Chapter 4769

“Miss Hua, thank you...”

David looked at Hua Yueying. Before he could say thank you, he saw Hua Yueying’s body falling rapidly towards the ground. The whole person was aging visibly!

“Miss Hua...”

David was shocked. His body disappeared in an instant, and then he hugged Hua Yueying!

Hua Yueying’s face was pale and her breath was extremely weak!

“Mr. Chen, I can’t help you later. You have to rely on yourself. I work so hard, can you give me more fairy stones?”

Hua Yueying opened her eyes and squeezed out a smile and said!

“Don’t worry, I’ll give you one hundred thousand or two hundred thousand fairy stones. I will definitely help you break through the peak of Mahayana and enter the realm of immortality!”

David said seriously!

“That’s good. It’s worth spending half of my life cultivating to bring this sweet rain to the world!”

Hua Yueying smiled. The reason she did this was to gamble, but now she made the right bet!

“Who is fighting here again and still bringing this sweet rain to the world?”

At this time, a beam of light suddenly fell from the top of everyone’s head, and then an old man appeared. The old man was wearing a purple Taoist robe, a Taoist crown on his head, and a black black iron sword in his hand!

This sword was out of tune with the old man’s dress!

As soon as the old man appeared, the space formation originally laid by David was instantly broken, and Qian Lao's Dao deduction technique was also restored at this moment!

Looking at the old man who suddenly appeared, everyone was stunned and confused!

Lin Kefan's eyes lit up, and he hurriedly stepped forward and said: "Uncle Lord of the North Territory..."

The old man looked at Lin Kefan and frowned slightly: "Who are you?"

"Uncle Lord of the North Territory, my name is Lin Kefan, the fourth prince of Sun and Moon City!" Lin Kefan hurriedly introduced himself!

"Oh, it turns out to be the son of Fellow Daoist Lin. No wonder he looks familiar."

"How is your father these days? I haven't seen him in a while!"

The Lord of the Northern Territory smiled and asked!

"My father is fine. Uncle can go to Sun Moon City to find him when he has time." Lin Kefan said!

"Why are you fighting in my Northern Territory, destroying my mountain, and disturbing my cultivation?"

The Lord of the North Territory asked!

"Uncle, these people wanted to kill us, and we had no choice but to resist. They relied on their strength to bully the weak, which was too shameless. I hope that uncle can do justice!"

Lin Kefan said with a face of grievance!

When the Lord of the Tenth Palace heard this, his face turned red with anger!

Does he still have any shame? It

was obviously him who was chased home and beaten!

Now they have become victims

! Is there any room for reason?

The Lord of the North Territory glanced at the Lord of the Tenth Palace, but did not speak. Instead, he looked at Hua Yueying in David's arms, and then took out a pill and stuffed it into Hua Yueying's mouth!

Hua Yueying recovered visibly, and then broke free from David's arms with a slightly red face!

"Thank you, Lord of the North Territory..."

Hua Yueying hurriedly thanked him!

"Don't thank me first, what is your name? Why did Ganlin come to the world?"

The Lord of the North Territory asked solemnly!

"My name is Hua Yueying, and this rain of sweetness is my mother's unique skill..."

Hua Yueying said!

Hearing this, the Lord of the North Territory became obviously excited, stepped forward and grabbed Hua Yueying's shoulders and said: "Is your mother called Hua Liandie?"

"How does Lord know my mother's name?"

Hua Yueying asked in surprise!

"How is your mother? Is she doing well?" The Lord of the North Territory asked excitedly!

"My mother...she has passed away. Because of the disturbance of the inner demon, she was backfired when she was practicing."

Hua Yueying said with tears in her eyes!

"What?" The Lord of the North Territory was full of surprise, and his body couldn't stop shaking: "It's me, it's all my fault..."

When David saw this, he instantly understood that the Lord of the North Territory must have had an affair with Hua Yueying's mother!
