Chapter 4754

Take Us There

Seeing this, Zuo Tianzheng tried hard to get up, silently took out the storage bag, and threw it at David's feet!

It seems that this guy may let David spare him!

Looking at the storage bags on the ground, David waved his hand and said, "Go away..."

"Thank you, Mr. Chen, for not killing me..."

The elder and the monks of the Demon Sealing Alliance thanked him repeatedly, then turned around and ran away!

Zuo Tianzheng didn't say anything, and turned around and was about to leave!

"Did I let you go?" David said coldly!

Zuo Tianzheng forced out a smile: "Fellow Daoist Chen, Mr. Chen, Master Chen, please forgive me. I will never be the leader of the Demon Sealing League, nor will I be a running dog of the Ten Palaces."

"I will find a place to practice well in the future, and I will not do anything that harms the world. Please forgive me."

Zuo Tianzheng, the leader of the Demon Sealing League, was begging in front of David like a grandson at this moment!

The villagers of Dashi Village had already gotten used to this scene, and they were no longer shocked at the beginning!

"Don't be nervous, I didn't say I was going to kill you, but I need you to take me to the Ten Palaces!"

David said!

"I dare not, I dare not, the Demon Sealing League is destroyed now, I don't even have time to run, isn't going to the Ten Palaces looking for death?"

Zuo Tianzheng waved his hands again and again!

“If you don’t take me, you will die now...”

David said with a cold smile!

Zuo Tianzheng shuddered all over and could only nod and said, “Okay, I’ll take you there...”

David left all the storage bags of the Demon Sealing League to Dashi Village, then gently stroked Yun’er and Zhuzi’s heads and said, “You should practice well, these resources are enough for your Dashi Village to use for a long time.”

“If there is a chance, I will come to Dashi Village to see you again...”

“Brother Chen, don’t worry, you can wait for us in the heaven then, we can definitely ascend to the heaven.”

Zhuzi said very confidently!

“Okay, then I’ll wait for you in heaven!” David smiled slightly!

After all, Zhuzi is still young, and he doesn’t know the hardships of cultivation. It is extremely difficult to ascend to heaven!

Some clans and families, even if they exhaust all their resources, may not be able to support a cultivator who can ascend to heaven!

With the resources of Dashi Village, it is simply wishful thinking to ascend to heaven!

But David will not dispel the confidence of Zhuzi and others. Once people have confidence, they can do things much faster!

After saying goodbye to everyone in Dashi Village, David brought Xuan Bin and others and followed Zuo Tianzheng to the headquarters of the Demon Sealing League!

If they want to enter the Ten Palaces, they must enter from a secret room in the headquarters of the Demon Sealing League!

Ten Palaces! The master

of the Ten Palaces sat in the hall with his eyes slightly closed, as if thinking about something!

Behind him, a monk with a black face and a long beard, his eyes were like camel bells, his hands on his waist, and he looked like a god!

On both sides of the hall, ten strong men wearing black robes and black helmets, these ten people have a restrained aura and their presence cannot be felt at all!

“Father, I heard that the Demon Sealing Alliance was destroyed. That was the force that we, the Ten Palaces, worked hard to cultivate, so that we could occupy the entire Heavenly World.”

“Who on earth is so bold that he dares to go against us, the Ten Palaces?”

The Tenth Prince’s injuries have improved a lot, and he hurriedly walked up to the hall and asked!

“Don’t worry about it, go back and continue to heal your wounds and rest. You don’t have to ask about the Ten Palaces in the future!”

The Tenth Palace Master waved his hand and said!

“Father, the Ten Palaces are in crisis now, how can I stand idly by!”

The Tenth Prince didn’t go back at all!

Buzz!

Just as the Tenth Prince’s voice fell, a sword sound suddenly resounded throughout the hall, and the next moment the heavy door of the hall was instantly split open from the middle!

Boom!

The door fell, and David walked slowly into the hall with Xuan Bin and others!

Chapter 4755

More Rewards

Seeing David, the Tenth Palace Lord narrowed his eyes instantly, with a cold look in his eyes!

The Tenth Palace Lord stood up and looked at David: “Are you David?”

“Yes, I am David. Are you using 100,000 fairy stones to buy my life?”

David asked the Tenth Palace Lord!

The Tenth Palace Lord shook his head: "It's not me, you are not worth 100,000 fairy stones!"

"I am not worth it?"

David frowned slightly, and then suddenly slashed at the Tenth Palace Lord with a sword! The

Dragon Slaying Sword burst out with a shocking light, illuminating the entire hall as bright as day!

The reason why David took the initiative was to see what the strength of the Tenth Palace Lord was!

"How dare you disrespect my father!"

The short, childlike Tenth Prince suddenly shouted angrily, rushed forward, and punched David's sword!

"Little brat, dare to disrespect Mr. Chen..."

Xuan Bin shouted, and went head-on to the Tenth Prince!

Bang!

Two explosions suddenly sounded, and Xuan Bin and the Tenth Prince retreated at the same time!

The strength of the two people is equal!

And David's body quickly retreated under the aura of the two people!

The Tenth Palace Master still stood on the stone steps, with a faint smile on his face, as if he didn't take David and the others seriously at all!

Xuan Bin stood beside David, staring at the Tenth Prince, and the Tenth Prince also looked at Xuan Bin, both of them with a strong murderous intent in their eyes!

The Lord of the Ten Palaces clapped his hands together and smiled, "You are really brave. You dare to break into my Ten Palaces with just these few people. Are you here to die?"

David sneered, "To die? I'm here to send you off..."

"You don't just have these few people, do you? Call everyone outside in, I'll see if you are worth my effort!"

The Lord of the Ten Palaces sneered!

“Even with these people like us, we can destroy your Ten Palaces...”

Xuan Bin said loudly!
