a super sense of security!

After all, they are all people who have seen the world. Even if strangers come to the village, they are no longer as nervous and afraid as before!

It's like those people who are used to seeing Rolls-Royce and Bugatti, and they feel just average when they see Mercedes-Benz and BMW!

Maybe they don't have it, but they just look down on

that kind! Although these villagers are not strong now, they also look down

on ordinary monks when they come! Dashi Village has David behind it, and the identities of these villagers are also extraordinary!

Seeing several villagers ignore him and leave, the monk breathed a sigh of relief, but just when he was about to leave, he was seen by Zhuzi !

“What do you do?” Zhuzi asked the monk! When the monk saw Zhuzi, he didn’t know how to answer for a while, and stuttered: “I... I...” “Are you here to poop?” Zhuzi asked! “Yes, yes, yes!” The monk nodded repeatedly! “The toilet is over there, go ahead...”

Zhuzi pointed and said! The monk left in a hurry, and Zuo Tianzheng in the void saw that nothing happened, so he led everyone to rush down directly! “Everyone from Dashi Village, get out...”

the elder next to Zuo Tianzheng shouted loudly! Because they came to Dashi Village and found that many villagers ignored them! Along with the roar of the elders, the old village chief came out, and after seeing Zuo Tianzheng and others,

he frowned slightly and said, “What are you yelling about, what are you doing?” “We are from the Demon Sealing League, and this is our leader...”

The elder pointed at Zuo Tianzheng and said! Originally, he thought that the old village chief would be scared to death when he said this, but who knew that the old village chief would be excited when he heard it: “The people from the Demon Sealing League are here, everyone hurry up and move your stools out to see...”
