## Chapter 4756

David was stunned, then smiled and said, "Are you just for the reward? In this case, after we leave here, I will reward you with 5,000 fairy stones!"

"Only 5,000?" Cangyue asked!

"Why? Don't you want it?" David smiled!

"Yes, yes, yes, Wu Bai wants it too!" Cangyue nodded repeatedly!

As for Xuan Bin and the others, their faces became solemn. The strength of the Tenth Palace Master was beyond their expectations!

"You little trash, are you worthy of fighting me?"

The Tenth Palace Master glanced at everyone and said with contempt!

David looked at the Tenth Palace Master coldly, and the Dragon Slaying Sword in his hand kept making waves of dragon roars!

"Whether I am worthy of fighting you or not, you will know after trying..."

All kinds of forces in David's body were surging!

"Brother-in-law, you didn't inform me of such a good thing, and I have been looking for it so hard!"

At this time, Lin Kefan's voice sounded, and then Lin Kefan slowly walked over!

"Why are you here?" David was a little surprised!

"I'm afraid you will hit... I'm afraid you will beat this guy to death too quickly, so let me do it!"

Lin Kefan smiled!

"Fourth uncle, you have to be careful, this guy's realm is above yours!"

David reminded Lin Kefan!

“I know, but you can fight across levels, why can't I!”

Lin Kefan looked like he was pretending to be cool!

Seeing this, David rolled his eyes helplessly. This guy is still pretending to be cool at this time!

The Lord of the Ten Palaces looked at Lin Kefan, his face gloomy and said: “Fourth Prince, is your Sun and Moon City going to be an enemy of my Temple?”

“Don't call it a temple, you are just the most rubbish Lord of the Ten Palaces, can you represent the Ten Palaces?”

Lin Kefan sneered!

“Don't think I'm afraid of your Sun and Moon City. If you annoy me, I will kill you!”

The Tenth Hall Master was humiliated and said angrily!

“Kill me, it depends on whether you have the ability!”

Lin Kefan said, and spread his palm!

I saw a lightning formed in Lin Kefan's palm, and then the lightning bombarded towards the air!

The hall collapsed under the lightning in an instant!

Fortunately, these people are masters and were not injured by the collapsed palace!

It was just a matter of a moment, Lin Kefan's body was full of lightning, and a terrifying aura of lightning spread all around!

Seeing this scene, everyone in the Tenth Hall looked solemn!

“The origin of lightning, I didn't expect that the fourth uncle still has something!”

David was surprised to see the origin of lightning around Lin Kefan!

No wonder Lin Kefan dared to fight with the Tenth Hall Master!

“Mr. Chen, the fourth prince has a thunderbolt on him. This should be obtained from the ladder to heaven, not an ordinary origin of lightning.”

Xuan Bin on the side whispered!

“Heavenly thunder? Is there a thunder tribulation in the ladder to heaven?” David asked in surprise!

David thought that the purpose of climbing the ladder to heaven was to ascend to heaven without breaking through the realm. Since there was no breakthrough in the realm, how could there be a thunder tribulation?

“Mr. Chen, this heavenly thunder is more terrible than thunder tribulation. There is a heavenly thunder at the end of each level of the ladder to heaven!”

“Only after being baptized by heavenly thunder can you enter the next level. Looking at the heavenly thunder on the fourth prince, it should be the heavenly thunder of the fifth level.”

“In all these years, I have never seen anyone bring out the heavenly thunder in the ladder to heaven, and I don’t know what method the fourth prince used!”

Xuan Bin said in surprise!

David was immediately interested when he heard it. If this heavenly thunder is more terrible than thunder tribulation, then if he enters the ladder to heaven, can he also transform this heavenly thunder into his own original power?

David looked at the lightning and thunder running around Lin Kefan, and suddenly said to the Tenth Palace Master: “You are so scared of the thunder, it will strike you to pieces...”

“I’m afraid of nothing!”

The Tenth Palace Master snorted coldly, his expression as usual, as if he was not afraid of the so-called thunder on Lin Kefan at all!

## **Chapter 4757**

Lin Kefan suddenly took a step forward, and then a bolt of lightning shot up from his body. In an instant, the entire hall was covered by bolts of lightning.

Seeing this, David and the others retreated, away from the lightning area!

“A trifle...”

The Tenth Hall Master snorted coldly, and then waved his hand, and an endless black blade appeared. The lightning in the sky was instantly cut off by this black blade!

A force that destroyed the world suddenly erupted! The

entire lightning disappeared, and Lin Kefan's figure kept retreating, and he had to retreat dozens of steps before he stabilized his body!

Seeing this, David and the others all frowned slightly!

"Fourth uncle, you..."

David wanted to persuade Lin Kefan, but he didn't finish his words!

Lin Kefan turned into a bolt of lightning and disappeared instantly!

Seeing this, the Tenth Hall Master suddenly swung the black blade in his hand forward!

Swish!

A black light suddenly fell from the sky, tearing the void apart, and the lightning that Lin Kefan turned into was also shattered by the black light!

Lin Kefan flew backwards again, his face extremely pale!

The Tenth Hall Master turned his palm over, and the black blade in his hand turned into a black mist, surrounding the Tenth Hall Master!

"What a spiritual weapon..."

Lin Kefan's eyes were full of envy!

Obviously, the black blade used by the Tenth Hall Master can change its form at will, which shows that this black blade already has a weapon spirit, and it has also opened up spiritual intelligence!

The Tenth Hall Master looked at Lin Kefan coldly: "The thunder of the ladder to heaven is just like this, there is nothing special about it..."

"Fourth uncle, are you okay?"

David asked Lin Kefan!

"I won't die, hold on for a while, no problem!" Lin Kefan spat fiercely, looking at the Tenth Hall Master fiercely!

“Well, you hold on for a while, and we will kill the rest of the Ten Courts!”

David said!

Lin Kefan nodded, and then turned into a lightning bolt again, and went straight to the Tenth Hall Master!

Seeing this, David shouted loudly: “Go ahead, kill the other people in the Tenth Hall first...”

When Xuan Bin and others heard it, they all took action and went straight to the people in the Tenth Hall!

The Tenth Prince frowned and said loudly: “Come on, everyone, cheer up, kill these people, and your father will go to the main hall to ask for credit for you!”

After the Tenth Prince finished speaking, he went straight to David!

He still understood the principle of capturing the king first to capture the thief!

These people were brought by David. As long as David was killed, these people would naturally collapse and disappear!

David held the Dragon Slaying Sword and looked at the Tenth Prince running straight towards him, and laughed in his heart!

“Little bas\*\*\*, I was afraid of you some time ago, so I let you pretend to be very powerful, but today I will teach you how to be a man!”

After David finished speaking, the Dragon Slaying Sword in his hand was a slash!

David’s Dragon Slashing Sword cut through the sky, the sword light was like a dragon, and it instantly slashed towards the Tenth Prince.

Although the Tenth Prince reacted quickly, he was still a step slower. His left arm was cut off by the sword energy of the Dragon Slashing Sword, and blood gushed out!

“Ah—!”

The Tenth Prince let out a shrill scream, staggered back, and his face instantly turned pale as paper.

“Son!”

Seeing this, the Tenth Palace Master’s eyes were full of anger, and his originally calm face was instantly distorted.

The black blade in his hand suddenly shook, turned into a black lightning, and rushed straight to David!

“David, you are looking for death!”

The voice of the Tenth Palace Master was like thunder, shaking the entire hall.

David felt the Tenth Palace Master’s monstrous murderous intent, and his heart was slightly trembling, but he did not retreat. Instead, he held the Dragon Slashing Sword tightly and went forward.

“Dang—!”

The Dragon Slashing Sword collided with the black blade, making a deafening metal collision sound.

David only felt his arm go numb, and he was shocked and took several steps back, but the Ten Palace Masters did not move at all, and it was obvious that their strength was far superior to David.

## **Chapter 4758**

“Mr. Chen, be careful!”

Hua Yueying saw this and immediately formed seals with her hands, muttering something.

In an instant, a formation unfolded under her feet, and countless runes flashed in the air, turning into a light curtain that enveloped David.

“Tian Gang protect your body!” Hua Yueying shouted in a low voice, and the power of the formation was instantly added to David, causing his breath to surge and his defense to increase greatly.

The Tenth Palace Master snorted coldly, and swung the black blade in his hand again, and the black knife light swept over like a storm.

With the help of the power of the formation, David barely resisted the attack of the Tenth Palace Master, but every time he collided, he could feel the terrifying power impacting his body.

“Dang! Dang! Dang!”

The Dragon Slaying Sword and the black blade kept colliding, sparks flew, David's tiger's mouth had cracked, and blood flowed down the hilt, but he still gritted his teeth and persisted.

"Boy, if you can't bear it, let me play..." The Red Cloud Demon Lord spoke!

"Don't worry, senior. I'm holding on!"

David said!

The reason why David was so confident in coming to the Ten Palaces to cause trouble was because of the existence of the Red Cloud Demon Lord!

In the end, there was really no other way, so he let the Red Cloud Demon Lord control his body and start a massacre!

"Mr. Chen, hold on!"

Hua Yueying's voice came from behind, and her array power was continuously injected into David's body to help him resist the attack of the Ten Palace Lord.

Finally, in a fierce collision, the black blade of the Ten Palace Lord made a crisp sound, and a crack appeared on the black blade.

The face of the Ten Palace Lord changed, and before he could react, the sword energy of the Dragon Slaying Sword had already attacked again.

"Crack—!"

Under the fierce attack of the Dragon Slaying Sword, the black blade finally couldn't bear it and shattered completely!

"What?!"

The Tenth Palace Lord looked at the black blade fragment in his hand in shock, his eyes full of disbelief. This

black blade is his life-defining spiritual weapon, which has a spirit, but it was shattered by David's Dragon Slashing Sword!

"David, you dare to destroy my spiritual weapon!"

The Tenth Hall Master roared, and the aura on his body suddenly surged. Behind him, a Dharma image of a hundred feet high actually condensed! The Dharma image had a hideous face, holding a huge axe, as if to destroy everything.

“Dharma image·Destroying God!”

The Tenth Hall Master shouted in a low voice, and the huge axe in the Dharma image’s hand suddenly swung down, with the power to destroy the world, and went straight to David!

David felt the terrifying power and was shocked, but he did not retreat. Instead, he held the Dragon Slashing Sword tightly and went up to meet it.

“The power of the dragon!”

David shouted in a low voice, and a dazzling golden light suddenly burst out from the Dragon Slashing Sword. A golden dragon flew out of the sword and went straight to the Dharma image of the Tenth Hall Master!

“Boom!”

The giant dragon collided with the giant axe, making a loud earth-shaking sound. The whole hall was shaking violently, as if the whole world would collapse at any time.

The battle between David and the Lord of the Ten Palaces entered a white-hot stage. The forces of both sides continued to collide, and the whole space was shaking.

Hua Yueying was on the side, doing her best to maintain the formation and help David resist the offensive of the Lord of the Ten Palaces.

“We must win!”

Hua Yueying silently said in her heart, and the power of the formation in her hand was continuously injected into David’s body to help him resist the terrifying power of the Lord of the Ten Palaces.

The battle continued, and the outcome was still undecided, but David’s eyes became more and more determined. He knew that this battle was not only for himself, but also for all those who trusted him!

Xuan Bin and others followed him regardless of danger. Even if these people were for profit, they could fight with him in the Ten Palaces to the death, and they were his brothers!

David took a deep breath, and all kinds of power in his body surged wildly, and the golden light on the Dragon Slaying Sword became more and more dazzling.

He suddenly jumped up, his figure was like lightning, and he went straight to the Dharma image of the Lord of the Ten Palaces.

Hard fight!

David's body is now strengthened and he has the indestructible golden body to protect him. With Hua Yueying's help, even if he fights head-on, David knows that his life will not be in danger!

## **Chapter 4759**

Rumble...

Suddenly, everyone felt terrible shock waves bursting out from the middle, shocking everyone back again and again!

The Tenth Palace Master's Dharma image exploded and turned into shock waves!

David was also shocked back by the shock wave, as if his body was oppressed by a mountain!

Seeing this, Hua Yueying kept casting spells to stop David's body. At this time, Hua Yueying was already sweating coldly!

David's body had just stabilized, and the Dragon Slaying Sword in his hand was swung out again!

Bang!

The sword light shattered, and David flew backwards again. In front of the Tenth Palace Master, David tried his best, but he couldn't defeat him!

At the moment David flew backwards, he was wrapped by a soft force, and his body stabilized instantly! Chen

Ping knew that this was Hua Yueying's masterpiece!

If Hua Yueying hadn't helped him, David wouldn't have been able to fight with the Tenth Hall Master until now!

The Tenth Hall Master looked solemn, no longer looking down on him. His right hand was cracked and blood was pouring out!

The Tenth Hall Master looked at Hua Yueying coldly, his eyes full of disgust and murderous intent!

If Hua Yueying hadn't helped him, David might have been defeated long ago!

"What is your relationship with David? Why do you help him so much?"

The Tenth Hall Master asked Hua Yueying!

Hua Yueying smiled slightly: "He pays, I work hard, that's the relationship!"

"Paid to hire?"

The Tenth Hall Master was stunned, then glanced at the others and said: "You all?"

The others didn't speak, but they all nodded!

Who of them didn't take David's fairy stone!

"How much resources did David spend to be able to invite you to deal with my Tenth Hall?"

The Tenth Hall Master asked!

He was very curious about how much benefit these people would take to go against his Ten Palaces!

"Ten thousand immortal spirit stones..." Cang Yue stretched out a finger and said!

"Ten thousand immortal spirit stones?" The Tenth Palace Master was stunned, then laughed and said, "Hahaha, it's ridiculous, ten thousand immortal spirit stones can make you work for him!"

"I can give each of you 20,000 immortal spirit stones. As long as you leave the Ten Palaces, the immortal spirit stones will be credited immediately!"

Hearing the words of the Tenth Palace Master, Xuan Bin and others were all slightly shocked!

"You don't have to stir up trouble. No matter how much you give, it's useless. We can't abandon our brother-in-law."

Lin Kefan knew that the Tenth Palace Master was using the immortal spirit stones to disintegrate them, so he hurriedly said!

This guy, shouting David's brother-in-law, of course he couldn't leave for 20,000 immortal spirit stones!

The Tenth Hall Master ignored Lin Kefan and turned his attention to Hua Yueying: “Think about it. As long as you don’t help David, I will give you 20,000 fairy stones immediately. If you help me, I will give you 30,000...”

The Tenth Hall Master knew that the existence of Hua Yueying, the array master, really affected his performance!

David glanced at Hua Yueying, and he also wanted to know what Hua Yueying would choose!

After all, they had known each other for a short time, and they came together for the sake of interests!

“I am a principled person. Since I have accepted Mr. Chen’s fairy stones, I must help him to the end!”

Hua Yueying said coldly!

When David heard this, he was instantly grateful to Hua Yueying, and gave a thumbs up and said, “Miss Hua, great...”

The Tenth Hall Master frowned and his teeth were clattering!

“Tenth Hall Master, is what you said true?” At this time, the three monks in black robes asked the Tenth Hall Master!

“Of course, I always keep my word. As long as you don’t help David and leave the Ten Palaces, I’ll give you 20,000 Immortal Spirit Stones!” The

Tenth Palace Master patted his chest and promised!

“Didn’t you just say 30,000?” A black-robed monk asked!

“30,000 is required to help me kill David.” The Tenth Palace Master said!

“Bring the Immortal Spirit Stones, let’s do it.” A black-robed man asked to take out the Immortal Spirit Stones in advance!
