Chapter 4761

David glanced at Lin Kefan and smiled faintly: "Then you watch, how do I destroy these ten palaces!"

After David finished speaking, the dragon-slaying sword in his hand disappeared instantly, and then there was a divine bow in his hand!

The God King Bow was taken out by David!

You know, the God King Bow is in David's hand, and he rarely shows it to others, just because he is afraid that someone will be thinking about the God King Bow and then harm him!

As the saying goes, a man is innocent but guilty of holding a treasure, but now David can basically walk sideways in the world of heaven and man, so he is not afraid that anyone will be thinking about his God King Bow!

With the appearance of the God King Bow, the atmosphere in the entire hall suddenly became extremely tense. The

bow body flows with a faint blue light, as if it contains the power of the stars, and every flash makes people palpitate.

Seeing the God King Bow in David's hand, everyone was shocked. Xuan Bin and others retreated again and again, fearing that they would be injured by the God King Bow.

"God King Bow? You actually have such a divine weapon!"

The voice of the Tenth Palace Lord was filled with incredible shock. He knew the reputation of the God King Bow very well. It was a terrifying existence that could shoot and kill gods and demons.

David tightly grasped the God King Bow, his eyes were like torches, and the power in his body seemed to boil at this moment.

He took a deep breath, adjusted his posture, and prepared to deliver a fatal blow.

"Today, I will let you see the power of the God King Bow!"

David roared, and all the strength of his body gathered in his right hand. He pulled the bowstring, and the air seemed to solidify at this moment.

Seeing this, the Tenth Palace Lord did not dare to be careless, and quickly gathered all the spiritual power in his body to form a thick shield, wrapping himself tightly in it.

He knew very well that this arrow was no joke, and if he was careless, he might be doomed. “

Whoosh!”

A brilliant blue light cut through the sky, with a deafening sound, and headed straight for the shield of the Tenth Palace Master.

Wherever the arrow passed, the space seemed to be torn apart, leaving shocking cracks.

“Bang!”

The arrow collided with the shield, making a deafening sound.

The shield began to vibrate violently under the impact of the arrow, and ripples appeared on the surface.

The face of the Tenth Hall Lord changed drastically. He never expected that the power of the God King Bow would be so terrifying.

He tried his best to maintain the shield, but the terrifying power was still eroding, making him feel unprecedented pressure.

“Come again!”

David did not give the Tenth Hall Lord a chance to breathe, and pulled the bowstring again, ready to shoot the second arrow.

This time, he almost used up all his strength, and the blue light on the arrow was more dazzling, as if to illuminate the entire hall.

“No!”

The Tenth Hall Lord shouted in horror, knowing that he could no longer withstand such an attack.

But the arrow had arrived, and he could only fight to the death, condensing all his spiritual power into his fists, trying to hit the arrow head-on.

“Boom!”

The arrow collided with the Tenth Hall Lord’s fists, erupting with earth-shattering power.

This time, the shield finally couldn’t bear it and shattered.

The Tenth Palace Master was also knocked back by this terrifying force, and the whole person rolled several times in the air before falling heavily to the ground.

When he struggled to get up, he saw that his right arm was already bloody and fleshy, obviously injured by the residual power of the arrow.

And his face was full of shock and fear. He never expected to be beaten so badly by a second-grade cultivator in the Mahayana Realm.

Just when the Tenth Palace Master was shocked, David drew the bow again, but this time, it was not aimed at the Tenth Palace Master!

This time, more than a dozen arrows were shot directly!

All the cultivators of the Tenth Palace were targeted by an arrow, especially the Tenth Palace Master, who was targeted by three arrows!

David promised Yun Li that he would not be afraid of the Tenth Palace Master. This is David’s promise, and he will definitely keep it!

But David did not say that he would not kill Yun Li’s brother or the Tenth Palace Master!

Chapter 4762

This little brat is so annoying. He holds a lollipop in his mouth all day long and looks arrogant!

Especially during the Xiao Dynasty, David has never forgotten his arrogant look!

Today, he will let this little brat feel what fear is!

Whoosh, whoosh, whoosh...

More than a dozen arrows were shot out at a rapid speed, and all the monks of the Ten Palaces were panicked. Even their hall masters couldn’t withstand the God King Bow, so how could they resist it?

Their faces changed drastically, and they began to burst out with all their strength to form shields!

These arrows penetrated the shields and soon hit a monk of the Ten Palaces. With this arrow, the monk of the Ten Palaces turned into a wisp of green smoke and disappeared! The

souls gathered and dispersed, and even the corpses were not left behind. It can be seen that the power of this God King Bow!

“Damn, it’s too awesome...”

Xuan Bin and others looked at it in shock!

The Tenth Prince was surrounded by three arrows, with a look of fear and despair on his face!

“Father, save me, save me...”

The Tenth Prince was so scared that he almost peed, and the lollipop in his mouth fell to the ground! The

Tenth Palace Master frowned, and his body instantly turned into a residual image, slamming hard into the three arrows!

His eldest son was dead, and his younger son must not get into trouble again!

“Brother-in-law, just deal with the Tenth Palace Master. As for the other minions, your uncle will help you deal with them!”

After Lin Kefan said this, he went straight to the monks of the Tenth Palace!

Although Lin Kefan couldn’t beat the Tenth Palace Master, it was still very easy to beat these Tenth Palace minions!

Seeing this, Xuan Bin and others followed Lin Kefan to attack the monks of the Tenth Palace!

David held the God King Bow and looked at the Tenth Palace Master indifferently!

“You must attack at close range!”

Looking at the God King Bow in David’s hand, the Tenth Palace Master began to panic!

He knew that only by fighting David at close range would David be unable to use the God King Bow!

Thinking

of this, the Tenth Hall Master instantly turned into a residual image and rushed towards David!

Boom boom boom...

The Tenth Hall Master punched to the flesh, not giving David any chance to breathe!

In this way, it would be impossible for David to use the God King Bow!

Seeing this, David put away the God King Bow and also used the Holy Light Fist at the same time, following the Tenth Hall Master's fists!

Explosions continued to sound around!

David's body was strengthened by the secret method of the gods, coupled with the indestructible golden body, and Hua Yueying constantly laid formations around David, which made the Tenth Hall Master unable to do anything to David in a short time.

The Tenth Hall Master became more and more depressed. He was a third-grade cultivator in the Immortal Realm, and he could turn his hand to make clouds and rain!

At this moment, he couldn't do anything to a second-grade cultivator in the Mahayana Realm. This is simply outrageous, and it's outrageous to the extreme!

The Tenth Palace Master was very frustrated at the moment. David's Holy Light Fist was not weak at all, and coupled with that terrifying body, it was simply a nightmare!

However, it was unrealistic for David to defeat the Tenth Palace Master in a short time!

After all, he was dealing with a third-grade existence in the Immortal Realm, whose strength far exceeded David's. Being able to fight with the Tenth Palace Master to this point, David was already very awesome!

However, David was not in a hurry. He promised Yun Li that he would not kill the Tenth Palace Master, so he only needed to entangle the Tenth Palace Master and let Lin Kefan and the others kill all the people in the Tenth Palace!

All the people in the Tenth Palace were dead, and only the Tenth Palace Master himself was left, and he could not make any waves at all!

The Tenth Palace Master also knew David's thoughts, so he became more and more anxious!

“Boy, you forced me to do this...”

The Tenth Palace Master suddenly looked hideous, and a terrible aura swept around. At the same time, the whole person began to mutate!

Boom!

The aura of the Tenth Palace Master soared again!

David was slightly stunned and frowned, saying: “Aren’t these people from the God Clan all human? How come they became monsters?”

“Mr. Chen, be careful, this guy is a beast transformation, and he must have the beast genes integrated into his body!”

Hua Yueying saw this and hurriedly reminded David!

Chapter 4763

David was speechless when he saw the disgusting look of the Tenth Palace Master!

These so-called gods, arrogant guys, turned out to be just like that behind the scenes!

“Today, I want you all to die...”

Since the Tenth Palace Master has exposed his ugliest side, as a member of the God Clan, he cannot allow anyone to see it.

So everyone here must die!

David saw the Tenth Palace Master rushing over, and instantly sacrificed the Dragon Slaying Sword, and then slashed with the sword!

Bang!

The Tenth Palace Master rushed forward, the sword light shattered, and David was directly shaken away for a hundred feet, and cracks appeared on his indestructible golden body!

David frowned slightly, and hurriedly took advantage of the distance to put away the Dragon Slaying Sword and took out the God King Bow again!

However, David knew that this might be the last time he could use the God King Bow. With his current strength, he could not pull the God King Bow so frequently!

David slowly pulled the bowstring, and the Dao Pattern evil spirit surged in David's body like a tide, and a golden arrow feather slowly appeared on the God King Bow!

For the last blow, David must go all out!

Swish!

This golden light shot out!

Bang!

The golden arrow feather shot directly at the body of the Tenth Hall Master, but the golden arrow feather shattered instantly, and the huge recoil force made David retreat a hundred feet away again!

At the moment David retreated, the Tenth Hall Master had already jumped up, and then punched down!

Bang!

The void was instantly twisted and deformed, and David's body fell heavily to the ground, directly penetrating a hundred meters underground!

"Mr. Chen..."

Hua Yueying was shocked and hurriedly used the formation. Silk nets wrapped around the body of the Tenth Hall Master, trying to stop the Tenth Hall Master from attacking David again!

Hearing Hua Yueying's cry, Lin Kefan turned around and saw David being smashed into the ground. His face was full of anger and murderous intent!

"Damn it, you hit my brother-in-law, I'll fight you..."

Lin Kefan turned into a stream of light and slammed into the Tenth Hall Master fiercely!

The Tenth Hall Master was entangled in the silk net and was hit by Lin Kefan motionlessly!

Bang!

With a loud noise, the Tenth Hall Master did not move, but Lin Kefan had been shaken away, with cracks on his body and blood gushing out of his mouth!

Lin Kefan opened his storage ring and stuffed handfuls of pills into his mouth!

At this time, he didn't care about any resources!

After the Tenth Hall Master repelled Lin Kefan, he struggled lightly and broke free from Hua Yueying's formation!

Then he strode towards David!

"Fourth Prince, stop him..."

Seeing this, Hua Yueying hurriedly called Lin Kefan!

Lin Kefan frowned, gritted his teeth, and said ruthlessly: "Little sister, if I die, it's to save your man. You can remember to burn incense for me..."

Thunder and lightning surged around Lin Kefan again, and the whole body turned into a thunder and lightning, rushing towards the Tenth Hall Master!

He must stop the Tenth Hall Master and give David time to breathe!

"You don't know your own strength..."

The Tenth Hall Master snorted coldly, and then punched out!

Boom!

The lightning around Lin Kefan was instantly shattered, and the whole person was knocked out, fell heavily to the ground, and vomited blood!

Seeing this, Hua Yueying hurriedly cast a spell, but couldn't stop the Tenth Hall Master's steps at all!

This guy, after the beast transformation, his strength increased dramatically!

David, who was in the 100-meter deep pit, wiped the blood from the corner of his mouth. There was no fear in his eyes, but only a stronger fighting spirit!

"Boy, I'm afraid your body can't bear it, let me play..."

The Red Cloud Demon Lord said to David!

"I can still fight, we'll talk later!"

David jumped and jumped directly out of the 100-meter deep pit!

“If your body is broken, I won’t be able to possess you to help you!”

The Red Cloud Demon Lord hurriedly said to David!

However, David ignored it, but held the Dragon Slaying Sword and stared at the Tenth Hall Master!

Chapter 4764

But just as David jumped out of the deep pit, a very dangerous breath suddenly hit him!

David hurriedly turned around and swung his sword, but found that there was no one behind him at all!

Puff!

Just when David was stunned, a sharp blade actually pierced David’s back!

“This...”

David looked at the sharp blade that pierced his body and was a little confused for a while!

Indestructible golden body, plus his abnormal and strong body, who can pierce his body so easily?

“It’s over, it’s over...”

The Red Cloud Demon Lord said helplessly!

David’s body was broken, and he couldn’t possess it anymore!

“Mr. Chen...”

Hua Yueying, Xuan Bin and others were anxious when they saw that David was attacked by someone!

If David died, they would have no objection to fighting with the Ten Courts with all their strength!

David is the God of Wealth, he can’t die!

Seeing this, Lin Kefan was furious: "Dare to attack my brother-in-law, I will destroy your entire clan!"

Lin Kefan ignored his own injuries and instantly arrived in front of David!

But just when everyone rushed towards David, a dragon roar sounded in David's body, and then the dragon crystal on his chest kept flashing!

A golden dragon slowly came out of David's body, and the wounds on David's body healed at a speed visible to the naked eye, and the indestructible golden body that had been cracked was also completely repaired!

The golden dragon surrounded David's body, and the dragon energy wrapped around David!

Everyone who saw this scene was shocked!

Whether it was Lin Kefan or Xuan Bin and others, they didn't expect that a golden dragon would appear in David's body!

Not far from David, an old man who was looming also had surprise and confusion on his face!

This old man was the guy who attacked David. He was Qian Lao in the mouth of the Tenth Palace Master, and he was a higher status than the Tenth Palace Master!

"The Tenth Palace actually has helpers, this is going to be troublesome..."

Pinshu.com Looking

at the old man Qian who appeared, Xuan Bin said solemnly!

When the Tenth Palace Master saw the old man Qian, he also said respectfully: "I disturbed the old man Qian's meditation, and I hope that the old man Qian will not blame me!"

Even the Tenth Palace Master who was transformed into a beast did not dare to be disrespectful to the old man Qian!

The old man Qian did not pay attention to the Tenth Palace Master, but stared at David: "No wonder, no wonder I can't figure out your origin..."

David also stared at the old man Qian: "Old bas****, did you sneak attack me just now?"

"That was not a sneak attack, I just predicted your position!"

The old man Qian smiled faintly!

“Predicted you, the Gobi...” Lin Kefan cursed angrily and punched out directly!

In the sky, several lightning bolts instantly rushed towards the old man Qian

! But at the moment when the lightning struck, the body of the old man Qian disappeared out of thin air!

When everyone saw clearly, the old man Qian actually left his original position, just moved one step easily, and avoided Lin Kefan’s attack!

Lin Kefan was stunned, and threw several punches again in succession. This time, more than a dozen lightning bolts came crashing down, wrapping up the old man Qian!

He wanted to see how the old man Qian could dodge!

But who knew that after more than a dozen lightning bolts struck down, the old man Qian could actually shuttle through these dozen lightning bolts, using the time difference, and was not hit by a single lightning bolt!

This time, Lin Kefan was stunned!

Not only Lin Kefan, but everyone was stunned!

Even David looked at the old man Qian in disbelief, with a look of shock in his eyes!

David didn’t understand how this guy dodged it!

If it was simply because of the fast speed, it would be impossible to dodge more than a dozen lightning bolts within this limited range!

“I didn’t expect that in a garbage place like the Ten Palaces, there are still people who master the deduction of the great way.”

The Red Cloud Demon Lord said!

“Da Dao Deduction?” David was stunned: “Senior, what is this Da Dao Deduction?”

“It is to predict future events. He can also predict things that have not happened yet.” Scarlet Cloud Demon Lord explained: “The reason why he said he predicted your position just now is that he used the deduction technique to know what you are going to do next.”

“It is precisely because of this that he can easily dodge the attack. After all, he already knows what you are going to do and has prepared in advance!”

Chapter 4765

“fu**...” David couldn’t help but curse!

He didn’t expect that there would be such a powerful figure in the Ten Palaces?

Looking at the Ten Palace Master in front of him, his body was blood red, his face was hideous, and his breath was weird and powerful!

Behind the Ten Palace Master, only the Tenth Prince and two Ten Palace monks were left, and they were also seriously injured!

In this situation, if they tried harder, the other people in the Ten Palaces could be destroyed!

Who knew that the Ten Palace Master would be able to transform into a beast, and there were people in the Ten Palaces who could deduce the Great Dao!

This was a bit of a miscalculation!

“Brother-in-law, why don’t you retreat? A real man can bend and stretch. When we return to Sun and Moon City, I will gather a group of people!”

Lin Kefan said to David!

Just now, after a few consecutive punches, he didn’t even hurt the opponent’s hair. Lin Kefan was a little embarrassed! Let

’s not talk about the strength of the Tenth Hall Master after the beast transformation, just the old man in front of them, they are afraid that they can’t do anything together!

There is no chance of winning!

“Do you think we can still leave?” David asked!

Lin Kefan was stunned, and then stopped talking!

“Do you want to leave?” The Tenth Hall Master sneered: “My Tenth Hall is not a hotel, a place where you can come and go as you like!”

“Huo Qing, no matter what your identity is, you are still a member of the Tenth Hall. Are you just going to watch the Tenth Hall perish and remain indifferent?”

At this time, Qian Lao said to the void with a cold face!

Along with Qian Lao's voice, the void trembled, and Huo Qing slowly appeared with the thin old man!

Huo Qing could not give the face of the Tenth Hall Master, but Qian Lao spoke, and Huo Qing dared not not show up!

Huo Qing had actually been observing secretly for a while. Even though the people of the Ten Palaces suffered heavy casualties, Huo Qing did not intend to help!

"Old Qian, I just rushed back to the Ten Palaces. The Palace Master asked me to kill David for revenge. I have been trying to find him."

"I didn't expect that this kid would dare to lead people to attack the Ten Palaces. He is so arrogant!"

Huo Qing said to Old Qian with a smile on his face!

"Huo Qing, are you humiliating me?" Old Qian asked with a cold face!

"I dare not, I dare not, how could Mr. Qian say that!"

Huo Qing waved his hands repeatedly!

"Have you forgotten what I do? How dare you lie in front of me?" Mr. Qian asked sternly!

Huo Qing smiled awkwardly and said nothing!

His lie was seen through by Mr. Qian at a glance. He was able to deduce the existence of the way of heaven, so how could he be deceived by lies!

"Have the helpers you found arrived?"

Mr. Qian saw that Huo Qing didn't speak, so he continued to ask!

"They are already on the way and will be there soon. Just leave these people to me. I will never let them leave the Ten Palaces alive alone."

Huo Qing hurriedly said flatteringly!

"Put away your little thoughts and grow up well through experience, otherwise, with a word from me, your Huo family will never have the possibility of entering the temple!"

Mr. Qian knocked on Huo Qing and said!

“Old Qian is right. I won’t dare to do it again!”

Huo Qing nodded repeatedly, then looked at David and others, snorted coldly and said, “You little rubbish, dare to attack the Ten Palaces, let me see how I will destroy you!”

After Huo Qing finished speaking, he raised his hand and threw a punch!

After all, David and the others had experienced fierce battles and were injured, so Huo Qing was now waiting for the opportunity!

“Huo Qing, you dare to be so presumptuous with just this little ability!”

Cangyue rushed out suddenly and threw a punch!

Both of them were at the peak of the ninth rank of the Mahayana realm, and Cangyue was not afraid at all!

Bang!

After a deafening noise, a terrible shock wave spread all around!

Cangyue’s body flew backwards in an instant and was caught steadily by Hua Yueying with a formation!

And Huo Qing only retreated more than ten steps. Judging from this punch, Huo Qing was slightly better!

However, Cangyue had been fighting for a long time, so it was normal for him to lose the wind!
